

00:00:00

Hey, look at you.

00:00:05

PJ's on all curled up.

00:00:12

I hope this isn't a weird thing to say, but I think this is my.

00:00:19

My favorite out of year look so far.

00:00:22

I didn't expect, like, I. I don't know, it just.

00:00:32

It kind of hit me just seeing you here, like you're really here.

00:00:40

Like a dream come true.

00:00:46

Yeah, sure, Sure.

00:00:53

You know what else?

00:00:54

I love the PJ's.

00:00:58

They look so.

00:01:00

So comfy.

00:01:03

Can I touch it?

00:01:07

Oh, that's so soft.

00:01:10

Yeah, I bet.

00:01:11

I bet.

00:01:16

Uh, yeah.

00:01:22

Well, should I tell you this?

00:01:28

Okay.

00:01:29

Okay, fine.

00:01:30

This is.

00:01:31

This is actually outfit option number five.

00:01:37

I'm not.

00:01:38

I'm not lying.

00:01:42

I was going through my closet thinking, like, what.

00:01:48

What am I gonna wear tonight?

00:01:51

And with every outfit I found just something wrong with it.

00:01:56

It was either just a little bit too much, you know, like a little va va, voom.

00:02:04

God, I'm so weird.

00:02:07

Or.

00:02:08

Or it was like, I'm not putting any effort, like, I can't show up, like, in a.

00:02:14

In a T shirt that's, like, completely worn out after having been washed so many times and before I knew it, it's been 10 minutes, and I just.

00:02:25

I had to tell myself, like, you know, enough is enough.

00:02:28

Like, just this one is fine.

00:02:31

And do the T-shirt and shorts, and it will all be okay.

00:02:39

Yeah.

00:02:40

Yeah, I guess.

00:02:44

Secret is out on that.

00:02:45

Yeah, I was.

00:02:47

I was a bit nervous for sure.

00:02:50

Another sign of that is the amount of pillows.

00:02:56

I think I might have gone a little bit overboard, but I didn't know how many you sleep with.

00:03:03

What?

00:03:05

Oh.

00:03:05

Oh, oh, okay.

00:03:08

I always have three.

00:03:10

Like, at least.

00:03:13

Yeah.

00:03:14

See, one goes under my head, obviously, and then I have one in between my knees because.

00:03:22

Oh, my God.

00:03:24

No, no.

00:03:25

Oh, I can't.

00:03:26

I can't.

00:03:26

I can't stand the feeling of them touching each other.

00:03:30

It's.

00:03:31

I don't even know how to describe it.

00:03:32

It's just.

00:03:33

I can't.

00:03:34

I can't.

00:03:39

Are you not a side sleeper then?

00:03:44

Or do you do the blanket tuck?

00:03:47

The blanket tuck?

00:03:48

Like you put a part of your blanket in between your knees.

00:03:54

Oh.

00:03:55

Oh, okay.

00:03:56

Okay.

00:03:56

Know that.

00:03:57

That actually makes sense.

00:03:58

Then.

00:04:01

Oh, and then.

00:04:02

Then I need one pillow to hold because.

00:04:06

I don't know, I like to hug something when I sleep.

00:04:09

Don't.

00:04:10

Don't judge me.

00:04:15

What?

00:04:20

No, I saw that look.

00:04:22

What does that look mean?

00:04:29

Hey, you can tell me anything.

00:04:33

Okay, I won't.

00:04:39

I won't laugh.

00:04:46

A body pillow?

00:04:50

Hey, come back.

00:04:55

Don't.

00:04:55

Stop hiding.

00:04:57

Stop hiding under the Pillows!

00:05:02

Look, I'm only laughing at you hiding

00:05:04

Okay?

00:05:08

Sleeping with a body pillow.

00:05:10

That's.

00:05:11

You don't have to be embarrassed about that.

00:05:19

Look, I just told you that I sleep with lots of pillows.

00:05:22

You just happen to have one that replaces most of them.

00:05:27

So when you think about it, you're.

00:05:29

You're just smarter than me.

00:05:31

Really.

00:05:31

Like, you have the better solution.

00:05:41

Mm.

00:05:41

Yeah.

00:05:49

Did you.

