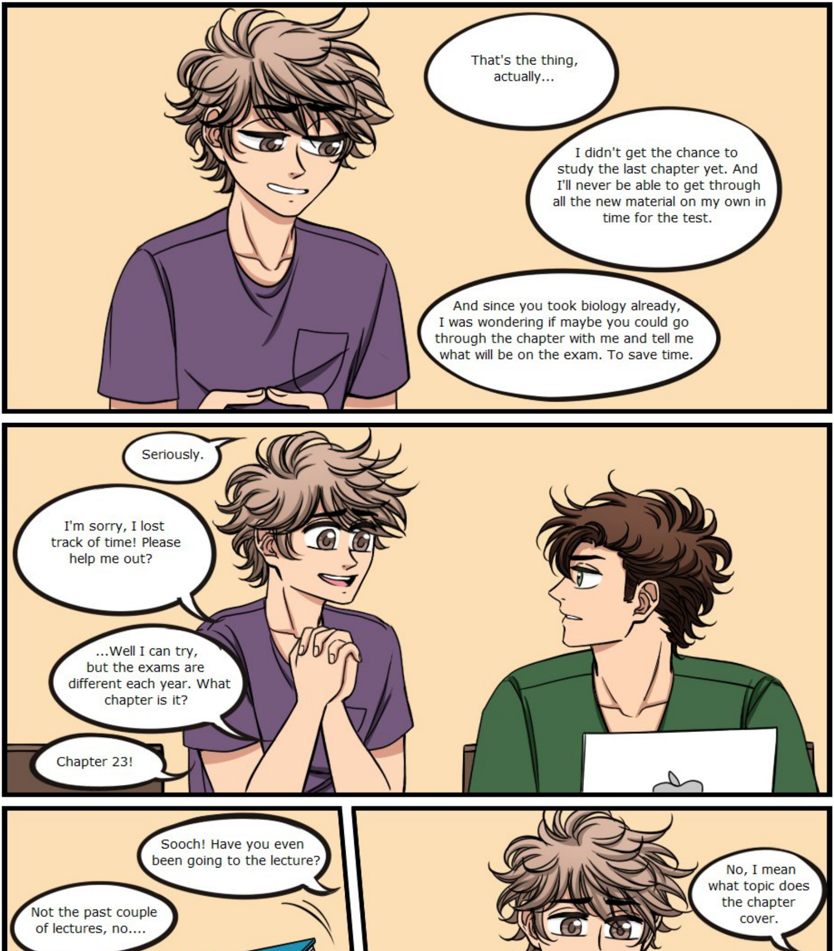
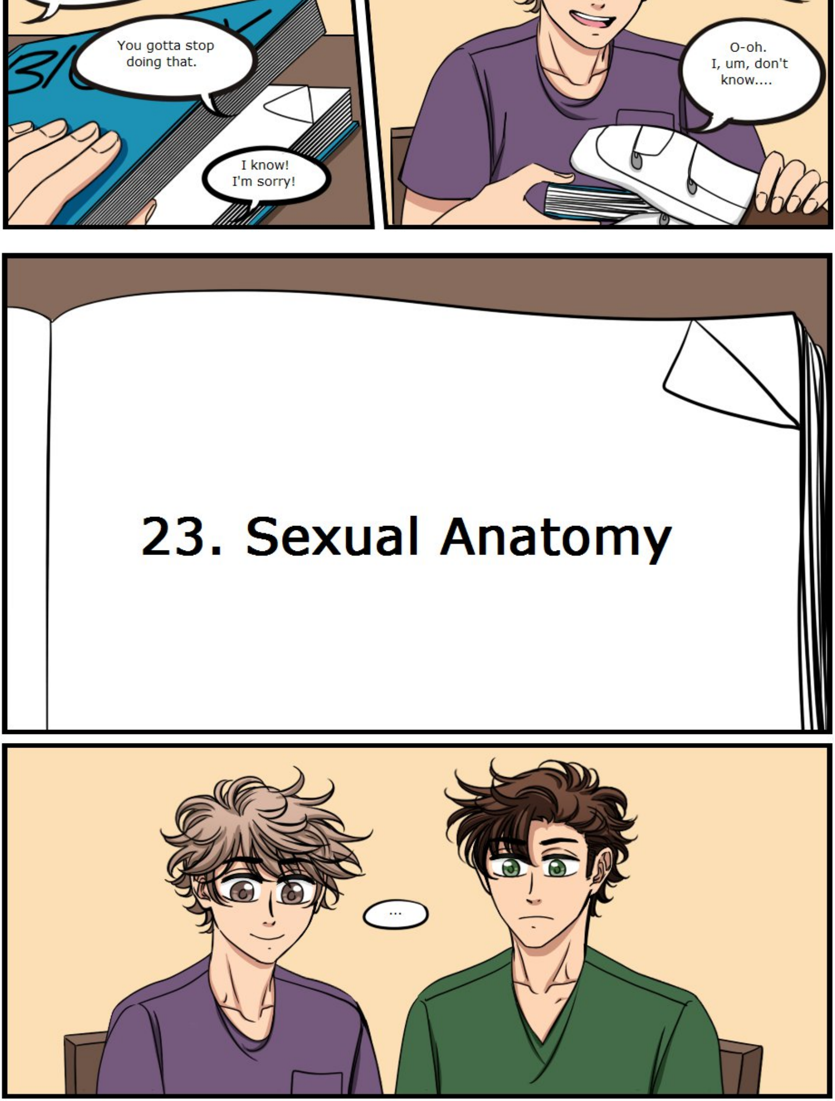
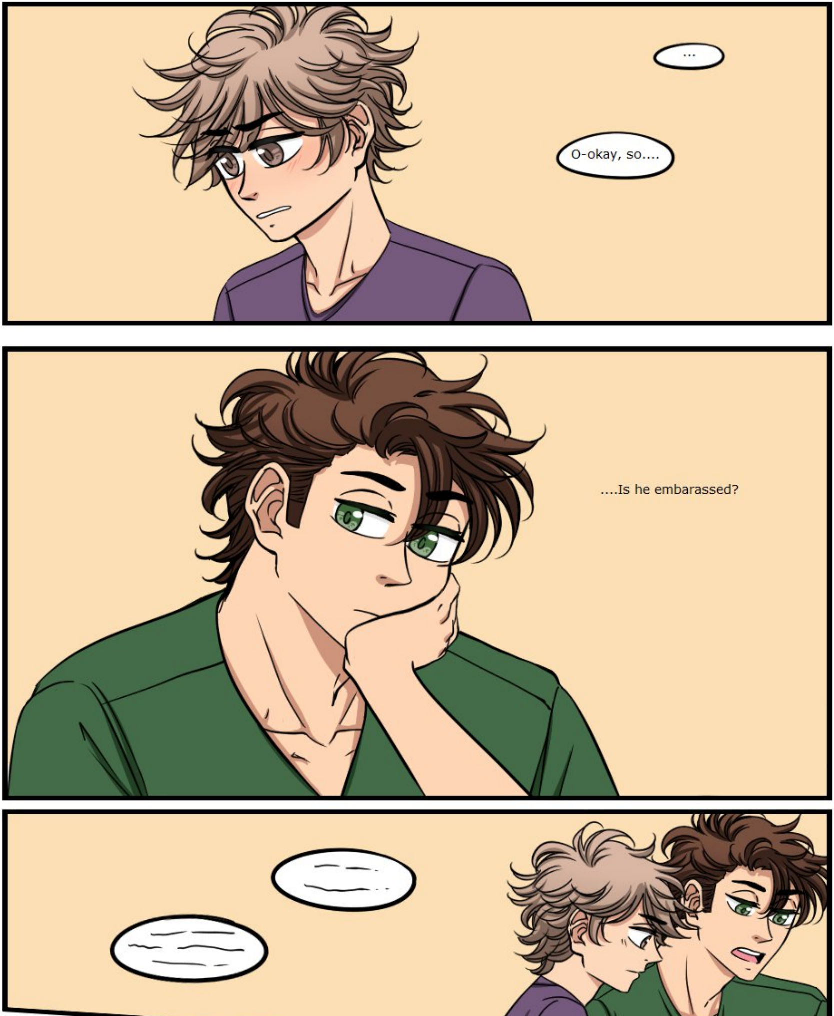
"Tutor"
Hey, Howie? Are you busy right now?
Oh, hey Sooch.
Not really. What's up?
I was wondering if you could help me study for biology.
Oh, sure.
You got a test coming up?
Yeah, in a couple days.
Drag



