

Psycho Power Unleashed

Well, well, well... you know,
it's interesting... had you worked together
instead of against each other... you *might*
have been successful...

A screenshot from a Tekken game showing four female characters hanging from a dark wooden structure. From left to right: Nina Williams with orange hair in a green bikini top and blue shorts; Nina Williams with black hair in a blue crop top with a heart and a red sash; Nina Williams with purple hair in a black and white outfit with a red sash; and Nina Williams with blonde hair in a white jumpsuit. The background is a dark wooden wall.

But at least you have
brought me some wonderful decorations
for my new capital...

Let us go, you creep!

Sounds like you're
volunteering to be my
first tribute!

Hey, what's happening-?!

Hitomi!

Leave her alone!

**You monster! What
are you doing to her?!**

My... body... turning to-

As I said, I need some decorations as I create the new cradle of civilization...

A stone statue is a nice start, wouldn't you agree?

Bastard!

Of course, clothes are so unnecessary for such great art, wouldn't you agree ladies?

Bison, you've gone too far!

Oh, I haven't even shown you the best part yet...

**Two pieces of art from
one lovely beauty!**

No! Hitomi! I'll end you for this!

**Ho ho! A challenge,
is it? You will be crushed by my
Psycho power!**

This is your chance to run away!

**Anyone who opposes
me will be destroyed...**

Kiyaaa—!

Pathetic. Hardly a
match for a God...

No-! How is this possible?!

**As you can see, my psycho
powers have been given a bit of an
upgrade since we last met**

Another fine addition, but
I tire of them all looking the same.
Let's try something different for the
pirates, shall we?

Huh?

The image shows two female characters in a dark, stone-walled room. On the left, a woman with long orange hair wears a green and white patterned bikini top and blue jeans, holding a white disc. On the right, a woman with long black hair and orange sunglasses wears a blue crop top with a heart cutout and a red skirt. A grey statue of a woman is visible in the background between them. Three speech bubbles are on the right side of the image.

Can't... move...

What's... happening...?

You two seemed
so close - why don't we
indulge that?

Can't... control... body...

What... is he... doing... to us...?

How lovely...

See? So much better this way.

**Another masterpiece for the
Art Gallery of Neo Shadaloo!**

**Let's have more
challenges! Two at once - You can't
compare to my power!**

Have you no conception
of who I am!? I massacre the likes
of you by the dozen!

As long as we draw
breath into our lungs... we keep
hope in our hearts!

Something wrong, ladies?
You came here expecting to fight a madman,
but instead you found a God?!

The despair you
feel is the very source of my
psycho power...

Bison, you maniac! Let us go!

**There is no chance
for you to beat me! Challenge
someone else!**

**Let us out of
these chains and we'll show
you unworthy!**

Certainly, Ms. White...

