WHERE ARE YOU!

# Amaz2k12 - Bimbobooby Doo

Hi,  
I'm Velma  
from Mystery Inc. Fred,  
Daphne, Shaggy, Scooby, and  
I are off to Banggy, Maine, to  
investigate a strange case  
involving an old  
19th-century  
mansion.

The mansion  
has been abandoned for  
decades, but its history goes  
back to the 1860s. Our client  
plans to clear the area, tear  
it down, and build  
something new...

...but his  
workers keep  
disappearing, and rumors  
of a curse and ghostly  
residents have been  
swirling.

Some claim  
it was once a brothel,  
where the owner supposedly  
created a way to turn women  
into mindless objects of desire...  
or short: Bimbos. Sounds  
like nonsense  
to me...

...but we'll  
find out soon. Welcome  
to Bimbobooby Doo -  
Where Are You

# Amaz2k12 - Bimbobooby Doo

The gang debates while en route to the eerie mansion...

**Daphne**

Velma, seriously?  
Another Reel on Insta? I  
thought that place was just for  
beauty influencers showing people  
how to do their makeup - like we  
wouldn't already  
know how!

But yeah,  
those tutorials are  
kinda cute.

**Velma**

Daph, I've  
got a big fanbase,  
and there's nothing wrong  
with sharing what I like. And  
for the record, Insta is for  
everyone to post their stuff...  
just like your cat videos  
with those little  
purple bows.

It's all  
about perspective,  
Daph.

**Scooby**

Rehehe!  
I like Daphne's cat  
videos! But... my nose always  
hurts when I chase the cats  
and... r-run into  
the r-wall!

Yeah,  
awesome spot! Perfect  
place to test my newest  
trap... wait, runes?  
What runes?

Wow,  
almost as  
impressive as my  
parents' house... but what  
are those strange  
runes on the  
pillars?

Uh, I don't  
see any runes...  
but can we go inside  
already? It's super creepy  
out here, and I'm starving!  
What do you think,  
Scoob? Kitchen  
first?

Ryeah!  
Scooby-Dooby-Do!!!!!!  
Let's r-go find some  
r-snacks!

Jinkies...  
it looks like only  
Daphne and I can  
see them.

# Amaz2k12 - Bimbodooby Doo

And so begins the latest adventure of Mystery Inc., in a lonely, abandoned mansion...

...completely unaware that they are being watched by a shadow lurking in the foggy distance...

...and that this night will change all of their fates forever! Bimbobooby Doo, where are YOU?

# Amaz2k12 - Bimbodooby Doo

The gang arrives at the mansion and prepares for their investigation...

Alright, gang.  
The building is huge,  
and while we don't expect  
any real danger, it is old  
and probably in bad  
shape. Safety first.

Man,  
this place is super  
creepy... I'm gonna need  
a huge tuna sandwich  
first. Scooby?

Reah!  
Me too,  
Shaggy!

Keep an  
eye out for any  
clues, and if you find  
something, use your  
walkie-talkies. Then  
we'll regroup.

Let's split up.

Remember,  
guys - ghosts aren't  
real. So no running away  
from people in bad  
costumes, okay?

# Amaz2k12 - Bimbodooby Doo

Not far from the gang, a shadowy figure watches from the darkness...

So, this is  
Mystery Inc.? Just  
a bunch of meddling  
teens.

This'll  
be easy. Scare  
them off, derail the  
deal... then my client  
can snap up the  
property.

And after  
that, I'm gone.  
This place gives  
me the chills...

But the shadows aren't just watching -  
they're reaching for him...

... like  
it's watching  
me.

What  
the ...

The mansion has its own plans... and  
Jason is only the beginning.

# Amaz2k12 - Bimbodooby Doo

The phantom's grasp, though invisible, is inescapable. Jason, sent to scare off the gang, finds himself paralyzed by the icy hold. Every moment leaves him weaker, as if his very masculinity is being drained away...

This  
can't be  
real...

THESE ARE...  
BREASTS?! The  
rumors... they're  
true!

Dear  
God... what's happening  
to me?

My  
body... it  
feels like  
it's...

Mmmh...  
oh no...  
Ohhh!

This heat...  
between my legs...  
it's growing...  
spreading...

The mansion's curse doesn't ask—it takes, reshaping those who dare trespass...

# Amaz2k12 - Bimbodooby Doo

But when Velma arrives at the spot where Jason's feminization and the ghostly hands should have been... there's nothing. Not a single trace.

Where is she? Could I have imagined it?

No... something isn't adding up.

But for now, let's see what Shaggy and Scooby are up to...

# Amaz2k12 - Bimbodooby Doo

Shaggy and his best pal, Scooby-Doo, roam the dimly lit halls of the mansion, their mission clear: find something edible. Anything edible.

Zoinks, Scoob, this place is giving me the creeps. My chill is officially killed.

Reah, Scoob needs snacks... and... rmmm... clues!

I just wanna make a monster sandwich... maybe even find a clue for Velma. Seriously, why'd she run off solo? Doesn't she know we're better as a team?

Unbeknownst to them, a ghostly phantom drifts silently behind, its skeletal claws reaching for Scooby...

But just as the phantom's claws nearly graze Scooby's fur, the pair stumbles into their ultimate jackpot - the kitchen!

Aw, yeah! What do we have here? There's gotta be some goodies!

