

Family Festival Cum-athon

“Happy New Year!” Both Erika and Yuu threw their arms up, celebrating new year the next morning, as they woke up. Rolling over in the bed, Yuu mounted Erika, hugging her deeply where she laid. “Good morning my beautiful wife. I have some fun news for you. My family is celebrating the new year. Year of the horse. They invited us out there for the festival. Wanna go?”

“Eeeeeek. Absolute. I love festivals. Your family always know how to make me feel welcome.” After passionate morning sex, the two ladies packed and left for Yuu’s family house in the traditional part of the country. Tucked in the scenic backdrop of the mountains and lakes, was a beautiful town. Filled with traditional objects, architecture, and art. The festival had already begun to be built in the fields overlooking the lake. Yuu and Erika started to feel the butterflies in their stomachs in anticipation of the festivities to come.

Arriving at Yuu’s family house, her identical twin sister tackled her at the door with bursting energy. “Yuu! Heya. I missed you a lot sis. How’s work?” Yuki was indeed the identical image of Yuu, her face was indistinguishable. However, her eyes and the single strip of colour in her messy chin length hair was green. Plus her breasts were smaller than Yuu’s and her ass was slightly flatter. A helpful difference for Erika, able to identify her wife by her large body, purple eyes, and hair streak from a distance. However, it was easy to tell them apart from up close as Erika knew all of Yuu’s mannerisms and body language.

Following behind Yuki, was Yuu’s mother Hina, a large woman with huge breasts and wide hips. The sort of body a refined mother of two curvy woman would have. It was clear to see where Yuu got her bodacious beauty from. She wrapped her arms around her two girls with a soft mothering smile. “Welcome dear. How are you. It’s been far too long.”

“I’m great thanks. I missed you guys too. Work’s good also.” Yuu smiled warmly hugging her family tightly. She looked back at Erika with a soft giggle. “Baby. Come get in on this hug. It’s your family too.”

Both Yuki and Hina changed their attention to Erika and smiled warmly embracing her in their hug too. Which was mostly breasts pressed against each other.

“How have you been dear. Are you looking after my daughter?”

“Yes ma’am. All my attention is on her.”

“Erika! Can I come visit in the spring break. I want to visit a few shops in the mall with you.”

“Sure Yuki. Sounds fun!”

The day flew past as the four women caught up and gossiped about all they could. After a light meal they prepared themselves for the festivities that night. All four girls took to different rooms to wear their yukatas and surprise the other.

First to step out into the hall was Yuu, her yukata reflected her personality perfectly. Sitting neatly over her large breasts and wide hips, her yukata was purple with silver, gold and green floral patterns. Her hair was neat, her makeup accentuating her purple eyes. She was the definition of traditional, refined beauty.

Next to step into the hall was her mother Hina. Her yukata was white, with pink and red flowers. Which matched her long grey hair perfectly. Her elegance was unmatched and reminded Yuu of how admirable her mother was, a role model in mature beauty.

Quickly following Hina into the hall was Yuki, wearing a similar yukata to Yuu in green. Her breasts bounce loosely as she trotted over to Yuu. She smiled wide admiring the yukatas of her mother and sister. “Wow. You guys look amazing. I love how we all look together. We’ll be the talk of the town.”

Last to step into the hall was Erika, timidly shuffling forward fidgeting with her clutch bag. A bright red glow of embarrassment covered her cheeks as she shyly looked up at Yuu. “U-Um sorry I’m late. I wasn’t sure if my yukata would fit properly or not...”

Yuu’s eyes widened, her mouth open and her heart racing. “W-Wow.... Erika. You look amazing. How did I get so lucky to have you as my wife.”

Erika’s mood lifted hearing her words, she bounced lightly on the spot rolling on her feet. Her large breasts hugged the fabric tightly, her ass accentuated by the fit. Her Yukata was white with a bold and beautiful black and blue floral pattern. “Thank you darling. Wow. Look at you though. I can’t take my eyes off that yukata. You look so beautiful.”

Hina clapped her hands grabbing the attention of the three girls. “Okay ladies. Let’s head to the festival. Come on. It’s going to be crowded if we don’t hurry up.”

