The illustration depicts a scene in a shower. A young woman with short, vibrant blue hair is being choked by a massive, dark-skinned muscular man. The woman has a pained expression, with sweat and tears on her face and her tongue sticking out. She is wearing a blue sailor-style outfit with a green bow and a blue skirt. The man's large, pink, muscular hands are wrapped around her neck and chest. The shower floor is tiled, and a roll of paper towels is visible on the left. The overall style is anime-inspired with detailed shading and dynamic splashes of water.

A blue-haired anime girl with pigtails is in a shower. She has a shocked expression, with wide eyes and an open mouth. She is covered in white foam or milk. A large, dark-skinned penis is positioned behind her, with foam dripping from its tip. Pink hearts float in the air around her head. A speech bubble from the penis contains the text "He's Using Me Like an Onahole~♥".
