

Scene 1 - Treasure Hoarders stuffing themselves.

(Sounds of eating and drinking inside the Alcor. Sea, wind, meat, alcohol, wood crunching with waves, waves crashing)

(Normal)

"Sooo... Why are we doing this again?"

(Dominant)

(She is drinking booze) (Gulp) (Gulp) (Gulp) "Aaaaaahhhh! Because I'm fucking hungry!!" *(Bites more meat) (Gulps)*

(Bratty)

"Shut up and keep eating. Someone could discover us at any moment."

(Normal)

"But... Wasn't this food meant to last until the trip to Inazuma? They made ration plans to cater for everyone...!"

(Dominant)

"Oh? You mean theeeeeese ones?" *(As she pats her belly) (Loud burp)*

(They all Laugh except Normal)

(Bratty)

(Munching) "Screw their ration plans! We're hungry and we paid them to get us to Inazuma, we didn't agree to this rations shit!"

(Willing)

(Burp) "Aaaaaahhhh! so much meat~ Who knew that Xianling brat cooked so well?"
(As she bellypats) "The Alcor knows how to treat her crew~"

(Dominant)

"You call that a lot of meat?!? Take a look at this!!!" *(Opens mouth) (Fills mouth) (Huge Gulp)* "Mmmmaaaahhhh~ Those rations were enough to feed two!! Haha!!"

(Competitive)

"HA!!... I won't lose to your fatass this time!!!"

(Dominant)

"Ohhh you WILL!!"

(Competitive & Dominant start eating like crazy. Belly gurgles start low, but get increasingly louder as they keep eating. Background noises of gulps and burps.)

(Bratty)

(Sigh)... "Here they go again. Hey, Rookie. Get your feet away from them if you don't want to end up like those rations."

(Normal)

"Y-y-y-you Serious?!? They would eat me without noticing?!"

(Willing)

(Small, cute laugh) "They can easily swallow you while eating. Why do you think there are only 5 members in our crew? Most Treasure Hoarders crews are bigger. But our demands are... Unique. The last few rookies are still part of the crew..." *(She slaps her ass and gropes her breasts while talking)* "I have like two in ass fat, and three in my breasts." *(Small laugh)*. "That Loud ass over there has 10 AT LEAST!"

(Normal)

(In fear) "R-r-r-r... Really...?!?"

(Willing)

(Interrupts) (Before breaking into laughter) "THE LOOK ON YOUR FACE IS PRICELESS!!!"

(Bratty & Willing laugh loudly. Finish with one good final laugh sigh)

(Bratty)

(Still with a bit of laugh in her voice) "We're kidding, we're kidding... mostly..." *(Sounds normal)* "We did lose one or two that way though."

(Normal)

"You're... n-not... kidding?"

(Willing)

(Playful) "Noooooot kidding~!"

(Normal)

(Her belly growls) "Oooggghhh" *(bellyrubs)* "but just seeing them go at it, is making me hungry..."

"Here... A FEW RATIONS!!!" *(She force feeds normal)*

(Normal)

(Force fed) "Mmmmgghhhppphh...!" *(Gulp)* *(Big burp)* *(Moany, soft moaning)*
"Oooooohhhhh... much...! Betteeeeer...!" *(Soft moan)* "Oooohhh~ Fuck the Crux crew!
Give me more of that!" *(Open mouth)* *(Gulps)* *(Strong Gurgles and Groans)*

(Willing & bratty laugh after she burps. End laugh with a sigh)

(Willing)

"That's... A start... But that tummy doesn't look like it's taking it too well~ Let me show you how it's done~" *(Drinks booze and burps)* "Hhmmm... If you continue like that after a few feasts, you might turn to something I can call a snack" *(Small laugh)*.
"Or even more with so much food ahead of us~!" *(Starts drinking)*

(Bratty)

(As willing is drinking) (Suspicious) "Hhhmmm... something smells fishy. They really had to ration the food? Where the fuck is all of it coming from? Those two haven't stopped and the empty crates and barrels keep piling up."

(Willing)

"Oh? You haven't heard the rumours? They need lots, and I mean LOTS of these for Beidou. Her feasts are three days long because it takes so much for her to be sated"

(Bratty)

(Fearful) "You... You serious?"