Yuki and Hina stepped outside with Erika following behind. Yuu threw her hand on Erika’s shoulder pulling her back before she stepped out the door. “Darling. Two seconds.”

Erika spun around on the spot looking back at Yuu with confusion. “Remember our mall date? Let’s have some fun here too. What do you say?” Yuu lifted her yukata revealing plenty of unused condoms tucked under her panties’ waistband. She giggled playfully and winked at Erika before leaning towards her ear. “Seeing you in that Yukata has me horny and ready. Let’s make this festival one to remember~” She left Erika in the doorway stepping outside with a satisfied grin on her face.

Erika was floored, frozen on the spot with lust and multiple fantasies running around her head. She shook her head violently snapping out of her pleasure trance and stepped outside. “Oooh~ I like the sound of that. I’ll make sure to keep you warm from the inside out~” A wide playful grin covered her face from cheek to cheek ready to enjoy the festivities and the heavenly feeling of her wife’s body.

The bustling sound of the festival graced their ears long before they arrived there. The traditional music, the crowds of people, the smell of fresh food. Such anticipation of what they’d find. As the festival came into view the women were not disappointed.

“Waaaah. There’s so many stalls to explore. Come on mum. Let’s explore!” Yuki grabbed Hina and ran off into the crowds, overexcited and overstimulated. Which left Erika and Yuu alone together to explore at their own pace.

Both girls looked at one other with love in their eyes, still admiring each other’s yukatas. They giggled to one another before wrapping their arms around each other and began walking into the festival. The smell of food and the sight of so many colourful stalls had their senses overwhelmed. However, one thing which eclipsed that sense was their growing lust.

After a short time of perusing the shop stalls and food vendors for potential purchases later, they took a break near the toilet stalls. Yuu bit her lip staring at Erika’s waistline in the yukata as she sat down. Her burning desire about to bubble over. “Mmm. I just can’t take my eyes of you babe. You’re just so beautiful in that yukata. Like a sushi roll ready for me to eat out~”

Erika’s ears turned red, beginning to burn as Yuu’s words caused her to get flustered. “Thank you honey. You look delicious too. I wish I could undress you and enjoy what’s hidden under that suggestive figure~”

Yuu looked around catching a glance of the toilet stalls, which were small single person stalls. A wide smile crept over her face as a crazy fantasy filled her imagination. “Well... Why wait. Let’s get our extra activities underway.”

“Hmm? Where babe? It’s so crowded here to do anything too risky.”

Yuu swayed up to Erika and stood between her legs, she caressed her cheek with a soft smile and dotting eyes. “Oh darling. Remember who you’re talking to. Risky is the norm for an assassin like me. Now let’s go before I fuck you right here.” She grabbed Erika’s hand and lifted her off the bench, running towards the toilet stall. She threw both Erika and herself into the portable toilet, locking the door behind her. The space was small and tight, pressed against each other from the moment they stepped inside. Unable to move easily, Yuu laughed at the situation. “Well... Tight spaces can be a turn on too. I guess.”

Erika giggled, collapsing backwards onto the toilet seat. Her large curvy body filled the space on its own. Yuu sat on Erika’s lap, her feet on her thigh. The situation wasn’t ideal for sex however, nothing would stop the lustful storm brewing between their legs.

Yuu narrowed her eyes licking her lips as she stared into Erika’s eyes deeply. With expert precision, Yuu slipped off her socks and used her feet to slide Erika’s yukata open around her crotch. The anticipation caused Erika’s member to rise from its sheath, standing on end. Using her big and second toe, Yuu wrapped her foot around her shaft, slowly rubbing her red rocket. “My my Erika. You’re already so hard. In such a place like this? You naughty girl~” She licked her lips provocatively, sliding her hands between her legs parting the cloth covering her thighs. On one hand, she pushed two fingers into her pussy while pressing the palm of her other hand into the tip of Erika’s cock. She moaned softly rubbing herself in time with Erika.

Leaning back against the wall, Erika bit her lip muffling her moans as her tender cock was overstimulated. Her precum soaked into Yuu’s hand, unable to hold back from the torturous pleasure from both Yuu’s feet and her hand. “Oh fuck~ I don’t think I can hold on with this much pleasure.”

