Zzzzzz...

So...

Before we start the main course, I suggest an appetizer... You need to warm up and stretch, right?

Yes, mistress...
Whatever you say...

Oh, it's sweet that you're so obedient, even though you're probably going crazy...

That pain in your full balls must
be unbearable... And yet you
know not to whine for relief...
You're such a good girl...

Because I will always
obey my mistress...

Sweet goddess, I would
scream and beg for an
orgasm if I didn't know
it would only make
her mad...

Very good. The problem is that those swollen balls are distracting you from what's really important. They deserve to be punished, right?

O-oh... W-whatever
y-you say, m-
mistress... gulp...

So? What do you
have to tell me?

Ugh... Please...
please p-punish
them, mistress...

That's right! Let's
punish them hard
until they turn red!

Mmmh...

Holy shit, I'm going to regret this so much...

You disgusting, nasty,
parody of male
genitalia...

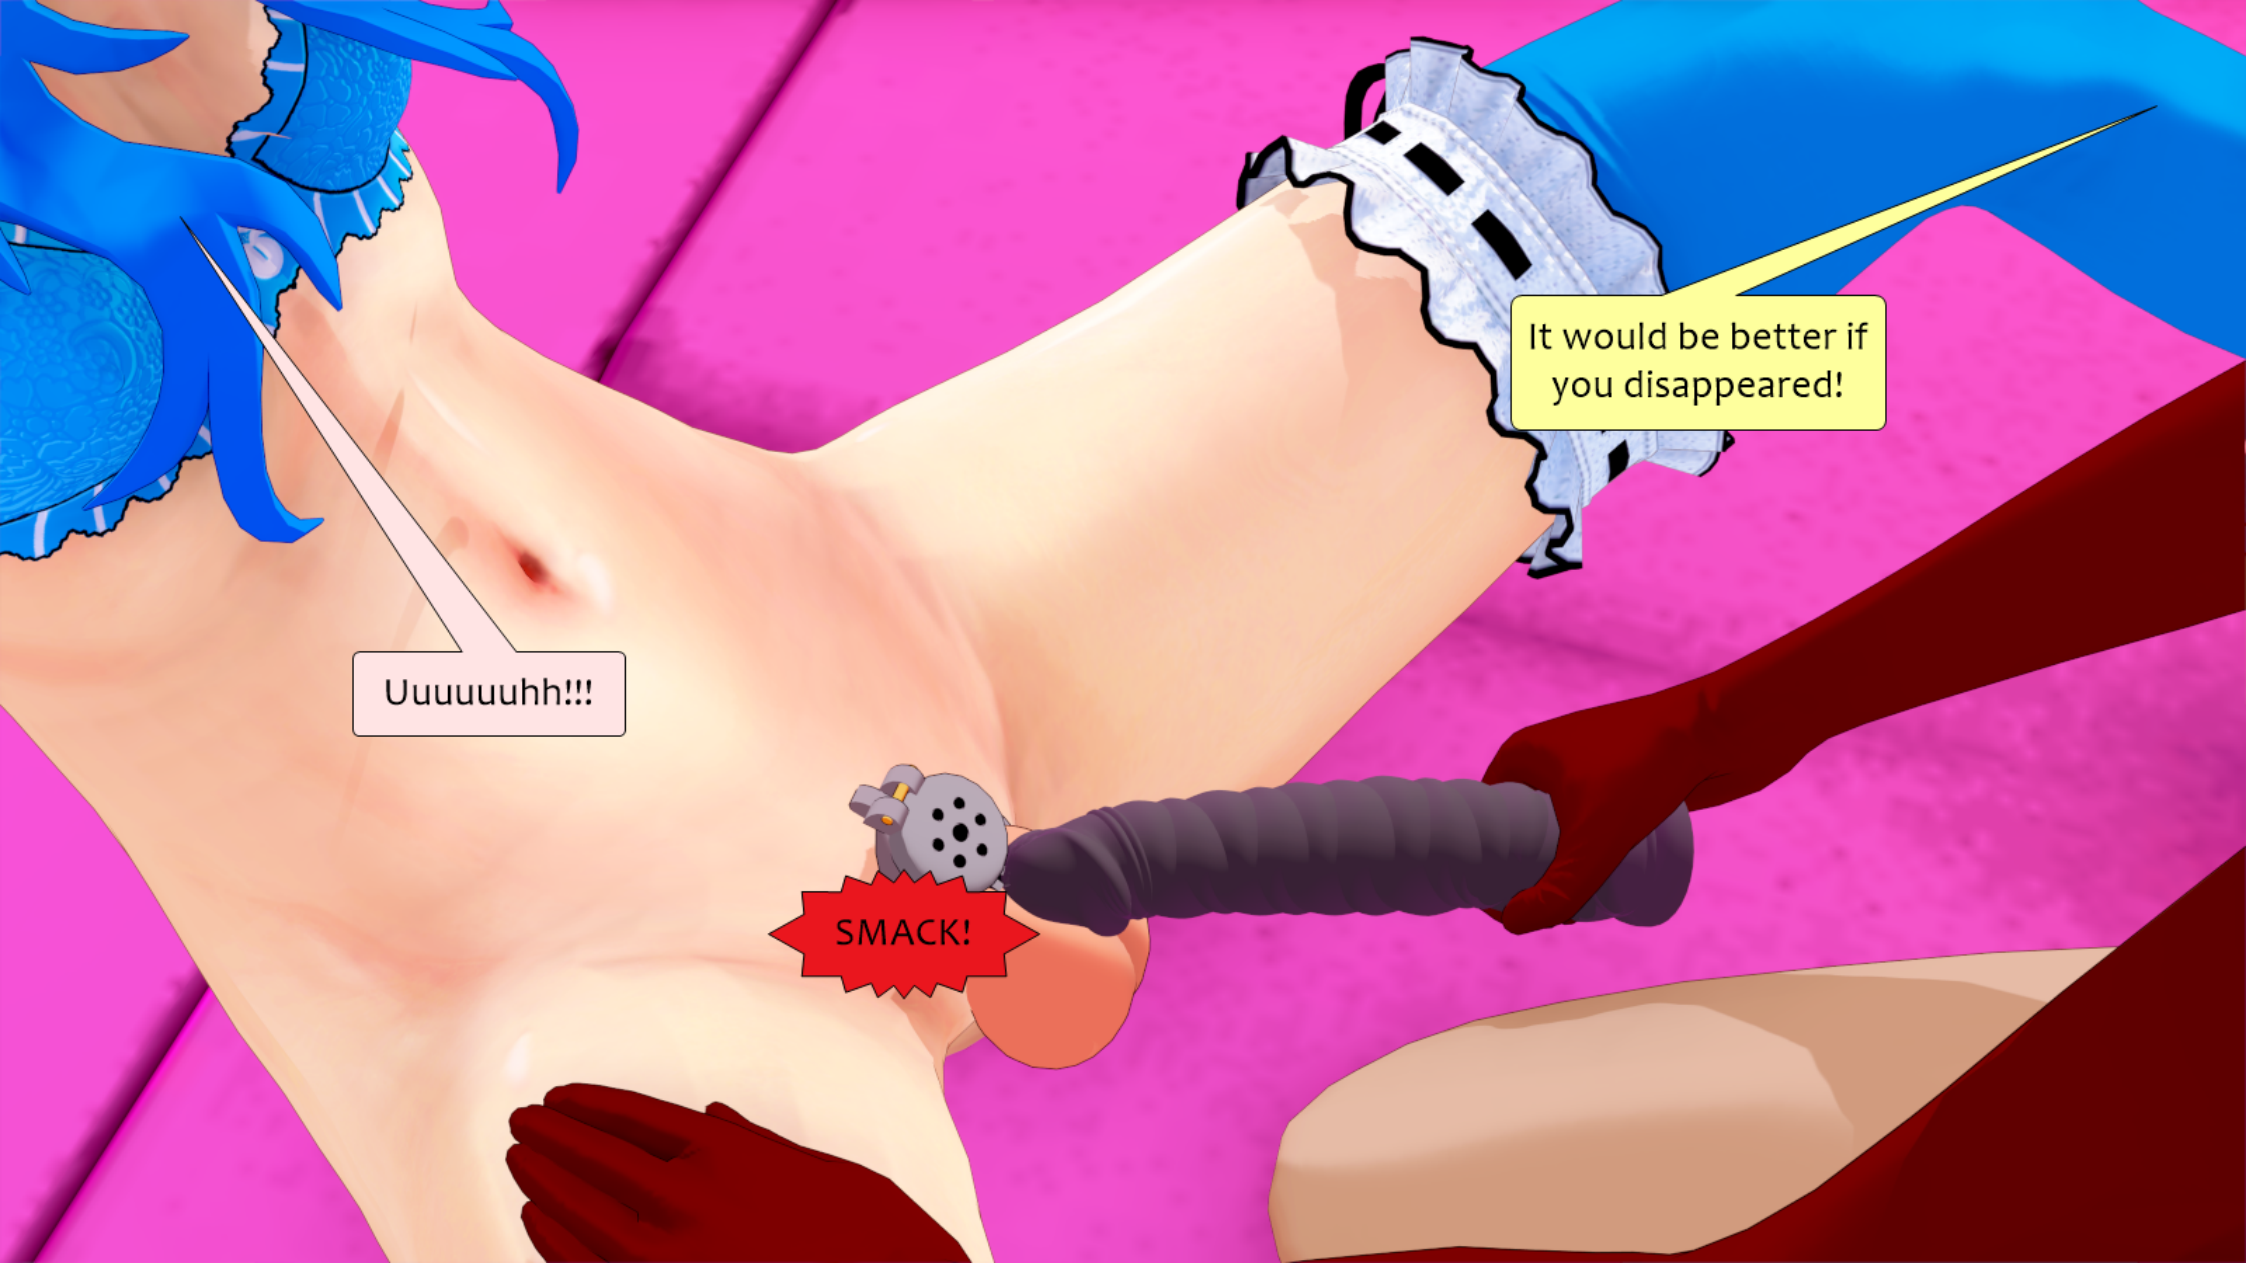

You only make my
sweet sissygirl ugly
and painful!

Ooooah!

SMACK!

Uuuuuuhh!!!

SMACK!

It would be better if
you disappeared!

I'm honestly surprised
we haven't gotten rid of
those nasty bags yet!

Hahaha!

