

The Addiction of Bimbohood

Hello!

I am Trisha Tanektoda,
CEO of a multinational
IT Company. It is my business
to create the newest technologies
and software for your
home entertainment
needs.

As you can imagine,
my free time is extremely rare,
but if I can catch some of
this precious time...

...I want
to relax and enjoy it.
With all the decisions I have
to make every day this
is not easy...

...but then
came the absolutely amazing
products from Amaz2k12 Corp!
They showed me a legal way to
fully relax, without any
drugs or unwanted
side effects.

The Addiction of Bimbohood

The effects of a pill wear off after 8 hours then in a few minutes your body completely returns to normal.

Here, let me show you.

There are many flavors and varieties of products you can use, but for this I will use **Bimbo lite**.

And this **Bimbo lite** is vanilla flavored.

It's kickin' in real fast and it ...um...feels

Like...

OH MY GAWD!

The Addiction of Bimbohood

Wow.
I, *like*, really trailed
off in the middle of the
, *um...* the line!
giggle

Stereo-um, what?
Well, *I'm like, not your*
typical, um... bimbo. I use this to
like...to feel happy and
relaxed and stuff!

Wait...Louisa the loser? She is your roommate? That girl is so annoying, always ruining the curve. We laugh at her all the time hehe

What did you say your name was? I didn't remember that Louisa had such a smokin' hot roommate...

Do you like, really want to talk about my name, Brad? *giggle* I think that, um, you should be interested in other...

Sunday morning...

mhh...
I love my black coffee.
The best thing about every
morning, right before
work.

Morning Lou,
had a great
evening?

Mine was
very intense and
extremely...relaxing. Maybe
you'd like to try some tonight
before we head to the
exam tomorrow?

Mornin'

Hm, I don't
know, Paris...seeing you
like that...

The Addiction of Bimbohood

The Addiction of Bimbohood

Look Paris,
I think you're
addicted to that stuff.
You should focus on
more important
things.

You mean
the exams.

Yes. Every weekend
you take some pills, then
go out for some fun...and I
really don't understand
why your grades are
still excellent. You
never study.

Yes and I use
them to stay balanced.
I learn while concentrating
during the lessons. It
works for me.

You can call it
addiction, but it isn't.
You on the other hand...You are
so manically fixated on always being
the best in class that you don't
even notice that almost everyone
is laughing at you.

Oh I know that,
Paris. I also know that
you not only flirt with that
Himbo Brad, but also I bet that the
toothpaste is his sperm
from last night.

In case
you were wondering, I've
noticed you both...Brad calls me
Louisa the Loser, right? You know
what? I don't care. Take your
stuff and let me read
my books.

The Addiction of Bimbohood

The Addiction of Bimbohood

If you will
like excuse me, *giggle*
the changes kick in really
fast and are extremely
...um...personal...

See you
like totally later
LuLu. teehee

Oh Paris,
I see it now...you'll end
up as a cheap Bimbo slut...
doing WebCam Videos on
filthy web pages...but go
have fun.

How kewl!
I, like, totes can't wait.
Byeeee! *giggle*

The Addiction of Bimbohood

A few hours later a completely satisfied Paris returns to her Room, where the effect of the pills run out and her body and mind revert to normal...but Brad has other plans with his new knowledge...

Yo, nerdy
Nelson...what's
up?

How often
do I need to ask you <snort>
please don't call me nerdy...
what do you want?

Yea, yea,
whatever Nelson. Listen, change
tomorrow's exam grades so Louisa the loser
fails with an, umm, a B--!

sigh
Again? Now Louisa's
grade? THAT is technically
not possible, a B-- grade doesn't exist,
but an A- would be logical...

Whatever, nerd.
Just not an A! Do that
and I will think about inviting
you to the upcoming frat
party...Deal?

WHAT?
Really!? Alright...
A- for Louisa this time.
The usual B+
for you?

Duh!
See you tomorrow,
nerdy Nelson...

I told
you....

The Addiction of Bimbohood

Monday morning...