By this point, Yuu’s hand and feet were both heavily lubricated by Erika’s juices, flowing down her shaft like a waterfall. She smiled wickedly watching her wife edge closer to an orgasm. As soon as she felt her shaft swell under her hand, she stopped. Letting go entirely, denying her an orgasm as her shaft twitched and danced beneath her. “Now now darling. You know the rules. Let’s fill our first condom. Hmmm~?” She giggled softly and pulled the first condom off her panties’ waistband holding up for Erika to see. Placing it between her toes, she expertly slipped it over Erika’s tender wet shaft. Who covered her mouth moaning uncontrollably. Yuu suddenly lifted her ass over Erika’s shaft. With nowhere to put her legs, she placed them over Erika’s shoulders, her back against the door. Dropping her weight on to the throbbing cock below her, she swallowed her length into her wet pussy. Her lips gripping the shaft, her cervix kissing the tip, her walls hugging tightly.

The crowning detail which sent Erika's mind into a swirling mess was Yuu's feet. As she positioned herself to thrust of her cock, she pushed her feet into her chest. Erika grabbed one foot and brought it up to her face. Pressing her nose into her sole, she breathed in deeply, soaking in the scent of her sour soles. The intoxicating smell paired with the rough and tight sex caused her to drool, her heart beating out of her chest. Savouring the situation, she slowly reached her tongue out and licked Yuu's foot from heel to toe. The taste was the final push, causing her body to go into overdrive, overdosing on her wife's feet.

Suddenly a knock on the door snapped them back to reality. An eager citizen desperate for the toilet. "Hey. I'm sorry. I really gotta go... Are you almost done? Again. I'm so sorry."

Yuu bit her lips tightly, muffling as much of her moans as possible. She cleared her throat and spoke shakily and awkwardly. "A-Ah! Oh... I'm sorry We- I won't be finished any time soon. B-But there's toilets on the other side of the festival... M-Maybe go check those..." Erika's cock was throbbing hard, so close to an orgasm and Yuu could feel it. Her own body was twitching and pulsing against her shaft, causing her to struggle through her words.

Fortunately, the rude and desperate citizen took her advice "Ahh. Great. Thank you. I'm so sorry." The sound of sprinting footsteps lessened as he disappeared, allowing the women to finally breathe again. The thrill of the close encounter set their fires alight, shining brightly and burning tall.

Yuu pushed both her feet into Erika's head, smearing her scent over her face. She bounced on her cock with as much height as the tiny cubical allowed. She soon had Erika close to an orgasm again, however this time, so was she. Her rhythmic motions and ass slamming sounds had pushed her over the edge too. Unable to hold back, she buried her head in her hands before releasing a violent spray of cum. Her squirt fired over Erika's cock and lower stomach, splashing her yukata with her sparkling juices.

Yuu's pussy tightened further around Erika's shaft, squeezing her to an eruptive orgasm. She fired her hot sticky load deep into the condom inside Yuu's pussy. Filling it like a balloon as she emptied a hot and heavy load. The base of her cock knotted them both together, sealing her pussy closed with her shaft. They both sat panting, hearts racing as they came down from their high, waiting for Erika's cock to loosen.

After a few more uncertain minutes, Erika's cock finally lessened allowing Yuu to slide her cock out of her pussy. She seductively slipped the condom off Erika's semi hard shaft and tied it to her panties' waistband. She giggled softly fixing their clothes before

stepping out of the toilet stall. Yuu left first making sure it was safe for Erika to leave. One back in the crowds of the festival, they both burst out laughing at their near exposed interaction.

“Wow. That was a close one Yuu. Super risky with how busy it is here.”

“Yep. But what a thrill. Wow.”

Both girls smiled brightly with doughy eyes as they walked through the shop stalls. They came to a clearing and were suddenly surrounded by arcade games. Rows of mini games for people to enjoy, from goldfish catching to shooting galleries. Erika’s eyes widened at the sight, so many choices, so many games for them to play together. “Waaah. Yuu! Look. So many games. Let’s play them all!”

“Mhm. Let’s do it. Let’s start with this one.”

