Amaz2k12 - Bimbobooby Doo

Hi,
I'm Velma
from Mystery Inc. Fred,
Daphne, Shaggy, Scooby, and
I are off to Banggy, Maine, to
investigate a strange case
involving an old
19th-century
mansion.

The mansion
has been abandoned for
decades, but its history goes
back to the 1860s. Our client
plans to clear the area, tear
it down, and build
something new...

...but his
workers keep
disappearing, and rumors
of a curse and ghostly
residents have been
swirling.

Some claim
it was once a brothel,
where the owner supposedly
created a way to turn women
into mindless objects of desire...
or short: Bimbos. Sounds
like nonsense
to me...

...but we'll
find out soon. Welcome
to Bimbobooby Doo -
Where Are You

The gang debates while en route to the eerie mansion...

Daphne

Velma, seriously?
Another Reel on Insta? I
thought that place was just for
beauty influencers showing people
how to do their makeup - like we
wouldn't already
know how!

But yeah,
those tutorials are
kinda cute.

Velma

Daph, I've
got a big fanbase,
and there's nothing wrong
with sharing what I like. And
for the record, Insta is for
everyone to post their stuff...
just like your cat videos
with those little
purple bows.

It's all
about perspective,
Daph.

Scooby

Rehehe!
I like Daphne's cat
videos! But... my nose always
hurts when I chase the cats
and... r-run into
the r-wall!

Yeah,
awesome spot! Perfect
place to test my newest
trap... wait, runes?
What runes?

Wow,
almost as
impressive as my
parents' house... but what
are those strange
runes on the
pillars?

Uh, I don't
see any runes...
but can we go inside
already? It's super creepy
out here, and I'm starving!
What do you think,
Scoob? Kitchen
first?

Ryeah!
Scooby-Dooby-Doooooo!
Let's r-go find some
r-snacks!

Jinkies...
it looks like only
Daphne and I can
see them.

Amaz2k12 - Bimbodooby Doo

And so begins the latest adventure of Mystery Inc., in a lonely, abandoned mansion...

...completely unaware that they are being watched by a shadow lurking in the foggy distance...

...and that this night will change all of their fates forever! Bimbobooby Doo, where are YOU?

Amaz2k12 - Bimbodooby Doo

The gang arrives at the mansion and prepares for their investigation...

Alright, gang.
The building is huge,
and while we don't expect
any real danger, it is old
and probably in bad
shape. Safety first.

Man,
this place is super
creepy... I'm gonna need
a huge tuna sandwich
first. Scooby?

Reah!
Me too,
Shaggy!

Keep an
eye out for any
clues, and if you find
something, use your
walkie-talkies. Then
we'll regroup.

Let's split up.

Remember,
guys - ghosts aren't
real. So no running away
from people in bad
costumes, okay?

Amaz2k12 - Bimbodooby Doo

Not far from the gang, a shadowy figure watches from the darkness...

So, this is
Mystery Inc.? Just
a bunch of meddling
teens.

This'll
be easy. Scare
them off, derail the
deal... then my client
can snap up the
property.

And after
that, I'm gone.
This place gives
me the chills...

But the shadows aren't just watching -
they're reaching for him...

... like
it's watching
me.

What
the ...

The mansion has its own plans... and
Jason is only the beginning.

Amaz2k12 - Bimbodooby Doo

The phantom's grasp, though invisible, is inescapable. Jason, sent to scare off the gang, finds himself paralyzed by the icy hold. Every moment leaves him weaker, as if his very masculinity is being drained away...

This
can't be
real...

THESE ARE...
BREASTS?! The
rumors... they're
true!

Dear
God... what's happening
to me?

My
body... it
feels like
it's...

Mmmh...
oh no...
Ohhh!

This heat...
between my legs...
it's growing...
spreading...

The mansion's curse doesn't ask—it takes, reshaping those who dare trespass...

Amaz2k12 - Bimbodooby Doo

But when Velma arrives at the spot where Jason's feminization and the ghostly hands should have been... there's nothing. Not a single trace.

Where is she? Could I have imagined it?

No... something isn't adding up.

But for now, let's see what Shaggy and Scooby are up to...

Amaz2k12 - Bimbodooby Doo

Shaggy and his best pal, Scooby-Doo, roam the dimly lit halls of the mansion, their mission clear: find something edible. Anything edible.

Zoinks, Scoob, this place is giving me the creeps. My chill is officially killed.

Reah, Scoob needs snacks... and... rmmm... clues!

I just wanna make a monster sandwich... maybe even find a clue for Velma. Seriously, why'd she run off solo? Doesn't she know we're better as a team?

