

HOT FLASH HOUSE

By Chrono Eclipse

Chapter 25: Another lap around the pool

Adalynn moved in toward David. She grinned at him as she sat on his lap and wrapped her arms around his chest in a side-hug.

“Hellooooo handsome...” She said batting her baggy eyes at him.

Adalynn’s face at 49 was beginning to droop into jowls. She had deep creases along her nose and mouth and because of her weight loss had the most dangly neck of all of the women in the tub.

She was a far cry from the sexy latina girl he had first met when she came over to have a threesome with him and a 30-something Jayne.

“Hiya Ada.” He said with a grin thinking about how much she’s changed since then.

The middle-aged grandmother leaned in to kiss him, her dull brown hair falling onto both of their faces. David could see strands of gray beginning to pop up along her auburn locks.

“I think Tabitha had the right idea about how to have sex in this tub...” Adalynn said swiveling her body around.

She tugged off her skirted bottoms and sat her bare ass on David’s lap so that her back was to him. Her flabby thighs cushioning his legs from either side.

Adalynn lifted her body up to slip his dick inside of her causing her ass to slosh around, dragging up against his chest. He saw the mole she had protruding from the middle of her left ass cheek and poked in playfully.

She eased her matronly body back down onto him, guiding his cock into her loose pussy. He slid in with relative ease. The abuela moaned sharply feeling his stiff dick thrust inside her and began to rub her sweaty neck.

“Aiiiii! That feels soooo good baby....” She groaned.

He reached around and put his hands on her soft belly. It was not as round as it had been when he fooled around with her at 40 but it wasn’t in shape either. It was a flabby middle-aged gut that jostled up and down and jiggled under his hands as she bounced on his dick.

“Ahhh! I can’t believe i’m doing this! You’re younger than my own daughter! Don’t stop! Don’t stop baby!” She moaned to him.

She took his hands and slid them up her belly to her breasts which were flopping like crazy. David was able to fit his entire hands under the folds of her tits when they sagged down.

He hefted them in his hands and squeezed her big hanging tits sensually. He leaned in and kissed her tanned shoulders that were beginning to also gain moles and liver spots.

Adalynn was picking up pace as she plopped her ass up and down on him causing the young man to thrust deeper and harder into her pussy.

“Ai! AH! AH!!! AHH!! OH GOD!” She began to cry as she built to a climax.

But as she moaned in pleasure David watched as her hair went from a few gray strands to fully gray. Her breasts shifted a little lower in his hands and her ass flattened a bit on his lap.

Her voice even sounded a little hoarser as she groaned.

“Ooooh! That feels sooo good young man! Keep it up!” She bellowed.

David looked around to see that the other women looked a bit older as well. It occurred to him that he must be fucking a 50-year-old Adalynn now.

“AH! OH AH!!!” She moaned as she slowed her bouncing.

He felt an odd sensation of cooler water spraying against his dick. Adalynn turned around and her lined cheeks were crimson as she quickly pulled off with a groan of pain.

“I’m so sorry! I’ve neve done that before!” She said quickly flailing to move away from him.

David and the other women realized that she must have pissed on him as she neared climax.

“It’s uh – it’s okay!” He said to reassure her.

“Yeah Ada, we’re in water anyway.” Hope added.

“Still i’m sorry, that’s really embarrassing... it’s late. I should really be getting home.” She said pulling her bathing suit bottoms back on.

“Oh are you sure?” Jayne asked.

“Yes. Thank you so much for having me over. This was a lot of fun.” She said with an appreciative smile.

“Anytime hun!” Tabitha said waving.

“Bye ladies... bye David...” Adalynn said blowing the boy a kiss as she climbed out of the hot tub.

Hope wasted no time now that David’s cock was unoccupied. She quickly swam over to him, wrapping her meaty legs around his and untying her top so that she could thrust her saggies into his chest.

“I think it’s my turn...” She purred jutting her jaw out and staring him in the eyes like a horny ravenous cougar.

