

I love your cock...do you know that? I love looking at it...touching it...and of course...sucking it.....and I know you love it too.

I love taking it in my mouth every morning...carressing your balls.....god I love making you cum down my throat and then gently stroking your cock, gently squeezing it...hearing you pant and moan...I love feeling it grow hard again in my hands.....or when you fill me up with it completely

*Hmmmm.....I can feel you getting hard now.....mmmm.....and I need you to do something for me.....oh god, no, not that, you little devil...even if I do want you so badly...No, I want you to start by unzipping those pants...mmmm, very good....oh, I love that bulge in your shorts.....
mmmm.....come on, show me your cock....take it out for me....mmmm....*

Your cock is gorgeous....so flushed and glistening and those balls underneath.....unf....god I want to nibble on that cock, eat it right up.....but no.....I want to watch you play with it...

Yes, you understood me...you have a gorgeous cock and some brains, too.

I want you to stroke that cock for me..Show me..show me how you play with it....cause I am just dying to watch you jerk off for me . What? You don't know what to do? Well then...you can just follow my instructions....

I want you to start by taking that rod in one hand, yeah, just like that...very good.....then...take your other hand and fondle those balls for me...yes, just like that....those gorgeous balls....can you feel them tightening...clenching up....mmm...you like it when I lick them? When I swallow them up? Mmm? Mmm, I love watching them contract in your hand....mmm...so tight.

Take your hands away for a minute...let me just look at you, at your rigid cock....mmmm....it's gorgeous....but not quite hard enough yet for me.

Lick your hand....lick it really well....yes, so that your fingers are wet with saliva...as wet as my pussy is right now....now grasp your cock again.....that's it....up and down that rod...with one hand....with both hands....squeeze your balls again while you pump that cock, I love that...

Want me to touch myself for you? Why not....look at my wet pussy...watch how I stroke it...how I finger fuck myself....suck my fingers...feel how wet I am...suck them while you jerk off for me, my sexy boy...oh yeah, just like that....up and down...pump that cock...squeeze it...grip it harder...that's it

Come over here....oh yes, I can feel your cock pressing against my thighs...oh that's so good....keep going, up and down...faster and faster...oh, you want to cum? Feel the pleasure build....

now stop!

take your hands off your cock and slide them up my hungry cunt while I take my clothes off...feel my wetness, my need...god I want you....but first I want your cum on me....stand up baby while I get down on my knees...

Look at my tits, my gorgeous man....look how I fondle them while I look up at you...go on, you can touch your cock again, baby....I know you're just going to explode...go on...faster baby....I can feel it, I can feel your cum surging through you....go on....cum for me...cum harder and harder and harder...oh yes I can see your body going rigid.....cum! Cum for me!

Yes baby, cum all over me, in big long spurts....god I love that....I love the smell of your cum, I love it all over my face and my tits...here let me help you, let me suck you clean...oh yes, you have even more for me....let me just gently squeeze your balls while I suck to make sure I get every last drop of your cum....

Oh, so good....your cock is gorgeous, let me kiss it....I want to kiss it baby....take it in my mouth....tease you just a little more.....god it feels so good to make you cum for me...you like when I tell you what to do....and then suck you off? Just...cleaning....you....up....the way you like....touching myself as I do....faster and faster....oh yes....oh yes!