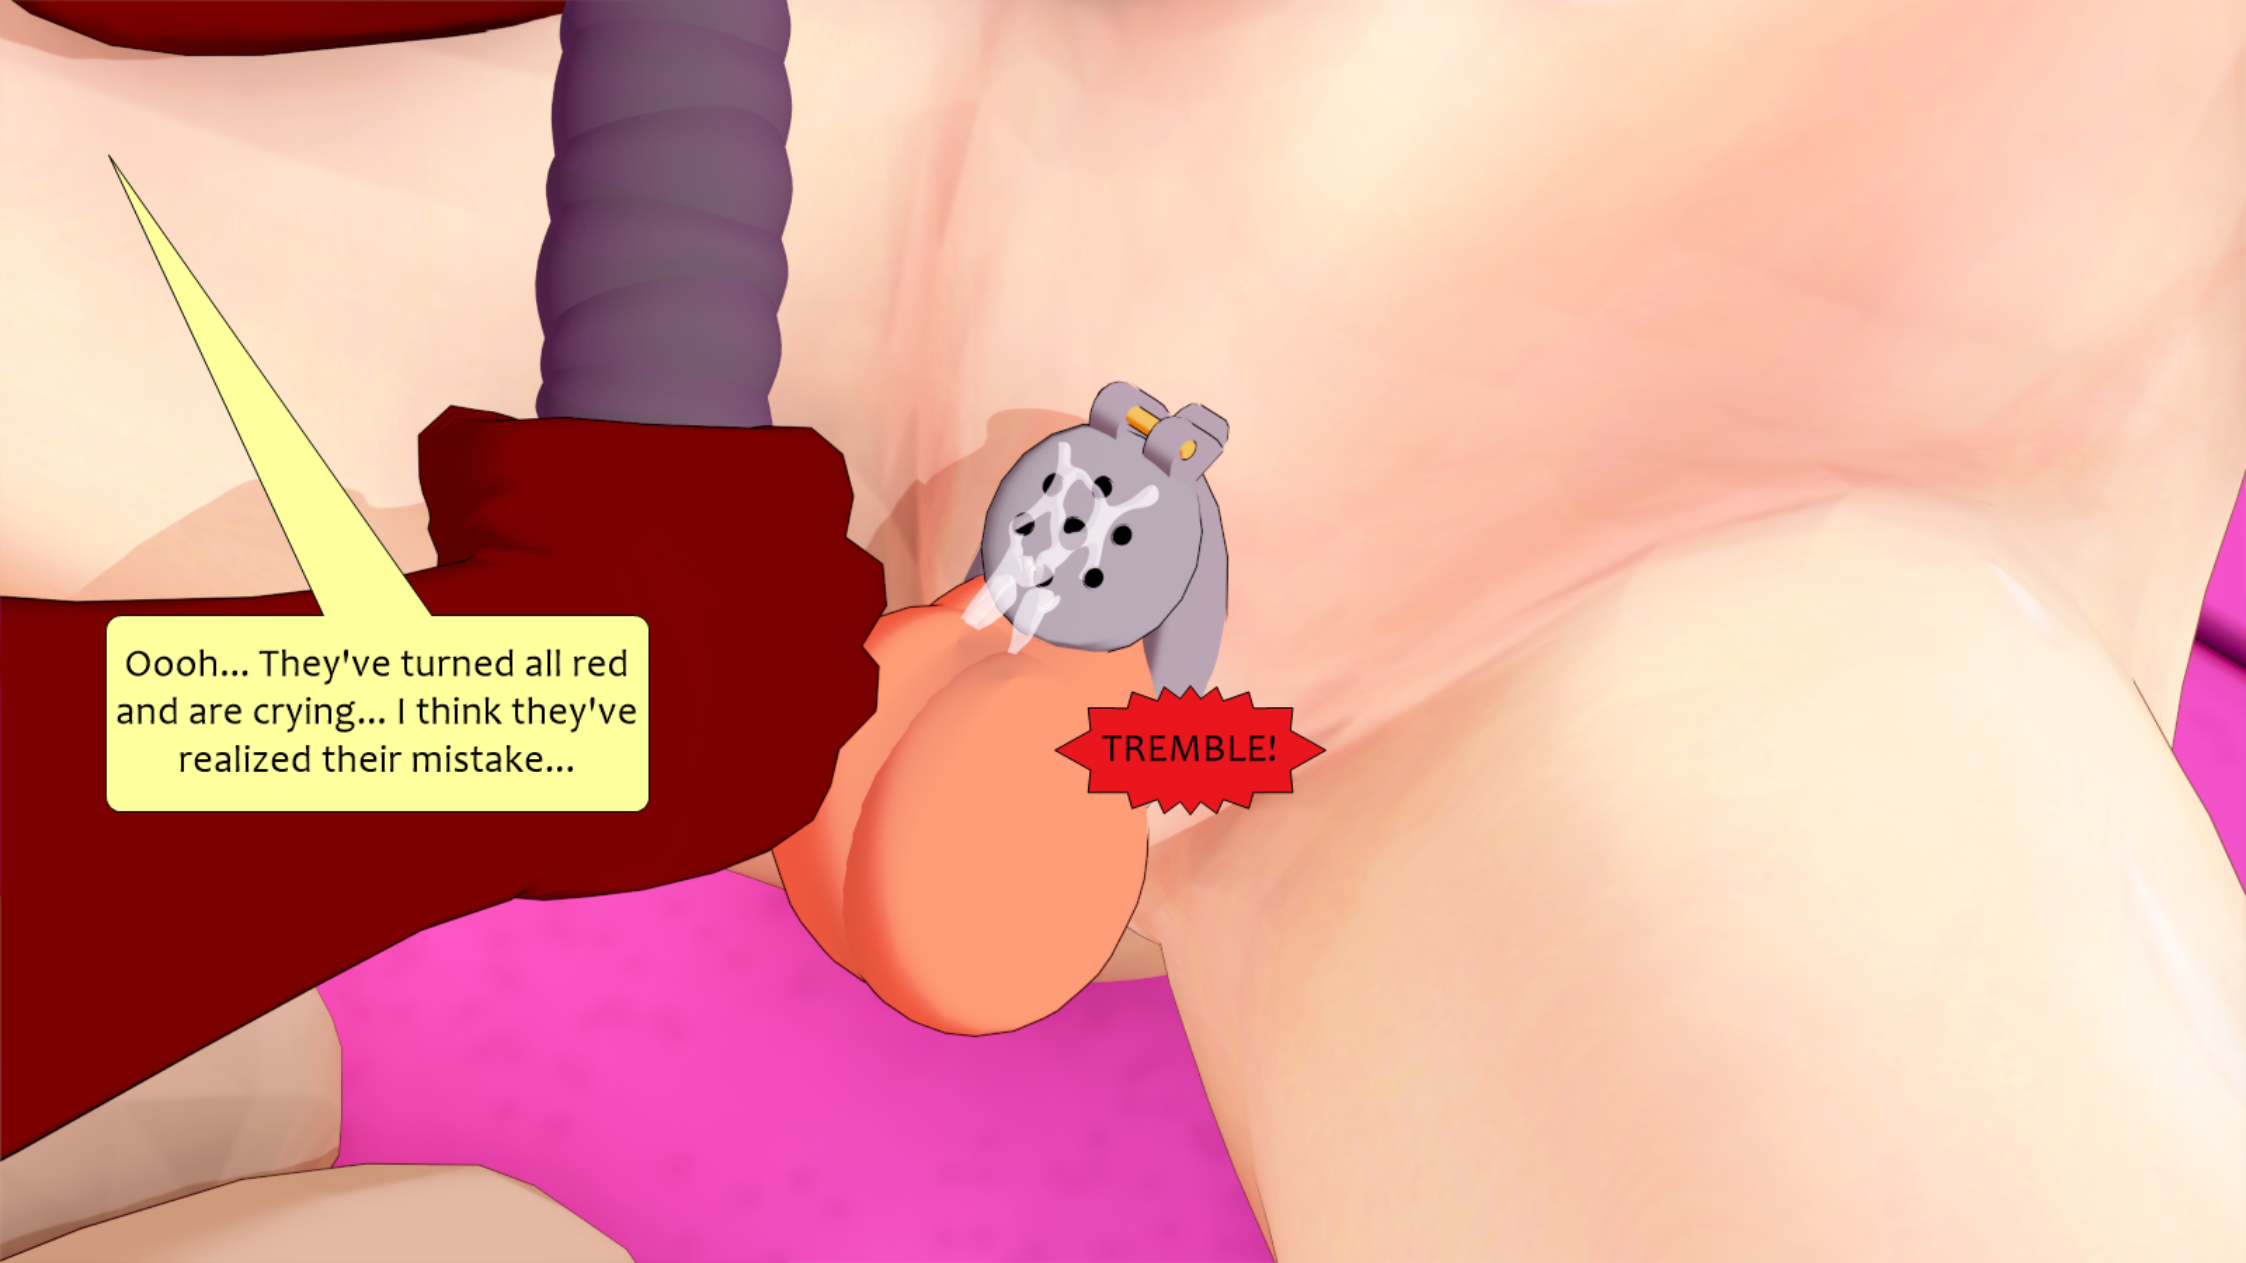

Oooooowww!!!

SMACK!

P-please, mistress...
Please no more...

It... uuuh... It hurts
so much...

Oooh... They've turned all red
and are crying... I think they've
realized their mistake...

TREMBLE!

Well... That's enough for
them... Now let's get
started on your warm-up...

You have to be ready
before Doug wakes
up, right?

...sob... yes...

Okay. I've prepared a very simple exercise for you today... This beautiful, black giant goes all the way inside... Is that clear?

Yes, mistress...

Mmm... I love watching
you stretch your sissypussy
for your mistress...

Great! You aimed well!
Now slowly... down...
Pop that cherry...

Mmh...

POP!

Don't rush... We're doing
this slowly but steadily...
So you don't feel like
something's coming...

Ooooh...

Gosh, what a frustrating feeling...
I'd love to impale myself on that
huge dildo and bounce on it
until I fuck myself to orgasm,
but... I have to stop myself...
I have to...

Good... Now press
your full body weight
against it...

Mmmh...

Mmmm...

Damn... I don't know which will give out first... My knees or my sphincters... But I can't screw this up or Mistress will be mad...

Oh yes... Now
lower...