Unbeknownst to them, a ghostly phantom drifts silently behind, its skeletal claws reaching for Scooby...

But just as the phantom's claws nearly graze Scooby's fur, the pair stumbles into their ultimate jackpot - the kitchen!

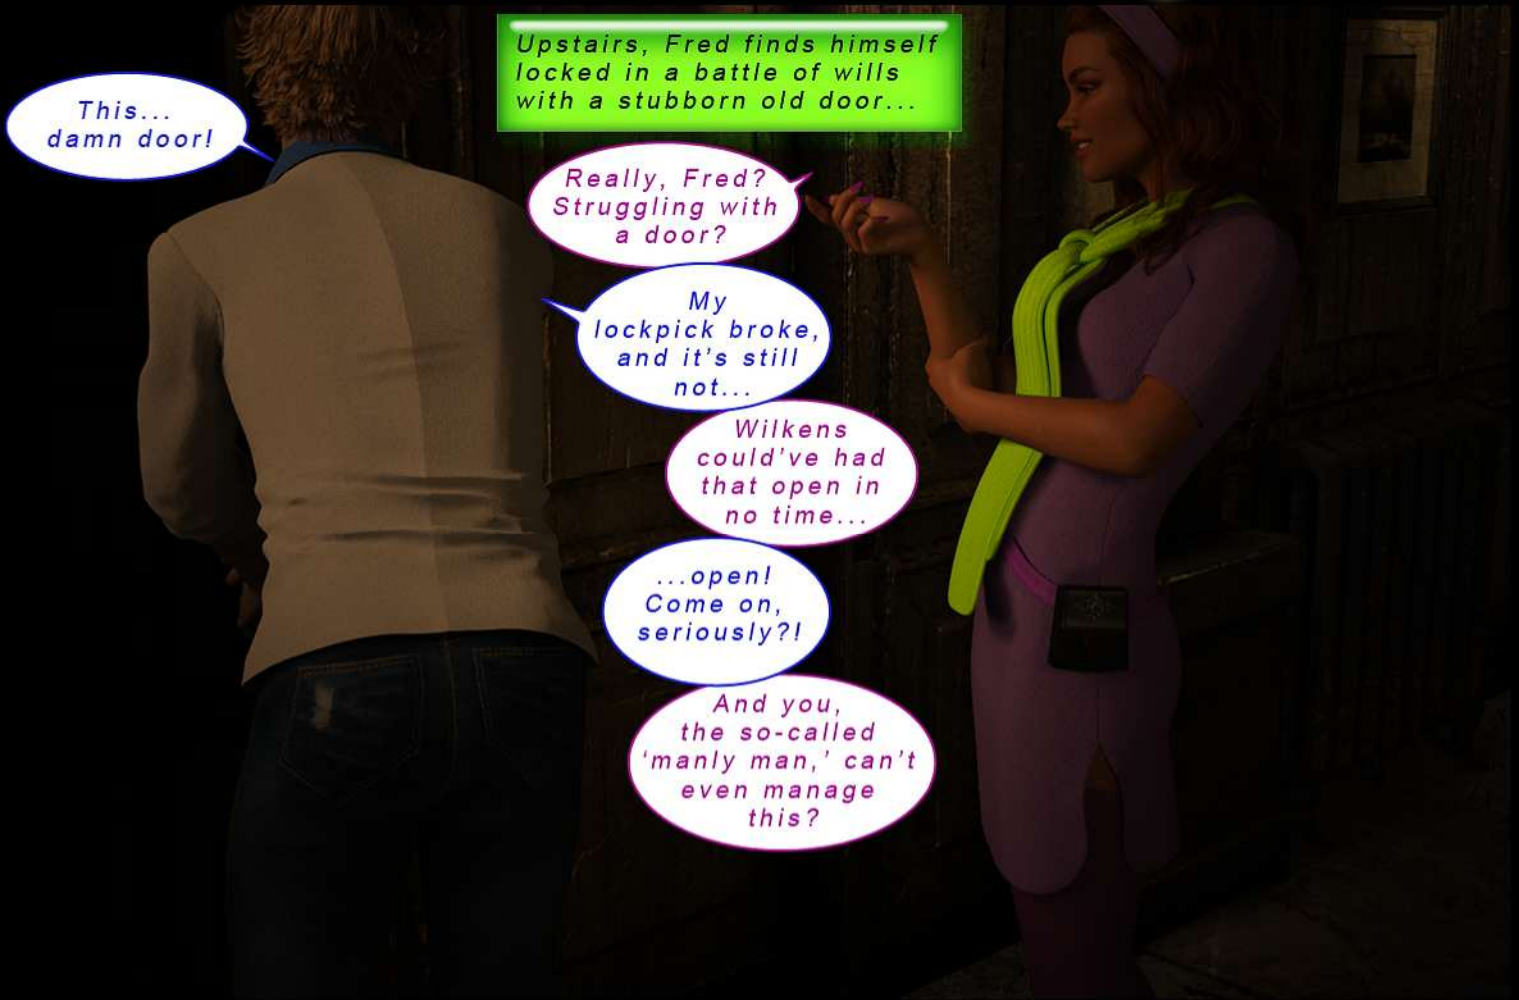

Aw, yeah! What do we have here? There's gotta be some goodies!

