

(You arrive at your House. As you open the door, you can listen to some gurgles. A bratty voice starts talking to you) Helloooooo honey! I decided to forgive you for what you did to me. (Short pause) NO! I forgive you!! It was your fault I cheated on you!! You should have given me way more attention! (Short pause) (Sigh) I Saw you got one new Big House to get my ass sitting around all day, so I guessed I could give you another chance~ (Mid sentences, you start walking towards the kitchen) You should apologize for having me in that lame little House of yours, but to show you how great I am, I already forgave you for it~ (Bratty laugh) I'm just that great~

Oh no there's not (burp) much left in the kitchen~ (Bellypats) Only that filthy vegetables... Ugh... You know I only eat meat! (Annoyed) Why the fuck do you buy that garbage!? (Mocking voice) "I didn't know you were coming" Shut Up!! This is not the way to start our relationship, Jackass!! You have to think more about me. Oh yeah, I also ate the maid Who was cooking, and two (burp) delivery guys. Still, lunch aint made Up yet. (Mocking) "I just came from work and you ate the maid cooking" And I must be Happy with that?!? Fuck off!! Just for that, I get to cheat on you once. Now, make me a fucking proper meal or I Will get to cheat on you AGAIN!! (Sigh ->) Aaaaahhh~ It's so great to be with you again~ (Audio fades)

(Audio appears again) (Belly gurgles are evidently louder) (Licking fingers - like there was sauce in them) (Burp) (Lick lips) I started to forget your cuisine~ (Bellypats) This is a warning: Next time, bring twice as much. I'm able to eat more than last time we were together, a single stewed bison won't make the cut Next time. Now, fuck off. I don't want to see your ugly face while I'm digesting-.... (Interrupted)

(Sound of Keys) (Open door) (Another lamia walks in) (You walk towards her)

Oh. I didn't know we had a visit.

S-so... p... pretty...

Well thank you (Warm laugh). How have you been, love? (French kiss)

(I'm gonna need a long swallowing sequence. Big, long gulps (get the mic close to your throat). 10-20 gulps total. Evenly spaced 1 every 4 seconds. Through the sequence, ONLY breath loudly through your nose. From time to time add little effort sounds. "Mmh" "mph.." hhhmmm!", and irregularities in your nose breathing. Anything else you might wanna add into It is welcome. When you reach the bison part, move to slower gulps, with more effort. End like Next line starts)

Didn't she was like...? Three meters longer than me...? And... Obnoxiously- (burp) overweight? That sweet and tender body disguised the tons of food her tail stored as fat...! After the bison I felt like I was gonna EXPLODE hahahahaha!

Hmm...? (Looking at her belly) (Out of breath) She is still (burp) going at It...! (Sigh) Suits me well for being so greedy... I haven't heard a single complain about you, though~ (Warm laugh) I like It as much as you- (Interrupted)

I didn't know what was going on! (Laugh) (Burp) (Keep laughing) (Final sigh)