00:05:52

Did you spend a lot of time thinking about this moment, too?

00:05:59

Like, what, you were gonna pack the PJs.

00:06:04

All of.

00:06:12

Is slightly different, right?

00:06:16

Yeah.

00:06:17

I mean, it's not like we haven't cuddled before or.

00:06:25

But this.

00:06:27

It feels more intimate.

00:06:30

Like, it's not the same as on the couch, so it feels different.

00:06:39

Yeah.

00:06:43

And, you know, while we're on the topic, I know this is a little outside of your comfort zone.

00:06:56

Like, not even necessarily just the sleeping over part, just being close like this and letting someone stay.

00:07:11

I. I get that this is a lot, But I'm really glad that you're here.

00:07:34

Like I mentioned, you're.

00:07:37

You're not alone in being a bit nervous right now.

00:07:42

And maybe it's not exactly the same thing, but.

00:07:51

I just.

00:07:54

I wanted to get this right, and I wanted to make sure that you feel safe.

00:08:04

Hence the PJ changes and the mountain of pillows.

00:08:11

And also telling you that I, too, was going through a bit of preparation.

00:08:20

Hopefully it would make you feel a bit better knowing that you weren't the only one that kind of.

00:08:28

Yeah, was thinking a lot about it.

00:08:39

What if you snore?

00:08:44

I don't actually really care if I'm perfectly honest.

00:08:49

Or maybe I'll.

00:08:51

I'll turn you over to help.

00:08:53

I'll do the whole, like, hug and roll thing.

00:08:58

Yeah, Like, I'll just put my arms around you, hug you really tight, and then I will just roll you over.

00:09:12

No, I can sleep through almost everything.

00:09:19

If you drool?

you can drool on me anytime.

00:09:32

What?

00:09:35

Come.

00:09:36

You gotta give that one to me.

00:09:38

That was smooth.

00:09:42

In fact, I think you should put that in the book of the best pickup lines during a sleepover ever.

00:09:51

Okay, Seriously.

00:09:52

Seriously.

00:09:55

If you drool, it just means that you're completely relaxed.

00:10:03

You can drool, you can snore, you can toss, you can turn the one thing, like, try your best to not hit me or kick me, because I do bruise like a peach, so.

00:10:20

But other than that, we're good.

00:10:23

And if you should accidentally do every one of those things, you have to massage that area in the morning.

00:10:33

No, stop.

00:10:36

Honey, I can see those wheels turning worrying.

00:10:43

Okay, listen, whatever happens, it happens.

00:10:51

It'll be okay.

00:10:53

We'll figure it out.

00:11:03

Come here.

00:11:07

Yeah.

00:11:07

I won't hold you.

00:11:09

Only if you're comfortable, though.

00:11:21

Hmm.

00:11:25

You know, first time like this, and you pick me.

00:11:32

I just want you to know that I don't.

00:11:35

I don't take that for granted.

00:11:43

Yeah, it's okay.

00:11:46

You can scooch a bit closer, too.

00:11:49

Yeah.

00:11:51

Until your back is against my chest.

00:11:59

You go.

00:12:03

I'm gonna put my arms right here, just under yours.

00:12:07

Okay.

00:12:11

You can rest yours against mine.

00:12:19

There you go.

00:12:23

See?

00:12:27

It's not so bad, right?

00:12:32

No, you're doing great.

00:12:36

Yeah, baby.

00:12:43

You just let me know if it gets too much, okay?

00:12:47

You can say pineapple.

00:12:51

Would you tap me on my hand.

00:12:55

Yes.

00:12:56

Yes.

00:12:57

We.

00:12:58

Safe word.

00:13:00

They're not just for.

00:13:03

You know, they work here, too.

00:13:08

I don't know why.

00:13:08

Actually, pineapple was just the first thing that came to mind.

00:13:15

It is a great fruit, though you must admit.

00:13:19

It's kind of overrated, honestly.

00:13:27

Oh, is it really?

00:13:30

Okay, so it's like a collection of berries then.

00:13:38

So it's a berry, berry good fruit.

00:13:42

Okay, that was bad.

00:13:45

Even I have to admit, that was.

00:13:47

Yeah, that was bad.