(Dominant)

(Emphasis on. "MEAT") "Pfftt...WHAT ARE YOU SO SCARED OF?!?! IF BEIDOU SHOWS UP, SHE WILL BE JOINING ALL THIS FUCKING **MEAT!!**" *(Strong Bellyslaph) (Laugh)*
(She continues drinking and eating)

(Willing)

(Normal, not Teasy) "Don't worry, we'll be" *(burp)* "done here soon. Then we'll hide till tomorrow morning. With our bellies gone, they won't know it was us."

(Bratty)

"I REALLY" *(Small pause for emphasis)* "hope you're right."

(Normal)

(Falls on her butt - wood slam) (stuffed, full and tired, but enjoying it at the same time)
(Talking mid panting) "Oooooohhh fuuuuuck... Too... much..." *(burp)* "Oh my God..."
(She rubs her belly) "It's hard to breathe..."

(Willing)

(Chuckles) "I've seen kids eat more than you, noobie~. You still have a long way to go before I call that a properly filled belly!"

(Normal)

(Drunk) "Oh... Yeah?!?" *(Hiccup and slowly moves, sounds of effort to stand)* "Then if you can have more...!" *(Burp)* "Then...! Have this...!" *(Short pause and sounds of stuffing food)* "And this...! And... this...!"

(Bratty)

"You are still in kids league, rookie~ Any of us here could still swallow your cute little ass."

(Willing)

(Gulps the booze) *(Burp)* "Now this!" *(Bellyslap)* "Is something to be proud of." *(She gets up)* *(Stretching)* "Hmmmpphhh...!" *(End stretching)* "Aaaaahhh~ Nothing like a good stuffing to bloat and weigh me down. (Dominant)

(Interrupts) "WINNEEEEEER!!!" *(Drinks more booze)* *(Massive burp)* *(Laugh)*

(Competitive)

(Satisfied, but very full) "Fuck!! Just two..." *(Buuuuurp)* "Rations behind..."

(Normal)

(Moany, horny, full) "Aaaahhhnn... How can they eat so muuuuch?!? I barely look"
(Burp) "pregnant...!! And I'm about to burst!!"

(Dominant)

"YOU WILL NEVER COMPARE TO ME!" *(Bellyslap, Sloshes, Short pause)* *(Menacing)*
"Ooohhh~ Rookie you are lucky I'm nearly" *(Big burp)* "bursting~" *(bellyslap)* "You
would have been a niiiiiiice dessert~ What about you? You planning to have her?"

(Normal)

(At the same time) "Eeeeeeeep...! N-no wait...!"

(Bratty)

(Malicious chuckle) "Hehehehehe~ You caught me..." *(short pause)* "Just kidding,
rookie. Maybe when you have some more fat on you. If I swallowed you as you are, I
would be digesting just BONES!"

(They all Laugh except Normal)

(Competitive)

"You heard her! You better" *(burp)* "turn to a snack at least! Or win our respect and

(Competitive)

"Here! Booze goes well with that!!" *(Starts pouring in booze too)*

(Dominant)

"Hey! Halfwit! Do you see that?"

(Normal)

"Huh?... See W-what...? W-woah... The food?"

(Bratty)

(Closes mouth) (Big gulp - get mic close to throat) (Big burp) (Bellypats)
"Aaaahhhhh~..."

(Dominant)

"Now You Don't!!" *(Loud laugh)*

(They all Laugh except normal)

(Bratty)

(Proud, smug) "He he heeee~ This small ass can eat more than anybody here in one go~!!" *(As she bellypats; Proud)* "My little friend can Take it~ Eating you alongside that meat would have been easy, rookie!" *(Bratty laugh)*

(Dominant)

"Well?... Everybody here has stuffed their faces. Is that really all you're gonna eat? What about you gals?"

(Normal is quick to throw the blame on Dominant)

(Normal)

"Kyaaaaa!!!" (In fear; stuttering, short pause) "B-b-b-b... B-b-be-be-beBeidou..? S-she planned It!! I only did it because they...!" (Burp, she covers her mouth quickly. Silence. Only some gurgles and sloshes can be heard)

(Beidou)

(She walks inside the room) "All that food... Inside your putrid guts. Was meant for my crew. That people risk their lives for me and each other every single day."

(Dominant)

(Arrogant) "The famous BEIDOUUU" (Chuckle) "Now what did I say I was gonna do to her? Oh yeah!" (Short pause) (She charges at her shouting) "AAAAAAHHHH...!"