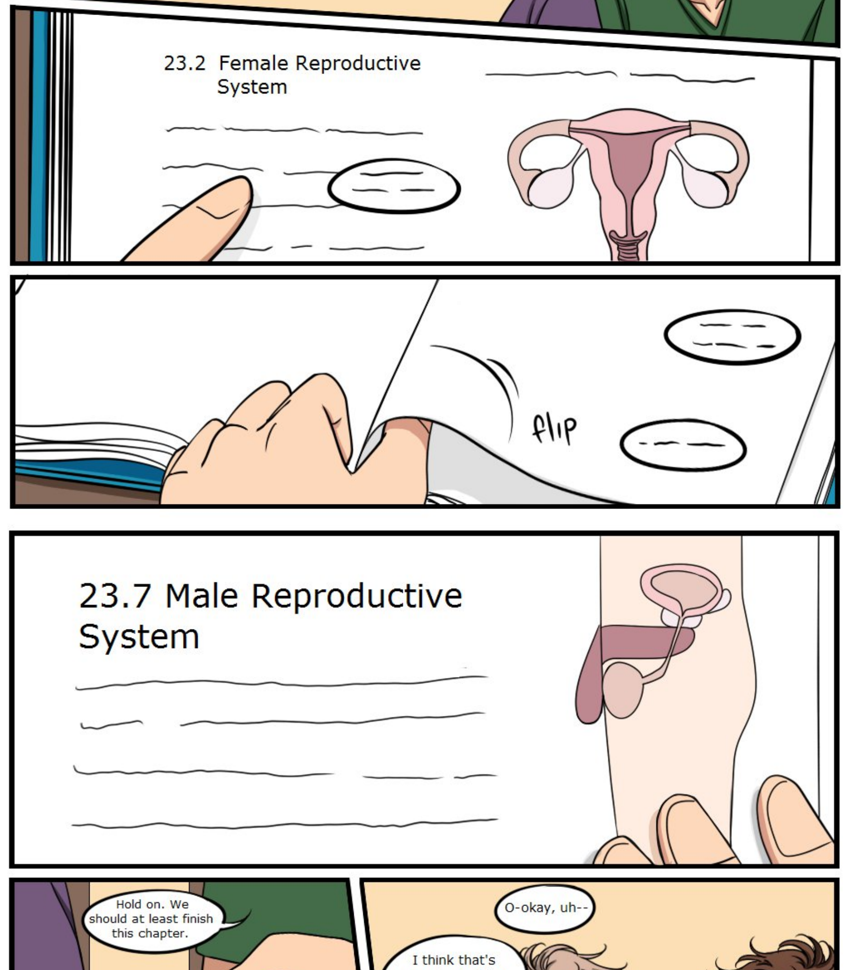
That's the thing, actually...
I didn't get the chance to study the last chapter yet. And I'll never be able to get through all the new material on my own in time for the test.
And since you took biology already, I was wondering if maybe you could go through the chapter with me and tell me what will be on the exam. To save time.
Seriously.
I'm sorry, I lost track of time! Please help me out?
...Well I can try, but the exams are different each year. What chapter is it?
Chapter 23!
Sooch! Have you even been going to the lecture?
Not the past couple of lectures, no....
No, I mean what topic does the chapter cover.