Grabbing Yuu’s hand, Erika pulled her through the crowds, stopping at each game. They silently agreed on a competition to see who could win the most games. Yuu started strong winning a few back-to-back thanks to her assassin’s precision and timing. However, Erika pulled into the lead with her height and strength advantage. By the time they got to the last game, the scores were even, both had won the same number of games. It all came down to the last game, a shooting gallery.

Erika was concerned about this one knowing her huge disadvantage. Narrowing her eyes, she began concocting a plan to win despite the odds. She went first and sat on the chair tucking herself under the table. She took aim and tried her best to score highly. Surprisingly she did manage to score high, forcing Yuu to need a perfect score to beat her.

Yuu scoffed at the challenge, confident she could do it. “Nice shooting darling. Now let me show you a master. Move aside babe...”

“Hmm. No. I don’t think so. You want to make it harder? A little more challenge. We can even throw a punishment in there too.”

“Oh? What’s on your mind. You know I like a good punishment game~”

Erika grabbed Yuu’s hand and pulled her down towards her ear, whispering softly. “Sit on my lap while you’re playing. Let’s have sex right her under the table. The loser must eat my cum on their festival food.”

“Oh ho ho. I love it. You’re on. I’m looking forward to feeding you your own cum.” Giggling playfully, Yuu slipped herself over Erika’s lap and got comfortable. She fixed her

yukata so that she could fuck Erika discretely. She grabbed the gun and lined up her sight. Wiggling her ass over Erika's crotch, she scoffed with the confidence of a pro assassin.

With the double protection of the table and their yukatas, nobody even looked twice at the two cute girls romantically playing the shooting gallery game together. However, under the table was a different story. Erika slipped her already bulging cock out of her yukata and pushed it against Yuu's ass. She slipped an empty condom off Yuu's panties and pushed it over her cock. Yuu wasted no time in getting a head start in the game, shattering the first few targets with ease. Erika hastily pushed her cock into Yuu's asshole, easing it into the tight hole. Her haste to slow Yuu's assault on the game caused her more pain as she forced her way into her anus.

Yuu's next shot clipped the corner of the next target. She managed to hit it, counting the point but the pain of Erika's cock stretching her tight hole had caused her accuracy to slip. She bit her lip moaning softly in agony trying to focus her aim again. Despite her slight set back, she still felt confident and wiggled her body, grinding her ass against Erika's pelvis. "D-Don't think this will defeat me baby." Taking a deep breath, she regained composure and began hitting targets again with precision accuracy.

Erika was frustrated and flustered as well as in awe of Yuu's strength. She chuckled lightly finding the whole situation a bit silly. However, she was also determined to throw Yuu off her game. "Oh yeah? W-Well I'm just getting started." She moaned under her breath and began rolling her hips, her cock scraping out the inside of Yuu's ass. Her movements were subtle and slow, gentle but also rough. The deep passionate sex lit their fires once again, with a different and new type of position. Just knowing that people were standing around them watching the game while they were having sex, had Erika close to an orgasm. She wrapped her arms around Yuu's arms as if she was attempting to hold the gun as well. She giggled softly lifting her ass off the seat slightly mimicking a romantic scene of firing the gun together. "Here darling. Let me help you."

As Erika lifted herself off the chair, she took Yuu with her. With nowhere for her cock to go, it pushed deeper into Yuu's insides. She gasped loudly, quickly covering her mouth. "W-What are you doing? I'm F-fine. I got this..." Her eyes blurred slightly from the pleasure, losing focus momentarily.

Licking her lips, Erika whispered softly into Yuu's ear. "Fine. Sure. If you say so~" Yuu was too focused to realise what Erika's teasing words meant. Erika dropped her weight back on to the chair with speed, her cock pulled out of Yuu's ass to the tip. Gravity did the rest, pulling Yuu back down onto her entire length, forcing it inside with one long deep thrust. The pleasure of all of Yuu's weight dropping on her cock was so great and over

stimulating that she exploded. Firing her hot sticky load into the condom which ballooned in Yuu's ass. Her knottted base swelled as much as the condom, locking in her tight hole. She covered her mouth, tears in her eyes, moaning as quietly as she could. Her mind was numb and couldn't concentrate on anything.