Morning, Louisa.
And? Are you ready?
What do you think? - Will
the exam be hard?

Morning <yawn>
Not very hard to be sure.
I understood every chapter...how about you?
What did you think?

I mean you
used those Bimbo Pills
quite often these past few weeks...
Are you sure you're
ready too?

Naaah, I'm
not worried. Those little
helpers are there to keep my inner
balance and they are doing a great
job. I think the next A I get
will be on this exam.

Of course. This will
be the last exam for the semester.
Every grade I earned was an A... this one
will be an A too...and with it my
final grade!

The Addiction of Bimbohood

A few hours and one Exam later...

hehe

Wow,
you finished
really fast. What did
you think?

Oh...as expected.
This exam was nothing and
my next grade is a
perfect score.

But if you will
excuse me...there are some
interesting studies waiting
in the library...

See you later
Paris. Bye.

Alright.
See you later.
Bye

The Addiction of Bimbohood

And finally: Monday evening

There is nothing better to calm down than reading a book in the most noble language...Latin.

bzzzzt
bzzzzt
bzzzzt

Ahh...here comes my newest masterpiece... another final - the A Grade!

WHAT THE?!

A- ?!?

This...this must be a mistake! THAT can't be! I...never fail!

The Addiction of Bimbohood

I..failed!

I'm a loser!

I had only
one chance to prove myself . . . but,
as always, I failed.

sob
A- . . . What will my
parents say? "Louisa - you're
an embarrassment to
your family!"

I should

Should I take
the last pill? Is
it too soon after
the last BimboMaxx
I took?

I, *um,* can't
remember. So I shouldn't...
but I, *like,* want to.

The massive increase in breast mass and sensitivity drives Louisa, or Lulu, crazier. And while her cravings for sex become overwhelming, more changes appear.

Ahhh, fuck...
mmmmhh

The Addiction of Bimbohood

Lulu's eye lashes start growing longer and thicker, while the skin pigments around her eyes change to resemble heavy makeup. Her nose-tip points upward and its bridge shrinks while curving inwards...giving her a girlish looking snubby nose.

Lulu's formerly pedestrian lips plump up, getting rounder, softer. The swelling awakens something else in her – the need to use her new cock pillows, the craving to suck, slurp, and slobber on something hard. Her finger is not enough...

The Addiction of Bimbohood

And with hungry, pure lust-filled, but dull eyes, Lulu looks up at Paris.

Ohhh? U look
wike soooo hawt baaabe.
And, wike, what u have
in ur hand?

But Paris' Bimbofication is much faster...after the many times she has used BimboMaxx.

stupid and hotter than a pornstar.
These pills are incredible.

Then late night...

The Addiction of Bimbohood

Through the early hours of the morning, when Paris finally falls into sweet slumber, exhausted and satisfied, as the effects from the BimboMaxx wear off.

The Addiction of Bimbohood

Soon after Brad and Louisa left, Paris' body has returned to its original form, snoozing on the couch...

Meanwhile in Brad's room...

After a few hours of sleep, Louisa's Bimbomaxx has worn off and she returned to her normal state...

The Addiction of Bimbohood

But his room
is not that far away...
and it's only the early
afternoon...

My clothes...
and my glasses are in my
dorm...hm...I will use one
of his shirts. They are
large enough.

But at least...
Paris was right...I feel
relaxed. *But next time*
I should ... stop!

There is NO
next time for me. It
was an unusual situation
and I overreacted.

Ah, there's
a shirt...looks like a
football shirt?

Of course...he
is the quarterback *and so*
manly and hawt...
... stop!

Why am I
thinking like
this?

The Addiction of Bimbohood

Still, that was very exciting...I've never done anything like that.

First I take pills that change me completely...

Then fuck a guy I don't even like for hours...

... and now just snuck back to my room, hoping that no one saw me... in his shirt.

Glad I found one of Paris' gowns to change into. The low-cut feels like, kinda hawt.

What an adventure!

Good thing my parents don't know... *hiki*... That would really cause trouble.

