Come on, big guy.
Let's get you out of

STRAIN-

Futu...

I can never get
over how **enormous**
Gohan-kun is.

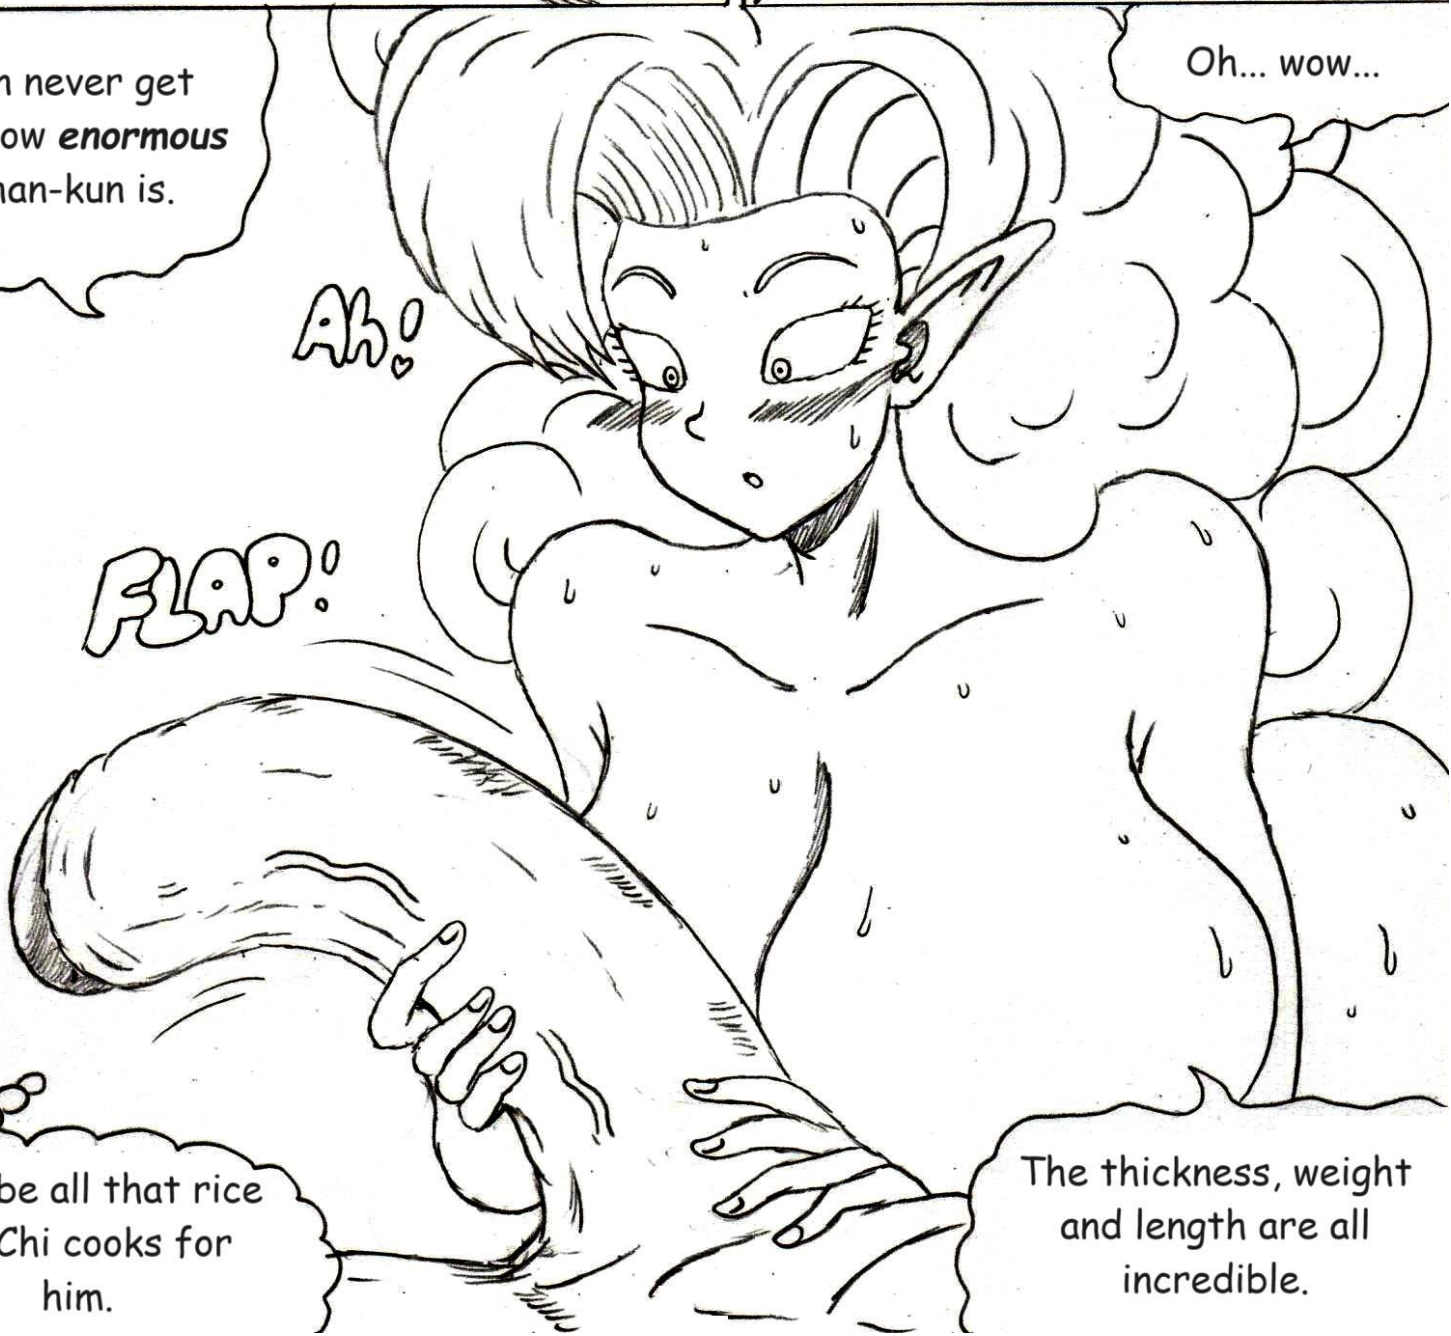

Oh... wow...

Ah! ♡

FLAP!

Must be all that rice
Chi-Chi cooks for
him.

The thickness, weight
and length are all
incredible.

Whoa!

You're lively tonight, aren't you?

Agh...

SHF~

Amazing...

POINT!

