Discreen Vision

Diana flirts with Puffy and she goes to the bathroom. Puffy is watching her through the keyhole but Fifi does not like this.

Discreen Vision

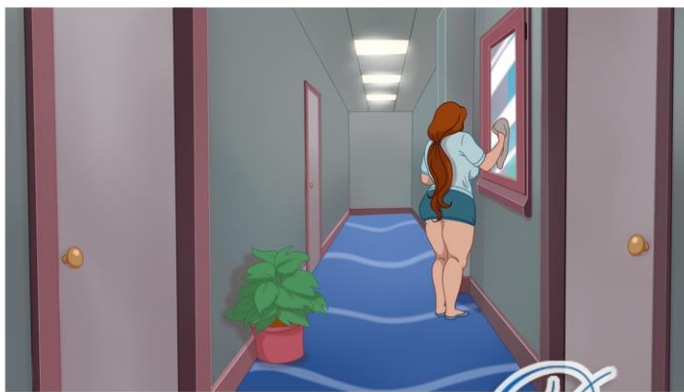

She bites Puffy with full power. I really enjoyed drawing this scene.

Discreen Vision

After I finished the scene and put it in the game I just realised I need a picture of Puffys face to show how much the bite really hurts.
It looks funny!

Debra animation in the background.
You will get some nice views of her.

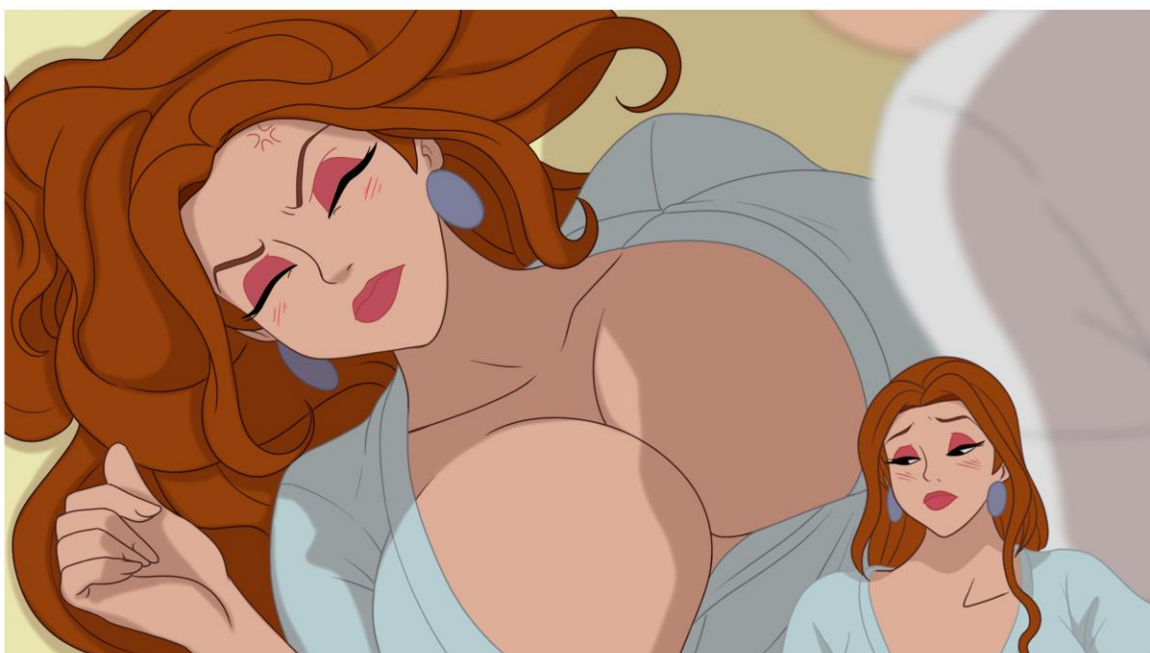

Discreen Vision

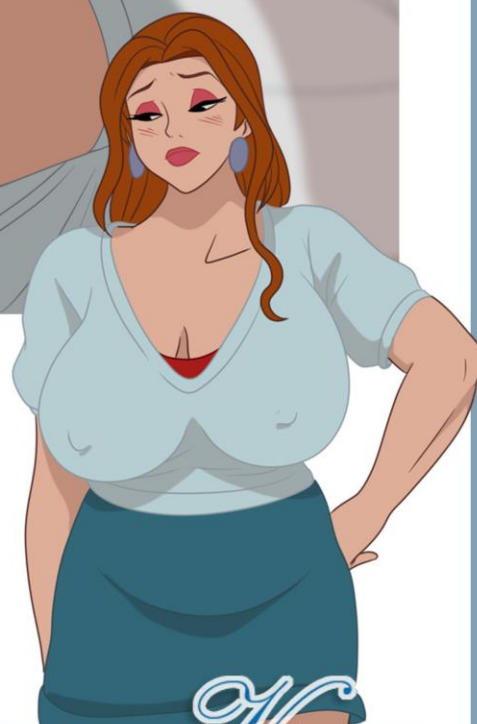

The floor is always slippery and Fred fell again. We get a nasty scene with Debra in the bathroom.