(She receives a huge, fast hit) (Record a few loud grunts, I Will choose the best for the case. Beidou quickly throws a punch that makes Dominant slam against a wood wall. However, she is still conscient)

(Dominant)

(Still being though. But she talks like she took one Big hit) (Spits out a tooth) "Ptoo...! You hit... like a girl..."

(Beidou)

(Relaxed, as she approaches her) "Why would I hit a little girl any other way?" (Grabs her by her clothes and pulls her close) (Menacing) "I won't give you the easy way out." (Licks lips) (Open mouth) [Don't say "Aaaaaahhh". More like exhaling air] "Haaaaaa~"

(7 Big gulps. 3s apart from each other. Only breathe through your nose though the swallowing sequence)

(Beidou stands up as she continues to swallow Dominant. Sound of some floor boards creaking. When she Finishes, she turns around, looking at the treasure hoarders and starts slowly walking to them)

(Beidou)

(Big burp) (Mouth exhale - Moany satisfaction sigh) "Mmmm... One~... Down~..."

(Competitive)

(Beidou slowly walks out of the room. Audio fades out)

(Audio fades in. The sea can be heard much better)

(Beidou)

“Thanks, traveller. If it wasn't for your help, I would never have known they were there. I chose you as my crewmate, as my comrade on the sea. It gives me great pride to be able to say that.” *(Short pause)* “How did you realise?” *(Short pause)* *(Small chuckle ->)* “Hmm mhm mhmm... I see. They managed to swap each guard for one of their own. I will have to change a few things onboard the Alcor.” *(Short pause)* *(Some light gurgles to show her digestion is slowly starting)* “Oh, this? I'm fine, thanks. A bit let down by this gal, though.” *(Sigh)* *(As she bellyrubs)* “Looked so tough, yet so weak... I can get something if I try, but I doubt it will be worth it. See for yourself...” *(Speaking a bit louder. To let her prey know what she is talking about)* “These treasure hoarders are pretty much bone! They came to steal food from us and barely had a bite!”

(Dominant)

(Really angry) “BEIDOUUUUUUUUU!!!!!”

(Struggles for 4-5 seconds)

(Beidou)

"That's all I can get." *(Sigh)* "Barely feel anything." *(Burp)* "Excuse me. Well, I hope with all her crew I might feel something. But... she was the biggest one, I don't have high expectations." *(Like she realised something)* "Hmmm...? Give me a second." *(A bit louder, talking with someone across the ship)* "Hey! That barrel is out of place! I know each and every one of you! And you wouldn't leave it there! Check it!"

(Crew member)

(Shouting from across the ship) "Found one, Captain! You were right!"

(Beidou)

(Shouting across the ship) "Great work! Bring her to me!" *(Sound normal)* "I swear treasure hoarders have a nut for a brain. Where are they going to flee in a ship in the middle of the sea...? Well... Easy food for me."

(Crew member)

"Here she is, Beidou."

(Competitive)

(Furious) "I'm going to blow you UP from the inside, BITCH! You are going to BEG me to leave your filthy GUTS...!"

(Beidou)

"I survived Daggers, Venom, Swords, Storms, and even Hydras... I hope you really try something new. Otherwise, you are out of luck." *(Open mouth, but no "aaahh", like exhaling air hhaaaaa, and getting mouth closer to the mic)*

(New Swallowing sequence. 6-7 gulps, mic close to throat, only breathe through nose in the sequence. If you introduce additional breathing alterations every other Gulp would be awesome)

They had Xiangling's food all over them. It's so great to have them with sauce~" *(Small laugh)* *(Short pause)* "Ooooohhh~ Xianling, you little brat~ Your food is always the best...!"

(The crew shouts in excitement)

(The crew laughs)

(*Serious*) “Come on, I know I owe you one. After all, you even let me manage the issue personally as I asked. Will you join us for the Feast? It is important to me.”
(*Short pause*) “Thanks. It will be an honour to have you at our banquet.”

(Crew member)

(Beidou)

(Slaps your hands away) (Fake coughing/clearing throat) (Burp) (Fake coughing/clearing throat) (She stutters a bit, Blushy, but Serious) "E-Excellent job. Bring them to me."

