

Babe? You getting ready?

Do I have to go? I just want to stay in.

Come on, We've talked about this, Full-Moon-A-Ween is pretty rare!

...and important to me!

I just want to play my game.

Hrrmm...

Garet, Can we talk?

I asked you if this was ok weeks ago.

You said "Yeah, s'fine."

If you feel awkward, left out, or you feel like you don't fit in, we can leave.

But please can you try?

I mean, it is kinda that.

But for you, I'll give it a try.

Oh! Baby! You're the best. I'm super proud of you!

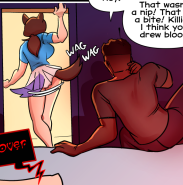

Maybe a little nip as a reward, so you feel like you fit in...

Let's go!

Ow! Hey!

That wasn't a nip! That was a bite! Killian! I think you drew blood!

Are we there yet?

Weird it's so hot out...

Soon.

It's fine.

Ok, NOW
we're
here.

Seriously,
why's it
so HOT?

I Feel
like I'm
sweating my
dick off!

Look
at that
lovely Full
moon.