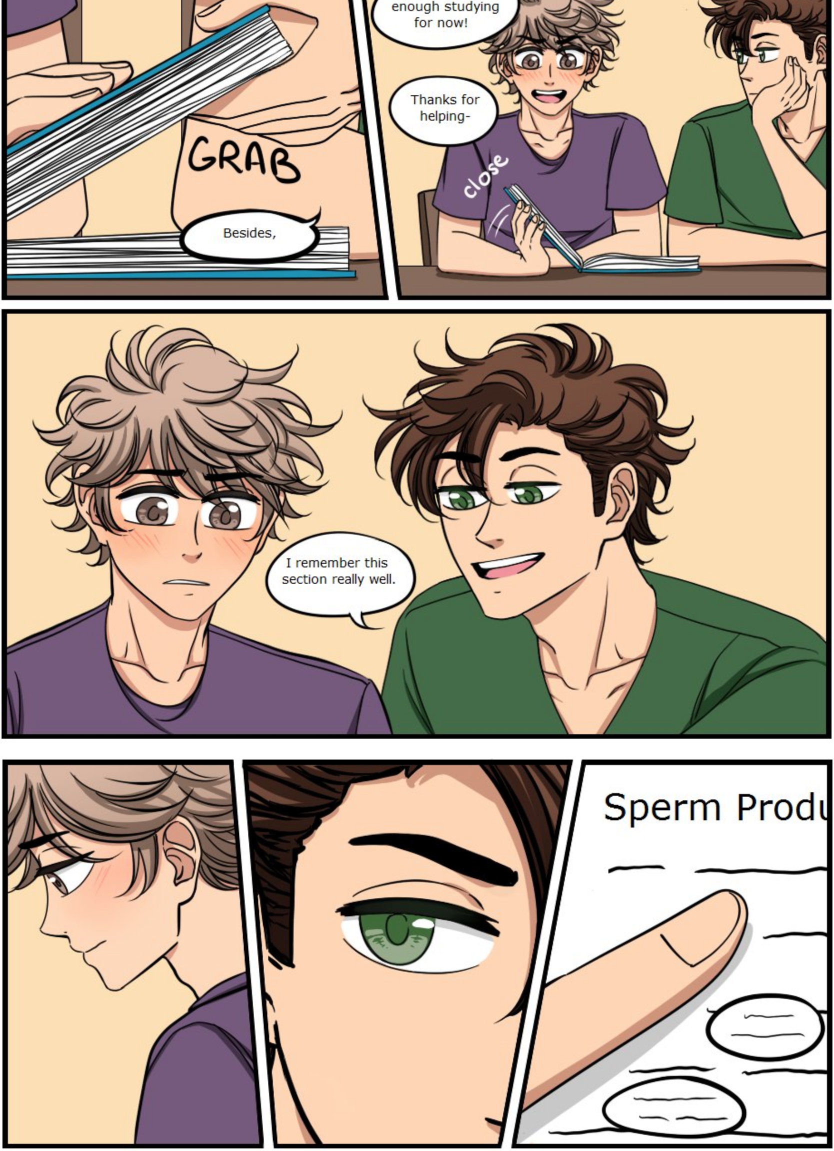
You gotta stop doing that.
I know! I'm sorry!
O-oh. I, um, don't know....
23. Sexual Anatomy
...



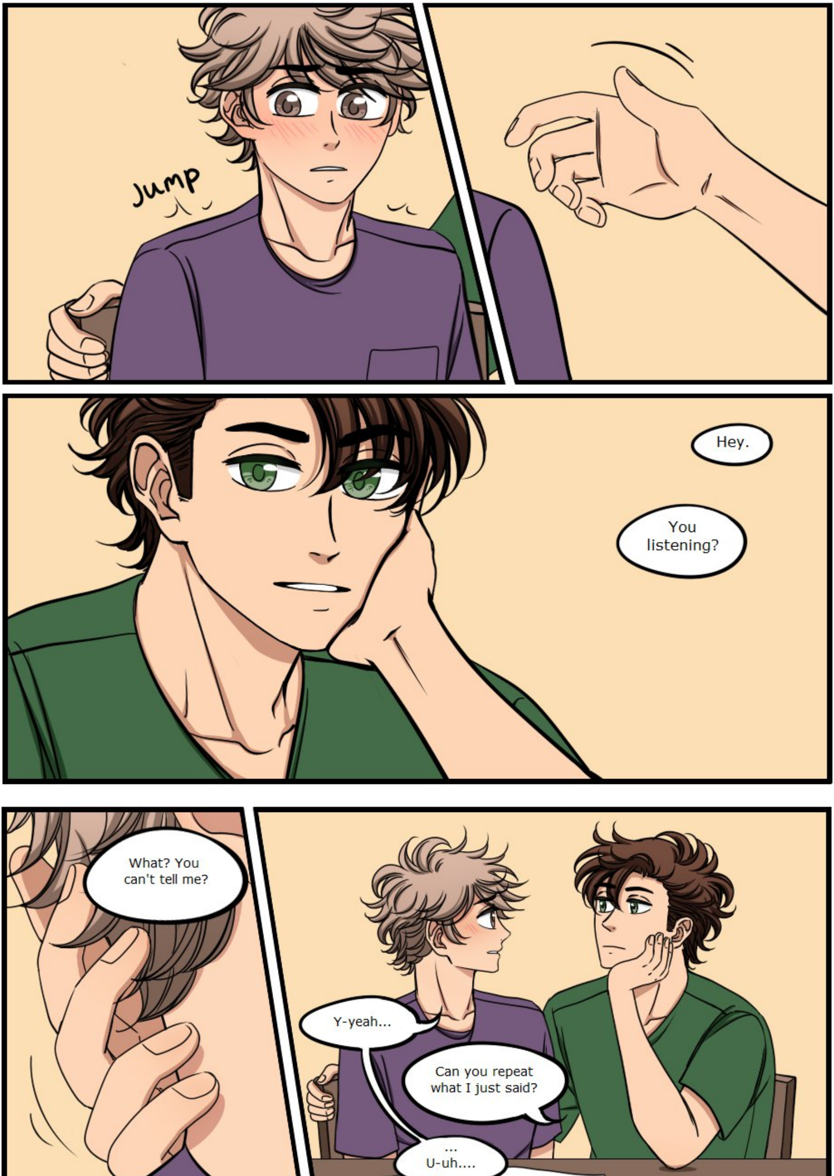
...
O-okay, so....
....Is he embarassed?



