Ideas

Sin Kiske - Vizard - Son of a Shinigami and a Hollow, had to be given up as per the deal to protect his father's wife. Sin lived on Earth and was raised by Sol Badguy/Kisuke. Has a good relationship with Ichigo. | Fullbringer - Flag of Burning Spirit - Conjures a flag that he can fight with, he can raise the spirits of those he chooses by cheering them on, it builds power and confidence.

Sol Badguy - Shinigami - Grandson of Yamamoto, broke many of soul society rules and ended up getting banished. His zanpakuto was a fire type. Growl - Junkyard Dog manifests a

massive weapon, it can be wielded like a sword, the heat from it inflicting burns. Can be used like a flamethrower and his ultimate is a cannon shot of concentrated heat and destruction. Bankai Magma Hound covers Sol in magma armor, he can manipulate to form cannons, blades, huge fists, being near him is painful, many opponents burn up before getting close. He can conjure cerberus like hounds made of molten rock, a one man army. | Fullbringer - Artifact Lighter (Junkyard Dog) Transforms his lighter into a blade/cannon like weapon which he uses like a flamethrower or can launch a nova blast for long distance.

Chipp Zanuff - Fullbringer - Ninja Blades - Turns any knife he holds into ninja blades. When his fullbring is activated he's able to perform supernatural ninja feats. - Was used as an experiment of someone giving hollow blood to humans, because of his drug addiction he ended up getting used in this experiment it gave him strange powers. | Sternritter N - The Ninja as a quincy he has manipulation of light and fights with shuriken like weapons, with his sternritter ability he's able to perform ninja feats and techniques

Eddie - Fullbringer - Shadow Soul Is able to manipulate and control shadows by channeling his fullbringer power. Once in stage two he can control other people's shadows and make them fight their owner. | He's sadistic and deranged,

volunteered for Drug H which fueled his madness, became a pet to the doctor because he was addicted to Drug H | Sternritter S - The Shadow As a Quincy he can use light based weapons his arrows having a drill tip for powerful penetration and a lot of damage. As Sternritter S he can manipulate shadows and force them to fight and protect him.

Nagoriyuki - Vizard - Sip and Drink: after becoming a vizard his zanpakuto splits into two blades, one blade feasts on reiatsu the other blood. /He was once the captain of squad 3 but due to his bloodlust he was deemed a threat and imprisoned. Aizen busted him out and granted him powers to transcend shinigami./ Became a vizard by drinking/bathing in the blood of many hollows, his soul becoming corrupted. | Sternritter V - The Vampire wears a special mask to protect him from the sun, as the V he's able to drink blood and gain power from his victims, he's sinfully handsome and able to woo people.

Axl Low - Shinigami - Skip Time Chain, his zanpakuto becomes a chain sickle which he uses expertly, often tying opponent's up before slitting their throats or cutting off their heads. Bankai Time Dial his weapon becomes a massive sundial, which he can use like a shield and sickle, he can freeze someone in time by striking them, he can erupt a time field where he can manipulate the flow of time. | Fullbringer stage

one can jump randomly through time, in stage two he can manipulate the time of people he touches

Anji Mito - Shingami - Spread Dancing Fan - His zanpakuto changes into two massive fans where he's able to block and counter attacks as well as attack. Bankai Bansho Fan Sky Ruler His zanpakuto combine into a massive giant fan, granting him control over wind, he can unleash devastating wind attacks from hurricanes, blades, and tornados, he can blow back attacks thrown against him. | Full Bringer - Bansho Fan - Was a dancer before his powers manifested he can channel his soul into his fans making them weapons and deal out attacks | One of Ichigo's professors, he's spiritually aware and can use fans as a medium for his powers, he takes interest in Ichigo and helps train him and others.

Testament - Went under the knife and was given Drug H. They gained supernatural powers can manipulate their blood into offense and defense using it typically to form a scythe. | Squad 2 Punishment Force - Kiss Succubus their zanpakuto turns into a scythe which they use to cut, anyone cut by the scythe get effected by the succubus curse enchanting them. Sing Choir of Succubi, summons succubi, to charm and entrap targets, they are perfect for interrogation. | Sternritter S The Succubus those hit by their arrows or techniques become

entranced. Uses a scythe, is seen as the punisher of Quincy who step out of line.

Asuka - New Magic Captain - replaced Tessai after his banishment. He's skilled in magic | Fullbringer Spell Cards has various spells in playing cards, he can cast up to 52 different spells. Becomes defenseless after he runs out of cards

Bridget - Fullbringer - Yoyo - Devil's Yoyo/Angel Yoyo, depending on the mode her yoyo takes on either offense or defense when in stage two her yoyo can take different forms like a hammer. | Hollow/Arrancar She is an Arrancar, a male form but female soul, her Zanpakuto is in the form of a yoyo | Bridget works at the local church, she knows Ichigo's family well as they visit the grave of Misaki. Ichigo doesn't tolerate anyone messing with her

Leo Whitefang - Arrancar King of the Northern Territory of the Hollows, a natural born Arrancar his power rivals Stark, instead of a Zanpakuto he wields a strange shield weapon, which he will take off and chuck at enemies. When released he goes full Ifrit mode, like his body is on fire | Sternritter K - The King, a noble Quincy who bowed to the Quincy King and thus was given the Schrift of King, this allows him to make subjects of anyone but Quincy | King of the Fullbringers - A fullbringer in a royal family he sees fullbringers as his

subjects, he can be a royal ass especially with those he wants seeking to dominate those and rule them.

Mobuseka Concepts