(Sigh) "That was close..." *(A bit altered)* "Listen... Don't tell anybody about this, alright?" *(Short pause)* "Thanks." *(Teasy)* "I'd hate swallowing you too as a punishment~" *(Small laugh)*

(Bellyslapp) "This is the MEAT you deserve!! Not that pitiful pile of Bones!!! I even bathed myself inside one of those barrels! I'm bigger, better and...!" *(Interrupted)*

(Beidou)

(Authoritative, but not shouting) "SILENCE. You're starting to get annoying. You are all part of the same meal."

(Willing)

(After being told to shut Up) (Excited, but extremely submissive) "Okay...!"

(Beidou)

(Sigh) "At least your face is one I'm more familiar with." *(As she bellypats)* "Fear and Desperation as you visualise your future." *(Small laugh)*... "You know what? You caught me in a good mood. I shouldn't play with my food, but I'm gonna give you a chance to earn your freedom"

(Normal)

"O... okay...?"

(Beidou)

"Come. Give me your best hit. If I'm satisfied, you all leave the Alcor untouched."

(Normal)

(Beidou)

(Burp) *(Starts with a small laugh, but escalates to a really Loud, long laugh)*

(The whole crew laughs with her)

(Final laugh sigh) *(Small laugh, echo of previous laugh)* *(With fun in her voice. Little laugh from time to time. Her belly aches from laughing so hard)* "Oh my god... I didn't

(Willing)

(She starts heavy breathing, really horny, only through mouth, after Beidou says "stuff you in there" 10s long panting/Heavy breathing) (She walks backwards, until a wood hit implies she is between the belly and the wall) (As she is excited, horny and panting) "R... R... R-really...?"

(Beidou)

"Oooohh, yesss~" (Open mouth, but only exhale Air) (She Licks all her face->) "Mhaaaaaahh~"

(Beidou)

(Low volume, but Dominant. Nearly whispering) "You won't need them where you are going~"

(Another swallowing sequence) (Exhaling air:) Hhaaahh. (5 gulps, 2s apart, breath nose yada yada. Some light moans as you go ->Mmmhh (you have your mouth full). (Beidou stops swallowing the moment willing thighs enter her mouth. Just add 10-15s of heavy breathing through nose, and occasional soft moans)

(Willing)

(Bratty)

"You...! MONSTER....!"

(Beidou)

"Yeah, I get that a lot." *(Authoritative, but not menacing.)* "In your next life, do not ever mess with my crew. They were eager to accept rations, and get your tiny asses as soon as possible to Inazuma. And you spit in their faces. I just did the same you did to their rations, why am I the monster?" *(Tiny dominant laugh)*

(Bratty)

"We were fucking hungry!! We didn't agree on that ration stuff and...!" *(interrupted)*

(Beidou)

(Tired of listening to her) (Sigh) "Shut up. This is going nowhere. Traveller, I usually leave the best for the end. But this gal doesn't even compare to my previous prey. What do we do with her?" *(Short pause)(Tiny chuckle->)* "Hmph... Get her to the feast, stuff her, and gulp down later? Okay." *(Short pause)* "Only if you feed her to me though." *(A bit flirty)* "We still have to continue where we left off before~"

(Bratty)

"I'm just being used for you to flirt...!?!?"

(Relaxed, before breaking to laugh ->) "Pretty much" *(Start with a small laugh, then develop to a long, loud one)* "Hm hm hm...! HAHAAHAHAHAHA HAAA!" *(Slam on wood)* "LETS FEAST!!"

(Crowd Cheers)

Scene 4: Feast scene and fifth prey

(Audio fades out. It fades in mid-feast. There is music, night ambience, lots of food sounds)

(Beidou is eating like crazy, as bratty is watching in fear with her jaw dropped)

(Beidou)

(For Beidou eating sounds, just tiny "open mouth" sounds like before. Then some closed mouth munching, gulp and repeat (Open mouth, munching, gulp). Every one of these cycles I will call it "eat")) (Eat) "Hhhhhhaahh~ Xianling... You'd have me in your bed if you wanted...!" (Eat, with longer munching) (Burp) (Eat, with longer munching)

(Bratty)

(As Beidou is eating) "B...? B-b-b-b-b...? But did she forget she ate four massively bloated pirates?!?!? And three times their weight in food...!!! They are still squirming!!! She is piling all that on top of them...! This must be a joke..."

(Gulp) "Ooohhh~~ That is so fucking delicious...! But it is coming on top of all I had before...!" (Panting) (Traveller throws in more) "Hhhggghhhmmpphhh....!" (Gulp) (Burp) (BIT of pain in her voice. Still closer to a moan) "Oooooooooohhhhhh..." (Blushy, defeated) "S... Stop...! Beidou will get a skinny fuck If I throw up... Aaaahhmm~~... So... Tight...!"