**There is no chance
for you to beat me! Challenge
someone else!**

Fighting you would be a waste-

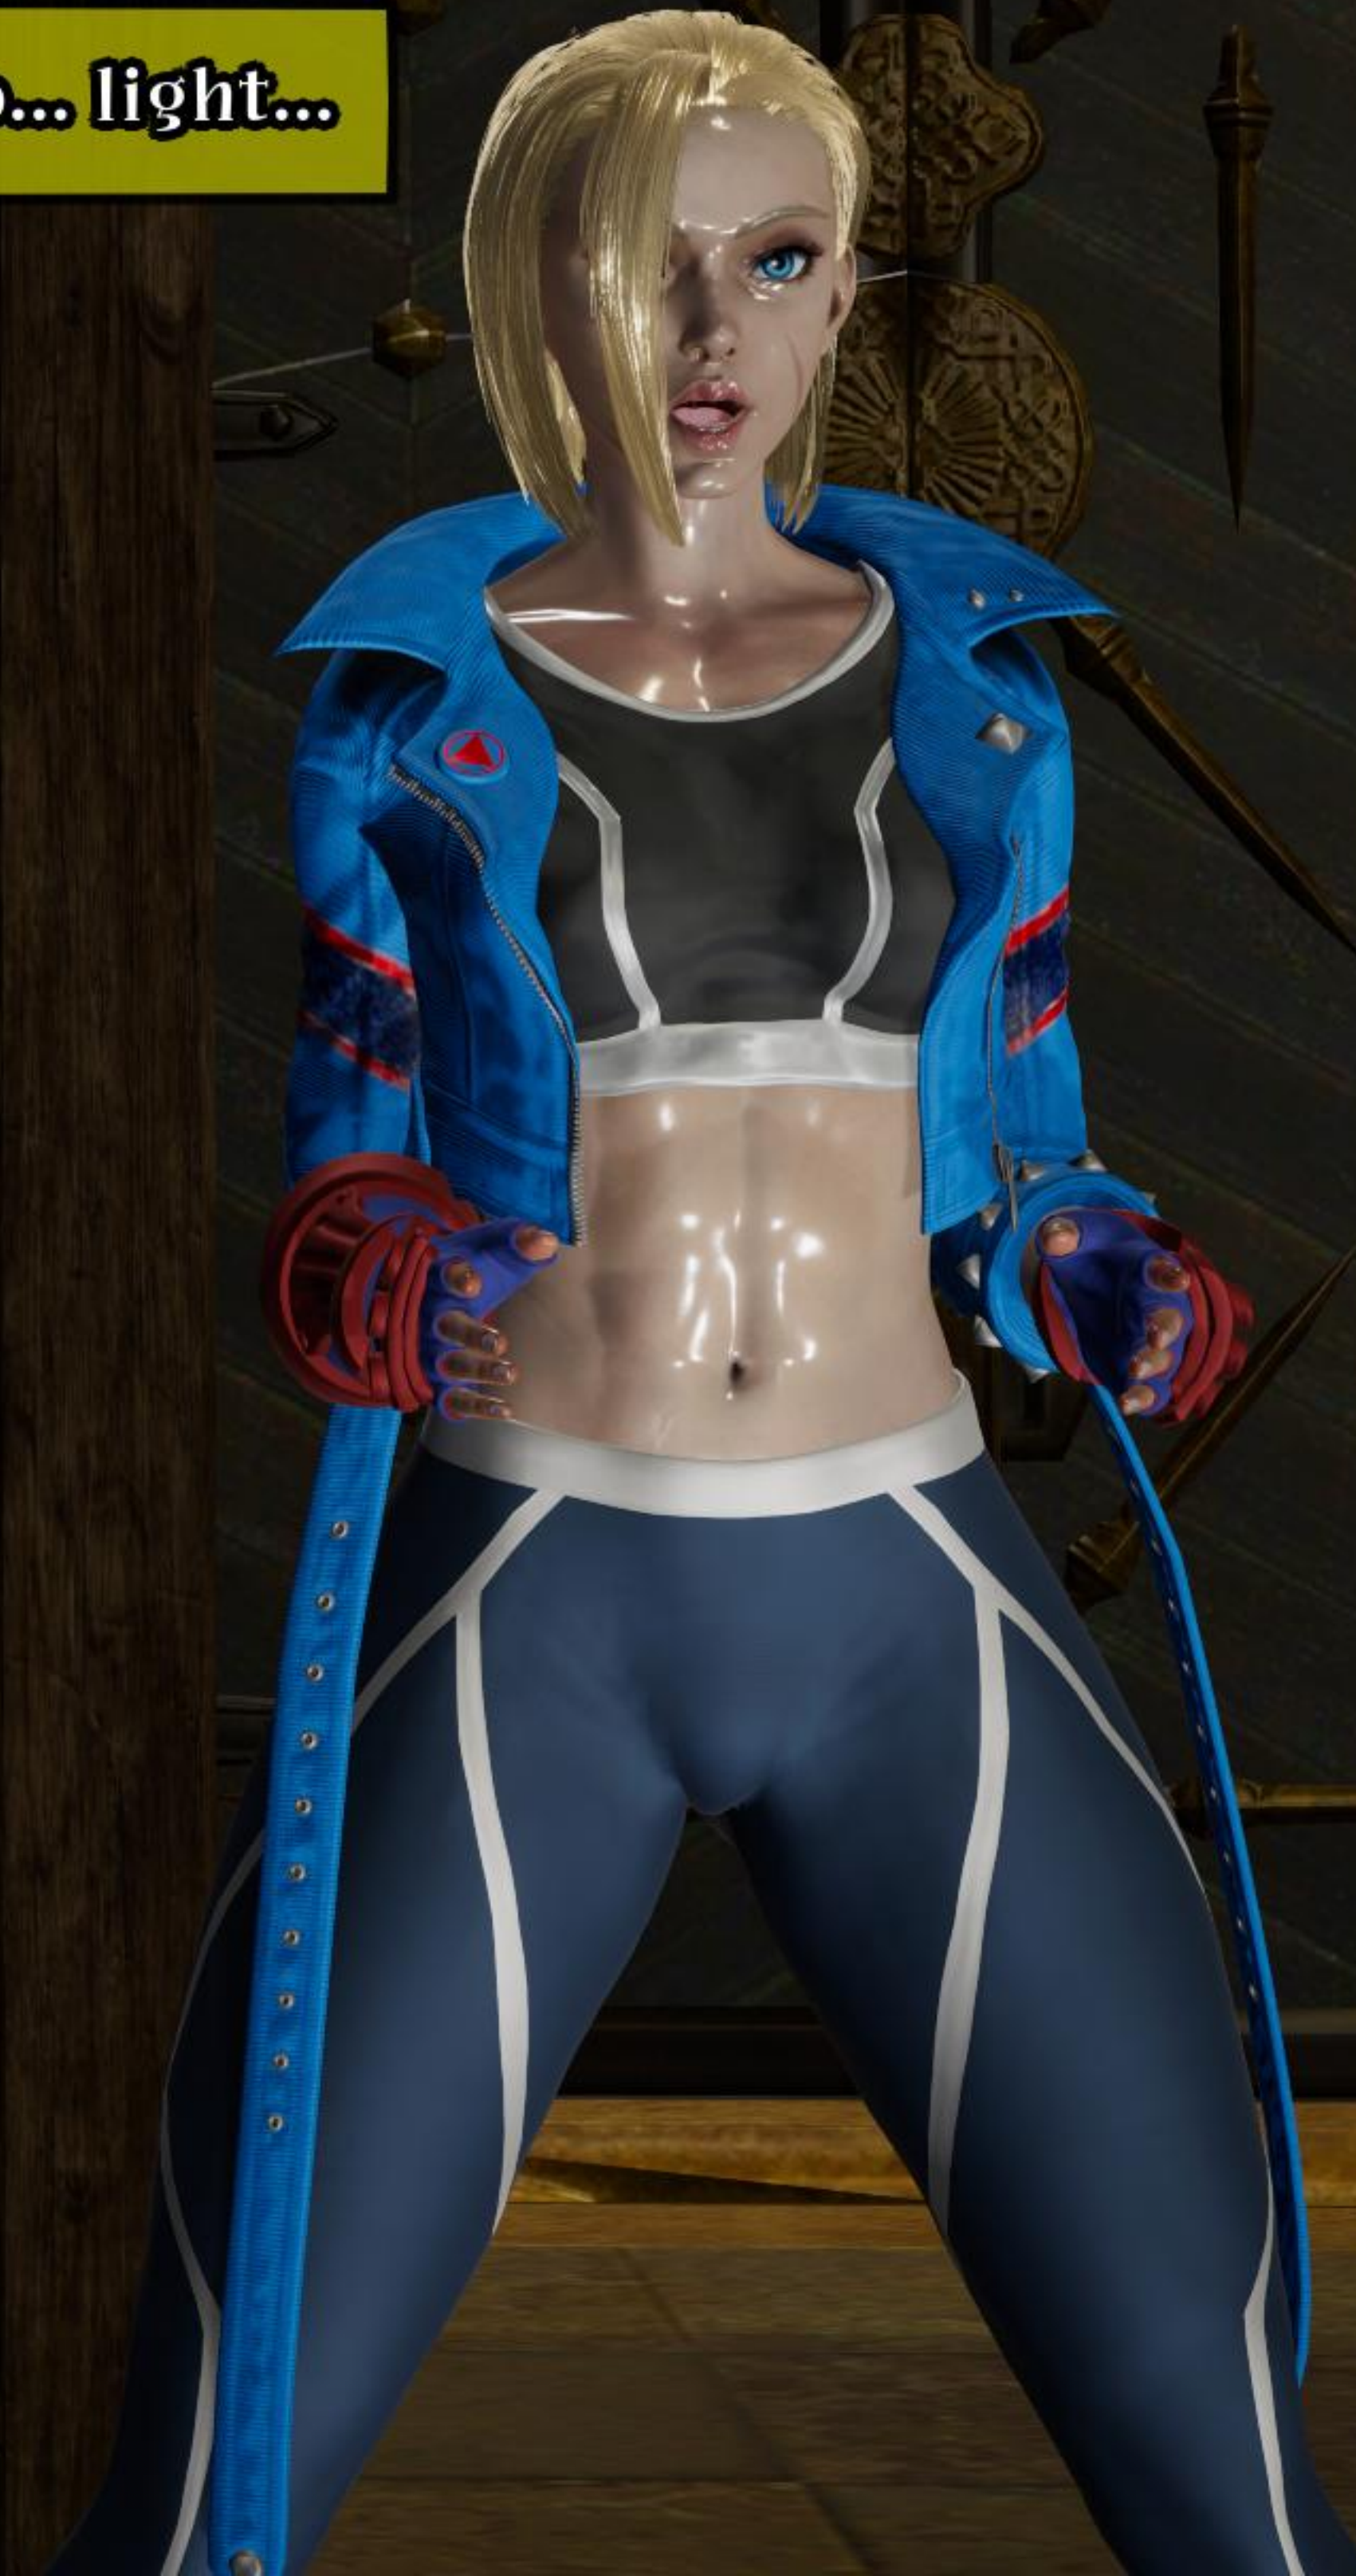

Wait! What's happening-?!