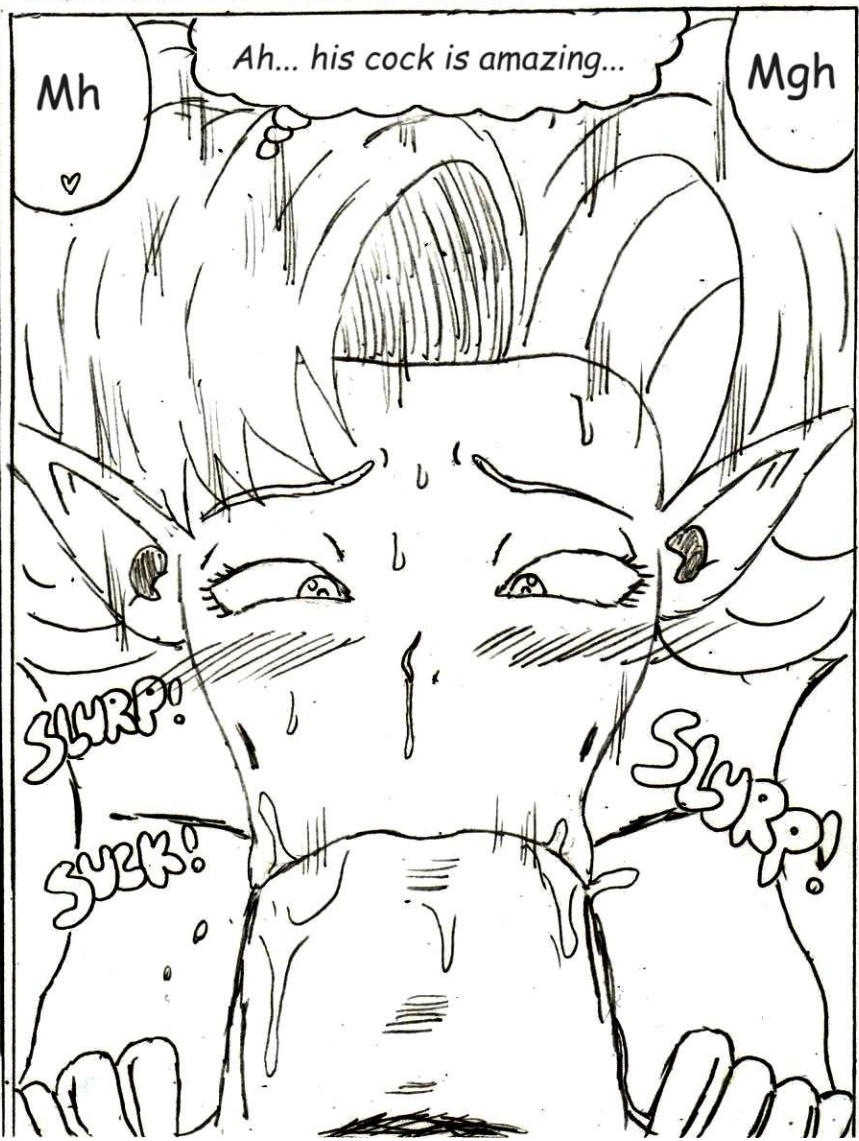

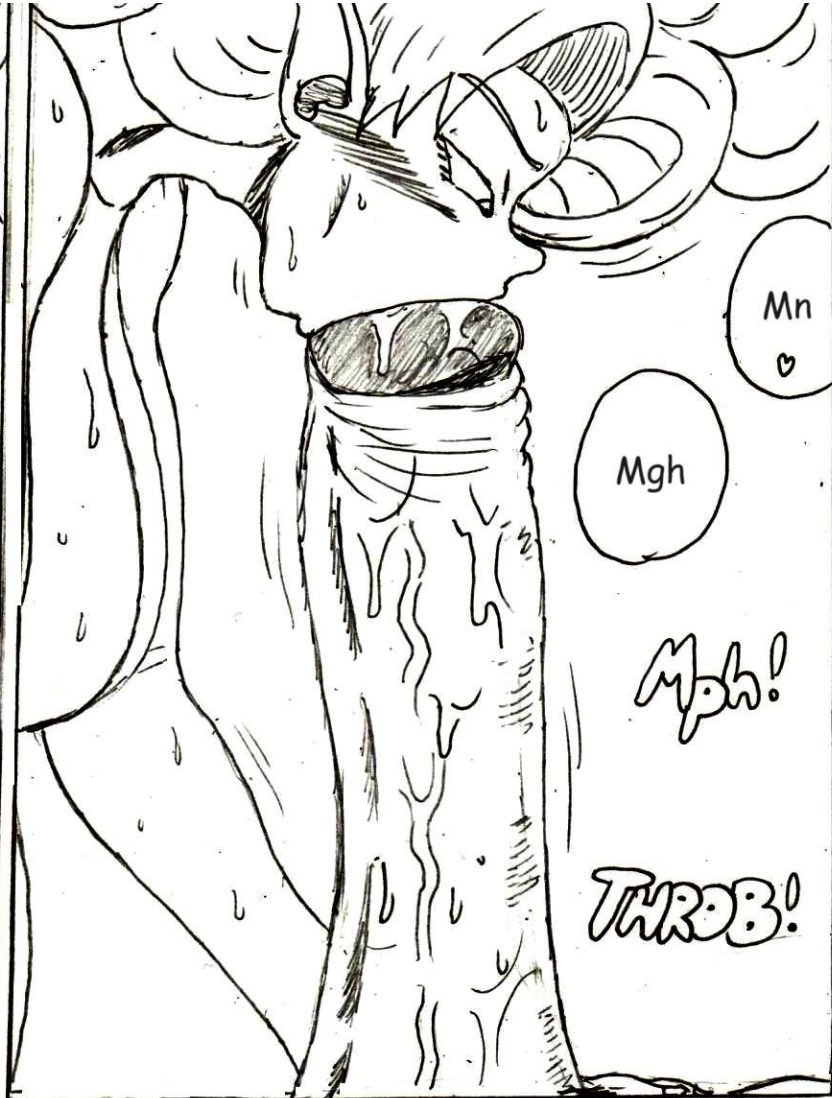

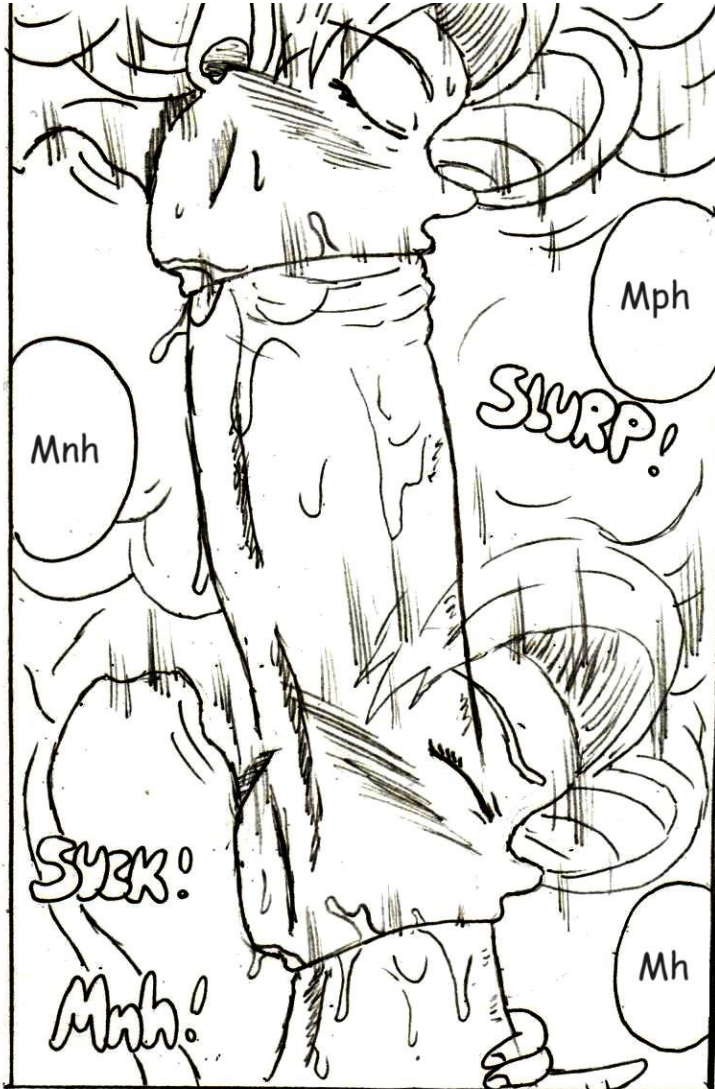

THROB!

