Summary: Chapter 4 of [The Party](#). After saving their team from The High Orc Gate, the girls of the Hunters Guild B Team decide the best way to thank Jinwoo is with their bodies and invite him to a thank you dinner, with them on the menu. Discovering that not only is Jinwoo more than man enough to handle all of them, but that they can get more powerful themselves, all of them decided joining his party is worth it. Meanwhile, Jinwoo might have to buy a bigger bed.

On the one hand, Sung Jinwoo considered himself fairly experienced in reading the signs at this point. Having bagged and tagged three female hunters for his Party by now, he's not all that surprised anymore when another comes along. And given what had happened between them in yet another Gate Incident, Han Semi of Hunters Guild's Strike Squad B inviting him over for dinner was pretty much par for the course.

... On the other hand, Jinwoo had assumed when he arrived at her place that Han Semi would be dining with him alone, followed by offering up her body to him. Only, when he arrived, it wasn't her who answered the door, but Lee Bora. The bespectacled gothic maid cosplayer wasn't the end of it either... both Gina and Seo Jiwoo were also found deeper inside Semi's apartment.

Basically, all four female members of Strike Squad B were there in the apartment waiting for Jinwoo when he arrived for dinner. This sent Jinwoo mixed signals, because really... was he truly meant to believe that all four of them wanted to be with him carnally?

Well, as Semi continues to busy herself in the kitchen and Jinwoo is directed to sit down on the couch, he quickly discovers that... yes. That's precisely the case.

"We all agreed that you deserve a proper reward for saving us, Sung Jinwoo~"

"We want to show you how grateful you are."

"Let us... help you relax while Semi finishes preparing dinner."

And so that's how Jinwoo finds himself with Bora and Jiwoo on either side of him, the two A-Rank Huntresses blushing up a storm as they run their hands down his sides. Meanwhile, the bustiest of them all, Gina, kneels at his feet... and makes quick work of pulling out his cock from its confines.

The blonde licks her lips as she frees her tits from their top as well, smirking up at him.

"Like what you see, savior?"

She doesn't bother waiting for his response. She just wraps her breasts around his growing length and begins giving him a titjob right then and there. Of course, as she quickly learns... he's bigger than she expected. Soon, the head of his cock is pushing out of the top of her cleavage, making her eyes widen in surprise.

Meanwhile, Jinwoo is not idle with the others either. Maybe he's supposed to just sit back and let them do what they want to show him their appreciation, but he's become a very proactive man in all facets of his life recently.

As such, his hands have moved to slide right up under both A-Rank Huntresses' skirts. Jiwoo and Bora gasp as he slips his digits right past their panties and pushes his fingers right into their cunts.

"A-Ah~"

“S-So forward... as expected of an S-Rank...”

Perhaps that was part of this whole thing and why Han Semi hadn't tried to tackle him alone. They all know him for what he is... an S-Rank Hunter with three S-Rank Huntresses who commonly work alongside him these days. So obviously, they've decided if they want to satisfy him, they'll need to work together.

...They're right. Any one of them, Jinwoo might have worked through in an hour at most. But all four of them together, that might actually be a little bit challenging. Well, all three of them for the time being. Semi is still busy in the kitchen.

And the other three are all the worse off for it too. Gina, down on her knees, has taken to sucking on the head of his cock while sliding her large breasts up and down his length, but it's obvious she doesn't fully know how to contend with his massive member.

Meanwhile, Bora and Jiwoo are moaning up a storm, holding up their skirts now for Jinwoo and shuddering and quivering as he fingers them with two digits apiece. He's handling them so easily it makes them look like mere D-Ranks instead of the A-Ranks they are.

Both young women cum in unison right as Semi comes out of the kitchen holding a tray with a single plate on it. As Bora and Jiwoo fall back onto either side of the couch, panting and recovering from their orgasms, Semi walks forward with her head held high, a smile on her lips, and a chef's apron covering her front... and that's it. She's not wearing a stitch more of clothing.

Suffice to say, the lavender-haired Huntress pulls off 'naked apron' extremely well. Especially as she sets the tray up so its blocking Gina from view completely while allowing her to continue pleasuring Jinwoo's cock down below.

Crawling onto the couch next to him, Semi gives Jinwoo a matronly smile, even as she gestures to the delicious looking steak she's made him.

“May I feed you by hand, Sung Jinwoo? As gratitude for my life, it’s the least I can do.”

Jinwoo doesn’t even hesitate. He simply nods.

“You may.”

Semi’s eyes light up and she quickly picks up a fork and knife, beginning to cut the tender steak apart for him. Piece by piece, she feeds him bites of the steak from the end of the fork, watching him devour them with ever-increasing delight.

Meanwhile, down below, Gina’s tits are soft and pillowy and pleasant, while her mouth is certainly handling his cockhead fairly well. Jinwoo is slowly but surely getting closer and closer to cumming.

As if realizing this, Gina eventually drops her breasts from the situation altogether and switches to sucking more of his cock into her mouth and down the back of her throat. While Semi feeds him, the sounds of Gina choking on his cock begin to fill the room.

“Glughk... Glughk... Glughk...”

Delicious food and beautiful women. Was there a better combo? Jinwoo didn’t think so, but he knew one thing for sure... if he was really going to ‘initiate’ all four of these ladies into the Party, it was going to be a long night. So he might as well get started.