Yuu had lined up her next shot just as Erika sat down. The sudden elevation of pleasure skyrocketed, as Erika's rocket exploded in her ass. The pure intensity was beyond any torture and challenge. Her eyes went cross-eyed, her mouth loose, and her tongue out as she felt her ass being filled. Unfortunately for her, she couldn't hold back her own bodily reaction to the climax. She instinctively clenched her fists, squeezing the trigger of the gun. Which fired uncontrollably, missing its target, not once but twice. Which meant that she couldn't recover from the point difference. She put the gun down momentarily revelling in the pleasure before composing herself. "Wow... I'm surprised Erika. You actually managed to throw me off my game... I'm happy. That felt amazing."

Erika finally snapped out of her trance like state and shook her head. "O-Oh... I won? Aaaah! I won. Ah hah. I did it... When did I do it? I think I passed out from pleasure." Giggling softly Erika kissed Yuu's cheek, enjoying her victory.

Yuu smiled with an amazed reaction to Erika's accidental victory. "Well, I might as well keep playing... Seeming we're locked together for a while. Wanna do it together?"

"Mhm. That sounds like a lot of fun." Physically glowing, the two ladies enjoyed the rest of the game on a more casual level, taking shots together. After the game finished, they managed to separate Erika's cock from Yuu's ass and fix their clothes before standing up. Slipping away for the arcade area undiscovered, they headed towards the food vendors to dish out the punishment.

The smell of delicious snacks and traditional food lit up their noses long before they arrived. Just as delightful as the smell, the sight was a feast for the eyes. Both Yuu and Erika forgot all about their punishment game and split from each other to explore and buy as much food as they could. They eventually met back together at a bench and table just off the festival path. Their faces had wide grins from ear to ear from the haul of snacks they gathered. They pooled their foods together and decided to share it all. The bench they sat at looked out at the lake over a bank of woodland. With their backs to the festival, everything felt calm and peaceful, a beautiful memory to cherish for years to come.

After a while of eating, the noise and bustle of the festival brought them back to the present. Both girls felt reenergised and looked at each other with newfound lust. Capitalising on the situation, Yuu licked her lips and slid her hand under the table. She

gently rubbed Erika's thigh underneath her yukata with a teasing expression. "So~ I think some punishment is due. Right?"

Erika was lost in Yuu's eyes, so hungry for everything on the table as well as everything about Yuu. "Hmm? Me..? Oooh. Right. Ooo~ Yes darling." Once Erika remembered what Yuu was talking about, her eyes turned narrow and doughy. "Your special sauce is ready to go. You just need to rub and pump the bottle~"

Yuu looked around checking for anyone passing by, once the coast was clear, she dove under the table. Much to Erika's surprise, Yuu hid herself behind Erika's body and pushed her face between her legs. Yuu licked her lips staring at Erika's hard and tender shaft, erect and centimetres away from her face. Without hesitation, Yuu opened her mouth wide and pushed her tongue out as far as she could. She wrapped it around Erika's red rocket and licked from base to tip. She cleaned the precum and cum off her shaft kissing the tip softly.

Erika tried to keep up the façade that she was eating normally, alone. However, every passing second was becoming more difficult. Yuu's soft lips and tongue had her cock sensitive and twitching uncontrollably. She tried to cover her soft moans with some of the food on the table, hiding her mouth.

Giving Erika no time to rest, Yuu dropped her mouth over her cock, swallowing her entire length. Her neck bulged as the swollen tip filled her tight throat. She rapidly bobbed her head up and down, sucking Erika's throbbing shaft roughly. Her quick thrusts and tongue rolling around her shaft had Erika dancing from head to toe in pleasure. With one long and vacuum like suck, she lifted her head off her shaft letting it fall from her mouth, bouncing around uncontrollable. Giggling softly at the sight, Yuu pulled a clean condom off her waistband and pushed it into her mouth. She rolled it around on her tongue and pushed it against her lips. Suddenly dropping her head, she swallowed Erika's cock once again. However, this time Yuu expertly pulled the condom over her shaft using her mouth and tongue. She effortlessly transitioned back into her oral sex, bobbing up and down. Grabbing the base of Erika's cock, she stroked her shaft and sucked her tip in an addictive rhythmic pattern.