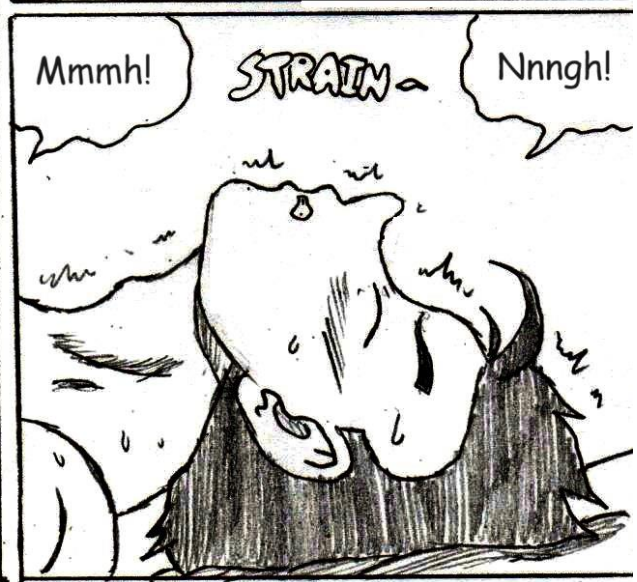

HAH!

Ah... I can't resist anymore... I... I have to have him in my mouth...

Upright and at attention in barely a second.