(A crewmate in the background)

"Hey! The little brat can eat! She almost looks like a stuffed pig!"

(Bratty)

"Pig...?!? This is a cow AT LEAS-!!!" *(Burp)(Some anger in her voice)* "Oooooooooohhhh... D-d-d-d-d... d-don't...! Laugh...!"

(The crew laughs)

(Beidou)

(Chugging booze: 4-5 s) "Ahhhhhh" *(Drunk, but does not affect her Voice excessively)*
"Oh, Traveller~ You got work to do~" *(short pause)* "Get her ass over here. If I continue like this, the crew won't even have bread crumbs~!" *(She laughs loudly, followed by her crew)*

(Bratty)

(Traveller lifts both Bratty and her big gut, startling her) "Whaaaaaa...?" *(Big burp)*
"Shit... Traveller is sure s... something else..." *(Sigh)* "Our crew, defeated and digested by one single pirate.... Hope you have the worst of indigestions, lardass!!" *(Tsunidere bit->)* "Hmph!!"

(Beidou)

"Enjoy your trip, little girl~!" *(Swallowing scene. Open mouth and leave it open for traveller to throw Bratty in. 8 big gulps, breath only through mouth, with some heavy moans here and there as you swallow)(Final gulp)(Massive burp)*

(Crewmates cheer as she swallows, one massive cheer as Beidou burps)

(Beidou)

(Satisfied sigh) "Aaaaaaaaahhhhhhh~" *(Short pause) (Teasy)* "Five~" *(Lick finger)*
"Down~" *(Lick finger)* "Oooohhh Its so great to have a feast after thinking I'd have to put up with rations...! CRUX CREW! YOUR TURN! I don't want to see a single shred of beef anywhere!!"

(Crewmates cheer again)

(Beidou)

“Traveller. I must thank you in-” (*burp*) “private. Help me get this gut upstairs~~”

(Massive wood cracks as it is being lifted. Sloshes and gurgles. Audio starts to fade)

Scene 5: Horny Talk, Digestion, Sincere Thank You

(It's still night. No birds, no more music, only the two of you, and Tiny waves hitting the ship and some other cricket)

(Audio fades in. Beidou is finishing chugging the last booze barrel from the ship. Her voice sounds only a little drunk. She is on that perfect fuzzy point. Her voice sounds warm, but with Tiny accents of horny)

(Beidou)

(Drinking) (One final Big gulp) (Slow, calm, enjoying) "Aaaaahhhh~" (Inhale deeply through the nose, exhale through the mouth in "o" shape, similar to a sigh->)

"Fuuuuuu... That's all the food from the ship." (Tiny bellypats) (Big burp) "Ooohh~" (As she Pants. Not very fast, not very slow. Mix between tired, and horny) "The crew is gonna wake up to a huge surprise, when they Discover this Feast has ended in just one day" (Small laugh). "They should have finished as I said~"

(Short pause. Relaxed) "I'm surprised, traveller. You are not only bold enough to test your endurance feeding me, but you also lasted longer than food did~" (Teasy)

"Exhausted~?" (Small chuckle) (short pause) (Talking while laughing a bit) "Yeah, my appetite wasn't gonna falter." (Stop laughing)

"Who knew the rations and booze would run out before I could win our little" (Burp)

"contest~ Next time, we'll duel in Liyue. With a limitless supply, I Will Crush you, traveller~" (Small laugh) (Return to normal)

(Inspire deeply through nose) "Aaaaahhhh~. Now there is only you and me. Everything else is taken care of." (Bellypats).