00:13:52

Multifruit.

00:13:54

Okay.

00:13:56

I don't think I've heard of that.

00:14:02

How did you get so smart, huh?

00:14:07

You are.

00:14:10

I feel like every time I'm with you, I. I learn, like, little new things every time.

00:14:17

Little factual nuggets.

00:14:21

Mm.

00:14:23

Yeah.

00:14:26

You always have these different facts about most everything, really.

00:14:37

Hey.

00:14:40

You okay?

00:14:43

You're.

00:14:44

You're trembling a little bit.

00:14:50

Hey, hey, it's okay.

00:14:54

Don't be embarrassed, okay?

00:14:57

Just open cards, remember?

00:15:04

Okay.

00:15:04

Let me give you some space.

00:15:08

Listen, the only thing I care about and the reason why I'm asking you is because I know we can.

00:15:19

Sometimes it can be difficult to say no in words or to ask for a break, so I'm trying to pay attention to body language, and I just.

00:15:36

I noticed a trembling, and I wasn't sure if it was a. I'm just a bit nervous, but I want this.

00:15:47

Or if it's.

00:15:49

This is too overwhelming right now.

00:15:56

I want to make sure that you know what you can tell me.

00:16:01

Okay?

00:16:07

Nothing bad is gonna happen.

00:16:10

The only thing that's going to happen is that I'll give you some space.

00:16:16

Just like now.

00:16:20

Okay?

00:16:27

So the first thing.

00:16:29

I'm just nervous.

00:16:30

But you do want to cuddle.

00:16:38

Okay.

00:16:39

Okay.

00:16:40

I'm just.

00:16:41

Scooch back, So.

00:16:49

Right.

00:16:52

In fact, I think it's perfectly normal.

00:16:54

Really?

00:16:59

But we're just talking and sleeping.

00:17:01

All right.

00:17:04

Mm.

00:17:07

And you are in charge here, okay?

00:17:13

So anytime you want some space, you know what to do.

00:17:19

Exactly.

00:17:21

Pineapple or tab.

00:17:27

Oh, tap.

00:17:28

Yeah, tap.

00:17:32

Yeah, Exactly.

00:17:42

Pineapple or tap.

00:17:55

I like this, too.

00:18:01

There's something about being the big spoon.

00:18:04

It just feels really.

00:18:09

I don't know, really rewarding, I think.

00:18:18

And you're really nice to hold.

00:18:22

Feels good.

00:18:36

Did you have fun today?

00:18:41

Yeah.

00:18:42

Oh, I'm glad.

00:18:46

I really did, baby.

00:18:47

I really did.

00:18:50

I think my favorite part was when you took my hand on top of the Ferris wheel.

00:19:00

I was trying to play it all cool and whatever, but I really don't like heights, as you probably noticed.

00:19:14

Yeah.

00:19:14

And honestly, I was traumatized by certain kind of attractions quite some time ago.

00:19:22

No, no, no.

00:19:23

Not.

00:19:23

Not the Ferris wheel.

00:19:25

The.

00:19:26

The ones that just shoot you straight up and then they just drop you back down.

00:19:36

I have.

00:19:36

I have once.

00:19:38

And never, never.

00:19:40

I will never do that again.

00:19:43

I mean, that.

00:19:46

That experience was enough to literally scar me for life.

00:19:52

Yeah, I think I was like.

00:19:55

Was I 14, maybe?

00:19:58

Yeah, like 13, 14, something like that.

00:20:00

Anyway, so it was me and my brother and some friends, and we were at this amusement park, and everyone was talking about this new attraction that they had just opened.

00:20:15

And it was just one of those things that I mentioned.

00:20:19

And I think I was the only one completely panicking on the inside just by the bare thought of going on there.

00:20:27

But everyone else was just super, super excited about it, like, egging each other on.

00:20:35

And I didn't want to be the person that was, like, the coward, I guess, or the uncool person or whatever.

00:20:48

I guess I wanted to seem braver than I really am, which is.

00:20:52

Don't recommend it.

00:20:55

But anyway, we get to the queue, and it's really long, so you have some time to process everything, which was not good.

00:21:05

Not good.

00:21:08

I was just standing there sweating, I think.

