Panel 1: We cut back to Bon, who's in front of Lucia, mockingly humping the ground. Lucia's on one knee, glaring at him, fist pressed into the ground. She looks furious.

BON: Maybe you shouldn't have picked a fight with **me**.

LUCIA: I was just taking my brother home from school...

Panel 2: Camera on the floor, Bon looks up at the puffer cage, smirking. His foot's in the foreground, stepping on Lucia's hand, causing her to scream in pain.

SFX: Crush.

BON: Well, won't have to do **that** anymore, ha ha!

LUCIA: Aaaaah!

Panel 3: He rears back, kicking her in the crotch. Lucia hunches forward.

SFX: Diiiiiiiiiiiiiiiiiiiiick kiiiiiiiiiiiiiiiiick!

BON: Not so hot now, are ya!

LUCIA: Oof!

Panel 4: He's now holding Lucia's hair with one hand and her fist with the other, punching her in the face with it.

SFX: Self Inflected Punchshot!

BON: Why ya hitting yourself, **huh?**

Panel 5: He then slaps her face back and forth with her own hand.

SFX: Slap O' Slap!

BON: Slapping yourself?

Panel 6: Finally he grabs her head, slamming the back of it into the ground over and over.

SFX: Uh, um, uh...

SFX: Attack That Makes You Die!

BON: Headbutting the ground? That's it, you've officially gone batty!

PAGE ONE HUNDRED AND EIGHTY-THREE(five panels)

Panel 1: He stands up straight, pressing his fists into his hips, chuckling like a villain, incredibly cocky.

BON: I'm so **awesome**.

LUCIA(not shown): You're a coward!

Panel 2: Showing some fighting spirit, Lucia wallops Bon in the cheek, sending spit flying everywhere.

Panel 3: But the divide between their power is obvious, as Bon's able to easily snatch her up by the throat and begin choking her.

BON: **Bitch!**

Panel 4: Camera back Bon as he launches her across the arena. She's flying through the air.

BON: **Die!**

Panel 5: Small panel of dust as she smashes into the stands.
