

Bun Hunting 2.0: You Can (Not) Be Baked - VA Script		
Cut	Picture	Action & Dialogue/SFX
1		<i>We start the cartoon with a blank screen</i>
		<i>Billy suddenly emerges from below</i>
		Billy: BUNS! (Alt take) BU-BU-BU-BUNS!!!!
		SFX: Woosh (?)

2		<i>Billy talks really fast from excitement</i> Billy: You like them buns, don't you, Mr. Wolf?! Firm, fluffy and toasty little buns! Just like me! I never knew wolves liked buns! (At this point they don't call each other's names yet)
		Billy: Gasp! Have I told you about my bakery?! You're gonna love it!
3		Billy's Baked Buns 's the name, Fudge Forest's the place! (Images start appearing as he lists each bun. The waffles are shaped like Wuffle's head)
4		We have every kind of bun you could imagine! Whole wheat, sourdough, shu cream - waffles, donuts, fruitcakes, rye bread, swiss roll, bretzels, gluten-free, gluten-full
		Billy talking faster and faster! SFX: Maybe Billy can make a small “EEK” sound?

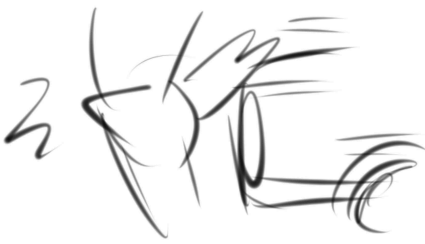

5		Hank cuts him off harshly: Enough about bread already, rabbit! Billy nods and replies playfully: Oops, sorry! I didn't mean to sound kneady, hehehe
		<i>Billy slips out of Hank's paws, leaving only his shirt behind before grabbing it from off screen.</i>
		<i>Hank glances down at Billy, perplexed.</i>
		SFX: Billy could make a sound while slipping out? Like: Hmp! Ah!
		

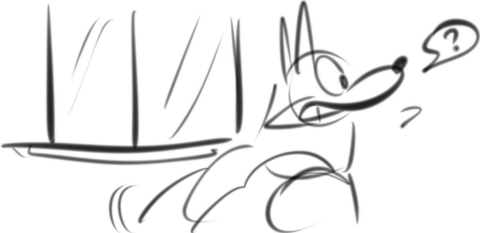

6		<i>Billy puts his shirt back on while talking cheerfully to Hank</i> Billy: I know exactly how you feel, my friend! We don't have time to loaf around!
7		Billy: Why waste time talking about bread... When we could be... TASTING IT!!
8		Billy: Open up, Mr. Wolf! These buns are fresh from the oven!

		Hank angrily slams down the plate with the buns and shouts: Hank: GRRRAH! BREAD THIS BREAD THAT! WHO CARES ABOUT BAGUETTES?! CAN'T YOU SEE I'M TRYING TO EAT YOURS?!
9		They both stand silently for a moment. No gasps, no sighing or anything.
10		Billy: Ehehehe, why, that's very kind of you, Mr. Wolf, but I think my buns are way tastier... <i>Billy tries to convince Hank that he should eat bread rather than him!</i>
11		Hank: Then you'd better cut me a slice, because I'm gonna get me a rabbit sandwich!!! <i>Hank sounds very threatening!</i>
		<i>Enter the cartoon gag!</i> Billy: Would you like a drink with that? Hank: HNG?!

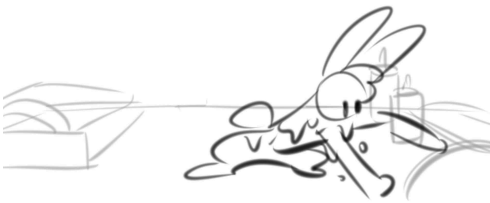

12		Hank tries to rip the menu off his face. Hank makes some effort grunts, while Billy keeps the menu gag up. Hank: HMPPP HNDSGLSG AKFDSG
		Billy: We're offering a 20% discount on menus today! Hurry up, breakfast time is almost over!
		Meanwhile, Billy drags a cardboard background meant to look like a drive-thru window before running back behind it.
		
13		Hank finally manages to pull the menu off his face. His face comes out flat, before his snout dangles down like an accordion.

		<i>Splain!</i>
		<i>Flat face</i>
		SFX: Accordion sounds when his snout dangles down.
		<i>Hank shakes his face back to normal.</i>
		Hank: Maybe say something like: “OOOHHH!! I’m gonna eat that wascawwy wabbit!!!” <i>Imitating Elmer Fudd in a way lol</i>

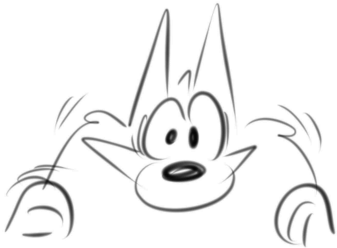

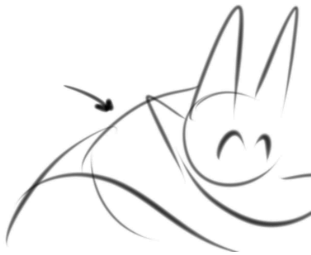

14		<i>"Hank suddenly tumbles forward. The camera turns to reveal him grabbing his butt in pain, as a cardboard car is bumping against him. Several cars are lined up behind, honking."</i> Hank: OWWW!!
15		<i>We see the car honking and bumping at Hank's behind 2-3 times</i>
16		Hey! What's the big idea!
		Huh?!
17		<i>Several cars are line up, honking at him!</i> "hurry up, you're backing up the line!" "Ya slow!"

