A comic book illustration showing a woman with dark, curly hair lying on her back on a cobblestone street. She is wearing a black dress with a colorful floral and gun pattern. A large, black, glossy monster with a long tail and sharp claws is attacking her from the left. The monster's body is highly reflective, showing highlights from the sunlight. The scene is set on a light-colored cobblestone street with a metal pole visible in the background. Two speech bubbles are present: one from the monster and one from the woman.
