

THE MEME DANCE

By SOPHIE93

“Alright girls...” Antonella said while placing a tray of four drinks on the table in front of her, offering some juice to the girls and holding one in her multiple hands, “Are you ready for season two?”

“Yesssss!” Sophie and Lucy shouted excitedly at the same time. All the girls were packed on the couch together: Maeve was stretched out on the couch up to the opposite armrest with her tail, Jessica was resting between Maeve’s two sets of hips, Sophie and Lucy sat right behind Maeve’s hind legs and Antonella was sitting next to the duo.

“Are you sure you want to watch it all again just for me and Maeve?” Jessica asked. Antonella, Sophie and Lucy looked at them in disappointment.

“Of course, silly! It’ll be fun to see your reactions, and it’s a good show to rewatch...” Antonella replied, taking the tip of Maeve’s tail with one hand and bringing her glass of juice to make her hold it, “...Hold this for me Maeve, so I can get the episode ready.”

“Hey, you have six hands...! You don’t need me to hold anything for you...” Maeve protested, still holding the glass while Antonella laughed and used the remote to start the episode.

Antonella suddenly felt the cold glass pressing against her cheek while Maeve spoke to her from the other side of the couch. "Take it! It's so cold!" Antonella giggled a bit, taking the glass and wrapping her own tail around Maeve's to warm it up. "Thanks- Ohhh... that feels nice, keep doing that..." Maeve purred.

Sophie looked over to the girls while her sister drank their juice. "You two should look for a private room..."

"Don't be funny, there's no way Antonella can stand Maeve in bed," Jessica said laughingly.

"Jess...! Are you underestimating me?" Antonella replied in a flustered tone.

"Come on, we all saw the size of what she's carrying back here..." said Jessica, resting her right hand on Maeve's back thigh.

"Honestly? I think Antonella could handle it..." Lucy chimed in.

"Could you guys stop talking about my penises and focus on the episode...?! Geez..." Maeve said jokingly peeved. The girls started laughing as the episode opening continued. Antonella pointed with her three right hands at the screen. "Ohh, there's the meme part!"

"Meme?" Jessica said while looking at the screen.

Antonella leaned forward and pointed with multiple hands. "There! See? That little frame of the dance."

"Ohhh, that was trending for a long time," Maeve added, "So it was from here..."

"I'm surprised the cosplayer and models conjoined twins of the group haven't cosplayed a character from this show yet," Jessica said playfully.

Sophie and Lucy shrugged. "Cosplays are expensive, and we don't fit the profile of idols."

"You two are idols in some way, and you're very popular too," Maeve said warmly, watching Lucy smile and blush from the compliment.

"Maybe someday... we have other cosplays in mind that we've been working on," Lucy replied. Sophie touched Lucy's lips with one of her hands. "Shhh... don't give away our secrets...!"

The episode continued for several minutes, catching the girls' attention as they finished their drinks. Jessica got up to go to the bathroom while the other girls stayed to discuss the episode.

"It's gotten really interesting," Maeve said, "Now I understand why you recommended it so often..."

"It has a very particular visual appeal," Antonella replied.

"I can't stop thinking about that little dance," Maeve said, awkwardly imitating the movements of the dance from the presentation. Her five breasts bounced chaotically as she posed with her arms as best she could.

"That was a good try," Lucy said. "Although in the opening... I don't know... she has a particular aura that catches your attention," Sophie added.

"Most idols are glamorous like that," Antonella said. The four girls nodded as Jessica came back from the bathroom. "What are you all talking about?"

"Oh... we were talking about the dance from the opening, don't you find it hypnotic?" Maeve said. Jessica nodded both heads and then looked at Sophie and Lucy. "Can't our idols imitate it?"

"No... it's just..." Sophie gestured, raising all four hands, "...when you're a mutant, how are you supposed to pose?"

"Yeah, where do we put our other arms so it doesn't look repetitive?" Lucy added.

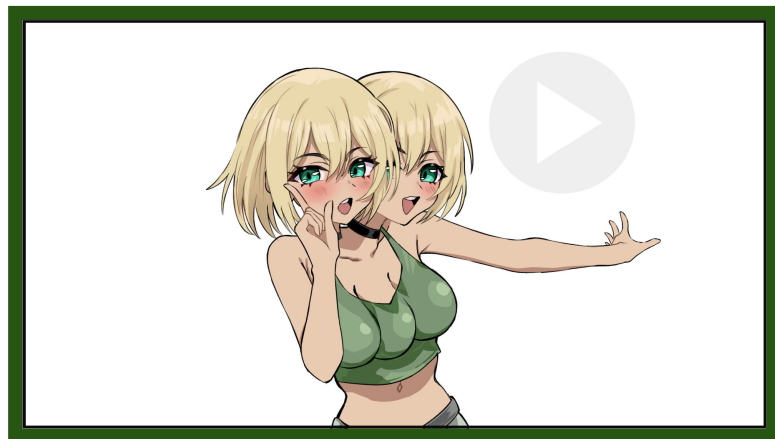

Jessica crossed her arms in thought. "That's a good point..." Her eyes slowly moved to Antonella and Maeve at the same time.

"Ah no, considering that I'm the least suitable of us, I'll pass..." Antonella said, laughing a bit.

"I already tried... I certainly don't have idol talent," Maeve admitted shyly.

"You talked a lot about us, but what about you?" Sophie asked, looking over at Jessica.

"I can try..." Jessica replied. Antonella quickly took her phone to play the music of the meme that was viral around the internet, "Let's see what you can do..."

Jessica listened to the music and smiled with both of her faces. She took the pose and moved with the same ease as an idol. The girls were shocked watching her hypnotic movements, along with her three breasts that swayed in the dance.

"Wow..." Antonella said, completely mesmerized.

"I think one of us has a gift for this..." Sophie said. Lucy nodded while Maeve seemed silent, focusing on the screen of her phone which no one noticed and cheering, "Yes! I recorded it!"

Jessica paused while her two faces turned red with embarrassment. "WHAT?! Give me that!"

"Nope! I already shared it."

"MAEEVEEEEE!!" Jessica screamed, throwing herself on top of Maeve.

It wasn't long before Jessica caught the attention of fans across the internet.
