

GIANT'S RE-TORTE

Wondrous Item (Food & Drink), Rare

This deliciously drizzled dessert is the giant's response to an age-old problem of "not enough cake."

This cake consists of **3 bites**. You can take a **Bonus Action** to consume one bite of this cake to gain the "enlarge" effect of the *Enlarge/Reduce* spell for **1 minute** (no Concentration required). The cake magically regains **1d3 - 1** consumed bites daily at dawn. If the last bite of this cake is consumed, it is destroyed.