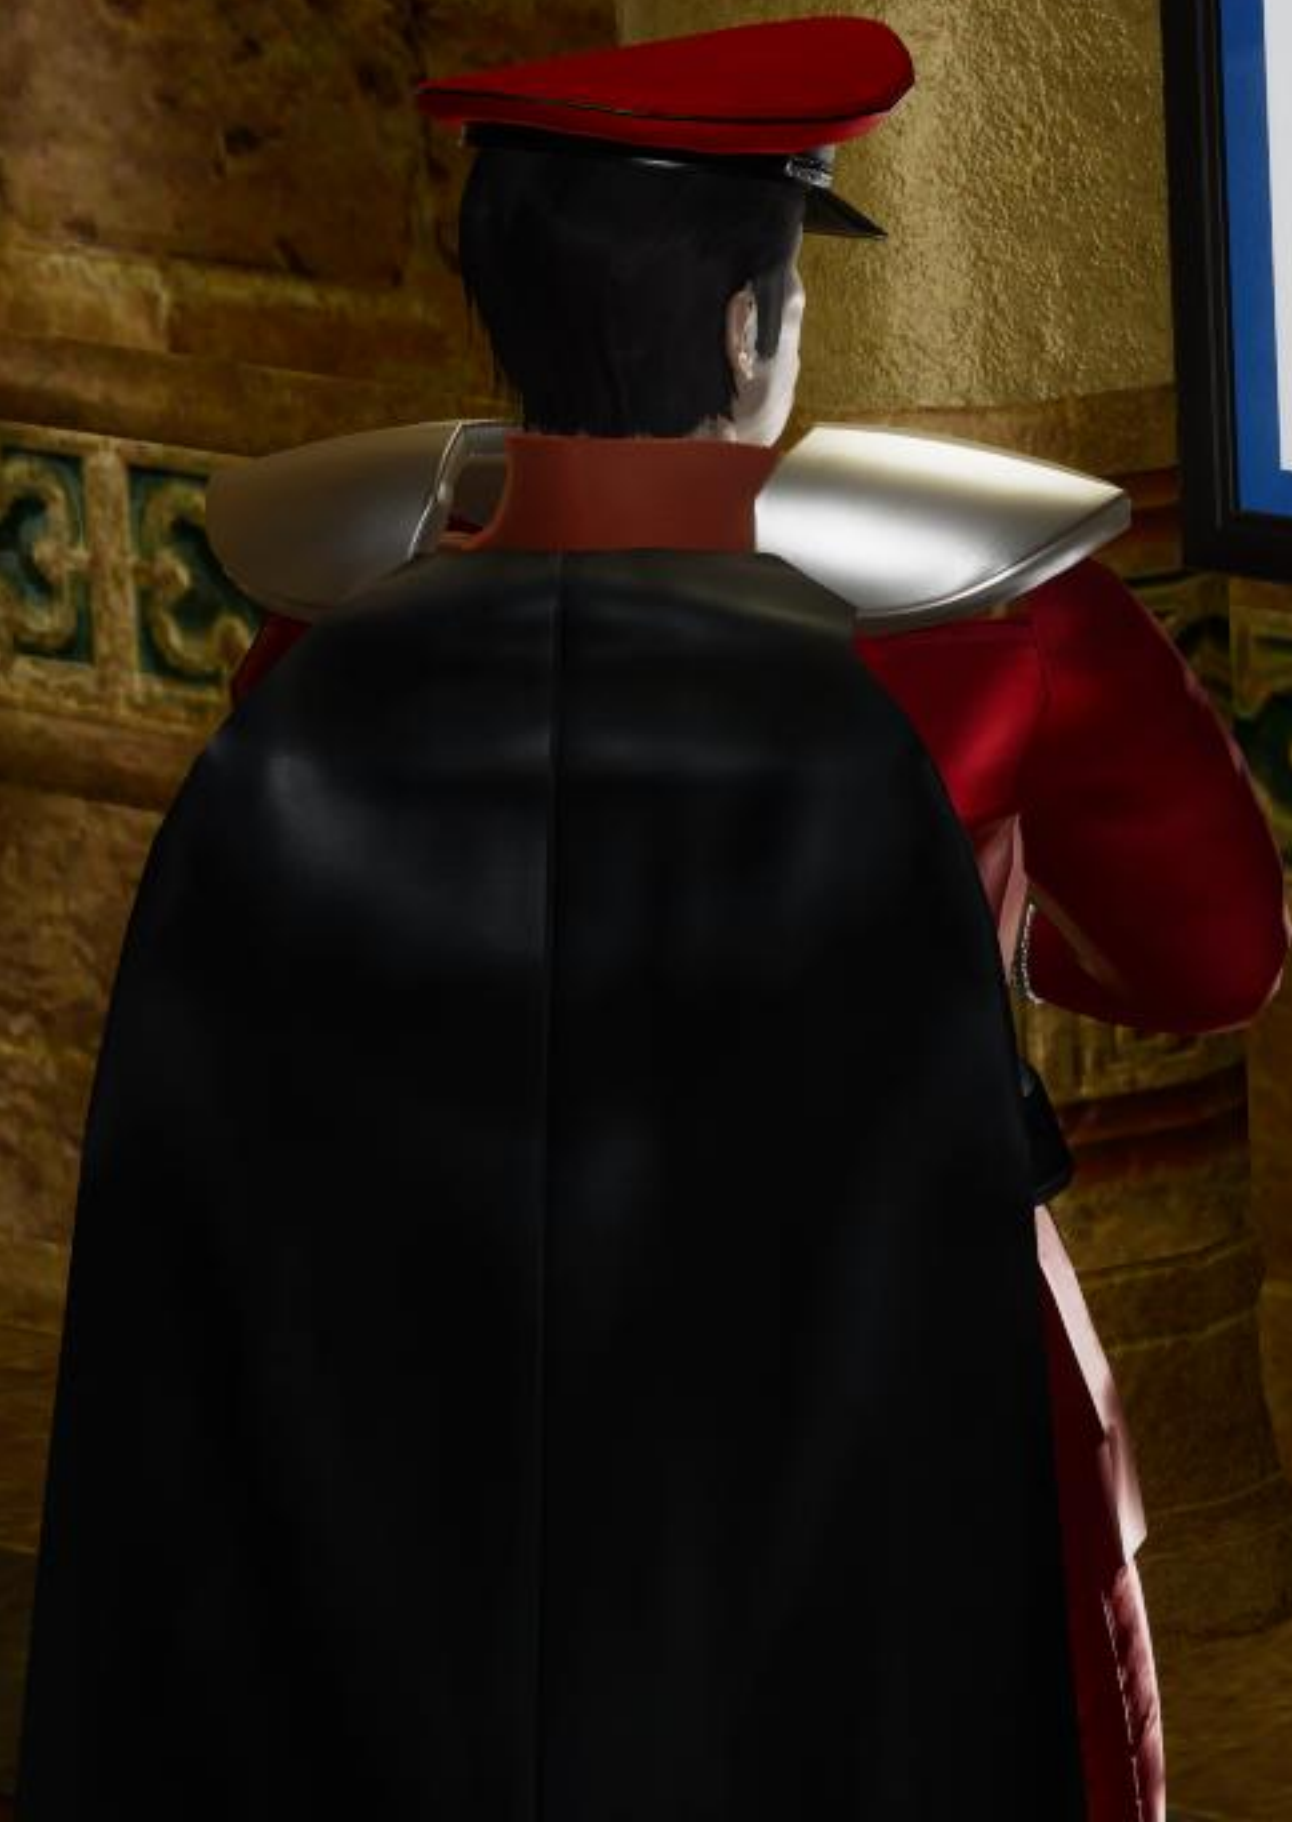

What's... happening... to me...?

My body... feels... so... light...

- when there are so many better uses for you!

Ah, how wonderful...

You should thank me
for keeping you alive...

Let me... go...

Where are... you... taking us...?

This can't... be real...

No... what is... happening...

My mind... fading... away...

.....

Such sweet prey for
my psycho powers!

Now, for your friend!

Got to... fight it...