00:21:12

Panicking to the point where, you know when you're really stressed and you're so much in your own head that everything that happens outside is kind of just a little blur.

00:21:24

Like, I'm registering that there's talking and everything going on, but I. I have no idea what they're saying.

00:21:31

I'm just thinking to myself, there is no way.

00:21:35

There is no way I'm either going to wet myself, I'm going to have a heart attack, or I'm going to vomit.

00:21:44

There's at least one of those things that's going to happen.

00:21:48

And I try to think of all the possible legit reasons that I could have for just getting out of this

queue, like, just escaping the situation.

00:22:01

Nothing.

00:22:02

I couldn't think of a single thing that wouldn't come off as me.

00:22:07

As me being scared, like, which I really was.

00:22:10

And I was not about to make that happen.

00:22:13

Like my own pride could not take that big mistake.

00:22:20

So I did it right.

00:22:22

I sat on the thing, I put on the seat belt, and I was shaking so badly.

00:22:31

And then the ground just disappeared.

00:22:36

And I scream bloody murder.

00:22:42

And as soon as we hit the ground, I vomit.

00:22:48

Oh, it was so bad.

00:22:53

I will never, ever do that again.

00:22:56

At least, yeah, at least I did not wet myself.

00:22:59

That was.

00:22:59

That was a really good thing.

00:23:01

But.

00:23:02

Oh, my God.

00:23:05

And then just the cherry on top of this terrible experience.

00:23:14

They take a photo just before they.

00:23:17

They drop you at the very top.

00:23:20

And I had my hair in a ponytail that day, but some strands, like, right here in the front had escaped, and they stood up on either side in a kind of shaped almost like.

00:23:36

Almost like horns.

00:23:39

So devil's horns appear.

00:23:41

Okay.

00:23:43

Wide open mouth, eyes twice as big as normal.

00:23:47

Just.

00:23:48

Just pure terror.

00:23:52

I. I don't.

00:23:53

I don't know why on earth would I say that on my phone.

00:23:59

My brother has it, though, and, yeah, he's.

00:24:02

He will never, ever let me forget that moment.

00:24:12

What you do.

00:24:16

You do.

00:24:17

You do not want to go on one of those.

00:24:20

Oh, my God.

00:24:22

I didn't know this about you.

00:24:24

Are you secretly daredevil?

00:24:30

Are you gonna tell me you have skydiving and things like that on your bucket list?

00:24:33

Huh?

00:24:42

Okay, the.

00:24:42

The only thing that I have that comes kind of close is.

00:24:48

What's the thing called when you write like you go on a line?

00:24:53

Ziplining.

00:24:55

See?

00:24:57

Thank you.

00:24:59

I love that you always understand when I.

00:25:01

When I forget how to speak English or just forget how to speak in.

00:25:06

In general.

00:25:08

Siplining.

00:25:12

For some reason, that seems less intimidating.

00:25:19

Yeah, I guess it would depend on.

00:25:22

On the situation.

00:25:35

You're not shaking anymore.

00:25:44

You know, that's definitely something I'll remember about tonight.

00:25:47

Just how amazing it feels to have you in my arms.

00:25:55

Your warmth and how you're just holding on to my hand with an iron grip.

00:26:05

No, no, no.

00:26:06

I didn't tell you to stop.

00:26:07

No, no, no.

00:26:10

I really like it, actually.

00:26:17

You can always hold on to me.

00:26:25

And it's like we were thinking the same thing, because normally, you know, this would be the time where either one of us had to go home.

00:26:39

And I hate that moment.

00:26:43

I just want to hold on to you and keep holding on to you.

00:26:52

And the fact that tonight we.

00:26:55

We get to do that.

00:27:00

We don't have to let.

00:27:09

It's pretty special.

00:27:22

That was a big yawn.

00:27:28

You want to try and get some sleep?

00:27:36

Me too.

00:27:42

It's really late.

00:27:51

Can I.

00:27:56

Can I kiss you good night first?

00:28:02

Okay.

00:28:03

Come here.

00:28:37

You know, I could get used to kissing you good night.

00:28:50

Don't spoil me too much.

00:29:09

Sweet dreams baby.