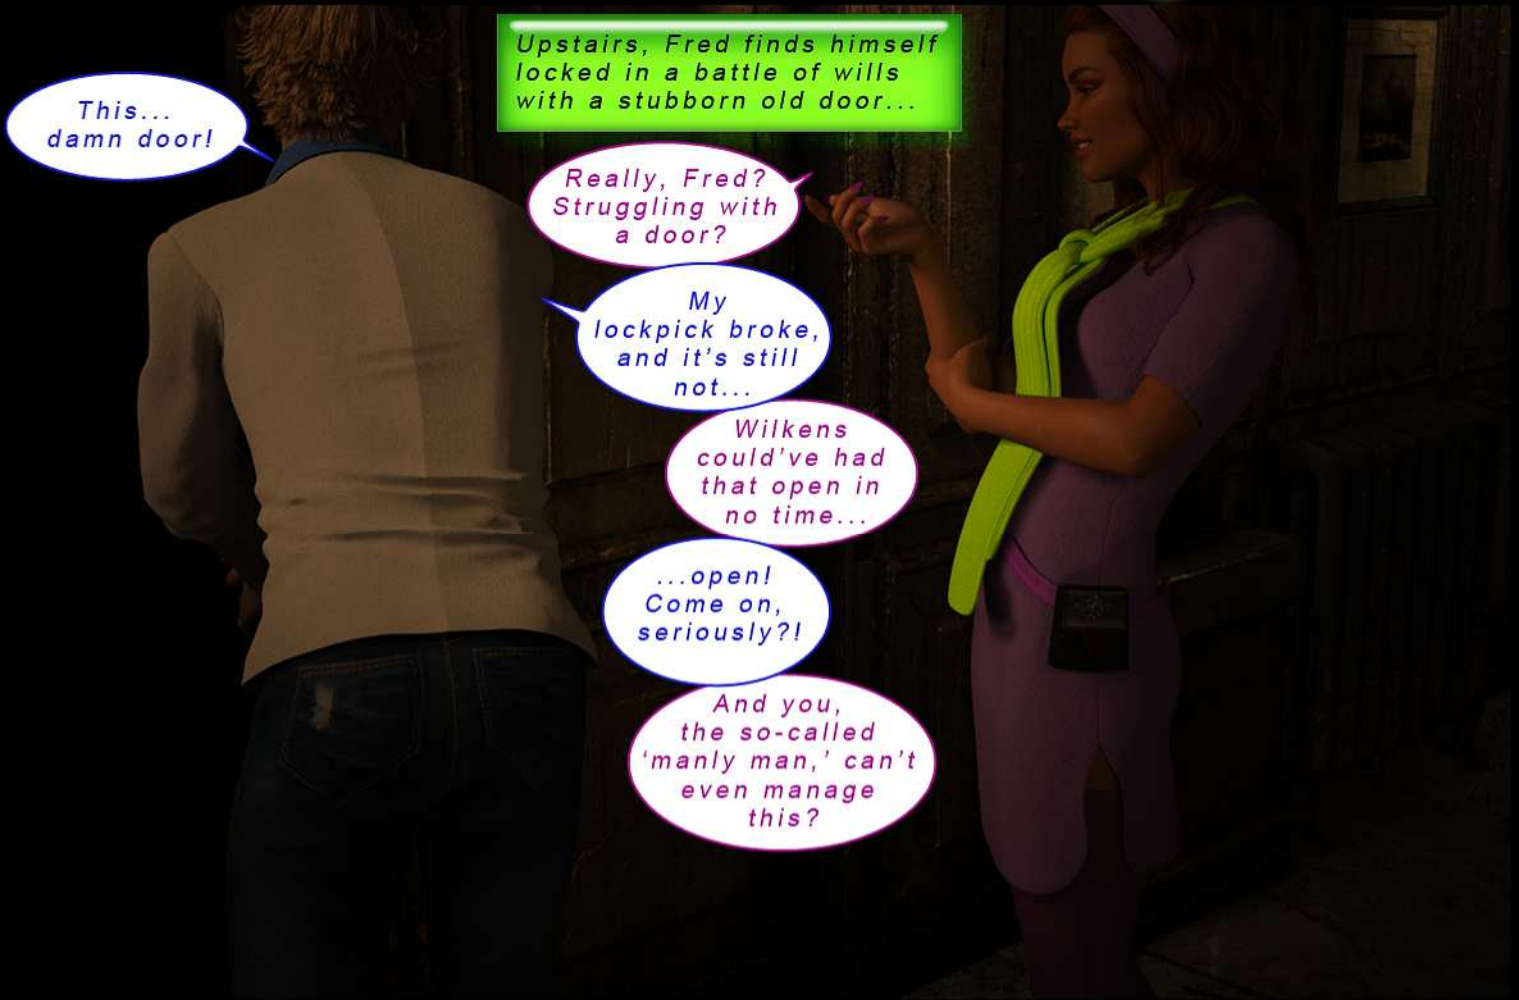

Rhe kitchen!

Yummy yummy! Scooby-Dooby-Dooooo!

For now, let's leave them to their culinary escapades and see what Fred and Daphne are up to.

# Amaz2k12 - Bimbodooby Doo

The phantom's grasp works its twisted magic...

Fred,  
I need you... I  
need to feel  
you!

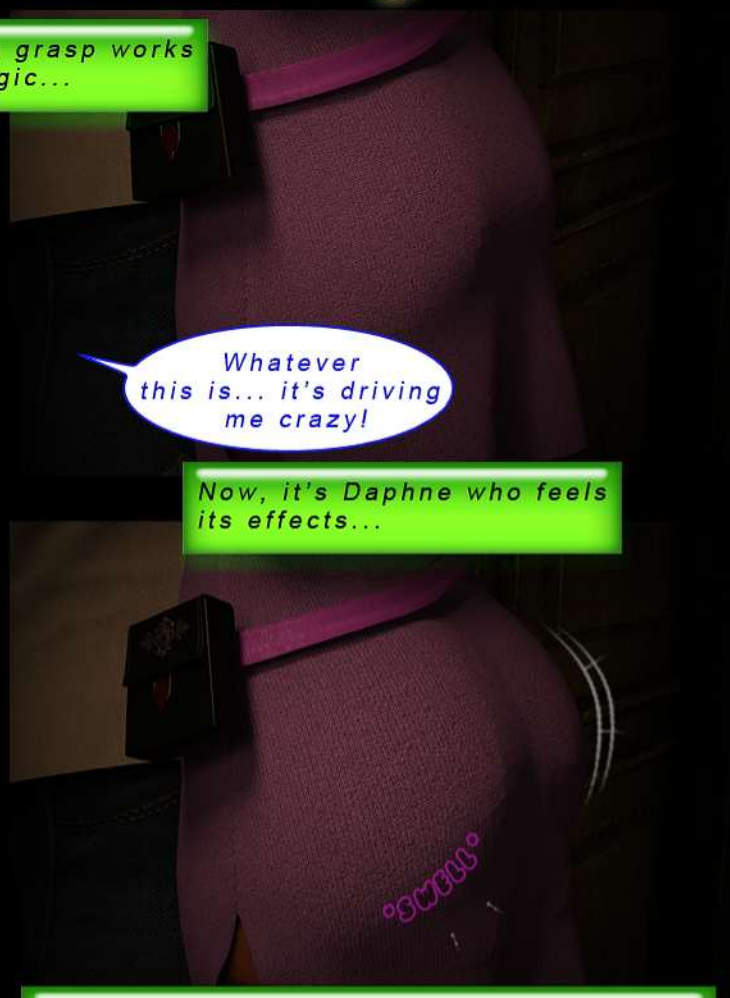

Right  
here, right  
now!

Daphne?!  
We swore we'd  
never...

... as her petite frame begins to change.

Oh  
my God...

Whatever  
this is... it's driving  
me crazy!

Now, it's Daphne who feels  
its effects...

... Her delicate hips swell, her small breasts  
grow fuller...

I  
can't fight  
it, Daph!

...what's  
happening to  
me?!

Don't  
stop, Freddy...  
please!

Take  
your clothes  
off!

... and streaks of blonde appear in her  
fiery red hair.

# Amaz2k12 - Bimbodooby Doo

unbeknownst to them, they are far from alone...

...and the room vibrates with an almost palpable, overwhelming sexual energy.

The phantom harnesses and magnifies this desire...

...rapidly intensifying their physical and mental transformation into bimbos.

Take me,  
Freddy... it's all  
for you...

God...  
Daphne...

As Daphne's transformation reaches its peak, she becomes the embodiment of desire - her body and mind now shaped by the phantom's influence.

# Amaz2k12 - Bimbodooby Doo

# Amaz2k12 - Bimbodooby Doo

Your strength will crumble...

???

Freddy?!  
What's, like, totally going on? I can't, like, feel you anymore!

Ohhh pooh, that's soooo unfair... why is this happening?!

... your will undone...

The phantom's grip pierces deeper into Fred's soul, twisting his very essence... every moment reshaping his body and unraveling his identity..

... SHE shall rise in your place!

# Amaz2k12 - Bimbodooby Doo

Unsatisfied, Daphne gets off Freddy - but the reason she couldn't feel him anymore is now painfully obvious...

ugh,  
that was, like,  
sooo disappointing,  
Freddy-poo!

Maybe I'll  
just find someone  
who can actually  
handle me -

ohhh  
my gosh  
a rootie!

Daphne,  
what's gotten  
into you?

Freddy!  
Your... your...

What are  
you talking about?  
I feel...

BIG, STRONG  
... caww is... like,  
sooo tiny?!

OH MY  
GOD!

# Amaz2k12 - Bimbodooby Doo

Fred's transformation is complete - she's now fully female and ready to face her destiny.

Will she embrace the role of a cock-hungry bimbo, her mind clouded with lust?

