Chapter 3

We headed over to her place, it wasn't far but with a mild waddle and a full stomach, it definitely was more taxing on my body than it was hers. We chatted on the way there, and she talked about her jobs around the country. Megumi was a solicitor, and it was a job that came with a lot of stress, to alleviate the stress she would work out. Hence the toned form now walking beside me.

I told her about my time in finance, lots of sitting at a desk, spreadsheets and boring days. However, the skills were invaluable in me investing money in the right ways and the pay was great.

Megumi had only recently moved back to town, so she had a flat on the top floor whilst she was searching for a more permanent home. We walked into the lobby, and I noticed a sign saying that the lift was out of service, I grumbled under my breath. My bloated form was hindering me, and it wasn't helped by how fast Megumi walked. She stopped as I read the sign and turned to me.

"Looks like you'll get some work out in now. It's only six floors." She smiled.

I lumbered my body up the first two flights of stairs without much issue but by the end of the third I was starting to pant; I had clearly let my fitness slip more than I thought or was I really that bloated.

Megumi arrived at the top first, she practically sprinted up the last set of stairs and turned to watch me waddle up the stairs, my stuffed stomach wobbling with each step. I got to the top and she

led me into her flat. As soon as I entered, I felt her powerful hands turn me around and pin me to the wall. A swift kick and the door was closed. Her mouth was on mine, and she was kissing me deeply.

Where did this come from?

Her hands pinned mine against the wall, her firm middle pushing against my bloated belly. Megumi was moaning as she was snogging my face, her mouth couldn't get enough of my own. Her hands started to roam my body, slowly descending my arms to my shoulders, her grip tightened as she felt her way around my frame. Her fingers traced my firm chest, to my surprise she went lower. Her palm traced my swollen gut, and she rubbed it. She traced its circumference; she gave it a squeeze and jiggled it. I wasn't exactly in my right mind to protest; her tongue was still dancing around my mouth and the blood had left my head in favour of my now rigid cock. My own hands were still at my side as Megumi groped and felt up my bloated form.

"F..F-uck..." She moaned into my mouth; she slapped my gut for emphasis.

The sharp pain jiggled my distended midsection, the cake churning within, I groaned. Megumi broke off the kiss and dropped to her knees, her head now level with my stomach, she lifted my shirt and pushed her face against my taut belly, her hand resumed rubbing my stomach. I looked down at my old friend who was now worshipping my stomach, in this distended form. I almost didn't care as I hadn't had much luck in the last few years, women were mostly choosing larger guys for some reason.

Just as I was starting to over think about what was going on, I felt my body shudder, Megumi's hand grasped around my cock through my trousers, and she started to rub it gently with her strong hand. I gasped.

"M-M-eeg" I stammered; she ignored me.

She stroked my cock through my trousers, her face still nuzzling my belly. My head looked upwards as I felt the pleasure taking over my body.

"Fuck..." I moaned under my breath.

Sensing that I was getting close to finishing, Megumi paused for the cause. She stopped stroking

and lifted herself up and looked down at me, her hot breath slapping me in the face with each pant she gave.

“Sorry... I just...” her hand grabbed at the side of my gut again. “Couldn’t resist...”

Before I could answer or do anything, she turned away and opened her bag. I was confused for only a second. When Megumi returned, she had that slice of cake in her hand. I looked at her slightly puzzled. Slowly her tongue licked some icing off the top and she leaned in to kiss me, the chocolate flavour filling my mouth as her tongue swirled around once more. The taste was just as incredible as earlier, maybe it tasted better because of how it was being delivered to me.

“Just like you...” She finished her sentence from earlier.

Standing now with her abs against my exposed bloated belly, she leaned on my gut and broke off a small bit of cake and using her fingers she pushed it between my lips. I felt so full but something about this was arousing me like I hadn’t felt before. Her arousal, her passion, it was getting to me. Her hips started to grind against my stomach and Megumi fed me another bite. I ate, I didn’t care about the pain in my middle, nor about the calories I was so desperately trying to avoid.

Megumi used one hand to rip her top open and revealed her chest to me, her boobs were still confined in her bra but being the size she was, there was a good amount of cleavage on show for me now. Her finger scooped some icing from the top of the cake, and she spread it over the tops of her tits. My eyes were fixated on her breasts, or the chocolate, as her chest rose and fell with heavy lustful breaths.

I didn’t get a chance to move myself, instead her chocolate covered finger entered my mouth and I sucked it greedily before she removed it and placed her hand around the back of my skull and drew my face towards her boobs. My tongue started to lick and lap up the chocolate on her chest and I heard Megumi start to moan. She used her large boobs to smother me. I was in heaven.

With a sudden jerk, I was pulled from her cleavage and pinned against the wall once more.

“Open wide.” She commanded, followed quickly by the rest of the cake.

My mouth opened as wide as it could, it almost unhinged like a snake, but still the cake was too much to get in. That didn't stop Megumi, she shoved the soft sponge into my maw and forced it down my throat. The huge slice having now disappeared, I let out a big groan and rubbed my pained belly, it felt bigger again somehow.

"Take off your clothes. Now." She barked at me.

I started to fumble with my trousers, I had failed to notice that the button on my jeans had come undone already. Megumi had very little patience when she was turned on it would seem, she stepped in and took over. I was naked now, in her hallway, rock hard and bloated beyond belief. Using her might, she lifted me and carried me into the bedroom. Megumi threw me on the bed and quickly took off all of her clothes. I was laying on my back, barely able to lift myself up onto my elbows to watch her toned body expose itself to me.

"I've waited a long time for this..." She said with a quiver in her voice.

She climbed on the bed and pushed my stomach towards my chest so that she could insert my cock deep into her. Letting go of my gut, she moaned that much more when it was pressed against her abdomen. Her hands couldn't get off of it, she rubbed it and pressed it into her as she started to bounce. The feeling of my gut slapping against her firm body was driving her wild. Her tight pussy gripped on my dick, and it wasn't long before I was approaching my explosive end.

I tapped her thigh in a panic. "I'm close..." I groaned.

"Me... Too..." She bounced quicker.

With a great big scream, her pussy spasmed and pushed me over the edge. I came too, in a big explosion, it was felt throughout my whole body as I spurted cum deep inside her. I was panting heavily now, my lungs being unable to take in enough air thanks to the weight of my belly pressing down on them. Megumi dismounted and laid her body next to mine; her boobs being mashed into my arm. She laid her head on my chest and stared at my bloated belly as it wobbled from my heavy breathing.

"That was amazing..." She said half out of breath herself.

“That was perfect.” I replied.