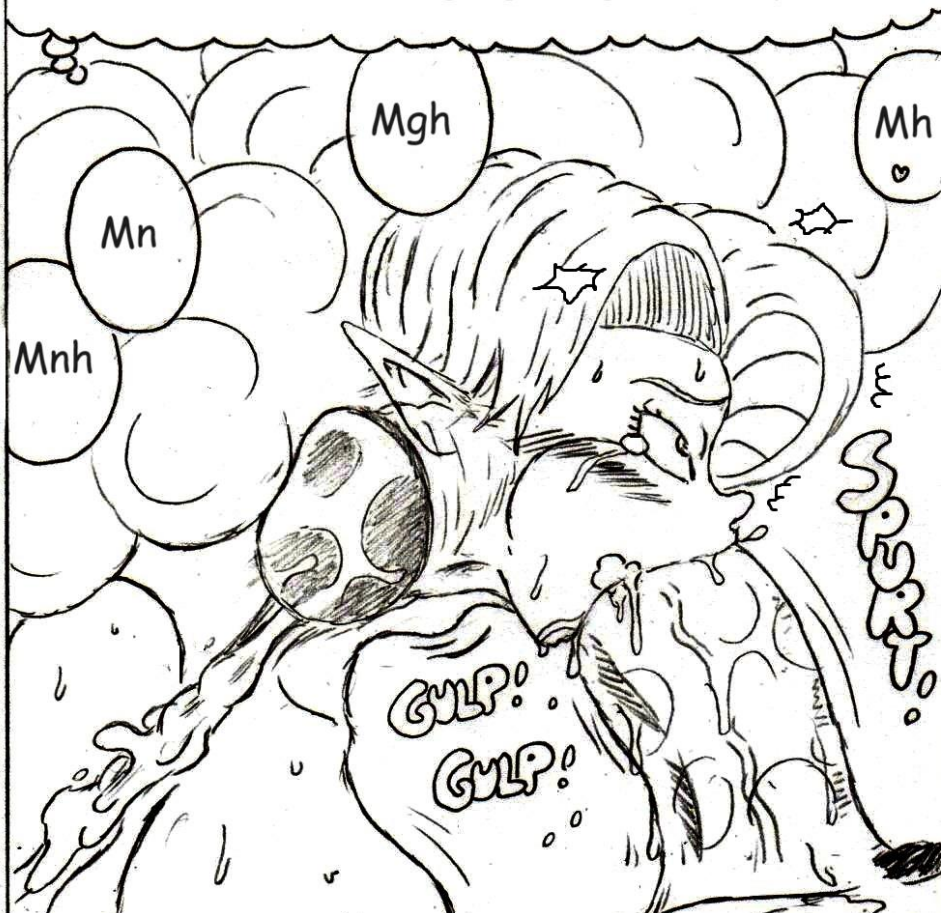

He's out cold... but he's letting out a bucket load of thick, hot, chunky cream! Incredible!

Oh Kami... so much cum... is going straight down my throat...

Mm... that looks good.

Jiggle-

I did it. Wow.

PAH!

P.O.P.O.

That was such a thick, delicious load.

Very well.

POOF!

POOF!

Since we're both here and horny...

Lick!

I could use some extra supplements.

Hey, Z. I'm here for my nightly shot of Vitamin G. Mind if I have some of that serum if you're done with your helping?

FLAP!

Bye~

Sure. Better yet... why don't you join me, Towa-chan? The more, the merrier.