“Yeah I think it is...” David said staring back at her and putting his hands on her soft middle-aged spread.

“I’ve been waiting a while for this...” She purred putting a plump pasty hand on his face and pulling him into a hungry kiss.

‘Not as long as I have...’ David thought with a smirk as he reached around and spanked her ass in the water.

The mother of his girlfriend squealed with delight at having her chunky butt slapped. She responded by tearing her bikini bottoms off and extending her leg over him so that she could straddle the young man.

“Oof! Auntie Jayne... how did you even manage to get in this position. I feel like my hips are going to break!” Hope moaned as she winced into the position.

“I think mine did!” Jayne said with a laugh.

Hope rubbed her dimpled hips tenderly as she stretched to get her thighs on either side of him. Her brown with gray roots bush was awaiting him under the water.

The 44-year-old reached out and took his cock in her hand guiding it toward her pussy.

“Hopefully this will be pretty smooth. I’ve started using lube lately but since there’s none available we’ll just have to hope the water will do the trick...” She said with her hand around his cock.

“I’m sure it’ll be fine...” David said with a smirk thinking about how moments ago she was mocking the other women for needing lube.

She maneuvered the tip of his penis to her labia and stopped suddenly.

“Oh no! No not now!” She gasped frantically.

He watched as her face, neck and shoulders all went as red as a lobster.

“God! I don’t get these that offend! Why now!?” She began to pant.

Her body was sweating bullets as she attempted to fan herself and continue. But her body was quickly over heating. She was finally forced to slide off of David and climb out of the hot tub.

David Tabitha and Jayne all watched Hope stumble quickly over to the swimming pool and jump in naked. The middle-aged woman surfed after a minute, gasping and still fanning herself.

“Feel better?” Jayne called from across the yard.

“Mmm hmmm!” Hope nodded still too hot to speak.

“God, I was afraid that was going to happen to me when I got in here!” Tabitha said shaking her head.

“Afraid what was going to happen?” A young voice called from behind them.

They turned around to see Lacey standing over them still wearing her club dress.

“Oh hun! We didn’t see you get in! Your mom was just uh... having some problems that women of a certain age get...” Jayne explained with a smile.

“Uh huh.” Lacey said looking around at her naked mother floating in the pool and her mostly naked grandmother, great-aunt and boyfriend soaking in the hot tub.

“Looks like you guys had fun while I was gone... are these my swimsuits?” Lacey asked holding up the bikini bottoms that Tabitha had been wearing.

“Uh yeah... ours were in the wash dear...” Tabitha explained.

Lacey just began to crack up laughing, putting her delicate hand to her smooth forehead and shaking her head.

“We gave your boyfriend quite the fashion show...” Jayne announced with a proud smile.

“I bet you did! And I bet he loved every minute of it...” Lacey said playfully smirking and winking at David.

David blushed briefly. He did really enjoy it but felt embarrassed that Lacey was teasing him about his thing for older women.

The young woman tossed her heels aside and pulled down her skirt so that her bright red lace panties were visible.

“You know after all of the dancing I did tonight I could really use a soak in the hot tub...” She purred.

Lacey peeled her top off revealing the strapless bra containing her massive DDs underneath.

“Hope you don’t mind the underwear...” She giggled.

“Heh it’d be silly to run up and change into a bathing suit at this time of night anyway. We can always toss your undies in the wash before bed!” Tabitha assured her.

“You know, I remember when Tabby and I were your age or a little younger we would constantly jump into this hot tub in just our panties!” Jayne said with a big smile remembering those times.

“And even those didn’t stay on for long!” Tabitha cackled remembering.

“Those were the days! When everything was nice and firm and didn’t sag...” Jayne said with a smirk.

Lacey took a step into the hottub and wobbled a bit losing her balance. She was reaching behind her back to unclasp her bra but had to stop to steady herself.

“Woah hehe, i’m still a little tipsy...” She giggled as she unhooked the bra again and tossed it on the sit of the hottub.

Her big tanned breasts jiggled as she moved to submerge herself next to David.