		
18	 	Hank: What the... Welcome to Billy's! What will it be today, Mr Wolf? <3
19		Hank has lost the plot. He looks around and then tries to make sense of the situation by looking at the menu, mumbling all the while: Hank: Huh? What- Um... Oh, right! Breakfast!!!
20		<i>Like in old cartoons, Hank suddenly finds himself in the role of a customer</i> Hank: Umm, errr... What was it?! Billy: Bunny Sandwiches?

21		Hank: Right! I want one Bunny Sandwich to go with Mayo and Ketchup to drink, please!
22		Billy: You got it, Mr. Wolf! One bunny sandwich to-go coming right up! Billy then closes the windows and heads back into the kitchen.
23		<i>Billy takes off his uniform and wraps himself with mayo, ketchup and bread slices.</i> <i>No dialogue but would be nice if Billy humming a random jingles</i>
24		

	 A cartoon rabbit is shown falling over on its side. It has a surprised expression with wide eyes and an open mouth. To its left is a simple box, and to its right are two bottles and some foliage.	
	 The cartoon rabbit is now on its back, with its front paws raised near its face. It appears to be looking up or surprised. The box, bottles, and foliage remain in the same positions.	
	 The cartoon rabbit is sitting up, holding one of the bottles in its right hand and the other in its left hand. It has a happy, smiling expression.	
	 The cartoon rabbit is lying down on its side, looking towards the bottles. It has a neutral or slightly sad expression.	
	 The cartoon rabbit is sitting up, holding one of the bottles in its hands. It has a surprised or excited expression with wide eyes.	

		
		
		
25		<i>Outside, the rabbits in the car are still honking at Hank who's anxiously waiting for his order.</i>
26		Hank: (Laughing awkwardly and smiling politely at the car honking, before turning to look at the camera (drive-thru window), shaking like “Ehehehe... hurry up hurry up HURRY UP!”)

		
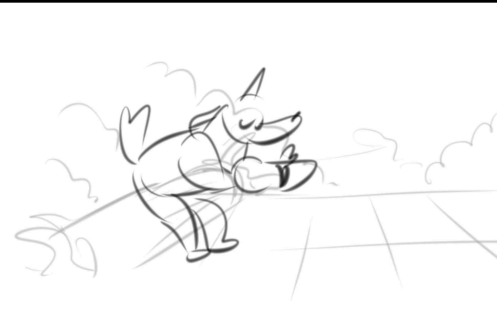

27		<i>The window opens and we see a well-packed sandwich.</i>
		SFX: Ding(?)
28		Hank sees the sandwich: GASP! (happily)
		<i>Then he grabs the sandwich out of frame</i>

29

Hank takes the sandwiches and walks away from the drive-thru set to the forest joyfully, looking for a log to sit on while he eats.

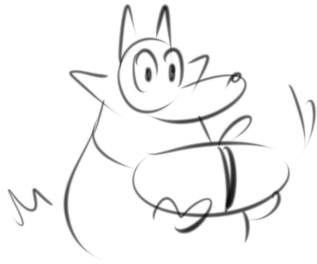

Again, maybe no dialogue but him humming or singing about eating rabbit sandwiches XD

30

Right as he sits down, Hank looks shocked for a moment: he accidentally sat down on something. He turns around to grab it – it's Fluffy, one of the 4 supporting rabbits, nomming carrots while holding a knife and fork. He wanted to eat the sandwiches with Hank.

This gag is a tribute to the movie Hot Shots (1991) where people keep sitting on a chihuahua as a running gag throughout the movie XD

[▶ HOT SHOTS! CLIP COMPILATION \(19...](#)

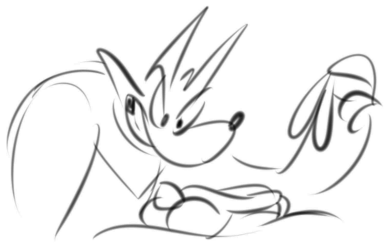

The gag is around 0:44

*Hank yeets Fluffy away and **laughs maniacally** at the package before slowly unpacking it.*

Hank: Huehuehahahahahaha!!!!

		Hank: Hnnnnnn!
		<i>Then Billy reveals himself by jumping out of the package, dressed in mayo, ketchup and bread!</i> Hank: HCK?!
31		Billy: Wheee-hee! Here's your order, Mr. Wolf...!
		Then Billy kisses Hank on the lips in an old cartoon fashion before running away!!! Billy: SMACK! Hank: UNNFD:LKFDS!!!
		Billy: ...Bunny sandwich to go!

		
		Hank looks at the camera, blushing for a moment, before he finally realizes he's been tricked!
		Hank gets frustrated and shouts “Nu, pogodi!!!” . His face turns into the wolf from that one Russian cartoon as a tribute XD 
32		Hank look at Billy from afar with anger while Billy is teasing Hank by patting his butt Hank: GRRRRRRRR

33

Hank eyes showing in the narrow aspect ratio before showing his full body

34

Hank: ***YOU WON'T BAGUETTE AWAY WITH THIS!***

The frame freezes and the camera zooms out. The image turns into a watercolor still painting like in old anime endings - or maybe this can connect to Nu Pogodi joke as well.