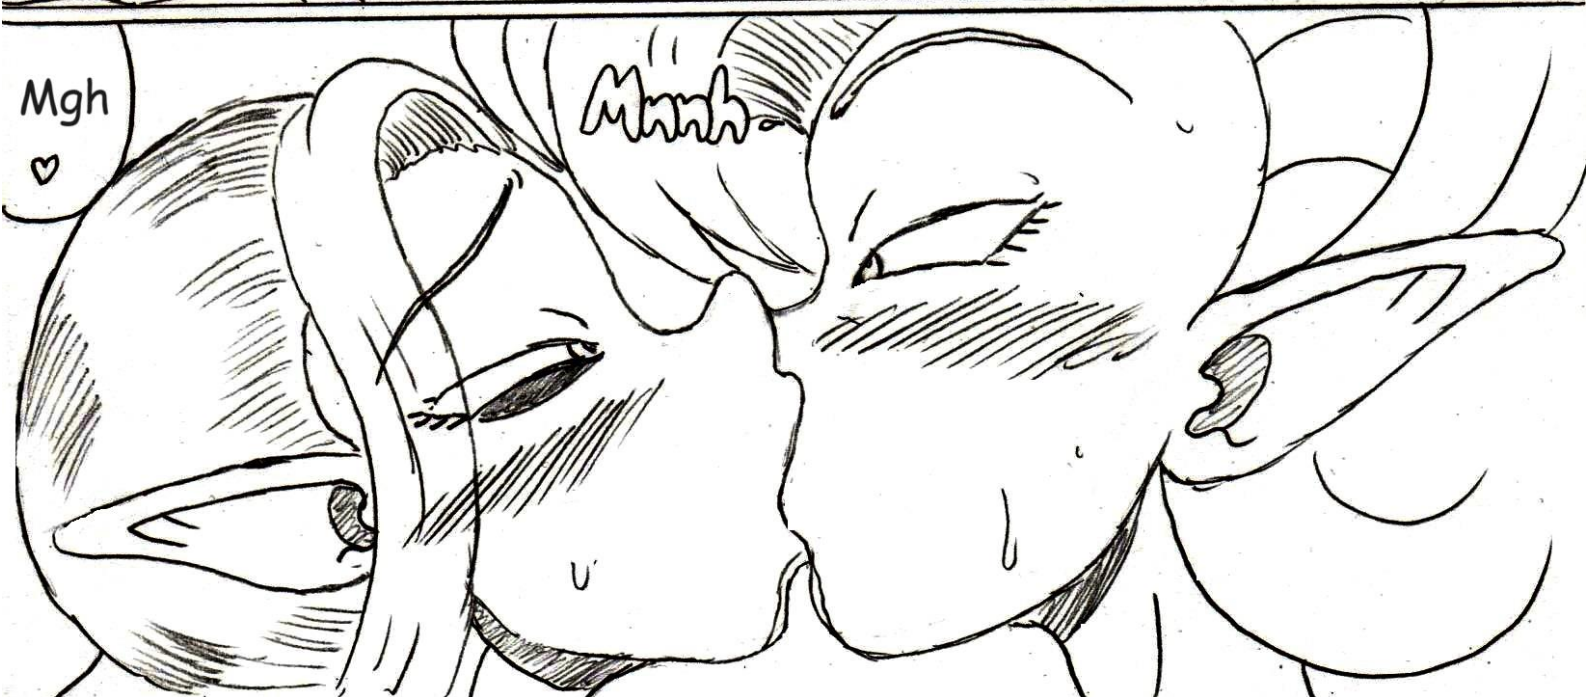

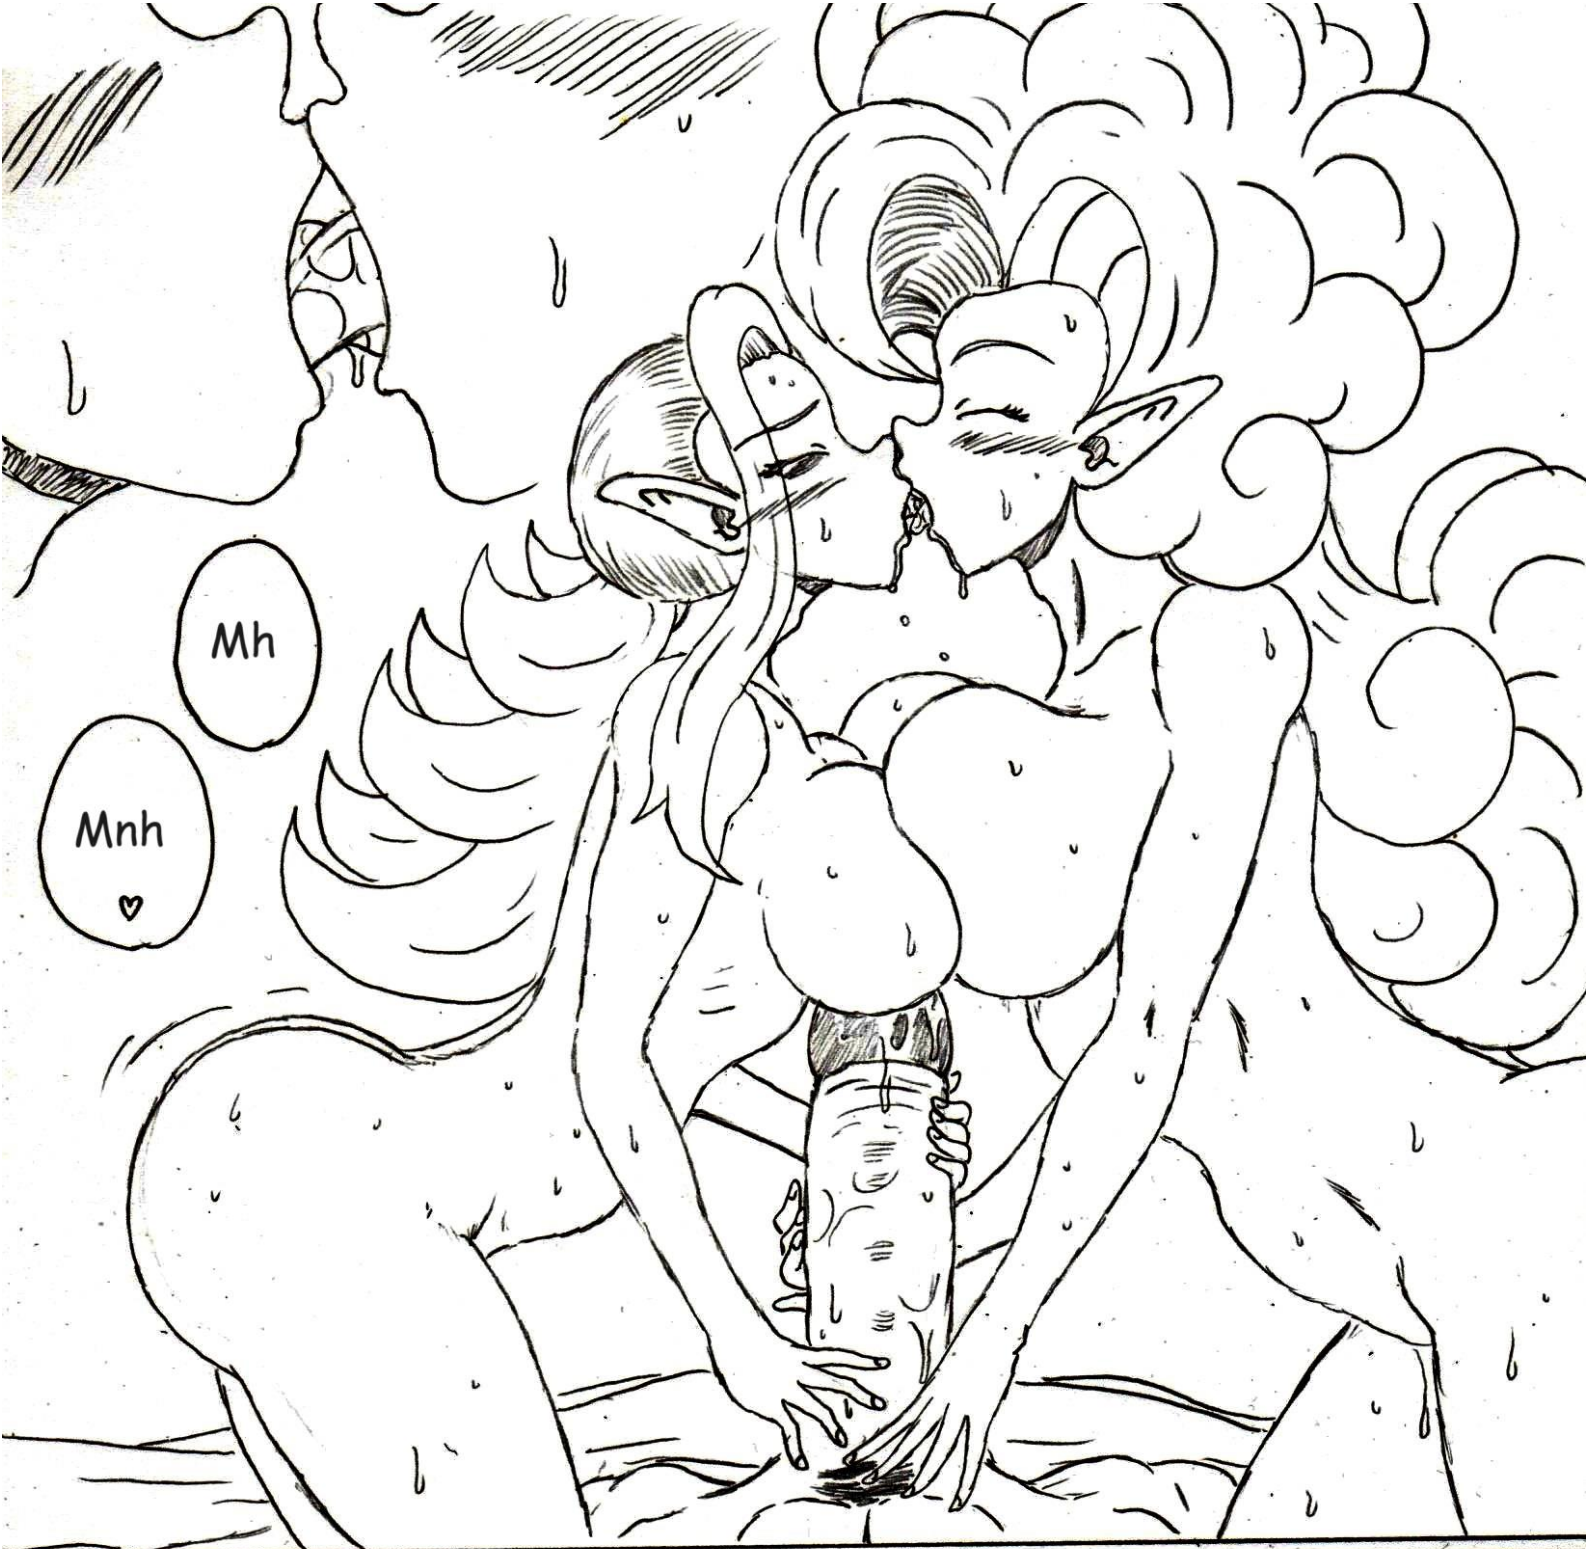