“You mean like when ours used to look like that?” Tabitha asked nodding toward her granddaughters perky tits.

“Well... yeah...” Jayne said blushing while grasping her floppy tits that were beginning to lose their form and shape and just become oozing sacks in her hands.

“Lacey! Trade your youth with us and be an old hag for a bit! Your aunt Jayne and I want to be young again for a while!” Tabitha joked with a cackle and a wheeze.

“Mmmm David would enjoy that, wouldn’t you Davy?” Lacey asked with a seductive voice.

She swam over to David and wrapped her arms around his shoulders, pressing her face into his cheek and nuzzling him.

“What do you mean?” David asked with a smirk.

“If you had a girlfriend old enough to retire? And my tits were all droopy... and my hair was gray... and my ass was baggy... and my pussy was all dried up...” She whispered before sticking her tongue in his ear.

He pushed her back playfully.

“Well i’ll get that wish soon enough...” He said, knowing that she wouldn’t know what he was talking about until he jogged her memory about what was going on.

“Hehe i’m a little drunk sorry.” She apologized worrying that she was teasing him a little too much.

“Oh don’t sweat it! I’m enjoying it.” David said pulling her into a kiss.

“Whose sweating?” Tabitha asked Jayne.

“No one hun! You should really get your hearing checked.” Jayne chided her friend.

Lacey reached down into the water and grabbed her panties, pulling them over her shapely hips and plump toned ass. She slid them down her smooth womanly legs that at this point only had freckles and beauty marks and not much in the way of cellulite.

She stretched her leg up behind her back, grasping the discarded panties between her toes and she took them in her hand and tossed them over with the rest of her clothes. Now she sat completely naked in the water next to David.

“Well maybe we just take advantage of what a couple of young people can do for tonight huh?” She asked with a giggle.

David nodded as Lacey stretched her thick leg around his lap and straddled him. Her big gorgeous breasts bounced between their chests, crazing his sternum.

She reached under water and grabbed his erect cock and then maneuvered up to slide it into her pink pussy. They both gasped as he entered her. She was the first woman tonight who was completely slick with vaginal juices as his penis pushed inside of her.

“Ahhh that feels so fucking good!” She yelled in ecstasy.

The couple began to gyrate in the water. He grabbed Lacey bouncing tits and fondled them, enjoying their firmness in his hands. She grasped firmly at his back, swivelling her hips with speed and precision one could only accomplish with youthful flexibility.

“God Tabby, she doesn’t look like she’s even a little uncomfortable in that position... remember when it was that easy for us?” Jayne asked in amazement watching the young couple fuck.

“Heh no! You mean back in the prehistoric times?” Tabitha teased.

“Oh hush! It wasn’t that long ago! In fact I remember doing this exact same thing with a boyfriend in this hot tub back in ‘78!” Jayne said scratching her gray head.

“The 70s are the prehistoric times babe. At least as far as these kids are concerned!” Tabitha cackled.

David was overhearing this conversation and couldn’t help laughing. Tabitha, back when she was 18 HAD called the 70s ‘dinosaur times’ but she had been

looking at it from the other side then. Now she was old enough to be a target of the jab she made at older people a few days ago.

“What’s so funny?” Lacey asked still swiveling up and down on his cock.

“Oh just your grandma said something funny.” David pointed out not even thinking anymore how weird it was that he was fucking Tabitha’s ADULT granddaughter.

Lacey turned to the two old women in the hot tub with them.

“Ummm a little privacy please?” She asked rolling her eyes.

“We’re goin’! We’re goin’!... you know, we were in here first you know...” Tabitha teased.

“Yeah... trying to seduce my boyfriend...” Lacey smirked while riding David.

Tabitha chuckled and nodded at the statement as she climbed out of the hot tub. She leaned over with a groan and held out her veiny hand to help Jayne out.

David glanced over Lacey’s smooth young shoulder to see the two 60-something women, dripping wet and mostly naked on the patio. Their bodies were pasty and drooping southward as they shuffled around to grab towels to wrap around themselves before waddling into the house.