Erika's mind was numb, she gave up on hiding her pleasure. Moaning loudly into the air, she struggled to control herself, trembling from head to toe. Slamming her fist on the table, she arched forward moments before firing and explosive load into the condom down Yuu's throat. Her knotted base ballooned in her mouth, filling her cheeks.

The hot cum within the condom lined Yuu's throat to a point of nearly choking her. The tight and difficult breathing situation was only a further turn on, increasing Yuu's

arousal. She slid her hand under her panties and masturbated loosely while waiting for Erika's knotted base to subside enough to remove from her mouth.

After a short wait, Yuu managed to pull Erika's red shaft out of her mouth. She collapsed onto all fours coughing and breathing heavily. Slowly and shakily, she climbed out from under the table with the newly used condom in hand. She giggled loosely wiping the tears from her eyes and held out the condom for Erika to see as she sat back beside her. "Here's my reward... Oops. I mean Punishment." She winked playfully at Erika before kissing her passionately.

Biting her lip in return, Erika gulped in anticipation looking at all the food left on the table. "Mmm~ That felt amazing. Now. What you gonna eat it with? You have so many choices."

"Hmm. Good question... Ah! I think these." Yuu reached out and grabbed the plate of takoyaki, grilled octopus balls. She licked her lips smelling the takoyaki before holding the condom like a ketchup sachet. Spreading Erika's cum over the hot food, the smell of sour seed muddled the delicious smell of the meal. "Mmm~ That smells delicious. Time to dig in!" Without hesitation, Yuu stabbed one of the balls with a toothpick and threw it into her mouth as if it was her favourite meal. Which it was, her love of Erika's cum was almost on par with her love for Erika herself. Her cheeks lit up as she began to glow with happiness. The taste was salty, sour, and strange. But for Yuu, it was the most perfect dish she could ever eat. She continued to eat alongside Erika who continued to eat her own food.

Yuu had finished all but one octopus ball as the two women continued to enjoy their time under the stars. Suddenly a tap on her back shocked them back to reality.

"Yuu! We found you guys. Finally! What have you been up to. We lost you in the crowds." Yuki, Yuu's twin sister, was standing behind her with a skewered grilled squid in one hand.

"Ah. O-Oh well... We've been busy. Um..."

Her mother stood beside her with a few bags of goldfish and sweat treats. "I'm glad we found you before the fireworks. It's been a long night hasn't it. You both look very tired... Have you been running around the festival like Yuki has. My. This girl is going to be the death of me."

"Mom! Stop... Besides. I'm keeping you healthy. Be grateful." Yuki smiled widely with a goofy scoff in Hina's direction. She turned her attention back to Yuu and Erika, scanning over their collection of foods. Her eyes landed on the same takoyaki Yuu covered with

cum. “Ooooh~ Takoyaki! I love takoyaki. Can I eat that last one? Hmm... What’s that sauce? It looks good.”

Yuu’s eyes suddenly widened like a deer in headlights. Her mind began to unravel in slow motion as Yuki reached out to take the last octopus ball. Before she could react, Yuki grabbed the ball and threw it into her mouth. Yuu’s jaw dropped, scared they’d be caught now. She watched as Yuki chewed the food, cum and octopus visible on her teeth and lips.

Erika was also speechless flashing her gaze between Yuu and Yuki. Her head was dizzy as she looked on with concern.

However, to their surprise Yuki’s expression turn soft and doughy. “Mmm~ Aw that sauce is delicious. The sour taste really works with the octopus.” Her eyes were narrow, staring at Erika while she licked her lips, satisfied with her snack. She dropped her voice speaking softly. “Do you have any more Erika~”

Erika felt her heart racing as she locked eyes with Yuki. The thought of someone else eating her cum sparked something inside her. She felt bad but also aroused by the sight.