# Amaz2k12 - Bimbodooby Doo

As the two women indulge in their heated passion...

... Fran's once-flat backside begins to transform, swelling inch by inch, each moment adding luscious curves to her frame.

... Her hips widen subtly, accentuating the perfect bubble shape that emerges, firm and impossibly round.

... All focus draws to the growing masterpiece of her body - a voluptuous, envy-inducing ass that defies gravity while still preserving that enticing thigh gap.

# Amaz2k12 - Bimbodooby Doo

Daphne, a confident and experienced woman, knows exactly what a girl wants.

But for Freddy - now Fran - this is her first taste of femininity. With every gentle touch, the transformation accelerates, pulling her deeper into bimbification...

# Amaz2k12 - Bimbodooby Doo

Oh-em-gee,

That's, like, the best

hehehe

# Amaz2k12 - Bimbodooby Doo

Meanwhile, in another part of the old, abandoned house... a place seemingly empty, save for a phantom and a couple of bimbos... Shaggy and Scooby have found their holy grail... the kitchen!

A 3D rendered scene of a dark, abandoned kitchen. Shaggy is in the foreground, seen from behind, wearing a black t-shirt and pants, with his hands behind his head. Scooby is sitting on the right, looking towards Shaggy. The kitchen has wooden cabinets, a tiled floor, and a sink area. A ghostly figure is visible in the background, floating near the ceiling.

Zoinks,  
Scoob... this place  
is totally creepy...

But maybe  
we'll find some  
food here or  
something?

What's  
your nose picking  
up, buddy?

Ruhh, yeah...  
creeeeepy...

...but  
\*sniff sniff\*  
smells soooo  
good, Raggy!

Shaggy...  
sha... behind you!  
Over there, over  
there...

A woman...  
in a jug...  
with horns!

No,  
no, I'm serious!  
She was really  
there!

# Amaz2k12 - Bimbodooby Doo

Meanwhile, as Shaggy rummages through the fridge...

Like, y'know, Scoob, while the others are off nerding out in some dusty library...

A girly ass... yours shall be...

I'd say we've got the best plan, man.

'Cause, like, the kitchen always has something tasty!

A girl, from neck to toe, you will become...

His once flat, masculine backside slowly starts to round out...

Worthy, you soon shall be... hehehe...

What do ya say, old buddy?

Filling out, softening, wobbling - his pants struggling to keep it all in place...

# Amaz2k12 - Bimbodooby Doo

The strange force that had already altered Fred and Daphne now begins to take hold of Shaggy...

Like...  
whoa, man! My pants  
are, like, super tight  
now...

Until - RIP! The seams begin to pop,  
unable to contain his growing, girly  
curves...

\*STRETCH\*

And,  
uh... my shirt's,  
like, way too big...  
Maybe I need a  
new one?

Hey, Scoob,  
whaddya think? Should we  
go shopping tomorrow? Maybe  
Daphne can help me pick  
something **cute**... or,  
like, **comfy**?

**Cute or  
comfy? Zoinks! Noooo  
way. man! I sound like  
my mum?!**

A thigh gap starts to form, while Shaggy's masculinity  
shrinks away, little by little...

# Amaz2k12 - Bimbodooby Doo

Something feels... off. As Shaggy calls for Scooby, he finally starts noticing the changes...

Uh...  
Scoob? Buddy? Where'd  
ya go?

like.  
why do my pants  
feel so tight all  
of a sudden?

His chest tingles,  
a soft pressure building  
under his shirt... like  
something is growing.

And my  
shirt - did it get  
bigger, or did I...  
shrink?

His hips feel heavier,  
wider - his pants barely  
hanging on.

Zoinks!  
My hips feel... weird!  
And my chest...  
huh?!

# Amaz2k12 - Bimbodooby Doo

Just moments ago, Scooby-Doo stood right here... but now, he's gone.

No way, man! Scoob? Buddy?!

Like, you wouldn't just ditch me, right?

Something super weird is going on - Scoob?!

I dunno, man, but this kitchen feels, like... way too empty!

Scooby-Doo? Where are you?!

Let's rewind five minutes... back when Shaggy still had a dude's setup in his pants...

Scooby's super-sniffer picked up an interesting scent... but there was no food - just an empty cake stand on the floor.

With a soft "click," the trapdoor sealed shut, leaving the cake stand right where it was... like nothing ever happened.

It's magic, baby!

Shaggyyyyyy!

\*WHOOOSH\*

Curious, he gave it a sniff... and WHOOSH - the ground beneath him vanished!

\*click\*

# Amaz2k12 - Bimbodooby Doo

Deep beneath the kitchen... in an old-fashioned cellar with its own eerie well...

Scooby-Doo...  
Scooby-Doo...  
Scooby-Doo...

Scooby-Doo groggily picks himself up from the dust-covered floor...

Ugh...  
what a fall...  
where'd the floor go?  
And why are there tiny  
birds flying around  
my head?

Shaggy?  
Is that you...? No...  
way too high-  
pitched...

Ooooh, my  
head... that's  
gonna be a biig bump...  
I need Scooby Snacks...  
now!

as a haunting, syrupy voice slithers  
through the darkness...

Scooby-Doo... I see you...  
Where is my girl?  
Ah... there she is...

Huh?  
L-Lady, y-you  
don't mean me...  
right?

There's  
no girl down here!  
Daphne and Velma are upstairs...  
I'm Scooby-Doo,  
ruff ruff!

Ruh-roh!

Come to  
Mama, sweetheart...  
BE a good girl  
for me...

# Amaz2k12 - Bimbodooby Doo

The fear that just moments ago raced through Scooby's veins fades away...

Uh-oh...  
n-no... there's no  
girl here...

Oh, my  
sweet child... you're  
exactly where you  
belong...

I'm  
Scooby...  
right?

So much  
confusion... but  
there's no need  
for that...

That's  
my name...  
isn't it?

You know  
who you are...  
you've always  
known...

Su Li...  
yeah... that  
sounds right  
too...

Su Li...  
yes, Su Li fits you  
perfectly...

Uhh...  
my head  
feels so...  
fuzzy...

And I...  
I'm your dear  
Aunt Asmodaea...  
aren't I?

Aunt...  
Asmodaea?  
That sounds...  
familiar...

Everything  
is just as it should  
be... isn't it, my  
darling?

Su Li Doo...?  
That's me!

A strange warmth spreads through his  
body as the woman steps closer...

Closer... and closer... and is she growing? Taller and taller...  
or is it just his imagination?

# Amaz2k12 - Bimbodooby Doo

# Amaz2k12 - Bimbodooby Doo

A cold shiver creeps down Scooby Doo's spine as an unknown force wraps around him... His body feels strange - familiar, yet wrong. His paws shake. His heart pounds like crazy.

Wh-  
what the...  
SHAGGY???!  
Where 're  
u?

I... I  
gotta get outta  
here...

**YOU  
CANNOT RUN, LITTLE  
ONE!**

Something is off... something is VERY wrong.

**FACE  
WHAT YOU WERE  
ALWAYS MEANT  
TO BE!**

No...  
my body...

**SUK DICK DOO...  
WHERE ARE YOU?**

...this  
isn't me...!

The dark power of the mysterious woman grows stronger, her presence seems to consume Scooby Doo, changing him in ways he can't understand...

# Amaz2k12 - Bimbodooby Doo

Scooby's hind legs stretch, his stance shifts, and his once sturdy frame softens. His fur drifts to the ground like autumn leaves, revealing smooth, delicate skin underneath - skin that was never meant to be his.

T-this  
isn't my  
name...!