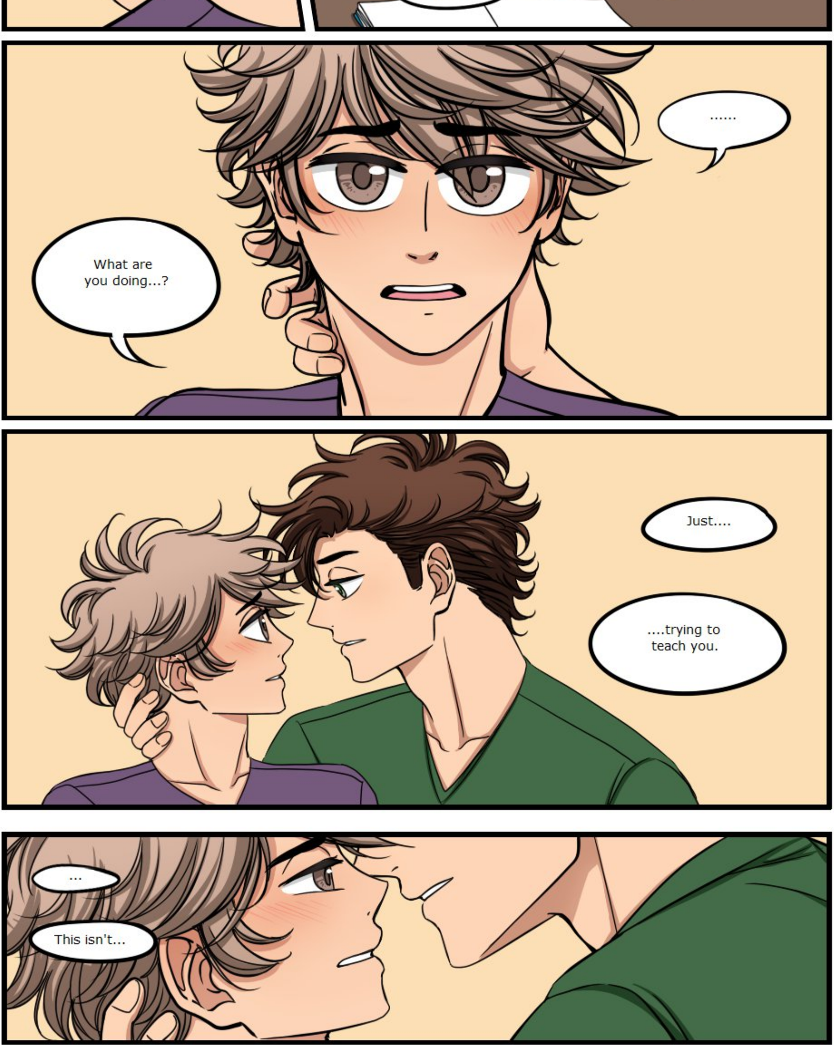
23.2 Female Reproductive System
flip
23.7 Male Reproductive System
Hold on. We should at least finish this chapter.
O-okay, uh--
I think that's



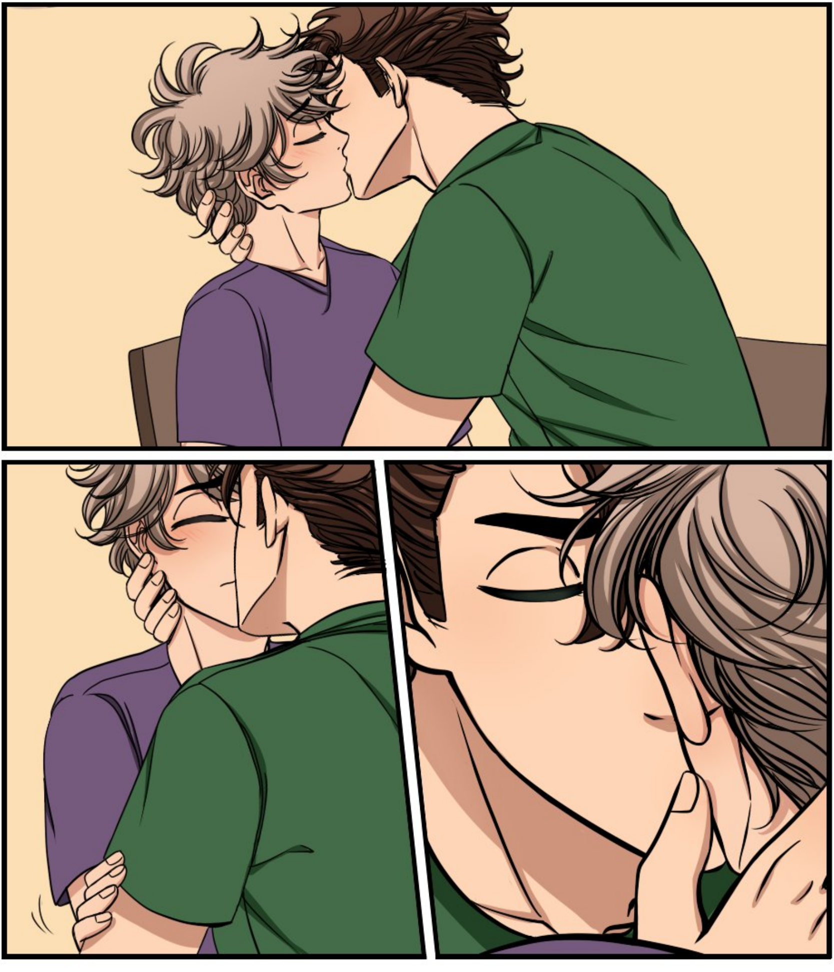
GRAB
Besides,
enough studying for now!
Thanks for helping-
close
I remember this section really well.
Sperm Produ