With her lightning fast assassin reflexes, Yuu threw the empty box of takoyaki off the table and into the bin. Her mood had dropped, annoyed that her sister stole her last octopus ball but also that Yuki tasted Erika’s cum. She narrowed her eyes glancing at Erika and her mother. She sighed softly and composed herself. “W-We’ll. That was our last one. So you’ll have to go get your own. I love takoyaki too...”

Yuki felt the tension and pressure from Yuu’s razor sharp glare stabbing her. “Um... R-Right...”

“Oh come on you two. Don’t fight over food. Like when you were kids. Come on Yuki. We can go buy some ourselves and meet back for the fireworks.”

“Mhm. Yeah. Sounds good. Okay sis. Erika. See you two later.” Yuki snapped back to her usual self and waved goodbye as she sprinted off towards the festival food court.

Which left Hina, in need to catch up again. She sighed deeply before leaning over Yuu’s shoulder, whispering softly. “You know. There’s a little trail into the woods. Just behind the toilets over there. If you’d like a little privacy while watching the fireworks. I suggest using it.” She stood up straight with narrow eyes, giggling softly. Yuu couldn’t tell if her mother understood what they were doing or not, but she was grateful for the hint. “See you later you two. Don’t do anything too crazy. Okay.” Hina clapped loudly, announcing her leave as she chased off after Yuki.

This left Yuu confused and excited, she giggled lightly tilting her head to the side, staring passionately into Erika's eyes. "Hey beautiful. Mum just told me something interesting."

Erika finished her plate of food staring back at Yuu. "Oooh~ What is it? Hmm mm?" She fixed her clothes and spun around on her chair to face Yuu with wide eyes.

"You see the toilet blocks down the street? Behind them is a little trail. It'll give us the best view of the fireworks."

"Oh. That sounds great. Wait. You don't want to spend the night with your family?"

"We will. After. But I think this will be more special."

"Sounds amazing. Let's go!"

Once the two ladies cleaned the table and threw their rubbish in the trash, they headed back towards the toilets. Spying the trail behind, they headed into the woodland area beyond the festival. The trail was a little tricky to walk wearing yukatas. However, their desire to find the best private place to watch the fireworks prevailed. After a few minutes of trekking up a steep bank, they arrive at a clearance.

As the tree line broke, the moonlight filled their eyes, shimmering off the lake below them. The stars shining brightly in the dark nights sky. The view was complete by the sight of the festival off to the side, people crowding around the lake to watch the fireworks. The hill which the two woman stood on was theirs to claim, not a single other person was there with them. The ultimate private firework viewing place.

Erika's eye widening taking in all the sights like an excited school girl. Yuu walked to the edge of the bank and closed her eyes, allowing the soft lake breeze to brush across her face. They were both pleasantly satisfied and enjoying every experience this festival had to offer.

Erika walked up begin Yuu and wrapped her arms around her, hugging her deeply. Her soft breath tickling her neck as they enjoyed the calm winter's night. Yuu leaned into Erika, giving her wait to her wife. She smiled brightly looking up at the stars. After a moment of pure bliss, Yuu leaned her head into Erika's chest and looked up at her. "So. What do you want to do before the fireworks? Hmm~" Her eyes narrowed with a doughy expression, her ass wiggling against Erika's bulge.

Erika looked down at Yuu and licked her lips. Yuu's expression plus the teasing grinding she was doing had her mind racing. "Ooo~ I think we could find something." Erika stepped back from the edge of the hill and sat on the floor. She provocatively pulled her

yukata open revealing her underwear on her thick curvy body. Removing her underwear she laid open, presenting herself to Yuu. “Come here my love. Let’s be as beastly as possible.” She ran her hand through her thick bush of pubic hair, clutching her rising cock. She shook her shaft playfully like a lure to a fish.

“Oh baby. You really know how to turn me on.” She stood with her back to the edge of the hill and took a few steps forward as she untied her yukata. She dropped it to the floor with her underwear, standing completely naked with the moon light on her back.

As Erika looked up at Yuu’s naked curvy body, a sudden bang turned the sky red. Erika’s view of Yuu became obscured, only the outline of her body was visible, blocking the light of the fireworks exploding in the background.