With Semi acting as his ‘hands’ and continuing to feed him, Jinwoo is free to reach down under the tray and place an actual hand on top of Gina’s head. He holds her in place as he cums and to her credit, she greedily swallows every last drop of his seed, gulping it down like there’s no tomorrow.

Just as she finishes, Jinwoo finishes the last bite of steak from Semi’s fork. As soon as she sets the utensils down on the plate, Jinwoo grabs the tray, cleaned plate and all, and pulls it off of himself, setting it down on the ground alongside Gina.

Then, before any of the four huntresses can react, Jinwoo has already grabbed Semi and lifted the cook up into the air. The lavender-haired woman gasps as she's promptly impaled on his cock just as Gina is pulling back off of it and Jinwoo's still-hard dick is swinging up to stick straight up in the air.

He drives Semi down onto his length facing away from him, her naked back pressing against his chest and her naked ass plopping down onto his lap. He fills her sopping wet pussy with every inch of his dick and then proceeds to grab Semi by the hair with one hand and by the tit with the other.

Turning her head to face him, Jinwoo kisses her deeply, something she enjoys immensely, while at the same time he gropes and squeezes her breast beneath her chef's apron.

PLAP! PLAP! PLAP!

The sounds of him fucking Han Semi, plowing the A-Rank Huntress up and down on his cock, quickly fill the room. Flesh slapping against flesh, the squelching of a thick hard dick pushing in and out of a clenching cunt. Gina watches on from her knees on the floor in front of them, while Bora and Jiwoo both have begun to strip naked on either side of the couch, their hands wandering over their bodies in anticipation of their own turns.

And turns they will get... once Jinwoo knows they understand what will come of this.

"The four of you should know... I am no ordinary hunter."

"H-Heh... of course we know that."

"You've risen from D-Rank to S-Rank in mere months..."

"And the way you fought for us... the way you saved our lives was nothing short of remarkable."

Semi just moans, too busy being fucked to say anything. Jinwoo hums and nods.

“All of that is true. But it’s more than that. I can also bring others up to my level too. By having you join my Party, I can assure you that you will rapidly rise to S-Rank.”

Eyes widen in understanding.

“So that’s how Lee Joohee and Park Heejin have reached S-Rank so quickly.

Jinwoo nods, pleased to see they’re intelligent enough to follow along. He doesn’t mention Seorin of course... technically she was a hidden S-Rank, though she had also started spending most of her time in his ‘orbit’. Still, it’s impressive how quick on the uptake the girls are. In fact...

“Ah, it’s sexual in some way isn’t it? The requirement for joining you. That’s why your closest companions are all women.”

Grinning, Jinwoo nods again.

“Yes. It requires me to completely ‘tame’ someone before they can join my Party. This includes sexual domination... and proves to be the easiest and best way. Otherwise I would have to rely on intimidating and invoking fear to conquer anyone who wanted to join with me... which is not conducive to long term partnerships.”

The women of Strike Squad B all nod at that... before looking to one another as Semi continues to bounce up and down on his cock, lost in her own little world.

“... If we agreed to this, our first loyalty would no longer be to the Hunters Guild, would it?”

Jinwoo shakes his head.

“No. It would not.”

There's a beat of hesitation as Gina, Bora, and Jiwoo all consider this. On the one hand, they want to be Jinwoo's women, he can tell. And not just to reach S-Rank quickly. On the other hand, change is hard and taking leaps of faith is-

"Yes! YES, YES, YES! I'll join! Oh fuck, fuck meeeee~"

Han Semi's words suddenly break through their musings as Jinwoo finishes fucking her to completion and she gets the pop up asking her if she will submit and join his party. Obviously, she goes right for it, gurgling happily as she becomes his fourth woman and then slumps back against his chest, having climaxed her brains out.

His seed begins to leak from her the moment Jinwoo pulls her off of his cock and sets her aside on the thankfully large couch. Then, he rises to his feet and sweeps his gaze across Gina, Bora, and Jiwoo one by one. What he sees there in their blushing faces lets him know... they've all made their decisions.

Jinwoo takes Gina next, grabbing her by the hair and dragging her to her feet. He spins her around, bends her over the unused dinner table, and proceeds to fuck her until she sees stars. Then, he keeps fucking her until finally she gets the prompt and also submits to him totally and utterly.

Lee Bora the gothic maid is after her, taken up against the wall and moaning cutely as he plows her silly. Her glasses wind up all askew on her face, her eyes lidded with pleasure, and her panting breaths coming out haphazardly and rasping, but Jinwoo doesn't care. He still conquers her, same as the others.

Seo Jiwoo is last, taken on her back on the floor of Semi's apartment. She spreads her legs willingly, only to squeak when he proceeds to lift them into the air and fold her like a pretzel. He fucks her hard and fast, giving her the same powerful pounding as the other three women got, and treats her like he knows she wants to be treated at the end of the day.

She too eventually succumbs. She too eventually submits.

Of course, by the time he's done adding Jiwoo to the party, Semi has recovered and wants another round. And by the time he's done giving her that, its Gina asking for another go.

The four A-Rank Huntresses put up a good showing, taking turns with him and getting fucked silly as the night goes on, but Jinwoo is Jinwoo. In the end, his stamina is second to none... and not even all seven of his women once all of them were S-Rank might be able to handle him. Or maybe they would... but for now, these four A-Ranks simply aren't enough.

He brings them to the heights of ecstasy again and again, until finally, none of them can keep going. Only then does Jinwoo stop and leave them all to rest.

Heh, four more women added to his party. At this rate, he'd have an entire Guild...