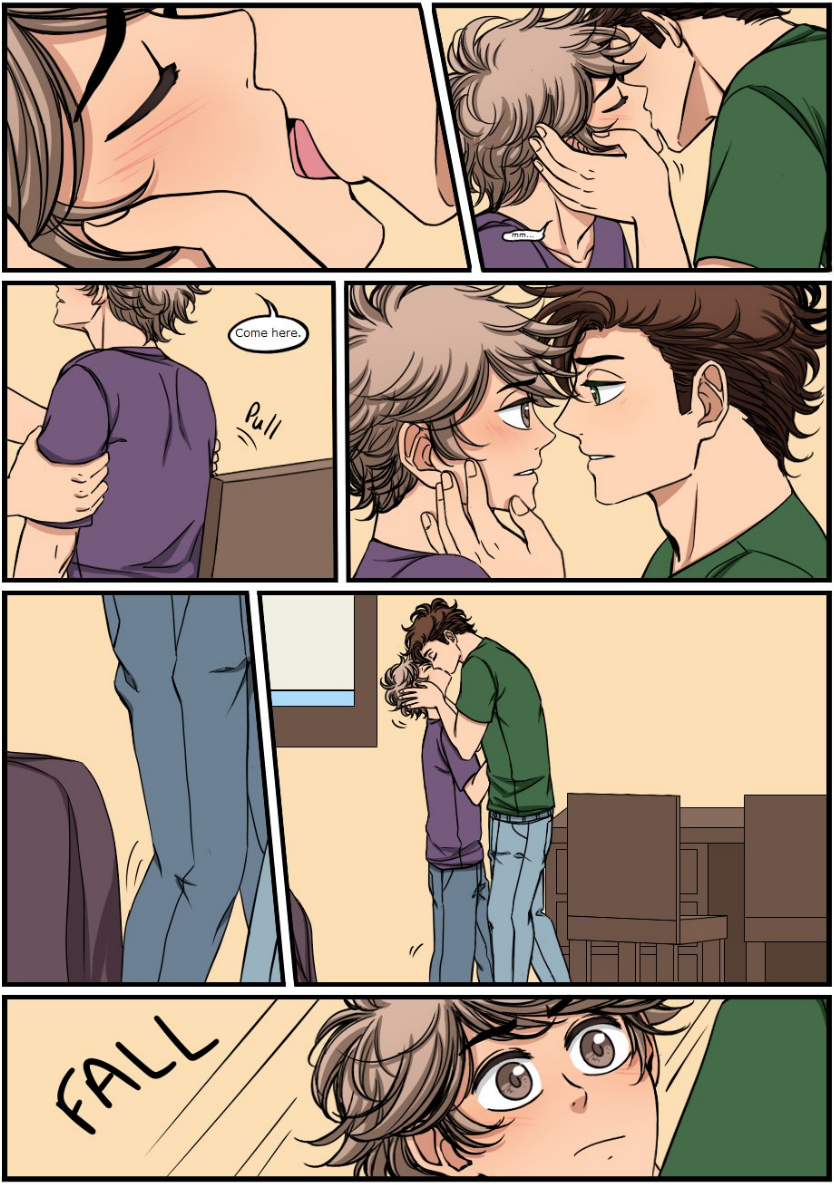


JUMP
Hey.
You listening?
What? You can't tell me?
Y-yeah...
Can you repeat what I just said?
...
U-uh....

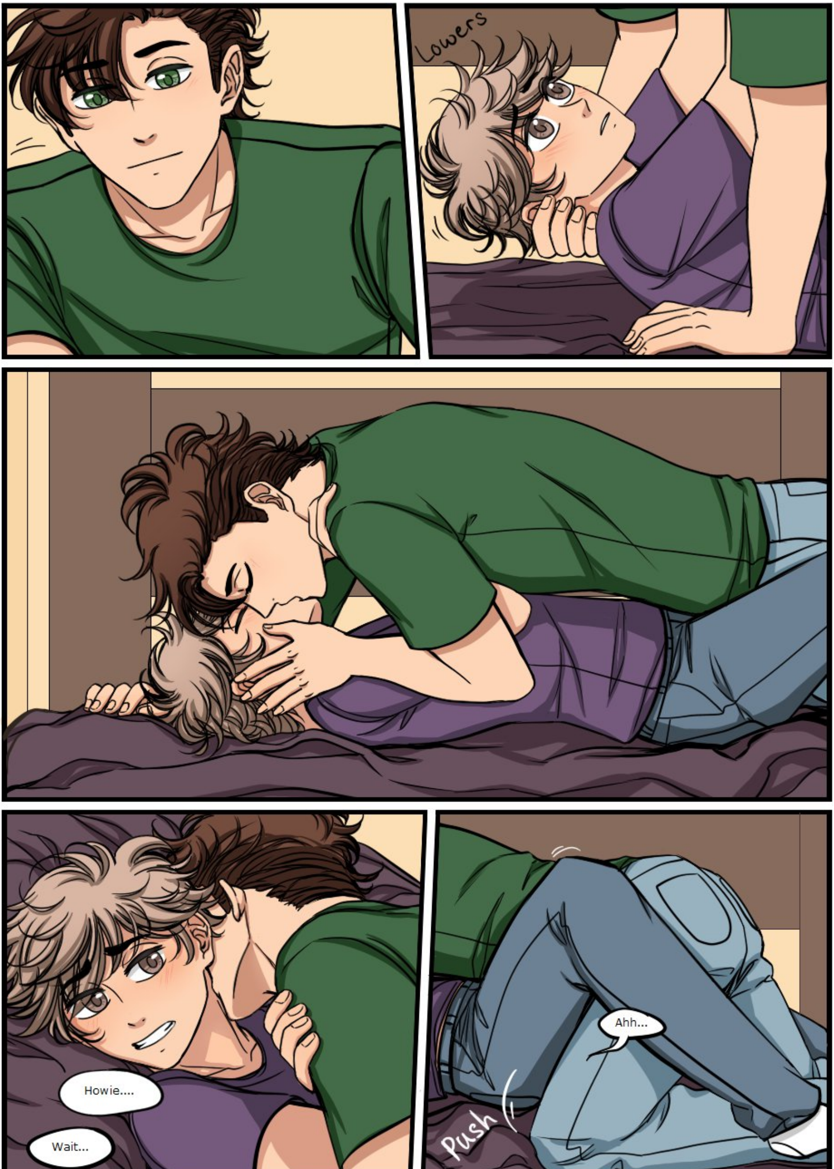


What are you doing...?
......
Just....
....trying to teach you.
...
This isn't...