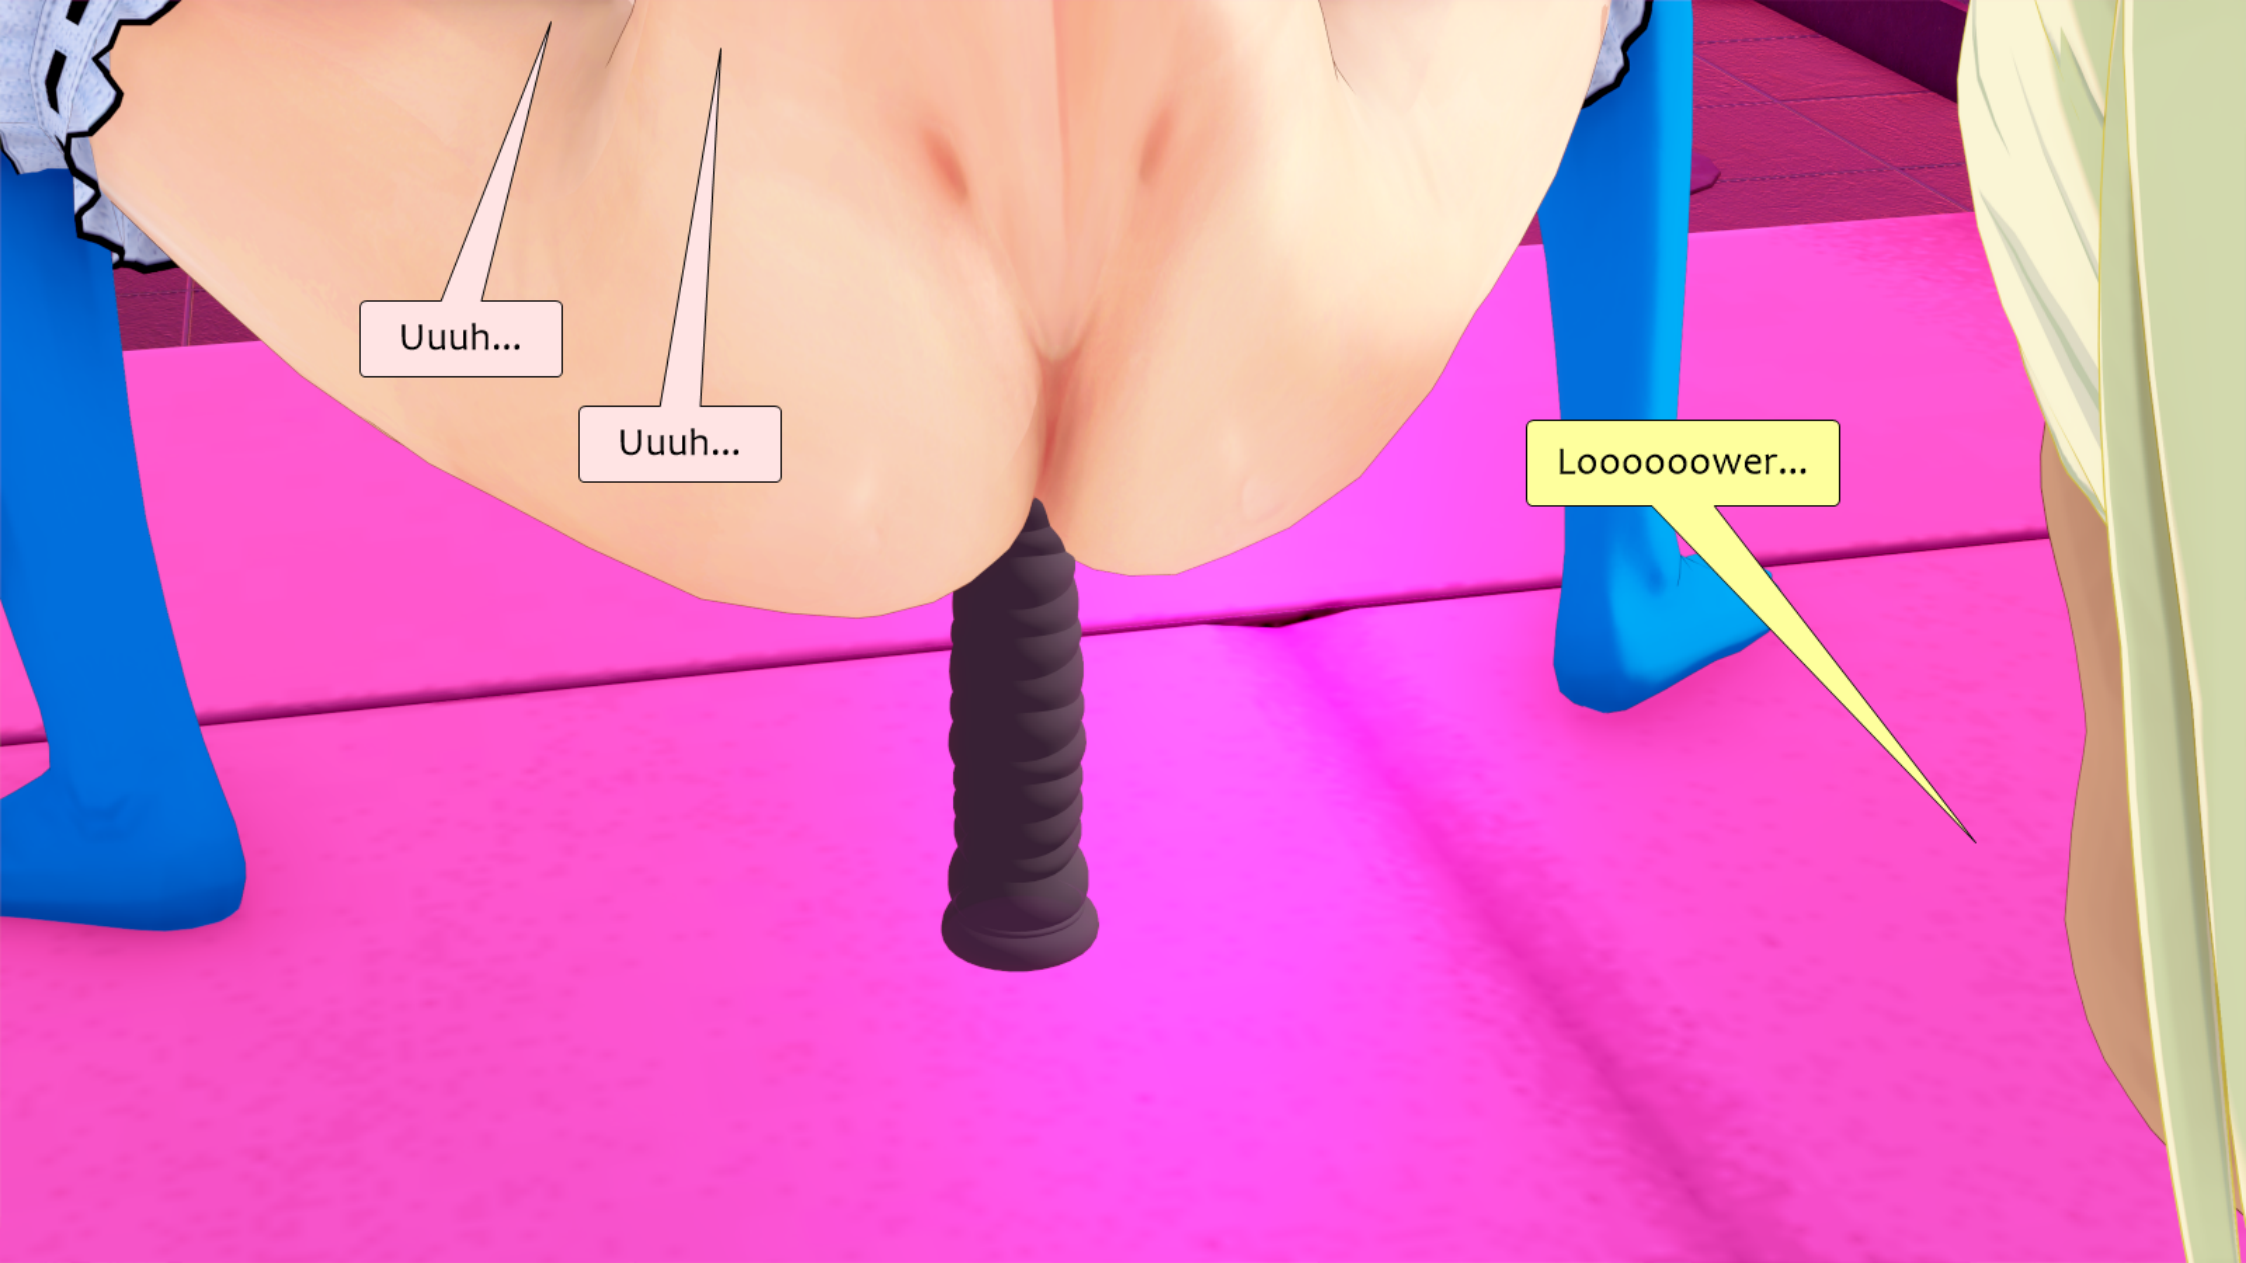

Uuuh...

POP!

Fuck... I wish that was Doug's
cock fucking my ass right now...
I'd probably come right away...

Ooooh...

Uuuh...

Uuuh...

Looooower...

Feels good, right?

Mmm, yes,
mistress...

I hope not too good...
You're not ready yet,
sweetie...

Now lean back... Let
your body slowly
begin to relax...

Very good. I'm proud of
how trained you are.

Ah... thank you,
mistress... It means
so much to me...

TREMBLE!

TREMBLE!