Rhe kitchen!

Yummy yummy! Scooby-Dooby-Dooooo!

For now, let's leave them to their culinary escapades and see what Fred and Daphne are up to.

Amaz2k12 - Bimbodooby Doo

The phantom's grasp works its twisted magic...

Fred,
I need you... I
need to feel
you!

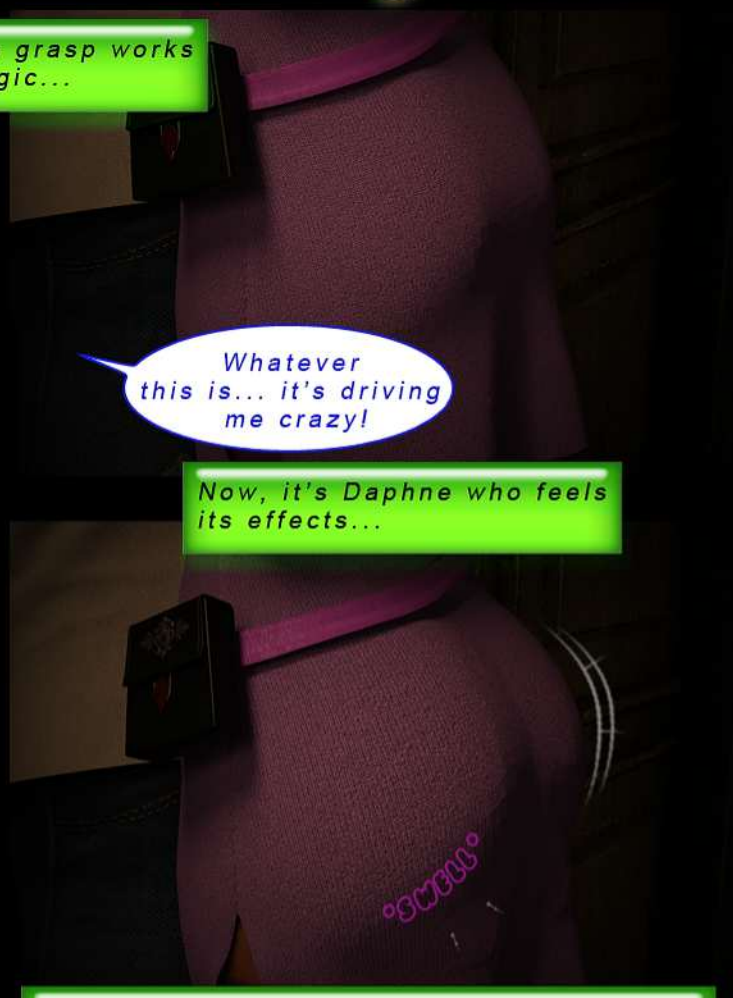

Right
here, right
now!

Daphne?!
We swore we'd
never...

... as her petite frame begins to change.

Oh
my God...

Whatever
this is... it's driving
me crazy!

Now, it's Daphne who feels
its effects...

... Her delicate hips swell, her small breasts
grow fuller...

I
can't fight
it, Daph!

...what's
happening to
me?!

Don't
stop, Freddy...
please!

Take
your clothes
off!

... and streaks of blonde appear in her
fiery red hair.

Amaz2k12 - Bimbodooby Doo

unbeknownst to them, they are far from alone...

...and the room vibrates with an almost palpable, overwhelming sexual energy.

The phantom harnesses and magnifies this desire...

...rapidly intensifying their physical and mental transformation into bimbos.

Unsatisfied, Daphne gets off Freddy - but the reason she couldn't feel him anymore is now painfully obvious...

ugh,
that was, like,
sooo disappointing,
Freddy-poo!

Maybe I'll
just find someone
who can actually
handle me -

ohhh
my gosh
a rootie!

Daphne,
what's gotten
into you?

Freddy!
Your... your...

What are
you talking about?
I feel...

BIG, STRONG
... caww is... like,
sooo tiny?!

OH MY
GOD!