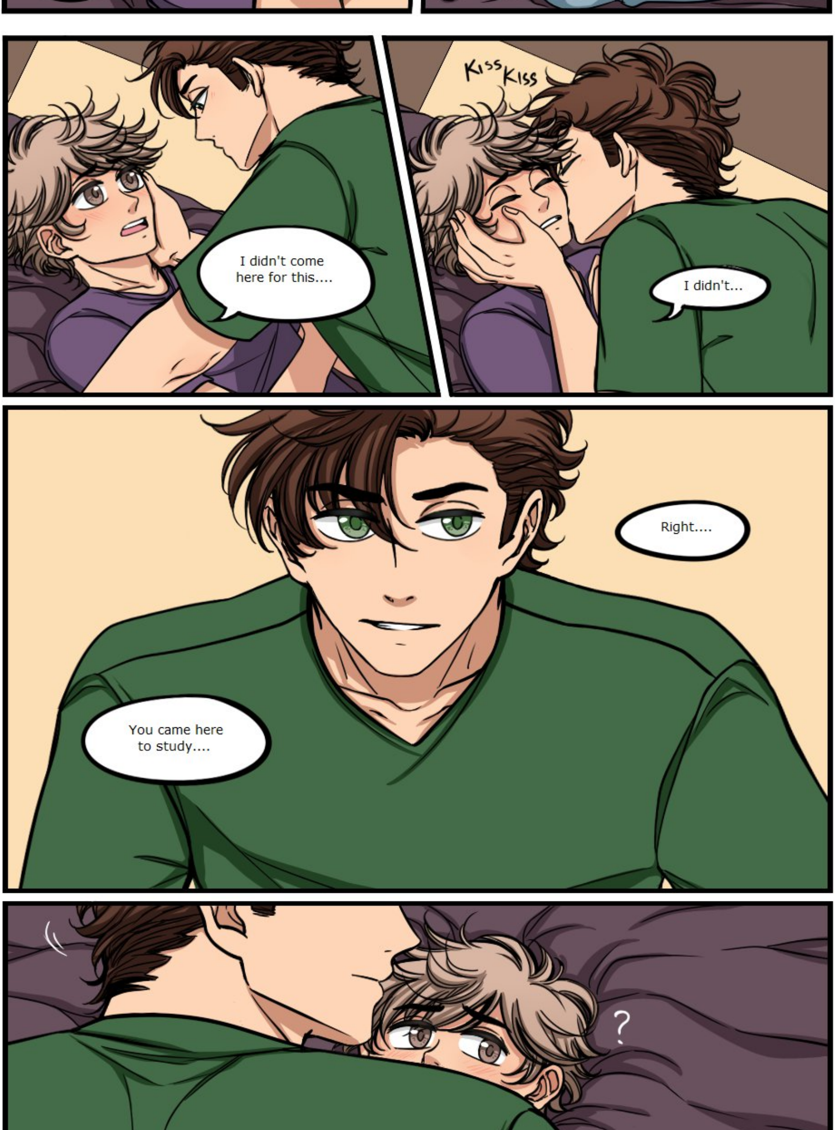




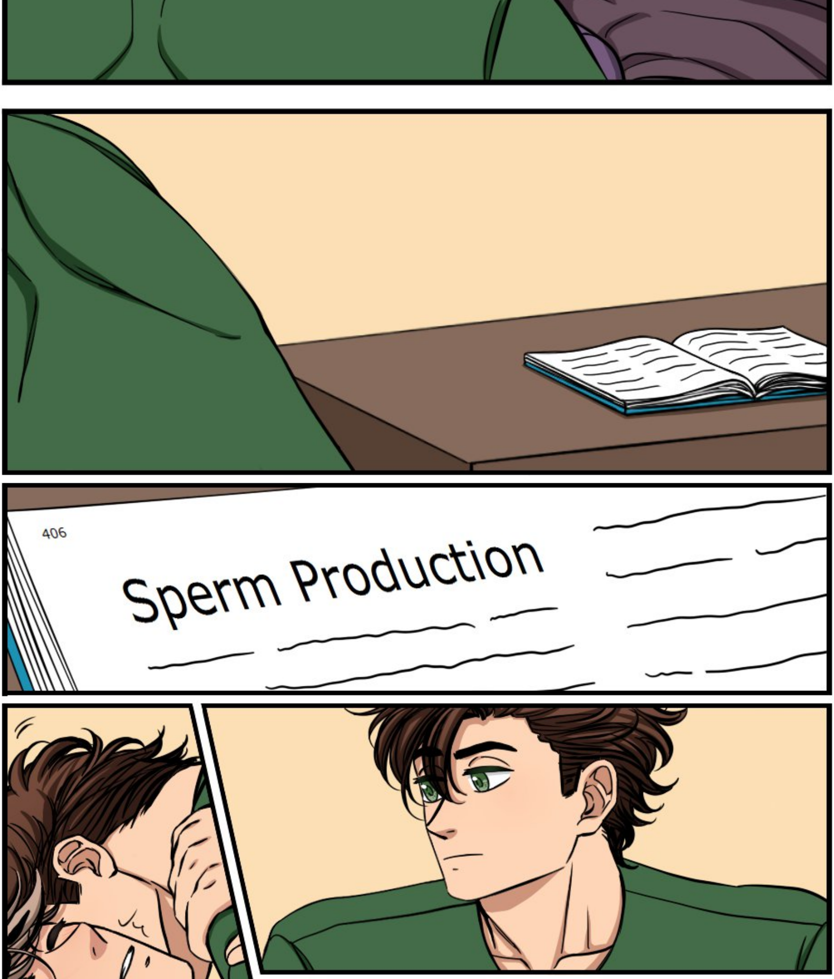
mm...
Come here.
Pull
FALL



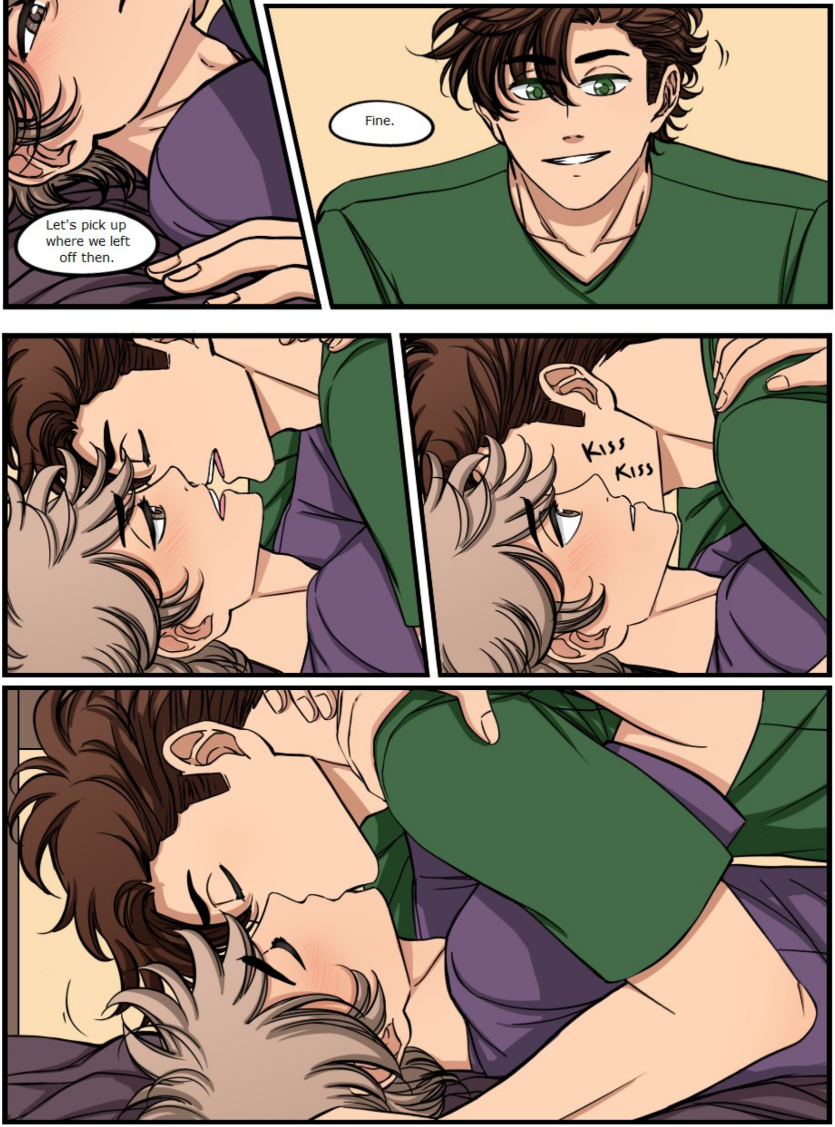
Lowers