Mind... slipping...

Noooooooooo...!

.....

The image depicts two anime-style female figures in a room. One figure, with blonde hair and blue eyes, is lying on her back on a patterned rug, looking up at the other figure. The second figure, with dark hair and green eyes, is lying on her back on the same rug, looking up at the first figure. Both figures are nude and have a glossy, skin-like texture. The blonde figure is wearing a yellow diamond-shaped bracelet on her right wrist. The dark-haired figure is wearing a yellow diamond-shaped bracelet on her right wrist. In the background, there is a large, ornate chair with a gold-colored frame and a patterned rug. The floor is made of dark wood. Two speech bubbles are present: one from the blonde figure saying "Heh heh heh..." and one from the dark-haired figure saying "You see... for you and your friends...".

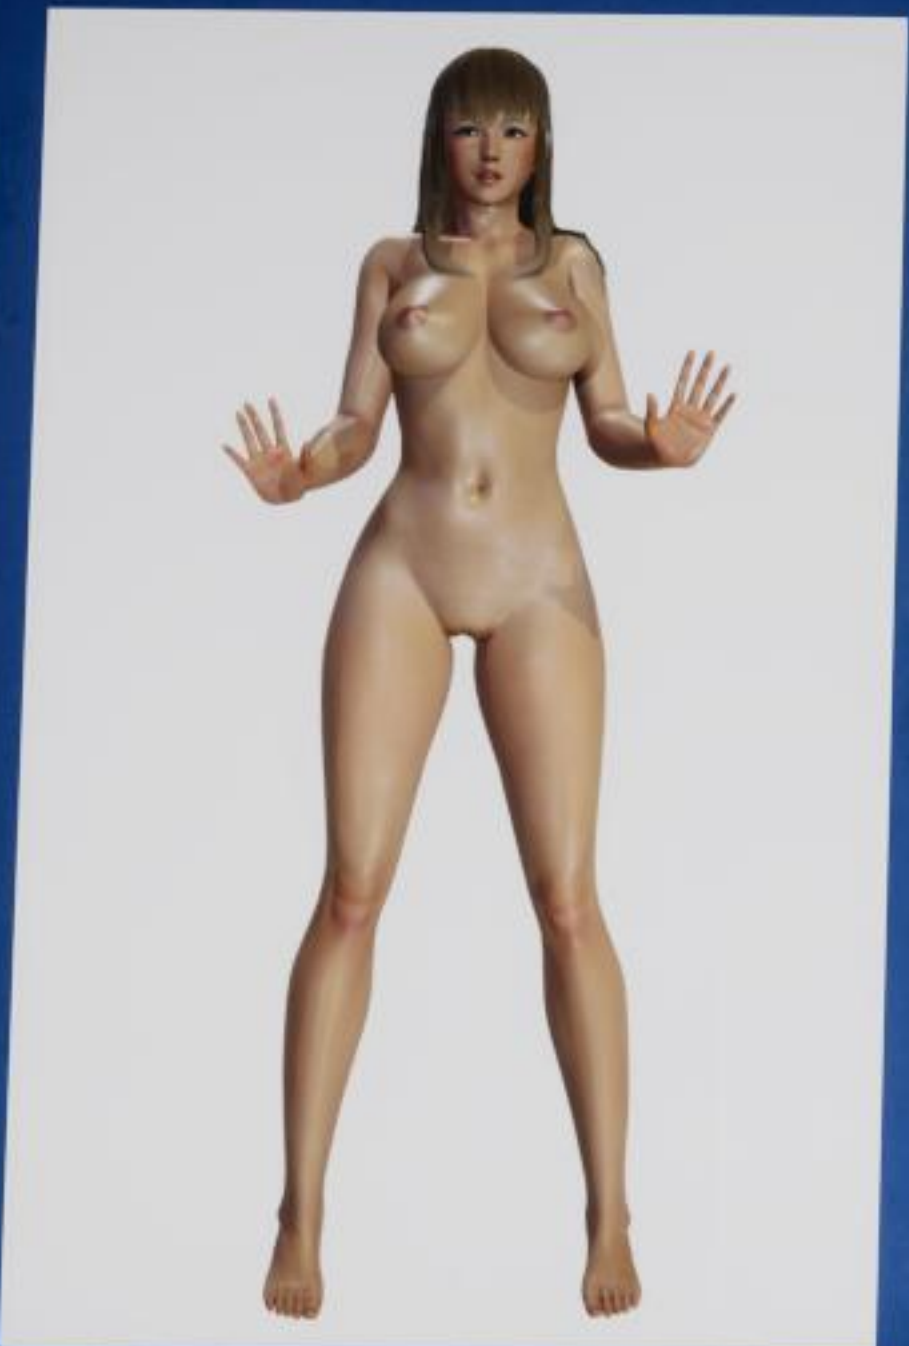

Heh heh heh...

