

(You are inside the supermarket. You can hear people Talk a bit, and beeps sound from other cash Register queues. You are Next in line, but the Karen in front of you is causing trouble)

(Out of patience, nearly facepalm) Madam... (Deep inhale considering what she is about to do) You are getting on my nerves. (Sounds a bit upset) You don't have any valid coupons, I can't offer you any discount, I don't care if you can get this or that cheaper somewhere else, the cash Register works perfectly fine... (Inhale, she is out of breath) So, for the last time, It Will be \$39.99. (Short pause)

(Sound angry) NO, JUST SHUT UP! There is nothing else you can complain about! Don't you see the Rest of the queue is waiting for your nonsense!? (The crowd booes her) Ugh, you know what? Come here! (She jumps in top of the Karen)

You got yourself into this! (Open mouth) (6 or 7 gulps, finish with a Big one) (Panting, but not sexy, in a tired way) (The crowd cheers as the cash Register gal recovers) (Big burp) (The burp stops the crowd from cheering for a moment. Only to come back twice as strong)

Thank youuu... Thank youuu... She was gonna end up inside someone sooner or later... Hope she is okay that someone is me~ (Tiny laugh) Ok! Let's get this queue moving people! (She moves back behind the cash Register)

Hello! (As she starts ticking your groceries) God, is it me or preys who deserve to be eaten taste even better? (Short pause) RIGHT?!? It wasn't just me! (Teasy voice) I was only a bit (Burp) faster than you~ (Laugh) I mean I mean... (She stops ticking as she continues talking) It was a Matter of time until someone got her eventually!

(Laugh) Yeah impossible to understand how she could last that long without getting eaten! Her luck~ (Sexy dramatic pause) Ran out though~ (Bellyslaps) (Laugh) (She continues ticking stuff) You should have tried some of that Karen meat, I could totally go for another~ (Burp) Excuse me (Continue talking as if It was nothing)

WHAT? Really? Two karens just for yourself? You have guts! (Laugh) I tend to avoid more than one... Although sometimes I get carried away... (She stops ticking again) how many people do you think I can fit in this bad girl~? (Bellyslap) (Short pause) NINE-(Burp)?!? That is a small crowd! Nononono... I wish! But no... (As she rubs her belly) Can you even imagine...? Nine preys, squirming, moving inside me~ Ogh that must be close to a dream...

(She continues beeping stuff) Where is your limit though? But I mean limit limit, when you can't have one more bite. (A bit surprised) Four? We are even then! You know what? I like you. Someday, we will have a food competition. Loser pays for dinner~ (Short pause) You are ON! (Short pause)

Oh, my day? Well... Bad when this (small burp) fatty appeared... But it turns out to be a good excuse to Talk with you so... I can't complain (Laugh) How is Your day going? (Short pause) You can't complain either, eh? Lets not complain together then~ (Laugh) (She finished ticking stuff)

Okay, that Will beeeee... (She writes on the cash Register) \$69.41! (Short pause) Wait I have a...! (Burp) (Like she was Interrupted by herself, covering her mouth with her hand) Oh...! (Burp) Oooff... Let me get It all out... (Bellyslapp) (Big burp) Oooooohhh~ That's better. 10% discount if you give me a good bellyrub~ My hands are busy at work~ (Short pause) Great!

Oh no, I'm gonna pay the difference, I'm truly not allowed to make a discount. But this way, we both enjoy It, don't you think~? (Laugh) Come on! I'm waiting for you! Leave those (Burp) groceries aside and get me all oiled up~

Below my arms, like that. No touchy-touchy! I said BELLY...Rub... Okay <3? I don't think I Will be able to control myself if you Cross that line... (Lick lips) We'll have plenty time for that once I beat you in that food competition~

(You start rubbing) Okay, Who is Next? (Short pause) (She sounds cute, and teased) N-No! Not to be eaten! Next in line please! (Audio starts to fade) Although, I offer meat donations~ (Malevolent laugh)

(Audio reappears. Her belly is way less noisy now, as she digested most of her meal. You keep rubbing)

(Long moan->) Oooooooohh~ Oooohh... It feels twice as good when Somebody else gives you a bellyrub... Plus... after that queue there wasn't much more work to do, we could sit here and see me get all this down~ (Satisfied sigh) (Short pause) I gotta return the favor someday, it feels amazing...

(Burp) Okay! Let's end here (She gets Up) (Writes something on a paper) Here, my number. Today I already had dinner (bellypats) , but how does tomorrow sound for a Take two~? (Short pause) Great~ I know a good place to catch some unsuspecting bunnygirls. Whoever eats more, wins. Hope you are ready to lose~ (Evil chuckle) (Finish with Licking lips)

Okay then~ I gotta close this Up for today. Tomorrow, you Will have another dose of ME~ See you tomorrow~... (Teasy) Honey~ (Audio fades away) (Small laugh)