Howie....
Wait...
Ahh...
Push



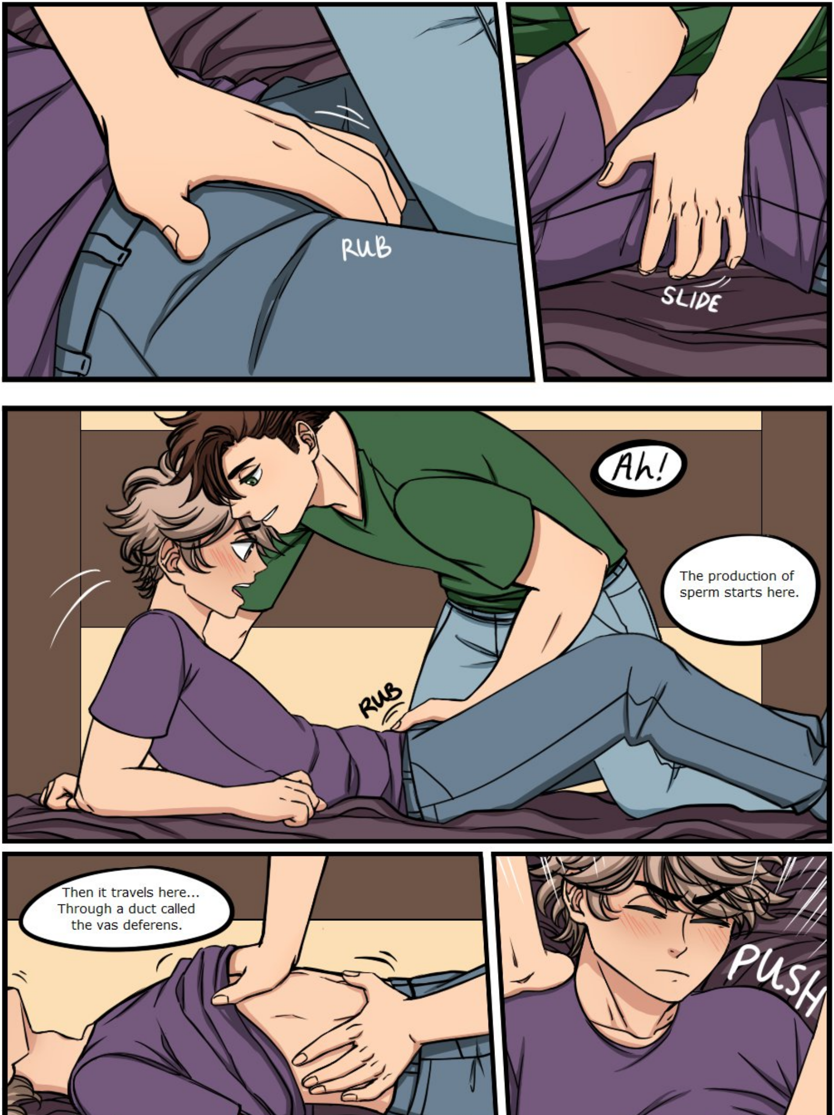
I didn't come here for this....
Kiss Kiss
I didn't...
Right....
You came here to study....
?



