A wildlife photographer is walking quietly through a woodland.

He spots a deer stood with it's back to him.

He takes a picture.

Tries to get the deer's attention.

The deer slowly turns it's head.

It's revealed the deer has a human face and antlers that look like human fingers. Deer doesn't look directly at Will.

WILL

WILL (CONT'D)

Will looks between the tree and the deer.

WILL

A second deer wearing a police hat emerges from behind the
tree. - *wide*

DEER POLICE OFFICER

This is a sting operation

WILL

A sting? For what? - *P*

DEER POLICE OFFICER

There have been multiple reports in
these woods of a pervert sneaking
around ~~and~~... kissing deer.

WILL
That's weird.

DEER POLICE OFFICER
It's disgusting is what it is!

WILL
A sting... wait... and you think

for a second sonny.

WILL
He was coming onto me!

DEER FACE

there would have been some serious
smooching happening! The chief is
not going to be happy with you this
time!

The officer hangs his head in shame.

DEER POLICE OFFICER

actually doing out here anyway?

WILL

WILL

DEER FACE

DEER POLICE OFFICER

DEER FACE

to take home and kiss in private!?

Cutaway: Will is developing the pictures in a dark room,
hanging them to dry and then kissing them and rubbing them
all over himself (slomo?).

DEER POLICE OFFICER
That's almost as illegal as deer
kissing! *as bad*

WILL
NO NO! It's not like that! I'd put
them on calendars... Or mugs...? *- P*

DEER POLICE OFFICER
Without his consent!?

DEER FACE
— You do know I'm naked!?

before I knew you were sentient...

DEER FACE
— Oh so it's fine when we didn't know
any better?!

DEER POLICE OFFICER
Well that's all the confession I
need you pervert!

Wide shot reveals a microphone haphazardly hung over Will's
head, badly camouflaged with leaves and twigs.

WILL
How did I miss that?

DEER FACE
— We have it all on tape!

DEER POLICE OFFICER
We have enough ^{*evidence*} to sentence you
right here and now!

WILL
I don't think that's how the law *- P*
works.

DEER POLICE OFFICER
Maybe not human law, but you're in
the forest now pervert, this is our
territory.

WILL
But I'm innocent! *- P*

The deer officer is suddenly wearing a white cult smock and wicker crown.

DEER POLICE OFFICER

Arrise Mothrak! Guardian of these woods! Kisser of evil! Smoocher of sinners!

Trees crash in the distance.

DEER POLICE OFFICER (CONT'D)

We summon you to punish this pervert for his crimes against all deer kind!

A tree falls over near will.

Will looks terrified.

PAUSE.

A monster bursts fourth from the woods. The monster is some kind of hideous forest demon imp covered in oozing lips with a big set of puckered lips in the middle of it's chest.

Close up shot on the lips dripping. Kissing noises emanate from the beast.

Operatic horror music builds- "Kissy, Kiss, kiss, kissy!"

Will looks terrified.

He raises the camera and takes a picture.

The monster roars and charges.

Will grabs the first deer and jumps on his back.

DEER FACE

Wait!? What are you doing!?

WILL

Hyah!

DEER FACE

Oh god!

The deer charges forward. —

Wide shot of the deer zooming along.

The monster is chasing them through the woods.

POV shot of the monster chasing them.

Close up on the monster, it talks in a demonic voice.

MOTHRAK

Kissy, kiss, kiss, kissy?

Will turns and screams.

MOTHRAK (CONT'D)

Let me kiss you like I kissed all those lovely deer.

DEER FACE