The Addiction of Bimbohood

The Addiction of Bimbohood

The Addiction of Bimbohood

What the...

That's not

I have never...

Ah whatevs.
Louisa... I just won
something.

As the 100,000th
customer I just won a lifetime supply
of all products from AmazCorp,
including BimboMaxx.

The Addiction of Bimbohood

The Addiction of Bimbohood

Both Louisa and Paris were distraught after this outburst of bimboish behavior. And while Paris goes for a walk to clear her head, Louisa goes for a shower... but unfamiliar thoughts distract her more and more. Or is it pent up lust breaking through?

The Addiction of Bimbohood

But what Louisa could not expect is that, due to her overdose yesterday, the effect not only lasted much longer... .. but also, now every time she gets horny, her body has a little metamorphosis. As if she had taken half a pill of BimboMaxx.

The Addiction of Bimbohood

But even the hoped-for shower does not calm Louisa's desire and her unexpected transformation continues...

Oh my...
where is that...heat...
coming from? I...never felt
THAT aroused before.

...but how much of a Bimbo will she be this time...without taking a pill?

The Addiction of Bimbohood

Louisa's perky breasts...

grow

Wrong...
I was wrong...
I felt that aroused
when I took the
BimboMaxx.

stretch

So unexpected...
That *totes* must be like
a side effect thingie...

g-i-g-g-l-e

...to spherical, fake looking double D's in no time.

The Addiction of Bimbohood

The same happens with her legs, which from thin and scrawny fill out to...

The Addiction of Bimbohood

The Addiction of Bimbohood

Sunday morning...after a few hours full of intimacy, Louisa's body has fully returned to its original look. But something inside her has changed... Her style is more revealing, more feminine, more sexual...

Seriously, Lou.
Yesterday's transformation. Did
you find a lost Bimbo
Maxx Pill?

Seriously,
Paris. I have no idea.
I went to the bathroom for
a shower and my mind was
flooded with images from
last night. I got horny...

...like never
before and with the
hornyness my body and mind
changed...bimbofied. But I
was fully aware this time.

I see...but your tastes
have...slightly changed...huh?
one second.

What?
Really?

That is AmazCorp...
Lou...my last order was
the 2k12 order they got...
I...they..gave...me...

I...have won a
lifetime supply of all their
products, including our order
from yesterday.

10 packages...of each product from
them...we're going to need
some free space...

The Addiction of Bimbohood

I feel the same way, Louisa. And I want to live that lifestyle far more - with you. So, why are you struggling?

It doesn't matter what I want. It matters what my parents want, because they have the money and the influence. Without them I would be nothing, I won't give that up for simple pleasure.

I see. But you can have the same, without them.

The Addiction of Bimbohood

I see WHY
you depend on your
parents, Louisa.

How old were they
again? 65+, right? They are rich,
but old. They fly on vacation, sit on
their money and get their kicks
exerting power over you
and your life.

You can have all this and much more,
even as a young woman. You may not be
aware of it, but this lifestyle is not only a lot of
makeup and fun. Many women who consciously go
the bimbo lifestyle are not only in demand but
also are popular. All your parents offer you
are wrinkles, worries, premature gray hair
and maybe an inheritance.

I realized very quickly
when I took BimboMaxx for the first time. Some
might call it addiction...but aren't you also
dependent on your parents' money, Louisa?

I don't want to impose
my way on you, but you will not
be away from it. As soon as those pills
are there, I'll pop some in and enjoy
my new bimbo existence.

And you are my best friend.
I would really like to have you by my side.
Together we can achieve everything and much
more - than slutty bimbos.

The Addiction of Bimbohood

Is this an unusual lifestyle?
Perhaps...but we no longer live in the 1950s,
today we live in an equal society. And what
men are allowed to do, we women are
even more allowed to do.

That may not go down well with all
the die-hards, but their numbers are shrinking.
And basically, even they cannot resist
a shapely female body with
a bubbly mind.

Is her Ass
bigger? Or just my
imagination?

Look at Brad. He takes
every opportunity to tease and humiliate you.
When you were a horny bimbo slut sucking his cock,
you could demand anything from him, right? And
best of all, you did it on your own.