"I had so much fun today. With those brutes struggling, the Feast gurgling and the crew cheering, I was laughing every so often. This Will Take days on end to go down, but I'm more than willing to pay the price~" (Small pause, Small laugh). "I thought you'd never ask, traveller. Yes, I do want a bellyrub to get aaaaall this down~"

(Through the paragraph. Beidou gets progressively more horny. By the start she talks normally, but by the end her breathing is heavy, sexy and altered, really enjoying. Any addition out the script to contribute to this Will be highly appreciated, like sighs, well placed soft moans or pantings)

(Traveller starts bellyrubbing) (Satisfaction) "Aaaaahhhh~ It's so tight I can feel your hands perfectly. Pretty impressive, right~? Between those goons, the booze and the...

mmh~... weekly... rationing for the whole crew, the numbers do add up~”
(*Bellypats*). “I should have given myself...” (*Panting*) “more time to... judge their character. First impressions are usually more than mmhhhaaahh~... M-more than enough for me, but... I must confess they... they enraged me.” (*Low, talking for her*)
“~Oohh my god~” (*Talking normally. Temperature is Rising. Include more heavy panting in between the lines, rather one long panting in between lines. Use saliva gulps, sigh moans, pauses and breathing through your mouth to emphasise as well*)
“All... All the food they were consuming was provided by my Crew, for me. I don't care if... if you mess with my food. But don't mess with... with... with my crew or their efforts.”

(*Continue progressively more charged~ Sighs, moans, pantings~*) (*Gurgling gets as Loud as ever*) “Oh, my. I'm sweating like a fish out of- Mmmmmhhhhhh~ M...My whole body is tingling... Wha...? What was I saying...? Aaaaahhhhaaaahhh~” (*Slight Moany voice*) “Don't Matter, Keep that Up...!” (*Heavy panting, a bit faster. Like mid sex*)
“Tr-Traveller...!” (*Heavy moaning. Exactly like a sex scene. Add a burp somewhere, if you can't Leave a space to let me edit It in*). After a while, reach the first climax. The idea is to have some moans as willing talks)

(Sounds of very loud and frequent churns, gurgles and sloshes. Beidou's digestion is quickly climbing to full force now.)

(Willing)

(*She is extremely horny and excited. Melted pleasure voice tone all throughout*)
(*Loud Gasp*) (*Loud moan*) “I'm so tight!!!” (*Loud, long panting*) “BEIDOU YOU MONSTER...! I CAN'T BREATHE WITHOUT...!” (*Loud moan*) “EATING FIVE TONS OF FOOD...!” (*Loud moan*) “THERE IS ENOUGH TO...!” (*Moan*) “FEED A CITY...!!
Hhhhaaahhn eat more!!! Digest me!! CHURN me!! Add me to those curves...!!!” (*Loud moan*) (*Long, Loud, fast panting*) “IT'S SO LOUD...! I LOVE IT!!” (*Panting*) (*Long moaning sequence, as if she was masturbating*)

(Beidou)

(*Mid really heavy panting, like in sex scene*) “Oh god you...!” (*Heavy panting*) (*Loud moaning*) “F-fuck she knows how to move...!” (*Panting*) “The rubbing...! The squirming...! Mhhhaaa~...!!!” (*Heavy panting*) (*Massive burp*) (*Loud moan*) (*Bellypat: she lays on her gut*) “My...! Gooooood...!” (*Long moaning sequence*) “Continue...! More...! More!” (*Long moaning & panting*) “It's getting out of my hand...!” (*Moan sequence ending in climax*)(*Panting*) “My Turn...! You!! Go...!! Deeper!!” (*Gut squash. She sends*

willing inside the mass of food) (Big burp) (Satisfied sigh) "Aaaaahhhh~" (Sexy, dominant) "Traveller~" (Licks lips slowly ->) "Mmmmmhhh~ I'm craving dessert~"

(Willing)

(More moaning and panting) "Hhhhhhhaaaaaaaaaaaaaahhnn~~!!" (Her voice disappears in the middle of Beidou's gurgles)

(Traveller steps forward. She meets Beidou's lips)

(Beidou)

(Her voice sounds horny and sultry, and out of breath. But don't overreact. She is still on control)

(3 Deep kisses) "Hhaaaahhnn... You kept me waiting for so long~" (2 Deep kisses) (Puts her hand on Traveller's cheek) "Moore~ I'm not Satisfied yet~" (Deep kiss) (One final, really Deep and passionate kiss) (Heavy panting. Sexy, medium-slow panting) (Licks lips slowly) (Slow, sexy, sultry) "Thanks for..." (burp) "the meal~..." (Short pause)

