"The pity is . . . the public will demand and find a moral in my book—or worse they may take it in some more serious way, and on the honour of a gentleman, there is not one single serious line in it. ... In *Ulysses* I have recorded, simultaneously, what a man says, sees, thinks, and what such seeing, thinking, saying does, to what you Freudians call the subconscious."

- James Joyce

PORNOTEARACTISM

The image is a high-contrast, grainy, and blurry photograph. It appears to show a person's face, possibly a soldier, in profile or looking down. The image is heavily stylized with a high-contrast, almost binary color scheme, giving it a graphic, poster-like quality. The text 'GLOBAL BRAINWASH WEAPON U' is overlaid in a bold, white, sans-serif font. The background is dark and indistinct, with some lighter, blurry shapes that might be part of the person's face or clothing.