“Okay have fun you too! Don’t stay up too late!” Jayne called waving.

“And check to make sure your mother is doing all right!” Lacey added.

“I’m fine!” Hope mumbled loudly from the pool before groaning in discomfort.

Once Tabitha and Jayne left Lacey got louder and wilder with her love-making. She was gyrating fast and hard on his lap and nibbling David’s lip playfully while smooshing her own tits with her hands.

“God, clubbing makes me so horny...” She purred.

“Yeah I can tell...” David smirked, squeezing her ass under water.

She squealed and giggled as her tight ass being squeezed.

“Luckily I have my hot little college boy to come home to...” She said in a lustful voice.

She pressed her naked body against his pressing her perky tits into his chest and stretching her neck for him to suck on it. He took the cue and put his lips around her smooth neck causing the young woman to practically howl in pleasure.

“Oh that’s right, you’re the older woman now... how old are you?” He asked out of curiosity.

“Mmmm are you teasing me? You know i’m 26! I’m not that much older than you...” She purred pinching her own nipples.

“No not right now but soon you’ll be entering middle age...” He pointed out.

“You’d like that wouldn’t you? If I was some frumpy soccer mom...” She teased back.

“I just think it’ll be really interesting to compare what your body is like now to then and beyond...” David said honestly as he felt himself stiffen up at the thought.

His added hardness shot a surge of pleasure into Lacey and she gasped out a moan.

“God when i’m grandma and aunt Jayne’s age? And i’m pissing myself whenever i’m about to orgasm?” She smirked.

“Yeah... I’ll still find you incredibly sexy you know...” David said pumping harder into her.

“Aw thanks babe but you’ll be old then too. You’ll probably have erectile dysfunction and a tiny bladder and a big pot belly...” She pointed out.

“Yeah maybe...” He replied with a shrug.

She was building closer to cumming as she let out a series of sharp moans. Her eyes were shut tight and she was gripping his shoulder with one hand and tugging at her left tit with the other.

“Oh yeah! Oh yeah! Oh yeah! OOOHH YEEEE-” She gasped as she felt herself shuttering in ecstasy.

But another warm sensation expelled from her vagina as she suddenly felt her bladder empty and the two of them looked down to see yellow liquid float out into the water around their crotches.

David looked up at Lacey surprised and the 26-year-old woman blushed crimson and immediately pulled off of him.

“That’s *never* happened before!” She insisted.

“Yeah it’s okay...” David reassured her.

“I’m only 26!” She reiterated, seeming worried that because of this accident her young boyfriend would see her as some old lady.

“Yeah it’s totally fine Lacey.” David said with a smile, abnormally calm for having been peed on several times this evening.

“It’s- It’s just the alcohol! I’m drunk!” She said realizing.

“Yeah that’s totally probably it...” David said smirking though wondering if it was a sign of things to come.

“God i’m so embarrassed though...” She said as she sat naked in the tub and began to get a little weepy.

David figured that this might be a good time to bring her back mentally, so she wouldn’t have to deal with the drunken guilt of just having pissed accidentally on her boyfriend in the middle of sex.

“You know - it’s probably just the time bubble...” He said.

“What?” She asked looking up at him surprised.

“The time bubble! You know, the thing thats making everyone around me rapidly age?” He asked.

Lacey shook her head and blinked at him.

“Yeah I know what the time bubble is but - wait - why are we naked in the hot tub? OMG did we just have ‘sexy fun time’ with each other?” Lacey asked giggling, now back to mentally being 18.

“Uh yeah pretty much...” David said with a smirk.

“How old am I? Wow my tits feel HUGE!” She said excitedly as she bounced her bare breasts with her hands in the water.

“Uh 26, I think.” David told her.

“Woah! 26! Where is everyone? Did we go clubbing?” She asked.

David decided that this was enough fun in the hot tub for one evening and climbed out. He began to dry himself off as he answered her.

“Yeah you did. I don’t know how it went because I got cougared by basically every woman in your family...” David said laughing.

