

This is the original image I created with Daz and Affinity Photo to illustrate Wyatt's dreams in Chapter 2. What follows will be a series of collaborations with AI as I sought to add more dream imagery to the picture.

Prompt: Make this look like a scene from a nightmare.

Prompt: Make this look like a Heironymous Bosch painting.

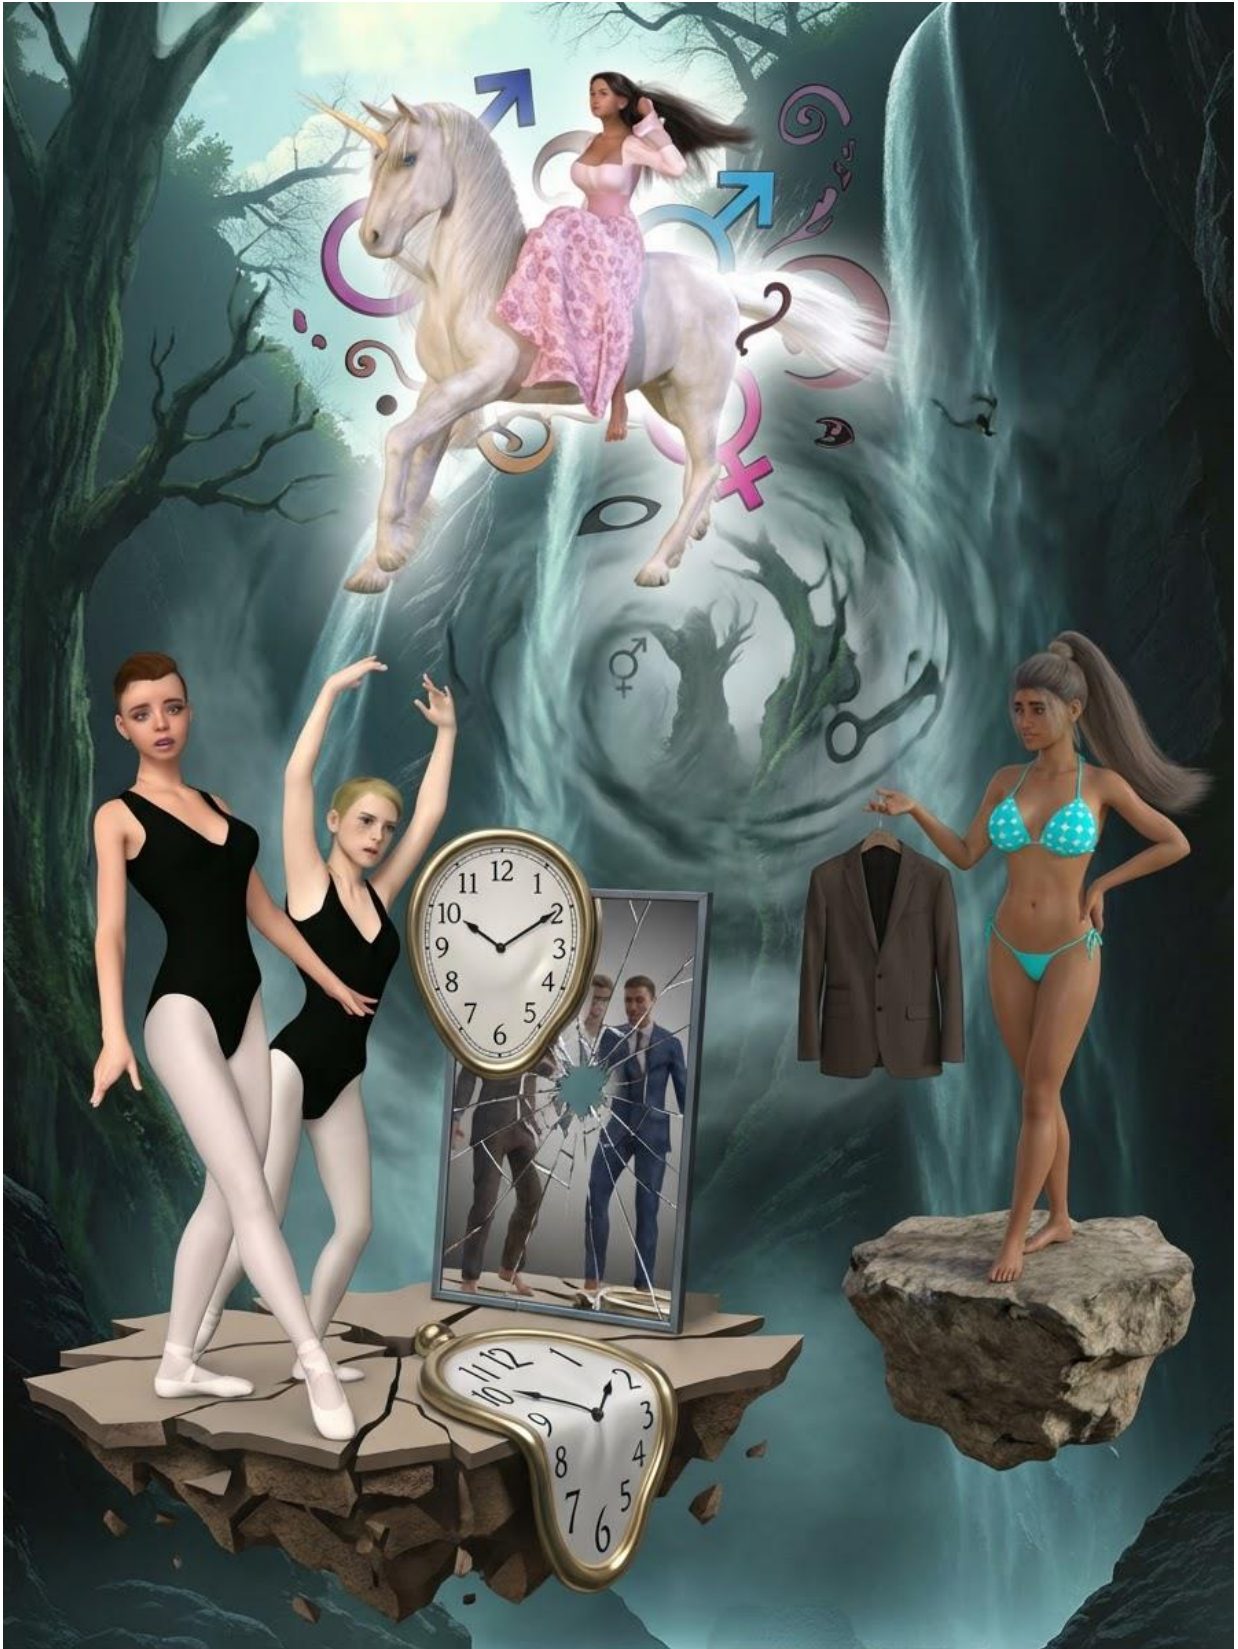

Prompt: Make this look like a scene from a dream.

Prompt: Make this look like a scene from a Freudian nightmare experienced by a girl with gender confusion. The AI got kinky.

Prompt: Make this look like a scene from a Freudian dream experienced by a boy with gender confusion.

Prompt: Make this look like a scene from a Freudian dream experienced by a boy who wants to be a girl.

Prompt: I decided to get totally creative with this one. Make this look like a dream by a lonely cat lady who loves seeing men dress up as girls.

I couldn't choose just one from the cat lady set, so here's another:

Prompt: And finally, the next few are “The Jungian dream of a poet who fantasizes about forced feminization.”
