

Yule's Tide Inn by Tom Cartos

Background

Yule's Tide Inn is a warm, cosy tavern that always seems to appear just when you need it the most. The landlord, Yule, loves being a host. So much so that he somehow manages to run the entire establishment by himself. When staying at his inn, you feel like an honoured guest staying with a lifelong friend.

The only thing Yule loves more than running the Inn is Christmas. Decorations are up all year round, festive music is played by the band, gifts are given and received every evening, and the great Yule Log is ever burning in the centre of the long hall.

So welcoming and joyous is a stay at Yule's Inn, guests never want to leave. Despite only planning on staying for a night, you suddenly realise days if not weeks have passed and here you are still, handing out presents, singing songs and watching the great Yule Log continue to burn yet somehow never burn out.