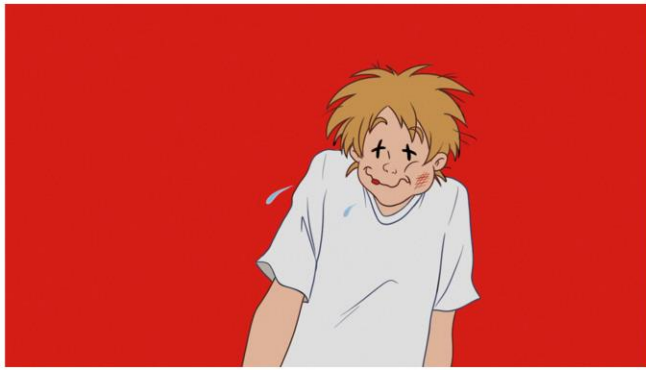

Discreen Vision

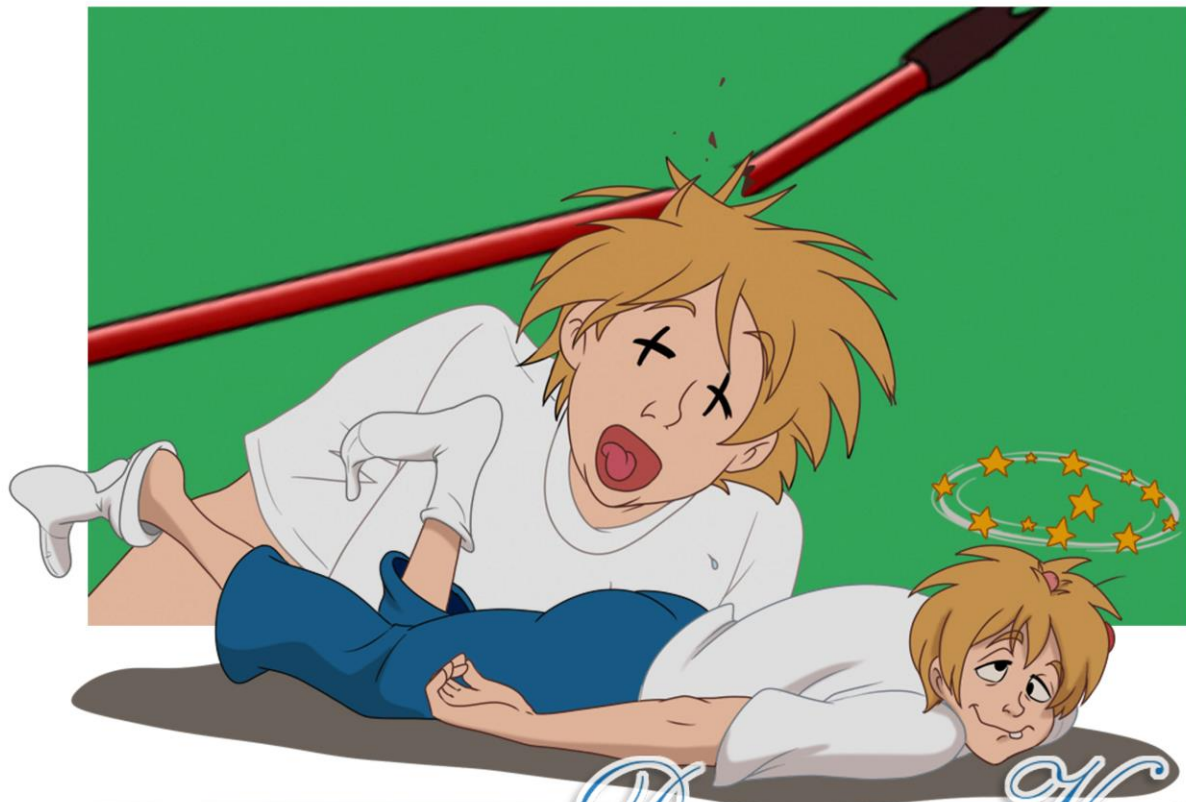

A rubbing scene begins,
but Debra can not be tricked,
she gets angry and...

Discreen Vision

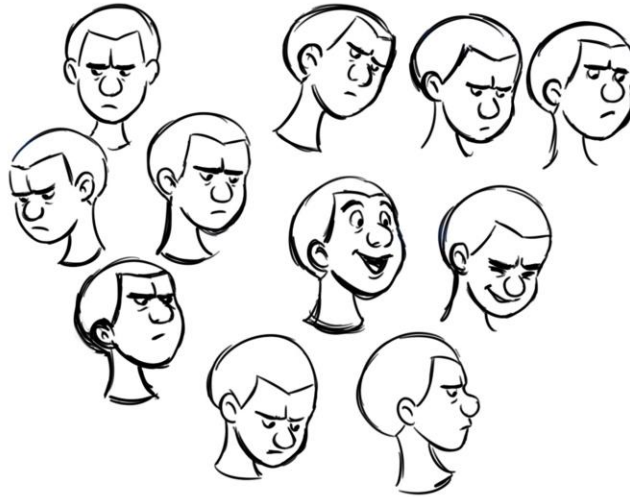

She hits Fred several times.
He falls on the floor and this
is the end of day 4.