You see... for you
and your friends...

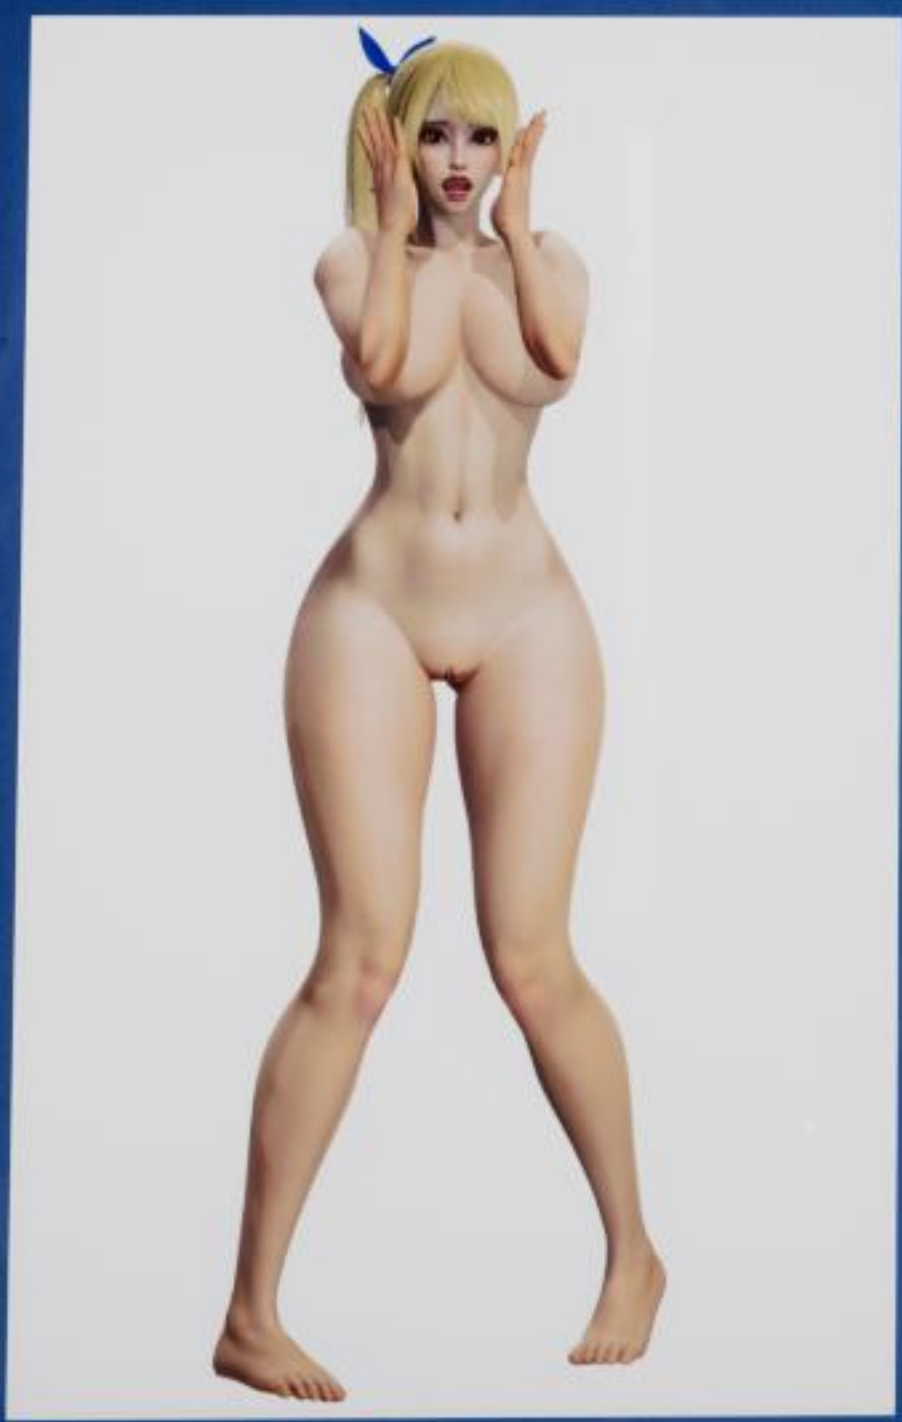

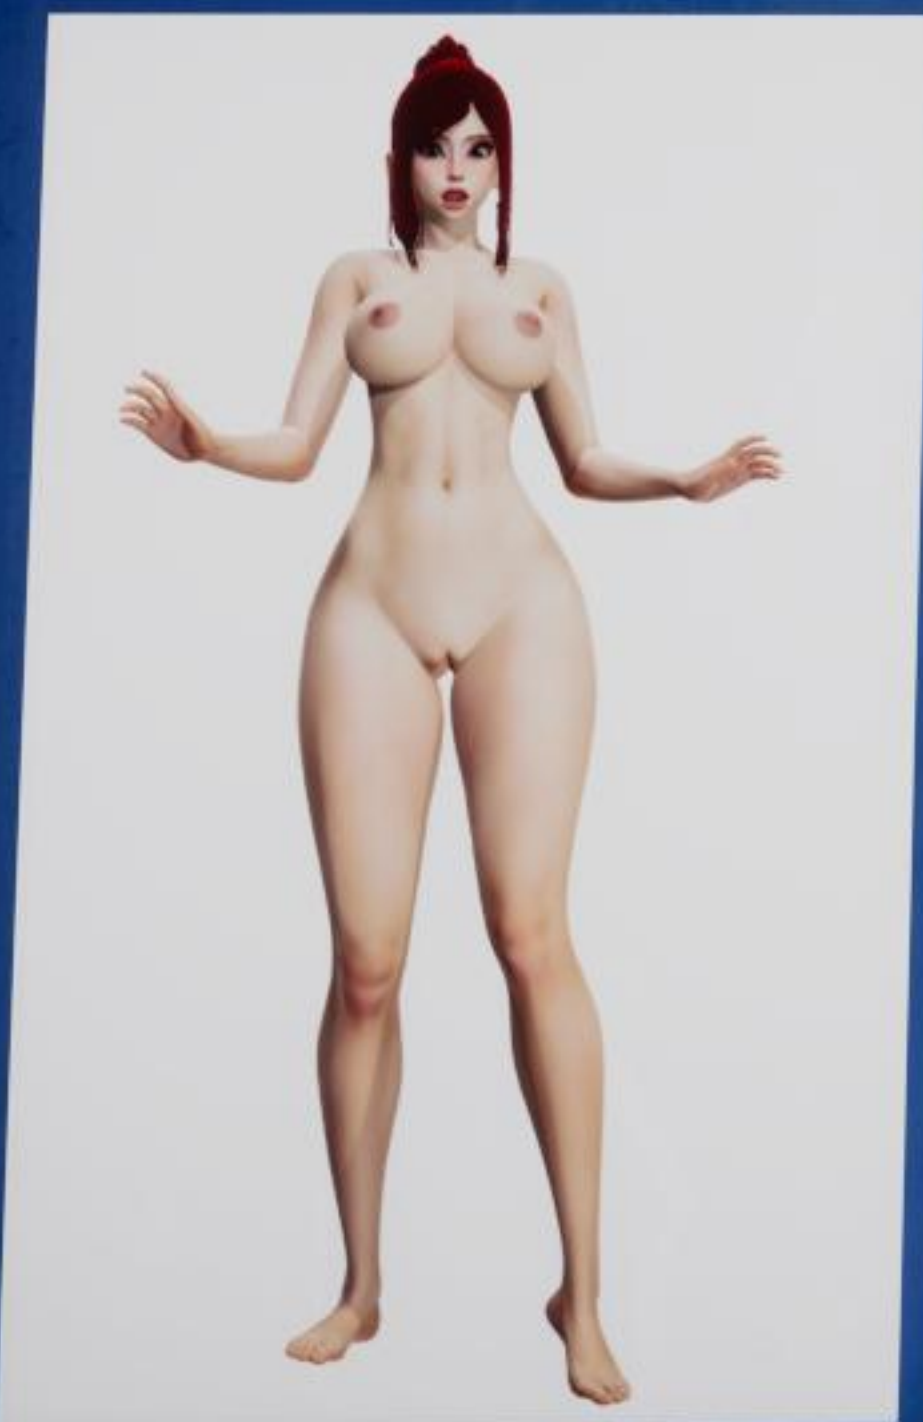

The day Bison graced your
lives was the most important day
of your lives...

But for me...

It was my birthday...