"Oooooohhh... My gut is getting too..." (Gulp saliva) (Small, fast panting) "... HOT...! It's... full gear already...!" (ulp -> when you have a burp but you keep It in your mouth) (Big burp) (She burps up all the pirate's clothes) "Aaaahhhmmm~~" (Heavy panting) "Their...? Clothes...?" (Panting) (As she bellypats) (Out of breath, but melting pleasure) "Little friend... work slower...! I'm trying to...!" (Burp)(Out of breath) "Enjoy this...! Oooohh~ Head feels... Light...!" (Small laugh, but finish with a pained moan) "Too much... even for me...?" (Massive burp) "Oohh~... No... Too much... too... F..." (she fades out->) "faaaaast..." (Tiny wood hit. She Falls asleep. Only breathe through the mouth. Realistic, don't overreact) (Audio fades out)

(Her voice is heartwarming and relaxed. Sound like a caring, bit sultry waifu, basically) (Audio fades in) (Now seagulls can be heard. The massive gut of Beidou is gone, leaving behind a food baby sized belly) "Hhmm...? Traveller, you are finally awake." (Yes, Skyrim reference) "Come, it's dawning." (As the traveller moves to her side) (Tiny chuckle) "Sleep has done you good. Hope I served for a good cushion~" (Traveller sits at her side)

"Don't worry, it's not the first time a crewmate has slept laying on me." (Short pause) (Still heartwarming) "My eyes are up here, traveller." (Chuckle) "Don't worry, you can stare at them all you want. I'm surprised that is the first thing you noticed though. Don't feel like anything is missing~?" (Bellypats) (Loud facepalm) (Sincere, Loud heartwarming laugh) "It took a while for me to notice It too. Especially with these in

the way~" *(She bounces her boobs a little)*. "I'm definitely gonna need a new outfit before heading back to Liyue" *(Small laugh)*. "Digestion hasn't even finished yet. Looks like a food baby, right? I can't... Fully see it" *(Small laugh)*.

"Yeah, these grew too" *(2 Lap slaps)*. "So many gals... Had to end up somewhere~ Want to try them out? Rest your head on my thighs." *(Playful)* "Come on, don't be shy. It will be my first thank you. There are plenty more coming~" *(Traveller lays on her Lap. She rubs your hair. Her belly gurgles sound really close, almost with no muffling, since your ear is Next to her belly)*

(Ask a voice actress to record one minute of slow hair rubbing. That is really hard to come across)

"Hope my gurgles don't bother you. My belly is quite soft, you can rest on it if you want. Right now, it's like a burp button." *(Tiny meat squish) (Burp) (Tiny, mommy laugh)*.

(Satisfaction sigh ->) "Aaaahhh~ Traveller, I must thank you for everything you did for my crew and me. If those bastards had gotten away, I wouldn't have been able to look at myself in the mirror, nor would I have been able to look at my crew." *(Small pause)(Small laugh)* "Yeah, I will handle their complaints once they notice all the food disappeared over night~"

(Traveller Bellyslaps her) (Burp) (Tiny starting laugh. She talks as her Tiny laugh/giggle continues. Exactly like when you try to Talk after laughing too much, but not as exaggerated. The "what" is rhetoric. Like when Somebody slams you with his elbow below the table) "Whaaat~? Their only clue are my new assets! After I digested a whole crew, I've gotten bigger! Big surprise!" *(Small laugh)* "The belly I had at the Feast has nothing to do with the belly I had before sleeping, though~" *(Lick lips)* "Mmm.. But they don't know that. And you won't tell them. You are mighty, but I've swallowed mightier~" *(Small laugh)(Small pause)* "I'm joking, I'm joking. But please don't tell them. They would tease me with that guilty pleasure for ages."

"Hhhmmm? You think all those rumours about me are fake?" *(Small chuckle) (A bit Blushy)* "I'm Aggressive only when need be...? And... Nobody Who knows me has anything bad to say...?" *(Nose Air exhale as she smiles. Return to her normal voice)* "I owe you too much already, traveller. There is no way I can fully repay you before we reach Inazuma. I hate leaving you knowing that. But... I Hope you give me the chance to return the favour in the future."

"Well... What are your Next steps?" *(Short pause)*

"I see... I have many brothers that sail with me. I have asked, and remember, why each and every one of them came on board. You, however, are special. I know you still have your own things to deal with, and as such, I won't try to rope you into coming onboard permanently. But remember, there is always a place for you onboard The Alcor. And myself <3" *(Burp)* *(Small chuckle)*

(Small pause) "You should get some Rest now. I'm fully aware you are not at your 100%, and you'll need it once we reach Inazuma." *(Short pause)* "Don't worry traveller, my lap is all yours, sleep as much as you want. Thanks again for everything."