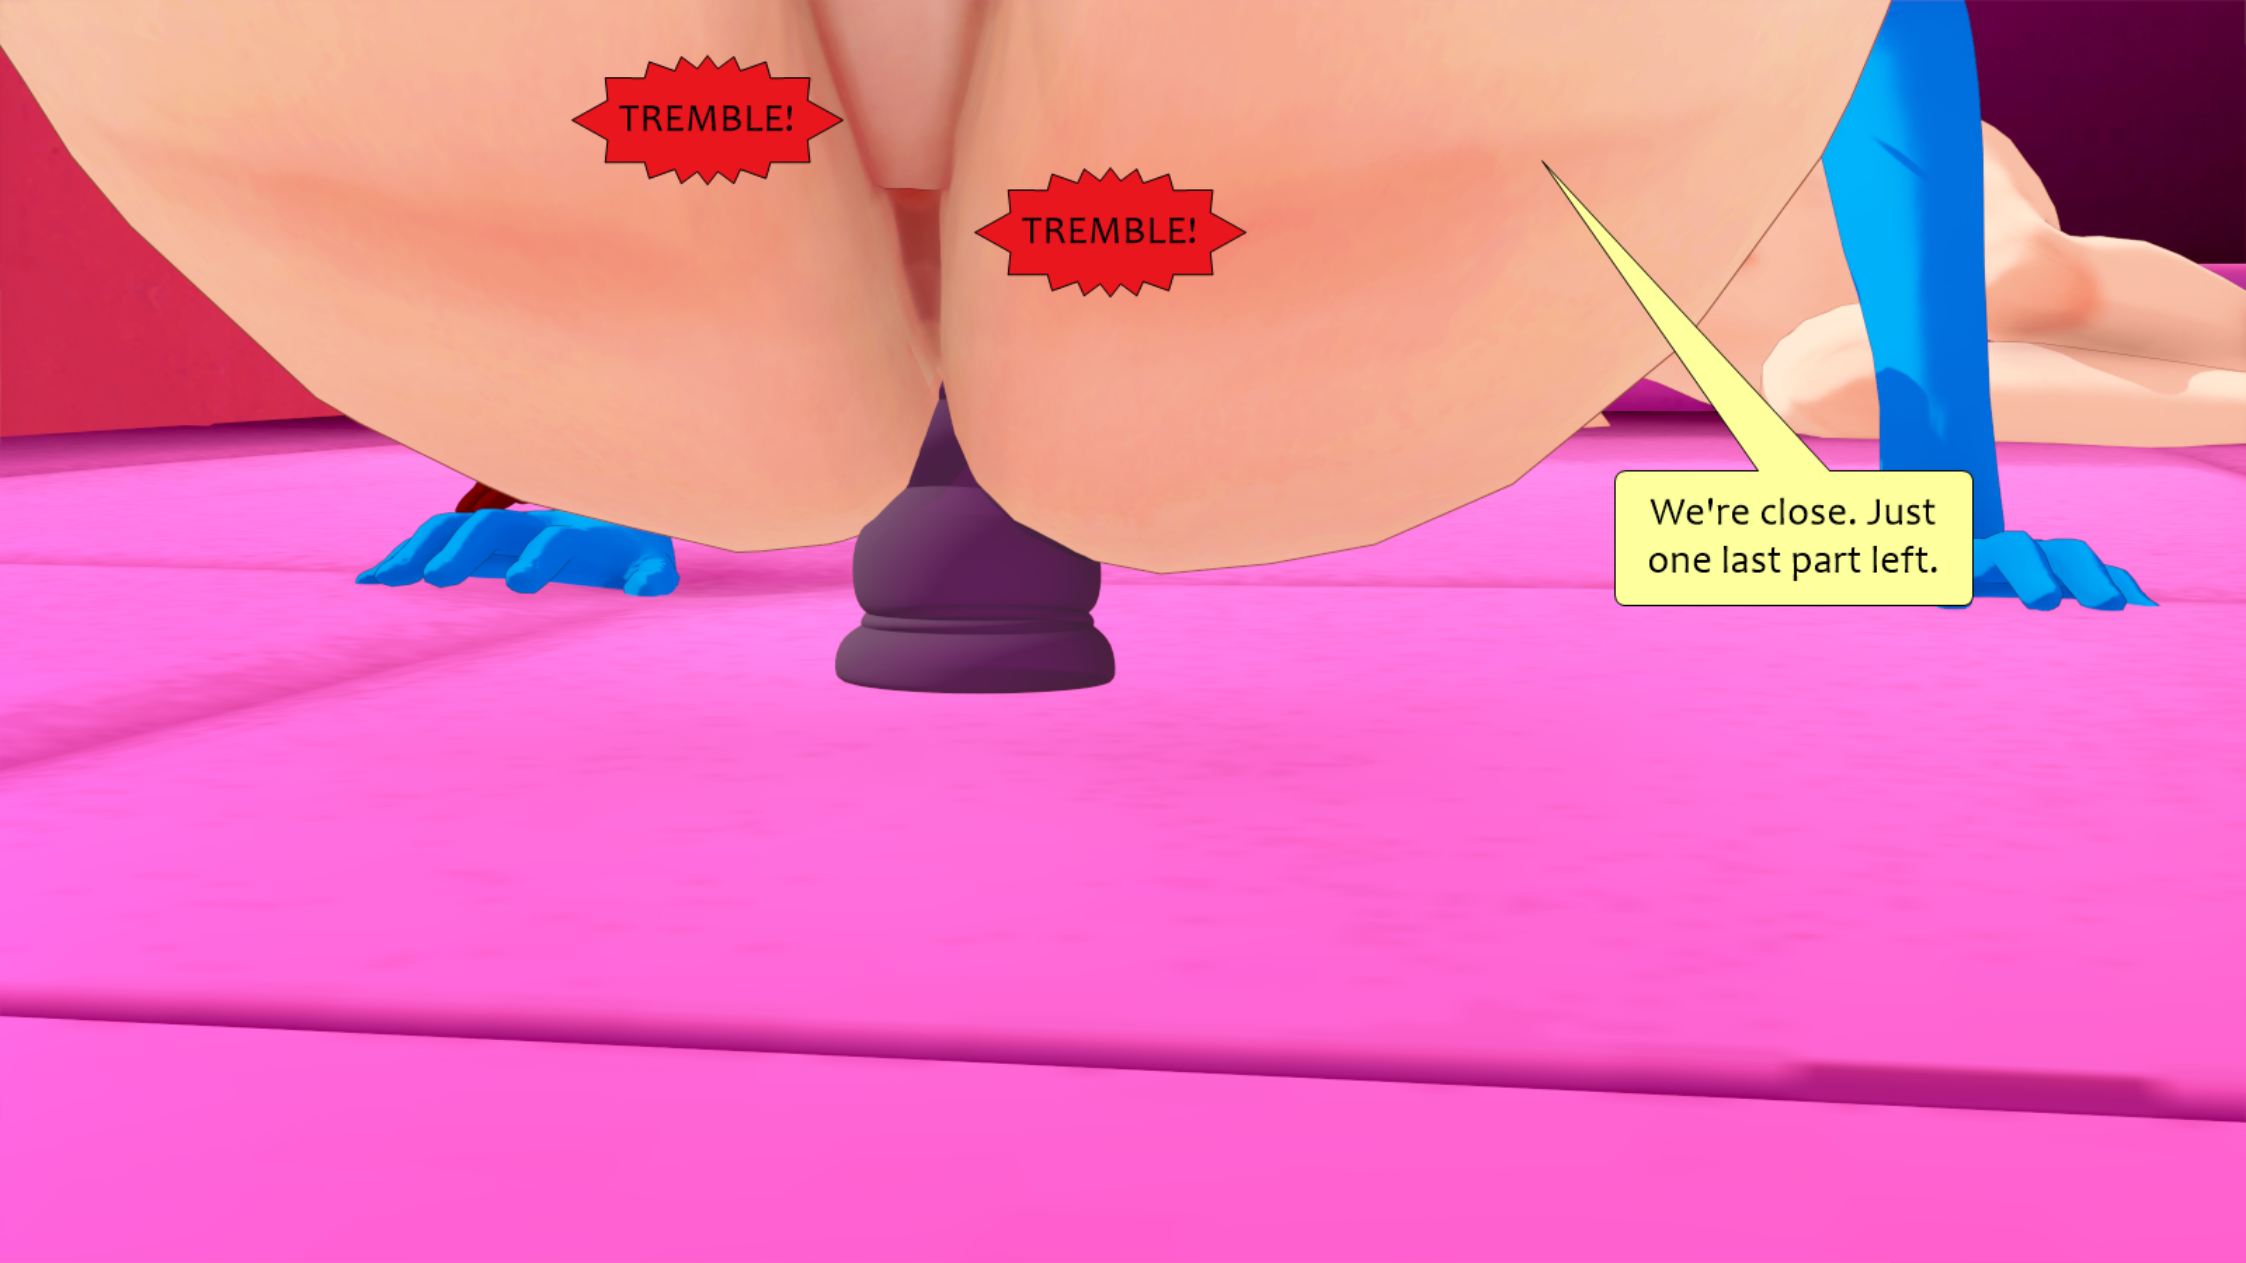

Okay... now down
again, very slowly...

Ooooooh!

POP!

TREMBLE!

TREMBLE!

We're close. Just
one last part left.

Push him in! All of him!
Push against him with all
your might!

Aaaaaah!

Hnmnnn!

A 3D-rendered cartoon scene showing the lower half of a person with large, pale buttocks. The person is wearing a blue lace-trimmed skirt and blue stockings. They are in a cage with vertical bars, standing on a pink carpet. A speech bubble from the left says "Ooooooh..." and a red starburst on the buttocks says "POP!".

Ooooooh...

POP!

Wonderful! He went in all right! You're a brave girl! And that feels good, doesn't it?

Aaaah, yes...
So good...

Well, my love. You've done
a great job, so you deserve
a reward and a rest...

You're probably
hungry after all
this, right?

Mmmh... Yes, mistress...
I'm... very hungry...

That's what I thought... So it's time for
our magic cup... Doug's cum is
probably cold and smelly by now...
well... I think it will taste better on the
soles of your beautiful mistress...

OMG...

Go on... Pour it all
on my feet...

BLOP!

Oh... Ok...

Mmmmh... A little cold...

I-it's all on them
now, mistress...

Wow, there's so much... Be careful not to spill too much... I don't know how long I can hold this position...

Oooh...

Well... enjoy the taste,
my sweet Joey!

So much... So much Doug's semen...
If it were fresh, it wouldn't be
a problem... but... I can smell this
unpleasant odor...

And Mistress's feet... they're
always so sexy and delicate...
I've licked them more than
once, but... it's just not
the same... Gulp...

But it doesn't matter...
I have to do this... If I want to