Yuu’s beautiful body, large breasts, and wide hips looked goddess-like in front of the fireworks. She swayed seductively towards Erika and squatted over her legs. “Looks like the fireworks already started. You know what that means. Right?” Yuu leaned forward, Erika’s cock brushing against her stomach. She leaned in close to her ear, breathing softly against it. “We can be as loud as we want~” Grabbing Erika’s cock with a tight grip, Yuu pushed it against her labia, rubbing her clitoris against it. She moaned softly looking up at the fireworks above them before sliding the tip into her pussy. With the noise of the fireworks masking any sound they made, she moaned loudly from holding back her moans all day. Dropping her weight onto the hot red shaft, she gasped in enjoyment.

Slamming her hands into the soft ground around them, Erika clutched at the grass moaning wildly. Her lust and pent-up desire from a day of sex and foreplay had her extra sensitive and extra beast like. Letting go of the grass with one hand, she wrapped her arm around Yuu and pushed her face between her breasts. Her soft skin wrapped her face, her nipples brushing against her ears. Her cleavage and the space between her breasts were slightly wet from sweat. Erika breathed in deeply, savouring the smell before licking her body. With her face and cock in heaven, her shaft danced uncontrollably within Yuu’s vaginal canal. The pure adrenaline and oxytocin were like the strongest dose of ecstasy. She was addicted to everything about her wife.

Yuu shared in Erika’s orgasm & pleasure, her body also in heaven from the overstimulation. She moaned loudly with her mouth open as she slammed her ass off Erika’s thick shaft. The tip pounding against her cervix with each thrust, pushing her womb back. Her insides were mixed up, destroyed by her wife’s member. Her tight pussy was designed to only take such a beastly cock like her partner Erika.

The sheer love and lust were enough to cause Yuu to cum. She didn’t hold back, launching her squirt over Erika’s body. Her sweet nectar sprayed up her chest, breasts and

face. Covering her in her scent, marking her wife. She moaned loudly, her pussy pulsing against the tender shaft between her walls. Throbbing uncontrollably, unable to come down from her orgasm, stuck in perpetual climax.

Erika gasped and moaned, her cock almost cut in two by the tightness of Yuu's pussy. However, this only added fuel to the fire. Her cock leaked precum down her shaft like a waterfall, the pressure of Yuu's continual orgasm had her close to cumming herself. She trembled unable to control the pleasure she felt. Her mind was numb, reduced to mush as the overstimulation melted her into a puddle of lust. "I-I'm going to cum!"

"C-Cum for me baby. Of god~ Fuck the condom. Give it to me~" Yuu's moaning was shaky, clawing at Erika's chest as she sporadically pounded her cock. Her body was moving on its own, autonomously begging for Erika to cum.

The last of the fireworks were the largest, exploding with a blinding light. This acted as the final camouflage for Erika, who moaned loudly, her own orgasm sparking and exploding like her own private firework display. Her body shook violently as she tried to push her cock as deep as she could into Yuu. She slammed her cervix, pushing her womb back as she started to cum. Her hot thick seed coated her cervix and walls. Not a single drop spilled out as her knotted base swelled, sealing the entrance shut.

Yuu collapsed over Erika, panting heavily. She looked up at the sky with Erika, watching the final firework exploding brightly. "H-Huh... What a start to the new year. H-Hey...?"

"M-Mhm... Wow. Happy new year my love."

Both girls stayed still, lying together watching the smoke in the night sky slowly disburse. Just as the festival climax came to an end so did theirs. It would be a while before either girl moved from that hilltop to make the journey home.

"Happy new year sis"

"Happy new year dear. We didn't catch you last night. You must have come home late." Yuu's mother and sister were waiting in the hall for the two women to appear before they headed home. By the time they got back to Yuu's family house it was early hours of the morning. "I guess you over did it. Didn't you?" Hina giggled softly with narrow eyes, covering her mouth.

"O-Oh yeah... Well you know. We wanted to enjoy the moonlight a little longer..." Once again, Yuu couldn't tell if her mother knew what they did. Either way, Erika and herself

were happy and had created a new collection of unforgettable memories. Which they replayed in their heads as they journeyed back to their own home. Their new year's celebration ended with the beginning of a long and fulfilling year of memories and experiences.