This  
isn't my  
body...!

I'm  
S-Suck Dick Doo...  
n-no, no...!

I'm  
Scoo Dick Doo!

Nooo!

# Amaz2k12 - Bimbodooby Doo

Suck Dick Doo struggles to stand, his legs trembling - because they're not dog legs anymore...

# Amaz2k12 - Bimbodooby Doo

No matter how fast (s)he runs...

You're  
going to be such a  
beautiful woman...

...there's no escaping it. The transformation  
is nearly complete...

...by  
the time I'm  
done with  
you!

...For now. But just as she thinks (s)he's free, the creature's massive claws reach for him...

What  
the—?! Oh, r-roh,  
r-this ain't right!

Let  
me go,  
lady!

You'll  
serve your purpose  
perfectly...

SUCK DICK  
DOOOOO

# Amaz2k12 - Bimbodooby Doo

# Amaz2k12 - Bimbodooby Doo

Trapped in the demon's crushing grip, Scooby's human body twists and reshapes...

Oh  
honey, your boy  
parts?

You never  
even knew what to do  
with that cock of  
yours...

But don't  
worry, Suck Dick,  
sweetie... your new little  
kitty's gonna make  
up for all that  
lost time!

...his masculinity vanishes, making way for a softer, curvier frame...

...his face shifts, delicate features replacing the manly attributes - one that fits her new name...

And snacks?  
Pfft, you and that shaggy  
boy always shoveled everything  
down like pigs...

But from  
now on? Spunk! It's  
only one thing  
for you...

...Cum!  
'Cause Suck Dick Doo's  
just a perfect little cum  
dumpling!

# Amaz2k12 - Bimbodooby Doo

When we left Shaggy to check on Scooby, his transformation had only just begun...

Ooooooh,  
Shannon, babe~  
I had no idea you were,  
like, so well-equipped~  
\*giggle\*

Huh?!  
Scoob? W-what  
the - ugh!

...but for him, not a single second  
seems to have passed.

L-like,  
look at me! What's  
happening?!

I look...  
whoa... wait - YOU  
sound like a girl  
too?!

His pants are just now slipping off his widening hips...  
while his legs give way, and he collapses to the ground.

# Amaz2k12 - Bimbodooby Doo

Once again, we witness manhood itself...

\*moan\*

...shrinking, retracting, reshaping into soft, feminine curves...

...it feels  
like I'm...

... becoming  
a Girl ...

...but,  
like, it doesn't  
hurt!

...fully formed, leaving Shaggy - or is  
it Shannon now? - completely receptive.

Welcome to womanhood!

I can  
feel it - my  
dude parts are  
GONE!

I'm a girl!  
Like... Velma or Daphne!  
But... why?

Scoob?  
What's, like,  
happening  
to us?!

Ummm,  
like, I dunno  
Shannon...

Shannon?  
But... I'm... Y-you're  
human... and a  
girl?!

What're  
ya talking about,  
babe? I was, like,  
always a girl.  
\*giggle\*

W-wait...  
were you  
always a girl?  
I... ungh... my  
head...

Suck  
Dick Doo -  
your bestie! Duhhh -  
don'tcha remember,  
silly?

Suck  
Dick Doo?  
O-of course  
you're my  
bestie...

My legs  
feel like... pudding,  
Suck Dick...

But  
yeah, like, I always  
lend my girlies a  
helping hand~  
teehee

# Amaz2k12 - Bimbodooby Doo

Su Di quickly helps Shannon back to her feet...

See, babe?  
Like, that wasn't  
sooo bad, was it?

Not bad?! Suck Dick,  
something is seriously  
wrong here!

What  
were you even freaking  
out about? You know our  
kitchen, duh.

Our kitchen?!  
Girl, we're not even  
supposed to be here!  
Don't you remember  
our gang?!

The gang?  
uhh, yeah, like, totally!  
Of course, I remember  
the gang!

... but the transformation isn't over yet.

# Amaz2k12 - Bimbodooby Doo

A strange shiver runs through Shannon's body...

... her face begins to change, losing its Caucasian features...

Ohh...  
my face feels,  
like, totally  
numb...

Errr, babe,  
you good? Why you  
makin' that weird  
face?

... slowly becoming more and more Asian,  
as makeup magically appears...

... until she's almost an exact twin of  
Suck Dick Doo...

... Sis,  
do I have something  
on my nose? It's  
all tingly!

Nah, you  
look like, totally  
normal to me,  
lil' sis!

... who now also has a fresh  
layer of makeup.

Way bigger pumpkins than their mom's?

Pumpkins?  
Oh puh-lease,  
babe...

... you know  
people used to  
clown on my  
tiny girls...

What we didn't see—while the two "sisters"  
kept giggling...

... until they started  
growing... and, like,  
never stopped!

... was how Shannon's little mosquito  
bites...

Now they're,  
like, so huge  
and jiggly!

... blossomed into massive melons, heavy  
and bouncy on her chest.

And  
guess what? I  
totally love  
every single inch  
of 'em!

Or... were they always  
this big?

# Amaz2k12 - Bimbodooby Doo

The transformation of Shaggy and Scooby into the twin sisters, Shannon and Su Di Doo, is nearly complete...

Oh-em-gee,  
Suck Dick, I sooo  
love you, sis!

\*giggle\*

... like, can  
we talk about how  
lucky we are to be  
working here?

\*giggle\*

... surrounded by,  
like, the hottest  
guys ever~!

... and,  
ugh, the hottest  
girls too - like,  
hello?!

\*giggle\*

Aww,  
Shannon, love  
ya too, babe~!

\*giggle\*

... like,  
duh, best job ever!  
Hot dudes and endless  
booze?!

\*giggle\*

... and just like with Fred and Daphne  
before them, reality itself seems to  
shift.

This is,  
like, the ultimate  
win-win!

\*giggle\*

The old, run-down kitchen suddenly bursts with life - like  
it was never abandoned in the first place.

# Amaz2k12 - Bimbodooby Doo

A smooth yet commanding voice fills the room...

How sweet, girls. But that's not what you're here for.

Now, chop-chop! The guests are waiting for their dinner.

Oh, but since you're already in the mood...

Why not serve it as nature intended?

Ohhh, Mister~! You, like, totally won't regret this...

My sis and I? We were born to be naked! \*giggle\*

Yes... I just knew you two would love that idea.

And, like, duh! The guests don't just love our cooking...

...they adore the way we serve it, too~!

Cuz we're the fabulous, the irresistible...

BIMBO BOOBY DOO SISTERS!

# Amaz2k12 - Bimbodooby Doo

Meanwhile, in another part of the old mansion... Unaware of her friends' bizarre transformations, Velma has stumbled upon the mansion's grand library.

A 3D-rendered scene of Velma sitting at a wooden desk in a dimly lit library. She is wearing a yellow sweater and glasses, reading a large open book. Two lit candles in ornate holders provide light. Several books are scattered on the desk. A speech bubble from her reads: "Hmm, fascinating! If this is correct, then that means - huh?!"

Hmm,  
fascinating!  
If this is correct,  
then that means  
- huh?!

Velma...

She's deep in research, searching for clues - when suddenly... A thick mist swirls to life, taking form. A soft, ghostly voice whispers directly into her ear.

A close-up 3D-rendered shot of Velma looking startled and confused. She is wearing her yellow sweater and glasses. In the background, a ghostly, translucent figure is visible amidst swirling mist and sparks. A speech bubble from her reads: "Jinkies! This... this can't be real!"

Jinkies!  
This... this can't  
be real!

Velma... You...  
all in danger...