Hmmm

The Addiction of Bimbohood

The Addiction of Bimbohood

She acts just like
I did at first...She will
come around.

* Ding *
* Dong *

Of course, if that
is your wish my dear Louisa. But you
can always help yourself to my stock -
as soon as it gets here.

But Paris isn't falling on her face, nor is she backing down. She remembers what she said to Louisa shortly before. Men are like wax when a woman does it right.

I understand...had just hoped that such a picture of a man would help a weak woman to carry...so as to be a chivalrous gentleman.

No, Miss, I...

But if it is against the company's policy to provide top level service to the customer...and possibly to receive a personal tip, so easyyy...

Miss...

Oh so strong arms... and such a manly face....

The Addiction of Bimbohood

A woman's weapons are always effective. No matter whether intentionally or unintentionally. And in Paris' case, she is now consciously using these small, yet serious signals. She could also handle it differently...but she decided to be more seductive, more bimbolike.

But as Paris' breasts swell with more and more milk, she begins to wonder if she was smart to keep her shirt on. Milk stains can be easily removed...but the pressure her growing tits put on the constraining fabric becomes too much and starts to get uncomfortable.

And so with some relief...

Inside the bathroom, just a few moments later....

Actually, I should have known that Louisa reacts more sentimentally as a bimbo than as a cool logician...

... but nevertheless she is not wrong. I'm not really satisfied with the result.

The milk flow feels stimulating, but I don't like the way my breasts look, nor the massive pressure.

Speaking of pressure...

Are you serious? You're kidding me, right?

The Addiction of Bimbohood

I didn't even know
that nipple allows a
milk torrent....

What? Can I
help you, Lulu?

U? Me? Nah...
I'm here 'cause I
was thinking...

I want my
bestie to be happy...
and what makes us
both happy?

How sweet
you are...

The Addiction of Bimbohood

A BimboMaxx Pill? And the side effects?

Like... who cares 'bout them? They didn't hurt me last time...

And Side Effects is like totally just one of that Amaz2k12 Guy Comics, fer sure!

giggle

Hmm, I don't really know.... with your overdose the effect lasted much longer and there was even a resurgence that ended in a shopping spree...

That's totally absolutely true, but....

Regardless of Pari's thoughts disappearing in pink clouds, BimboMaxx unfolds its full effect.

giggle

The Addiction of Bimbohood

But Paris milk flow is apparently affected by both pills... because Louisa's body reacts...

The Addiction of Bimbohood

And so the effect of Luisa's BimboMaxx seems to be reinforced once again...

her second overdose within a short time.

The Addiction of Bimbohood

Also, it must not be forgotten that not only BimboMaxx now works twice...

...because Paris had originally taken a MilkMade pill before she took the next BimboMaxx.

The Addiction of Bimbohood

The Addiction of Bimbohood

The Addiction of Bimbohood

And while the new double dosage of Bimbo Maxx takes full effect and Lulu massively dumbs down...

...the unexpected additional dosage of MilkMade kicks in and Lulu's enormous breasts start to lactate.

Under the influence of these pills Lulu's lust levels are nearly at their maximum, she is aroused like never before and her hunger for wild sex is overwhelming...

The Addiction of Bimbohood

The Addiction of Bimbohood

Some time, and many squirtings later...

Ummm...

Why not...
but we also could

There are like

giggle

Mhhh... I like

The Addiction of Bimbohood

The Addiction of Bimbohood

How do those two boring nerds manage to become so insanely hot every time I see them?

BRAD!

What is it, Hannah?

I'm still here... Do you know how disrespectful that is, Brad?

Excuse me?

Glaring shamelessly at those caricatures of women while I'm with you. It sounds like you know them but still...

Oh, you mean Louisa and Paris.... Of course I know them. You do too, even if you didn't recognize them.

The Addiction of Bimbohood

The Addiction of Bimbohood

You know what, Brad? I'm far more woman than these sluts. I'm out! Don't call me.