“Oh my god! Mom is sooo thirsty for you!” Lacey giggled.

“It’s not just your mom...” David said grinning.

“Oh right... your ex-girlfriend aunty Jayne....” Lacey said with the sing-songy voice of a teen teasing a friend about a crush.

“It was a good night though.” David declared, pulling his swim trunks back up.

“Sounds like it... wasn’t this supposed to be my college graduation party?” She asked.

“Yeah I think it became like someones birthday? And then maybe just a gals night out?” David said with a shrug.

“I want to see how old everyone is now! Let’s check out the calendar!” Lacey said excitedly as she pulled herself out of the pool.

She looked at her curvy body with a mix of amazement and disappointment.

“What’s the matter?” David asked.

She poked her soft waist with her finger and then did the same to her ass.

“I’m much *thicker*.” She said with a frown.

He playfully smacked her plump booty.

“More cushion for the pushin baby!” He said with a laugh.

Lacey toweled off her body taking full stock of every new stretch mark and dimple as well as the beauty marks and hairs. She then slipped her skirt and top back on without underwear.

“Haha lets see how much you want to do some pushin’ when my tits are all saggy and I have a muffin top!” Lacey smirked reaching out to take Davids hand so that they could go into the house.

“Oh you mean like...” David grinned and pointed his thumb toward the pool.

Floating naked in the pool, on her back, spread eagle, was Hope. Her eyes were closed and her breasts were flopping down either side of her chest under her armpits. She was taking deep breaths like she might at the end of a yoga class and her lightly jowled face was serene.

“Holy crap! Mom!?” Lacey exclaimed.

Hope opened one of her lightly crinkled eyes that had a decent amount of make-up on it to hide her bags and crow's feet.

“Huh? Honey is that you? You’re home... sorry i’m just cooling off a bit. Pardon my birthday suit... i’ve never had one that bad before...” Hope groaned.

“Had what?” Lacey asked confused.

David leaned in to Lacey’s ear and whispered:

“Menopausal hot flashes.” He said softly enough so that Hope wouldn’t hear.

Lacey made an ‘Oh’ face like she suddenly understood but then looked at her mother in shock and wonderment.

“She’s so oooooold!” Lacey whispered loudly.

“Hey! I heard that!” Hope moaned from the pool.

David couldn’t keep straight what Lacey remembered and what she didn’t. Was she aware that her mother had hit menopause? It had been a few years jump from the last time he had brought her back into his reality so it must be a bit of a start difference between how Hope looked earlier in the evening and the now mid-40s MILF floating her saggy body naked in the pool.

He thought to himself how cool it would have been if instead of witnessing all this aging gradually, one year at a time, he had gotten big jumps of time. Like seeing Hope as the flirty 21-year-old woman with pretty girl-next-door looks suddenly turn into – well the moaning menopausal woman with the bushy graying pussy, flopped out before him.

Or Jennifer going from the drop-dead-gorgeous curvy MILF of his dreams to the shriveled senile old biddy that can’t walk on her own and is desperate to give him a gum job!

The stark differences made David a bit hard again and he subconsciously reached down and pinched some of the extra meat on Lacey’s round ass. She jumped and squealed in surprise and then gave him a playful slap.

“You kids run along and do whatever it is you were planning. Don’t worry about me, i’ll be in in a few minutes, once I gather the strength to swim to the steps...” Hope said sounding exhausted.

“Uh okay mom! Well just let us know if you need any help!” Lacey said cringing and waving to her mother.

“Yeah Hope just holler and I’ll dive in and rescue you Baywatch style!” David joked.

“Aww you two are so sweet! And David! How do you know about Baywatch? You’re way too young to make that reference! I used to watch that show in high school!” Hope chuckled.

“Oh I was thinking of the movie that came out a couple years ago with the Rock.” David replied honestly.

“Yuck they did a remake? Of Baywatch? Ugh I feel so old!” Hope groaned.

Lacey and David smirked at one another before leaving Hope to finish her late night swim.

To be continued...
