

A woman with blonde hair is sitting on a bed in a meditative pose, with her hands resting on her knees. She is wearing a black top and black pants. In the foreground, two large, realistic-looking breasts are placed on a brown textured surface. A speech bubble from the woman on the left says, "You... wait, what? Your chest! Your... nipples!". A speech bubble from the woman on the right says, "Magic boobs!".

You... wait, what?

Your chest! Your... nipples!

Magic boobs!

Can I?...

Touch them? Feel free!

They're mine. I can still  
feel you groping that one

Yeah

You said... 'first of all'.  
Is there more?

A woman with dark skin is sitting on a white upholstered chair. She is wearing black leggings and has her hands resting on a round, light-colored wooden stool that is placed on her lap. The setting appears to be indoors on a wooden floor. A speech bubble is positioned above the stool.

My boobs can sorta...  
remove things

Remove things?

Schlooe

How is it...

See? Magic boobs!

I already believed you  
after you detached them

Where's your arm?

In my boob, I guess?

Feels good, doesn't it?

Yeah

It feels... comfortable.  
Like my hand was just resting on a soft,  
pillow-y breast

...and that makes sense!