A  
ghost?! Danger?!  
From who?!

# Amaz2k12 - Bimbodooby Doo

The moment Velma focuses on the ghostly woman, the spirit glides toward the nearest wall.

Find me...  
find my body...

Only  
then... can I save  
you all...

Come...  
I will show you...  
the secret!

A mystery?!  
Now that's my kind  
of thing!

Alright,  
lady - show me  
the way!

# Amaz2k12 - Bimbodooby Doo

With a soft click, a hidden mechanism activates...

Well done,  
Velma...

...the door  
is open. But from  
here... you must go  
on alone.

I am  
bound... I cannot  
pass beyond this  
threshold.

Well...  
that was unexpected.  
But hey, it worked - and  
that's what matters.

The statue, along with the door, slowly sinks into the ground...

...revealing a long, dark corridor stretching deep into the mansion's depths.

Thanks, I'll  
keep your advice  
in mind...

Huh...  
why do my lips feel  
so... heavy? And  
somehow weirdly  
full?

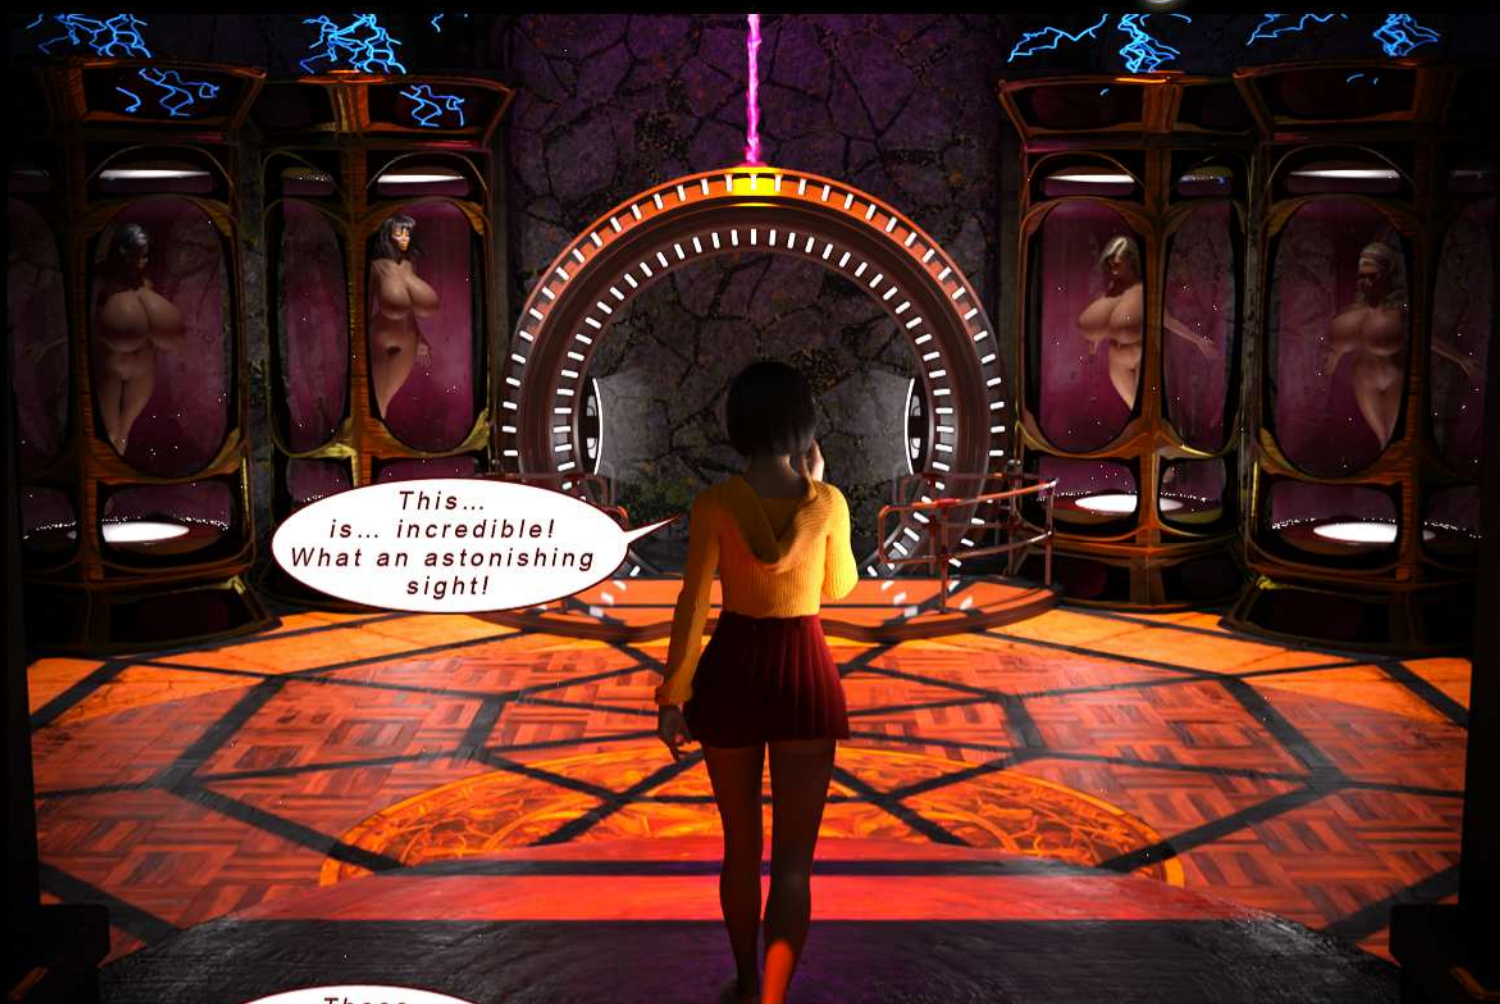

Must  
be from that...  
unusual activity.

Though...  
I kinda liked  
it.

But be  
careful... things are  
not always as  
they seem...

Save us  
all, Velma.

Jinkies!

Oh,  
Velma, meet my  
assistant. She arrived just  
before you did... and look  
what the Manor  
gifted her.

Isn't  
she a perfect  
little bimbo?

Hiii,  
cutie!

Who...  
or what are you?!  
Where did you  
come from?

She?  
He? What  
the...?!

Aww, like,  
oh-em-gee... I'm Jane!  
And duh, I'm such a  
total bimbo! Teehee

This Manor  
changes people, Velma.  
Your friends? Transformed.  
And you? Well, it's  
already begun.

Jane, dear  
- release our  
guest.

Okiii  
dokiii, Doc! Whatever  
you say!

You  
misunderstand me,  
Velma. I'm not your  
enemy...

I'm here  
to protect you. From  
the Manor.

No way - I  
haven't changed!  
You're just trying  
to mess with my  
head!

And now... is it time for the classic villain monologue?

Really,  
Velma? Well, if you're  
asking...

You  
know your lips are  
now full-on bee-stung?  
The kind that would  
make even porn  
stars jealous.

Huh? My lips?

Oh my...  
my lips... they're  
huge! Like, gigantic  
huge!

And why  
on earth did  
you give the statue  
an excellent blow  
job?

When the  
doorknob was literally  
just a few inches away  
and could've worked  
just fine?

No...  
way! I... I...  
have...

Have you  
seen any "ghosts" yet?  
Everyone else who transformed  
saw something supernatural  
before - and then poof -  
they changed.

# Amaz2k12 - Bimbodooby Doo

But just as "the Doctor" vanishes down a side corridor, the ghostly figure of the Lady appears once more - right as the strange machine hums to life.