Heh. I can say
the same
about you too,
Z.

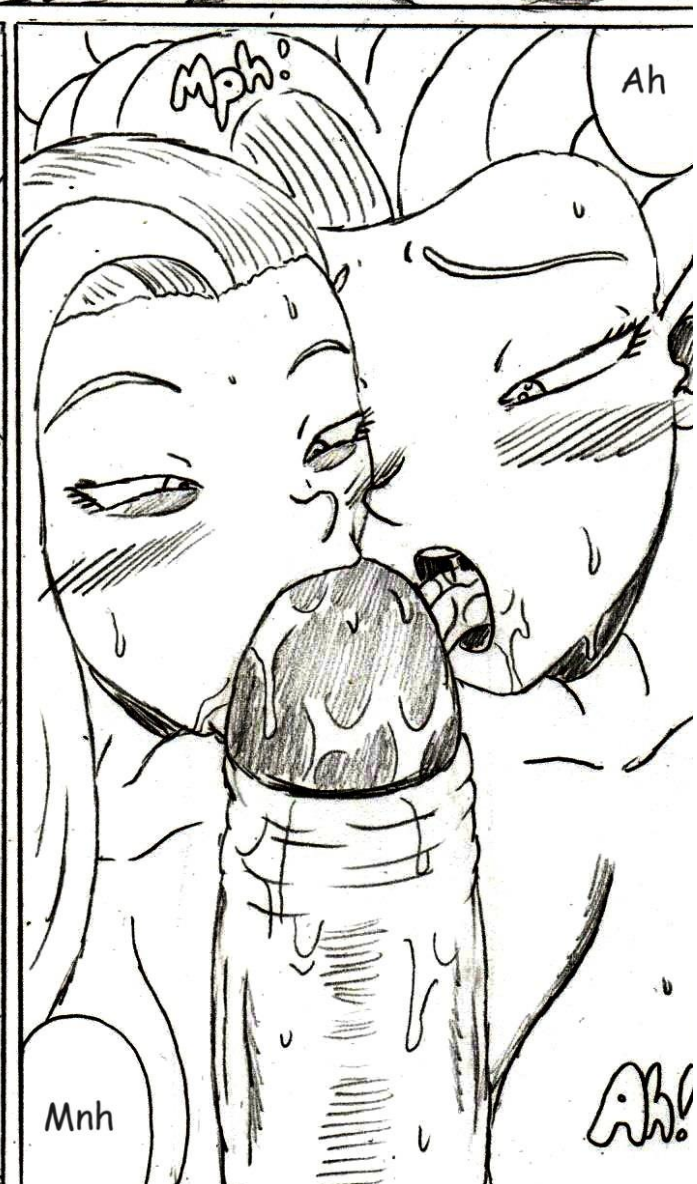

Fufufu. Wow.
You've got a
rocking body,
