A man with dark hair, wearing a white lab coat over a white shirt and dark trousers, stands in a laboratory. He is holding a white mug in his right hand and another white mug in his left hand, which is positioned near a microscope on a lab bench. The background shows laboratory shelves with various glassware, test tubes, and a poster of a DNA double helix. A woman with blonde hair, wearing a white lab coat over a black floral top and black shorts, stands to his left, looking at him. Two speech bubbles are present: a blue one above the man's head and a pink one between them.

A man with dark, wavy hair and a slight smile is looking down at a woman with long, wavy blonde hair. He is wearing a white polo shirt. The woman is seen from the back, wearing a black strapless top. They are in a gym, with a white exercise machine and an orange balloon visible in the background.

A man with dark hair, wearing a white long-sleeved shirt and black trousers, is leaning over a nude woman who is lying on her back on a light-colored tiled floor. The man's right hand is resting on the woman's hip. In the background, there are orange chairs with clear plastic bases. Two speech bubbles are overlaid on the image, one above the other on the left side.