Hannah's best side is definitely her backside as she walks away. But the girls, maybe they forgot to lock their door?

Gotcha!

Tell me your secret, Ladies. I promise... I will use it wisely. hehe

The Addiction of Bimbohood

Inside Louisa and Paris dorm...

The Addiction of Bimbohood

Meanwhile, at the Beach...

... some of Paris Milk splurts from her breasts...

... and drops into the drink of a sunbathing woman.

The Addiction of Bimbohood

This goes unnoticed, however...

Oh boy...
I'm thirsty...

... mhhh...

Mmhhh...
this heat...

... which may trigger some unexpected effects...

The Addiction of Bimbohood

Every cause has an effect, and every effect has a cause. The breast milk, altered by Paris' pills, dripped into the drink which was drank by the woman starts such an effect on her body and mind.

... mhhh...

Me
like dis place...
a good view.

giggle

... while an alluring heat flows through her body and her vagina clamours for attention, the woman's body changes noticeably... her hair grows and starts to bleach out... her- once tiny-breasts start to develop... growing cup size by cup size and gaining new sensitivity, turning her on even more...

And it's
becomin' far better.
teehee

Sooo...
tay **hay hay** sty.
Oh my...

Her thick and full pubic hair is visibly thinning out - but she hardly seems to notice the changes her body is going through because of the swelling pleasure. Her face, formerly strict and disciplined, becomes more youthful and her thin lips gain significant mass.

The Addiction of Bimbohood

The Addiction of Bimbohood

Hi!

I'm Fabienne
and... um... you
both look sooo hot.
Wanna make out
with me?

I'm like
sooo sure that two
hot Beach Bunnys
would love to...

Like, hi!
Me Paris and dis
is like, totally Lulu.
An' you are sooo
right... teehee

The Addiction of Bimbohood

The Addiction of Bimbohood

The diluted milk in the drink was already effective...

... but Paris's undiluted milk is even more potent and Fabienne changes in a very short time.

The Addiction of Bimbohood

In the meantime in Brad's room. At his invitation, Hannah came to return to resume her argument.

Hannah believe me. This little pill here turned Paris and Louisa into those airheads we saw.

Really, Brad? I've heard a lot of lame excuses...

But you know what? I'll show you that this pill is nothing more than a sweet candy...

... And if you ever embarrass me like that again, that's it.

Hannah! No! Wait!

hmmm... Delicious.

Yeaaa...

other sluts who will

pills!

The Addiction of Bimbohood

the uncontrolled consumption of natural bimbo milk caused a real orgy on the nude beach where an excess of full-bodied bimbos devoured a handful of guys...

The Addiction of Bimbohood

And so... Many hours of hot and steamy sex later...

*It's gettin'
like sooo borin' Paris.*

*There are no

The Addiction of Bimbohood

The Addiction of Bimbohood

We could break off our studies, u know?

It's like totally borin' and nobody really needs stuff like that anymore.

Who looks as hawt, youn' and sexy as Paris an' her slutty sistah Lulu.

We could have like totally a lot of fun, always partyin' or chillin' on the beach,

Fuckin' or suckin' lots of guy's yummy cawcks... u know...

Get out.
I'm not in the mood for
one of your stupid scenes
this early in the
morning.

It's not
over yet, I'm going
to the principal.

Go to the
director, if you want.
I don't care.

I'm ruining
you. You'll be
expelled from here,
you asshole.

But don't overdo
it, because I can ruin you
too and as long as you're not a
cock-hungry, horny bimbo slut,
I'll do it anyway.

pft... Hell
will freeze over before
that happens.

Hmm... I have seen
the effect of BimboMaxx.
But what does Girl Power do?
Maybe I should check
the website...

The Addiction of Bimbohood

Just a few rooms and one unit away, Louisa wakes up from deep and highly erotic dreams...

The Addiction of Bimbohood

And in Paris' dormitory...

Wait... they never jiggled like that... could it be?

Oh my God! They truly are bigger! A lot bigger...

The Addiction of Bimbohood

But both seem to perceive the changes differently...

