Marvel: Ultimate Spiderman, Xmen Evolution,

Disney: Owl House, American Dragon, Kingdom Hearts

Stories x 60

Spider Devil

When Lunella brought Devil to her world something else came with it, a small arachnid of terrifying power. It slipped into her bag and hid. Eduardo opened her bag to borrow something it bit. Infusing his DNA with otherworldly venom. Eduardo has super powers not unlike Spiderman. He's got strength, natural webs, extra arms he can shift in and out, and even talons for fighting. Eduardo/Devil/Marvin/Harem

Spider Ed

Eduardo was just a normal dude living in a not so normal world. Hard to be normal with aliens, demons, inter dimensional beings, super heroes and super villains running

amok. His story began when on a trip to a science lab and a villain attack caused a experimental spider to get loose and it bit Eduardo. His DNA is mutated and he gets spider powers six arms and even natural webbing. Eduardo/Marvin/Harem

Ant Mutant

Eduardo comes of age and he wakes up with strange powers apparently he's a mutant. He can manifest an extra set of arms shift his size growing smaller or larger like Ant Man. He wants to use these powers to become a super hero.

Eduardo/Devil/Marvin/Harem

Abomination Hero Eduardo

Eduardo's mother comes from the boiling isles he's able to perform Abomination able to conjure control and manipulate the purple ooze. He decides to use his powers to become a hero. Eduardo/Hunter/Gus/Harem

Eduardo on the Boiling Isles

Eduardo always liked magic and wanted to have magical power but it seemed he had no talent for it. Then he ends up in a strange world over the summer where he learns about the magic of glyphs. He makes friends forms bonds and finds love all while becoming a proud witch.

Eduardo/Ed/Hunter/Gus/Harem

Devil's Glyphs

Lunella was all about science, but Devil has a more mystical nature to him. Eduardo discovers special glyphs tied to the dinosaur allowing him to perform magic. He uses these glyphs to become a hero. Eduardo/Devil/Harem

Devil's Contract

Devil never expected to find a potential witch, Lunella was a girl of science not magic, but her friend Eduardo apparently had the knack. By forming a contract Eduardo gains a dinosaur transformation and he can use magic like a titan. Dino Eduardo/Devil/Hunter/Gus/Harem

Green Dragon Eduardo

Eduardo comes from a dragon family, he moved to america but he's not the american dragon. He's a green dragon so he's not a fire breather but a poisoner. He decides to become a hero instead. Eduardo/Jake/Spud/Harem

Titan in Training

King isn't the last Titan, at least not last full blood. A titan fell for a human and they got it on, had a family and seemingly the power didn't pass on, it just skipped a few generations. Eduardo awakens to his bloodline's power having magical

blood, transformation, and the skill to be a fine witch.
Eduardo/Hunter/Jake/Spud/Harem

Plant Hero Eduardo

Eduardo's family comes from the boiling isles they escaped Belos's witch hunts and had plant power. Eduardo trained in secret working on building his magic and skills inspired by Moon Girl he becomes a hero. Plants Tentacles
Eduardo/Gus/Ed/Hunter/Jake Long/Marvin/Harem