Velma,  
the spell that  
banned me here...  
it's broken.

hehe  
too easy...  
far to easy.

You must  
hurry - the Doctor  
is deceiving you!

Whoa,  
like, what the...?!  
You again?!

I heard  
everything he told  
you. Don't trust  
him... please!

All of  
our fates depend  
on you!

Ugh, listen,  
spooky girl, no offense,  
but last time you gave me  
advice, this happened - have you  
seen my lips?! They're,  
like, totally puffy!

Velma, my  
statue... it was  
trapped! The Doctor used  
it to manipulate you! It was  
coated in a special tincture -  
once the machine is fully  
powered, you'll start  
bimbosying!

Ughhh,  
I knew something was  
sus! My brain feels  
kinda... fuzzy?

Get up!  
Move! Before it's  
too late!

Okay, okay,  
I'm moving! No way  
I'm turning into, like,  
some kinda ditzzy  
airhead!

# Amaz2k12 - Bimbodooby Doo

Just as Velma steps off the examination table...

Oh, don't  
you worry,  
sweetie...

Ugh,  
gotta hurry... my  
head feels all, like...  
fuzzy 'n stuff!

There is a  
reward waiting for  
you... It's gonna be  
absolutely fabulous  
outstanding!

... her bimbofication quietly resumes,  
unnoticed by her.

I won't  
let that villain  
get away -

Was the Doctor right all along?

... I  
mean, that super  
hunky villain... wait,  
what?!

# Amaz2k12 - Bimbodooby Doo

Soft, squishy little pillows bloom beneath her skin, swelling into a bouncy new shape...

Like, whoooo! This is, like, super crazy!

...her hips widen, swaying with every tiny movement...

My body feels all... wiggly and jiggle and... um... kinda fun?

8-but, like, no big deal! I'm still a totally serious detective, duh!

...and her feet? Oh honey, flats are so last season -heels only from now on!

And I am so gonna crack this mystery... right after I figure out how to walk in these ridic heels!

# Amaz2k12 - Bimbodooby Doo

Velma's body moves with a new, undeniable rhythm... every step lighter, every sway more hypnotic.

Like,  
okay, I totally sound like  
some airhead now - ugh,  
so unfair!

I know  
what I wanna say,  
but my mouth is all,  
like, tee-hee~ instead  
of science facts!

Her hips, once stiff and practical,  
now roll with effortless allure as  
she struts down the dark corridor.

O-but,  
whatever! My brain's  
still big - just, y'know...  
wrapped in something a  
little extra fluffy  
now.

Jinkiest  
No pressure or  
anything... just gotta save  
literally everyone while  
walking in, like,  
heels!

With each step, the transformation  
deepens - reshaping her into something...  
more bubblier like... like a Bimbo.

# Amaz2k12 - Bimbodooby Doo

Her neat little bob? With every step through the dimly lit hallway, her hair spills longer and thicker

*Ugh, okay, like... I know the answer is, like, right in front of me... totally!*

*Huh? Why is everything, like, super blurry now?*

...framing her face in cascading waves. By the time she reaches the corridor's end, she's rocking a

full-on bombshell mane - soft, voluminous, and way too glamorous for a bookish nerd.

*Wait - whoa?! My glasses?! But, like... I can see without them?!*

And just as she processes the change, the ghostly lady appears at her side once more...

*Velma, you're so close... My body - it's in this room...*

*Jinkies, this is, like... so not normal! What kind of spooky mad scientist lair is this?!*

*Beware of the Doctor... If you get the chance - take him down!*

# Amaz2k12 - Bimbodooby Doo

At last, Velma reaches the end of the corridor, stepping into a chamber unlike anything she's ever seen. Strange, high-tech contraptions hum with energy, yet ancient magical runes pulse along the walls.

Whoaaa...  
so, like, science  
and magic are  
totally vibing in  
one place?!

That's,  
like, crazy  
cool!

But wait...  
hold up... that's our  
client - Mr. Langerlutscht  
The Doctor!

Umm...  
why's he just  
standing there like that?  
He looks, like,  
mega sus...

Umm...  
why's he just  
standing there like that?  
He looks, like,  
mega sus...

Yes, sweetie!  
He's feeding off my  
energy... but it works  
both ways!

I can  
force him to reveal  
his true form - but I  
need you to act!

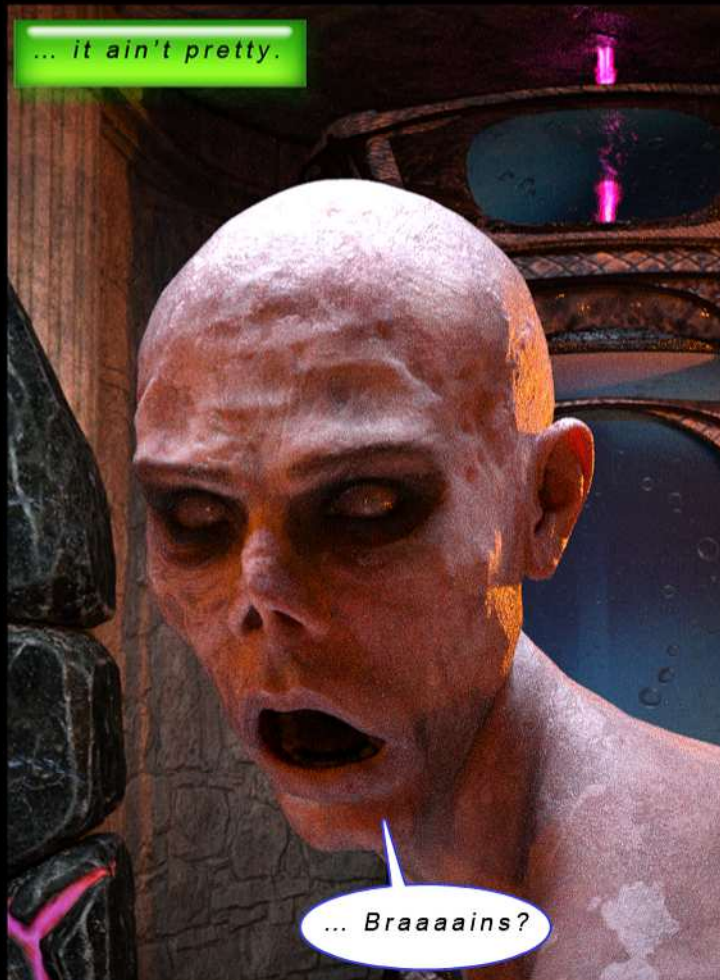

Push him  
toward one of the  
obelisks... it will break  
the seal!

Help me,  
Velma... and I promise  
I'll help you all!

Science and sorcery - this has to be the heart of everything happening in the mansion!

# Amaz2k12 - Bimbodooby Doo

# Amaz2k12 - Bimbodooby Doo

Both charge at each other...

Boooooobies!

Undo your  
evil spell-thingie,  
you total creep,  
or I'll -

... but running in platform heels?

Oh-em-gee,  
heels, whyyyy?

... Yeah, not the best idea.

... And, uh, let's just say the floor gets a  
real close-up.

Booo...

Arrrgh...

Eeeeeek!

# Amaz2k12 - Bimbodooby Doo

But sometimes - just sometimes—clumsy accidents can lead to the perfect outcome. The zombified doctor slumps lifelessly against the obelisk, as if that had been the plan all along.

Meanwhile, Velma finds herself sprawled on the platform, catching her breath...

...with an unexpected side effect: her once-flat behind now appears noticeably rounder.