finally empty my swollen balls...
I have to do this...

Aaaamm...

Sluuurp...

Sluuurp...

Uuuh... It smells disgusting, but...
it doesn't taste that bad... And the
thought of licking Mistress's feet
turns me on so much that
it's bearable...

Oooooh, hahaha! You lick
and suck that cum so
eagerly, it tickles my soles!

Ugh... It's so thick
and salty... It makes
me feel dizzy...

Mmmmh... slurp...
gulp...

A close-up, stylized illustration of a character's buttocks. The skin is a light, fleshy tone. A small zipper is visible in the center crease. At the bottom, white ruffled underwear with black trim is visible. The background is a solid magenta color. There are three speech bubbles: one thought bubble on the left and two action bubbles in the center.

Gosh, I'm
so aroused...

TREMBLE!

TREMBLE!

Sluuurp...
suck...

Ooooh! Your tongue is
already reaching the
bottom and now it tickles
me even more, haha!

Slurp....

Slurp....

Slurp....

Huhu... Looks like you licked it all up, huh? You must have been really hungry.

Blaaaaaah...

Mmm... what an
exciting sight, hehe...

My sweet girl got all
messy while eating...

Uuuuh... I'm
so full...

Mmmgh...

Oooooh, baby...
Can't you finish?

Mhm...

Mmm... Let me help you...

Aaaam...

Mmmh...

Mmmm...

Holy shit! Mistress kisses me
and drinks the last of Doug's
cum from my mouth...
I'm melting!

I could cum right
now... I could...
now... ugh...

Ammmgmm...

Mmmmmh!

TREMBLE!

TREMBLE!

Mmm, baby... You're trembling...
You're on the verge of pleasure,
aren't you? But not so fast. We
can't end this way...

We're not going to do that to Doug, are we?

To be continued...
