Welcome and an intro to my comic and meeting Brad!

I was introduced to Brad's work a few years back and was impressed with his talent and output immediately. The man's a pro, a gentleman and always looking to help the community. This comic is part of a giveaway collaboration he suggested and I was more than happy to share some of my work with his friends and fans.

Check out this comic and see what you think. I have a several membership sites where I make movies and comics, as well as stores and of course a FREE main site if you want to check out my latest! **Paid or not I appreciate YOU and your support!**

Your support and encouragement make this possible!

As I write this my membership sites have over ELEVEN hours of transformation movies waiting for any new supporter. I don't gate any of my animation work so you get it all. I still do comics and one-off drawings too. Check out my [deviantArt](#), my [main site](#) and [my Patreon](#) or [Itch.io](#) if you want to see what I've been up to. Additionally, my [Discord](#) has tons of free art and ALL my public movies!

Thank you so much for your support of the Growth Lab Universe over the last twenty five years! Here's to twenty five more!

Content Warning

It's likely obvious already but this comic is intended for adults over the age of 18 (or the age of consent in the jurisdiction from which this is being accessed). If you're reading or accessing this comic then the understanding is you are aware of and OK with the contents.

First off – something to be aware of in the Growth Lab Universe

No one is ever harmed or hurt “in-universe”! The growth effectively renders people immune to things like confined spaces, vacuum and other dire situations. Additionally, people are always able to reset their bodies after growth. It's all part of the universe lore!

The kinds of transformation and things to expect in this comic:

- Breast Expansion Art (BE)
- Giantess Art (GTS)
- Female Muscle Growth (FMG)
- Body Horror/ Monster Transformations
- Male Muscle Growth
- Male Penis Growth
- Scenes of a sexual nature
- *There's more but those are the main ones*
- All characters depicted are adults age 18+

Mostly, if you are reading, enjoy the work! I realize this is a small community but I appreciate your support and do my best to give back!