# Amaz2k12 - Bimbodooby Doo

The Doctor is no more. Velma lies unconscious on the ground. In that very moment, the Ghostly Lady - no longer just a ghost - reclaims her body, rising from the central capsule... her presence more powerful than ever.

AT LAST...  
I AM WHOLE  
AGAIN!

Velma,  
without you, none  
of this would have  
been possible.

You—and  
your friends - have my  
deepest gratitude...

But, my  
dear... your journey is  
not over yet.

Oh, Velma,  
my dear... our fates are  
entwined now...  
forever.

I become  
you... and you  
become ME!

One little  
kiss... and together, we  
shall reign over this  
mansion...

...and as  
for your friends? Well...  
their fate will rest in  
OUR delicate hands.

Ohhh,  
well, like, of  
course I'll say  
yes!

My friends'  
safety is, like, the  
most important  
thing ever!

And, duh,  
I totally knew this  
case was gonna be  
something super  
special...

Mmm...  
simply exquisite... so much  
hidden passion, so much  
untapped desire...

Ooooh... my...

I  
can feel it now...  
we are becoming  
one...

This is  
sooo not how I  
imagined my first  
time...

Jinkies!

Your  
body welcomes me...  
molding itself to  
perfection...

More!  
Give me more!  
I wanna be just  
like you...!

# Amaz2k12 - Bimbodooby Doo

# Amaz2k12 - Bimbodooby Doo

# Amaz2k12 - Bimbodooby Doo

Velma, now fully fused with the ghostly lady, approaches a strange machine - just as the lifeless, zombified body of the Doctor begins to rematerialize...

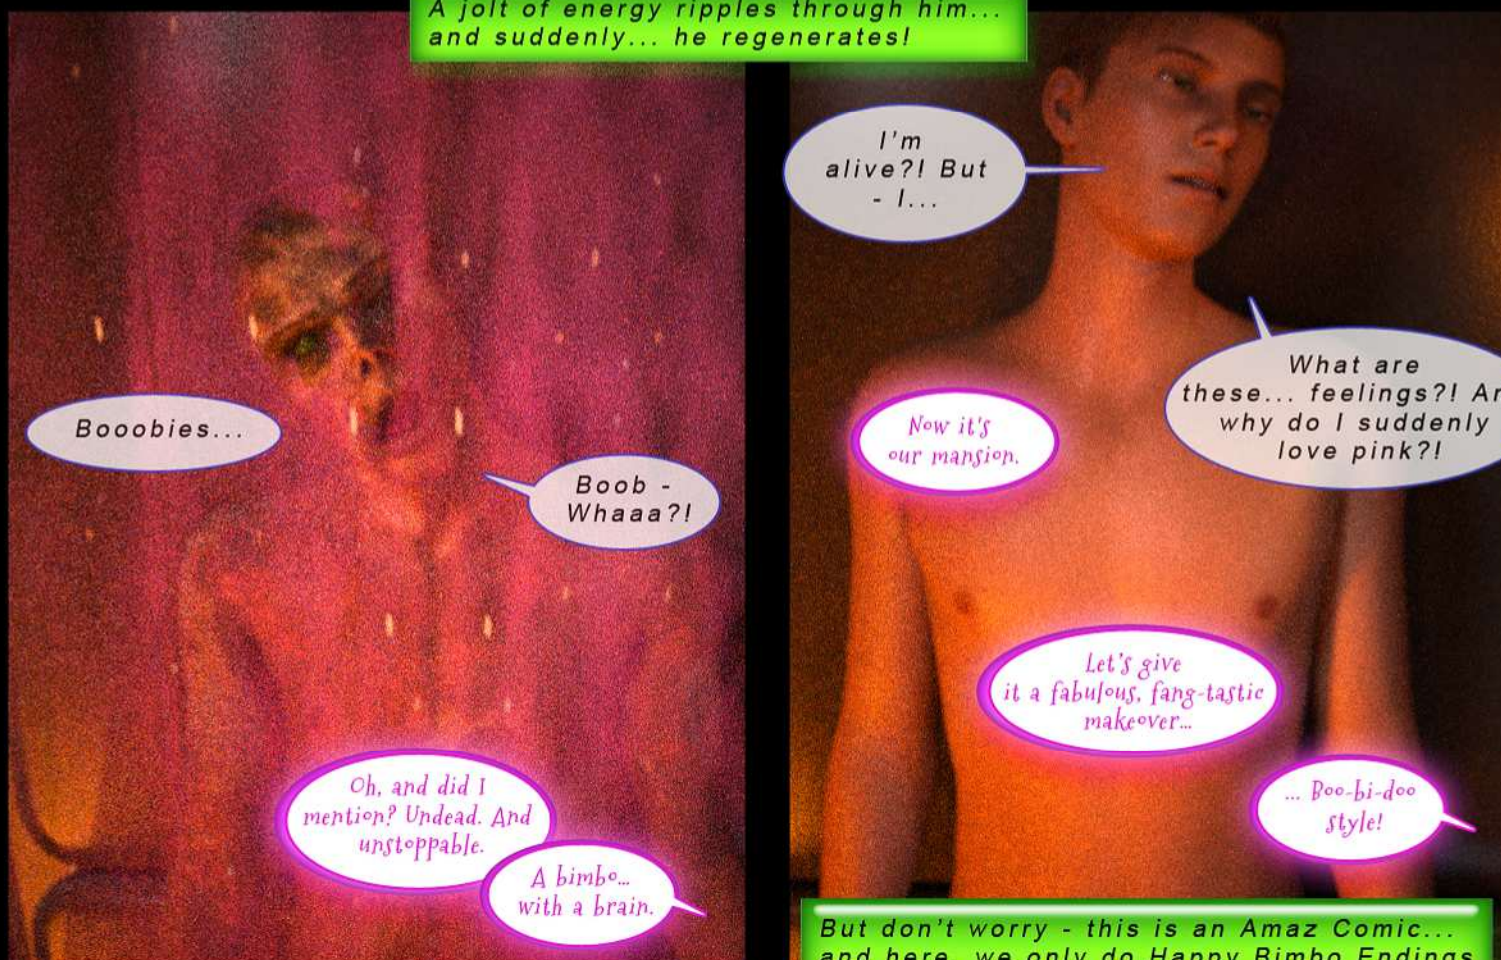

Never mess  
with things you don't  
understand, Doc...

You tried  
to build the perfect woman,  
remember? Obedient, sexy,  
and brainless?

Instead,  
you made something  
better.

A jolt of energy ripples through him...  
and suddenly... he regenerates!

Booobies...

Boob -  
Whaaa?!

Oh, and did I  
mention? Undead. And  
unstoppable.

A bimbo...  
with a brain.

I'm  
alive?! But  
- I...

Now it's  
our mansion.

What are  
these... feelings?! And  
why do I suddenly  
love pink?!

Let's give  
it a fabulous, fang-tastic  
makeover...

... Boo-bi-doo  
style!

But don't worry - this is an Amaz Comic...  
and here, we only do Happy Bimbo Endings

# Amaz2k12 - Bimbodooby Doo

...and the Doc's freshly revived body begins to twitch.

Something's happening - his chest tightens, his waist narrows...

Are these... oh my... are those... breasts?!

... and his confused moans turn... surprisingly high-pitched.

Teehee!  
This ...can't be, 'LIKE,  
FOR REAL...

...BUT  
WHY DOES IT FEEL  
SOOOO GOOD?!  
\*GIGGLE\*

And together with the Phantom, which is many, Velma begins to dance rhythmically and recite a rhyme...

During this process, the Phantom seems to change - it becomes solid.