Fucking great...

I have to stop, this is getting out of hand.

I'll have to buy new bras later, my old ones are all... too small.

What's the best way to hide these things?

Fucking great!

My tits are so much bigger than yesterday. That must be a side effect of the different pills.

I can't wait to buy new tops, shirts and bra's to really show off these girls.

Hmm... guess a C? Maybe D or even DD- cups? So fucking amazing!

The Addiction of Bimbohood

Lou, you won't believe it. I measured my bust size earlier, and my girls have grown. How about we head to the mall later? It's clear we both need new bras.

Of course! Do you already know the size you need?

Oh, Lou, I'm now proudly sporting a 34DD or E bust now.

Now that's what I call a growth spurt.

Your girls are also a bit bigger, aren't they? Have you measured them?

No, and I don't want to either.

Why not?

The Addiction of Bimbohood

The Addiction of Bimbohood

Perhaps I'll skip the lesson and head straight to shopping.

On the other hand, I miss the way most guys gaze at my big breasts while trying not to.

Could this be a lingering effect from the pills?

While she's not entirely wrong, I'm as sharp as a porcelain knife and a so wet underneath. I should change my panties again.

Considering a different shirt for more cleavage? Nah-ha... Lou, are you coming? We need to head to the lecture hall; class is about to start.

The Addiction of Bimbohood

The Addiction of Bimbohood

Meanwhile, on a corridor of the university, Brad encounters Nelson, the geek. Having dedicated his weekend to a comprehensive exploration of AmazCorp's online offerings, Brad is struck by a brilliant idea. (Yes, even Brad is capable of having brilliant ideas.)

The Addiction of Bimbohood

Nelson,
you're a lost cause,
seriously.

I've been
messing with you
for years for a reason.
To make some balls grow
on you so you finally stand
up for yourself. Instead,
you always back down.

Women dig tough guys.
If you want to understand women
better, you should learn how a
woman thinks and feels.

So, as an
old buddy from kindergarten,
I'm gifting you this little pill.

Pop that, and
for the next 8 hours,
you won't just think and
feel like a woman; you'll be
a full-on woman - with
all the works.

It's your
call, Nelson.

Seriously?

The Addiction of Bimbohood

The Addiction of Bimbohood

Dang... I literally
sense my bone structure changing,
and somehow it's not
even painful...

I feel the fabric
on my skin, it's somehow more
vivid than ever before...

grow

oh my G... *moan*
the sensations... so
orgasmic!

The Addiction of Bimbohood

Breasts! I have grown breasts... I feel that little mass moving on my chest with every breath.

Just look, Brad, how dainty my fingers are, and these fingernails... so delicate.

And what is this sensation in... Oh my God! It's... gone!

I am truly a biological woman... a girl!

The Addiction of Bimbohood

So it's true...
Women don't feel
differently than men,
but they perceive things
differently as men.

This shirt feels
coarse against my skin,
repelling yet strangely
stimulating me...

And the
sensations of simple
touches... mhhh...
yes, right here...

I should remove
this shirt... the constant
touch of my hands, the fabric
against my chest, ignites
sparks of desire down
my spine.

I picked your
outfit, Nelson. There
should be someth...
holy hhit!

The Addiction of Bimbohood

The Addiction of Bimbohood

The Addiction of Bimbohood

Brad, are you kidding me? THESE are the clothes you picked out? What kind of women are hanging around at your place?

And still, I can't help but love the sensation of the fabric on my skin... so incredibly soft... delightfully pleasant...

Perhaps the breeze will provide a little relief? Although... the direct touch of the fabric against my nipples... the sensation is... electrifying. Hard to focus...

Why am I playing the outraged one, anyway? Isn't there a part of me that feels... No!

The Addiction of Bimbohood

I don't own any other outfits, Nel. As for the women who visit me? Well, a few, and you know them too. Hannah was here just half an hour ago, Paris the day before yesterday, Lou... Like I said, just a few.

You're quite the operator, Brad. I had no clue... Paris too? And Lou... are we talking about Louisa? But, I'm getting off track again.

Thanks for the clothes, even though I'll need some time adjusting to parading half-naked down the hallway.

Why are my nipples tingling so intensely as he lists all those women? Don't tell me this is turning me on too...

That's right... each one of them was passable. But remember, you're doing this to figure out the ropes. Don't lose sight of that. And in 8 hours, the whole enchantment will be done; you better be back in your dorm, understood?

No worries... but now I have to go. We... ummm... will see each other.

However, the intimate conversation is suddenly cut off...

Excuse me, ladies, but what were we talking about before I so rudely interrupted?

Hey Mr. Interrupter, we were talking about important girl stuff. Like how to spot a guy who's trying too hard.

I can't stand tryhards, either. Imagine spending so much energy just to communicate, couldn't be me.

Talking to pretty girls should be effortless. It just comes naturally to men. Speaking of, my name's James, and you two are?

The Addiction of Bimbohood

The Addiction of Bimbohood

The Addiction of Bimbohood

Bestowing a smile has never been known to cause harm, as Paris rightly surmises.

Hey there!
Wanna come hang
out ...

However, the young man fails to react as anticipated,
nervously avoiding Nel's sweet smile and alluring
gaze...

... with us?

Oh...

Here's a quirky twist: Nel had no clue that her
fluttering eyelashes could be seen as seductive;
to her, it was just a regular blink with a side of
normalcy...

The Addiction of Bimbohood

Yet, just as Nel, clearly disheartened, swivels back towards Paris, his head snaps back towards her, sporting a sly grin as if his thoughts had taken a wild detour from the disappointment that unfolded.

Oh my gosh, did I... did I do something wrong?

No, honey, you did everything just fine.

But that guy over there? He's all wrong. He's practically stripping you down with his eyes, imagining what he'd do if he had the nerve and the balls.

He's at it again, staring with that big grin of his. Wanna bet he'll bolt straight for the checkout, all stiff and uncomfortable, just to keep his distance from us?

He's inexperienced, spineless, and thinks he's fooling everyone with what's going on inside his head..

Now I get what you were saying earlier, Paris... I... I'm getting major goosebumps.

The Addiction of Bimbohood

The Addiction of Bimbohood

Just in the nick of time, Nelson returns to his dorm room as the effects of "Girl Power" start to fade. Hastily, he sheds his clothes and rushes to the mirror...

Wow, what an experience... I never imagined... ohhh... that...

... that being a woman would be so...mh... enjoyable... mhhh... but...

... but I only experienced the pleasant parts... thankfully, I didn't have to deal with the cramps and periods that so many people talk about... ugh...

As swiftly as the effect takes hold, it seems to dissipate just as fast, evidenced by one of the perky breasts visibly shrinking before his eyes.

Goodbye, my perky girls... I'll miss you in some strange way.

What were just moments ago a pair of proud, slightly bouncing girl's breasts, now revert back to the firm tissue of an untrained male chest.

The Addiction of Bimbohood

As the transformation continues, every aspect of Nelson's body undergoes a profound metamorphosis, right down to the smallest cellular level. Bones, once shaped for a female, child-bearing physique, shift back to their male form.

Even Nelson's once underdeveloped geek muscles now regain density and strength, poised to confront the primal challenges of hunting in humanity's distant past.

With a remarkable shift, the once present vagina closes, and the clitoris elongates and widens, gradually forming into a penis. And amidst this transformation, the testicles reappear, completing the journey of gender realignment.

The Addiction of Bimbohood

Upon experiencing his first orgasm as a male once more, Nelson reunites with his true identity, transcending the female spheres. With a mixture of relief and wonder, he experiences his first orgasm as a male, a moment of profound reunification with his identity.

YESSSSSSS!

Hey there, Nelson! Don't be afraid of your sexuality. You know what's attractive to women, now go attract them!

Oh gosh! It's back! I'm a dude again!

Yet, does this mark the end of Nel's existence, or a transformative beginning? What wisdom has he gained from this journey? The future holds the answers; let anticipation guide us.