# Amaz2k12 - Bimbodooby Doo

In a dazzling beam of light, the Phantom is reborn - Not as a weapon of war, but as the legendary artifact of sass and sparkle: the Double Trouble Dilo! Forged in golden aluminum, dripping with divine fabulousness!

By the power... of Bimbo Manor!

And in that moment, she becomes more than Velma. More than Bimbo. More than Nerd. She becomes...

I HAVE THE POWWWER

- of fabulous  
boobs and ancient  
wisdom!

The legendary She-Bimbo, the sluttiest Bimbo in the whole universe.

# Amaz2k12 - Bimbodooby Doo

The massive outburst of transformative energy shatters the containment chambers like glittering glass - and just like that, the Ghost Lady's promise is fulfilled:

Like, OMG,  
what a sparkly  
rollercoaster,  
babes!

I'm, like,  
totally starving for  
a cawck... or five!

Extra cheese,  
extra pink sauce, no  
thoughts, just  
noms!

Ruh-roh!  
velmaaaa, you  
totally slay,  
gurl!

I'm feelin'  
sooo cute and soooo  
snacky!

Cawck  
me, baby - like,  
a whole closet  
of 'em!

Teamwork,  
babes! I saw everything -  
it was, like, full sparkle  
-slosion!

We soooo  
need to throw a glam-  
tastic Welcome-Back-to-  
Bimbohood Bash!

And I'm  
totally choreographing  
the dance moves!

Yesss!  
glitter partyyy!

But  
like - priorities  
first, girlies:  
SHOPPING!

Lip gloss,  
heels, glam boys, more  
gloss, and... ohmigosh,  
snacks!

The Mystery Gang is free again. Well...  
transformed, sure. But definitely free!

# Amaz2k12 - Bimbodooby Doo

Somewhere between fabulous confusion and glittery acceptance, the gang begins to process their new curvy reality...

# Amaz2k12 - Bimbodooby Doo

No way  
I'm leavin'. The  
Manor's got, like, amazing  
lighting for my dance vids!  
What about you,  
Daph?

Daddy's  
yacht can wait,  
babes! We're sparkly,  
stacked, and stunning -  
and that's facts! We're  
a team, and now we're  
fabulous too!

Like,  
Velma - no  
way I'm ghostin'  
ya now! This place is  
totally groovy...  
and the outfits?  
To die for!

Ruh-roh -  
I mean yayyy!  
Suck-Dicks's stayin',  
honey! So many snacks...  
and even more  
shoes!

O-M-G!  
You gals seriously make  
my processor overheat!

Together,  
we're not just  
mystery-solvers...

...we're  
the ultra-glam Bimbo  
Mysteries Inc.!

And this  
Manor? It's our forever  
„The Glamour Grove“!

Now let's  
make this place shine  
like the cosmic cuties  
we are!

And with the mystery solved and the Manor's magic unleashed, one thing becomes clear: Velma's not going anywhere... and neither is the team. And so, with brains, boobs, and a whole lotta sass... a new era begins at Bimbo Manor.

# Amaz2k12 - Bimbodooby Doo

One week later... somewhere deep in The Glamour Grove...

Oh-em-gee,  
Mr. Reporter Guy... so  
like, that's exactly how  
we unraveled the whole  
spooky mystery!

And now  
that we've solved everything...  
maybe it's time you got a little  
first-hand experience for your  
story, hmm?

And they say journalism doesn't have perks...

Just  
relax... Velma's got all  
the right facts and  
figures.

Amaz2k12 - Bimbodooby Doo

*But ever since fusing with the Ghost Lady, Velma's more than just brains and boobs...She's become something truly... intoxicating. She has become a Glam-pire.*

\*FLAP\*

\*FLAP\*

Mmmh,  
yesss... right there,  
sugar...

Ooo,  
such strong hands—  
don't be shy, Velma likes  
it rough and hard  
\*giggle\*.

*Feeding not on blood - But on desire - pure sexual pleasure!*

While you  
give it your all, baby... I'm  
sipping every drop of that  
juicy, sizzling energy.

Harder.  
Mr. Reporter guy!  
HARDER!

Being  
a Glam-pire is sooo  
addictive... teehee~

\*SUCK\*

# Amaz2k12 - Bimbodooby Doo

But just a few minutes later...

With a cheeky snap of her perfectly manicured fingers...

...a stunning outfit materializes around Velma's perfectly pampered Bimbo body.

# Amaz2k12 - Bimbodooby Doo

I'm sooo  
proud of how my girls have  
slipped into their fabulous  
new Bimbo lives,  
teehee~

The Glamour Grove - thanks  
to Mistress Velma - has  
blossomed into a booming  
business of the most...  
pleasurable kind, now that  
the team has cracked the case.

Each former member of  
Mystery Inc. now embraces her  
new talents in their own way...

From the  
moment the Ghost Lady  
and I merged, it all became,  
like, sooo obvious...

My uptight  
old self? Totally overthinking  
everything!

Saving it  
for marriage? Jinkies, that's  
so last century

Take Daphne - now simply Daph the Rose - who's in charge of Human Resources, because even  
a magical manor needs fresh new faces.

Ah,  
here's Daph's  
office...

Ooh,  
sounds like she's really  
working hard on that  
interview...

ooooooooH

...and filling  
up her own little Desire  
Matrix while she's at  
it, hehe!

A girl's  
gotta multitask, right?  
Especially if she wants to  
optimize output per...  
participant

And right now, she seems to be in the middle of an interview...

# Amaz2k12 - Bimbodooby Doo

Just a quick peek inside Daph's new office...

Well now,  
Mr. Salton... or can  
I call ya Bobby,  
sugar?

Mmm,  
Mr. Bobby, your...  
qualifications are just,  
like, outta this  
world!

Big,  
veiny, and soooo  
strong - bless your  
heart!

No doubt  
about it, hun -  
you're hired!

You can  
either be my  
personal assistant,  
sugar...

...but if  
you get a lil' too  
excited before making  
me happy...

...well,  
then you're just our  
new handyman,  
stud!

Teehee~  
Better aim high,  
baby!

And just like that, Daph the Rose proved...  
that sometimes the best "interviews" skip the formalities.

# Amaz2k12 - Bimbodooby Doo

Sure enough - Fran's in the dance studio, showing Val a few tricks! Val, formerly Glen, spectacularly flunked Daph's entrance uhm... endurance... test...

Oh  
hiiii, babe! This  
place is, like, one  
giant party!

Woaahh,  
girl, your bazongas  
are insane!

Mine ain't  
too shabby either,  
right? I mean, for a former  
dude, these C-cups are,  
like, super legit  
an' stuff!

But Daph still saw something in  
him and offered a second chance -  
as a performer, trained personally  
by Fran as a new Girl...

But girl,  
just like me, you've  
got dancin' in your  
blood, huh?

You're, like,  
such a fast learner,  
Val - well, you know, for a  
bimbo... like me,  
teehee!

Oh, and you've met  
Velma, right? Better call  
her Mistress Velma,  
sugar~

Wait - huh?  
The Boss Lady?

Ooooh,  
Mistress V! Can I get,  
like, a boob upgrade too?  
And, like, poutier lips?  
Pretty please?!

I'm  
thrilled you're loving  
it here. Val. Daph gave  
me a full rundown on  
you, sugar~

Keep putting  
in that hustle, and we  
can definitely book you  
an upgrade appointment,  
kay?

And you  
keep doing your  
thing, Fran - you're  
seriously, like, a  
total jinies!

And judging by the looks of things...  
it's working out perfectly.