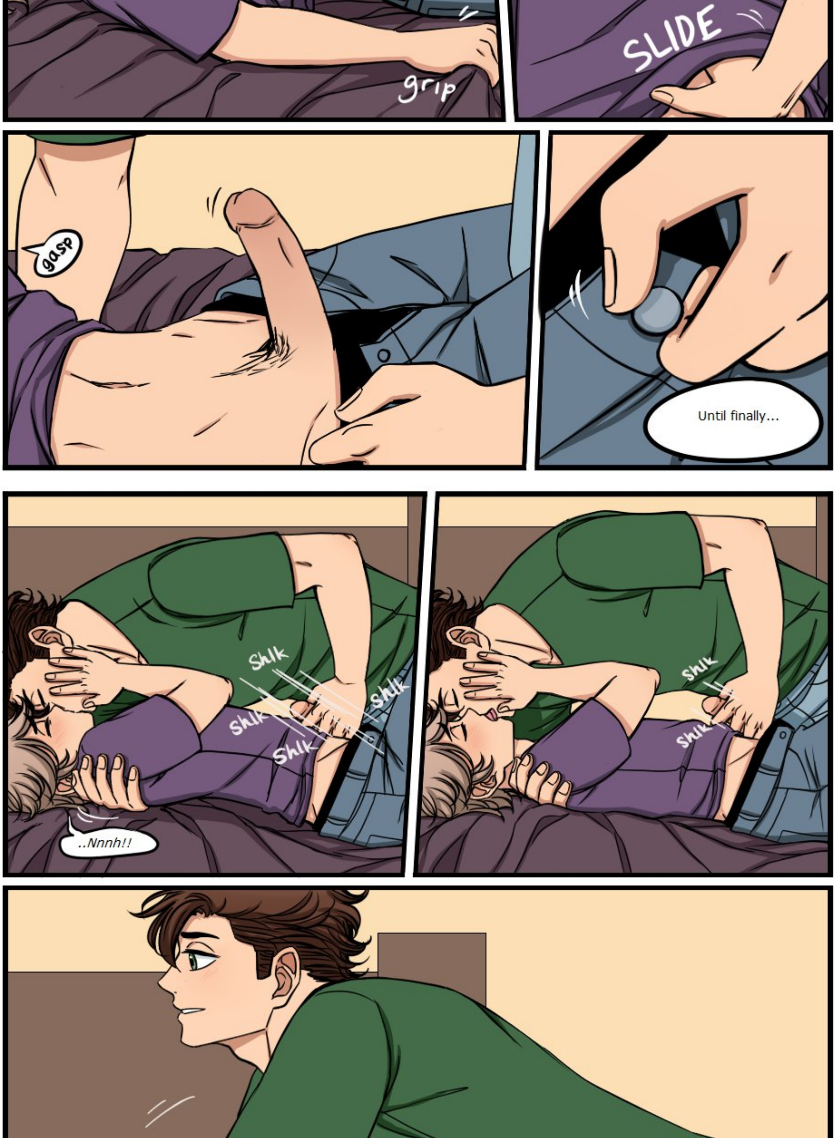
406
Sperm Production



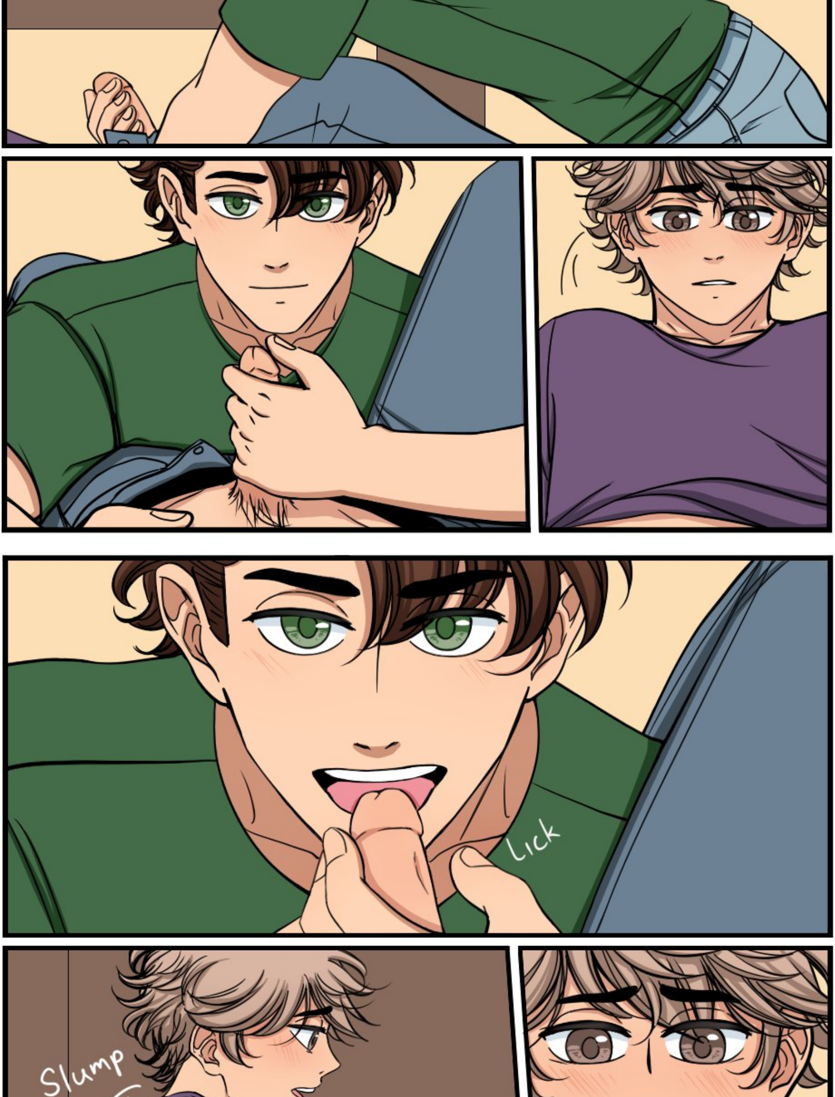
Let's pick up where we left off then.
Fine.
Kiss
Kiss

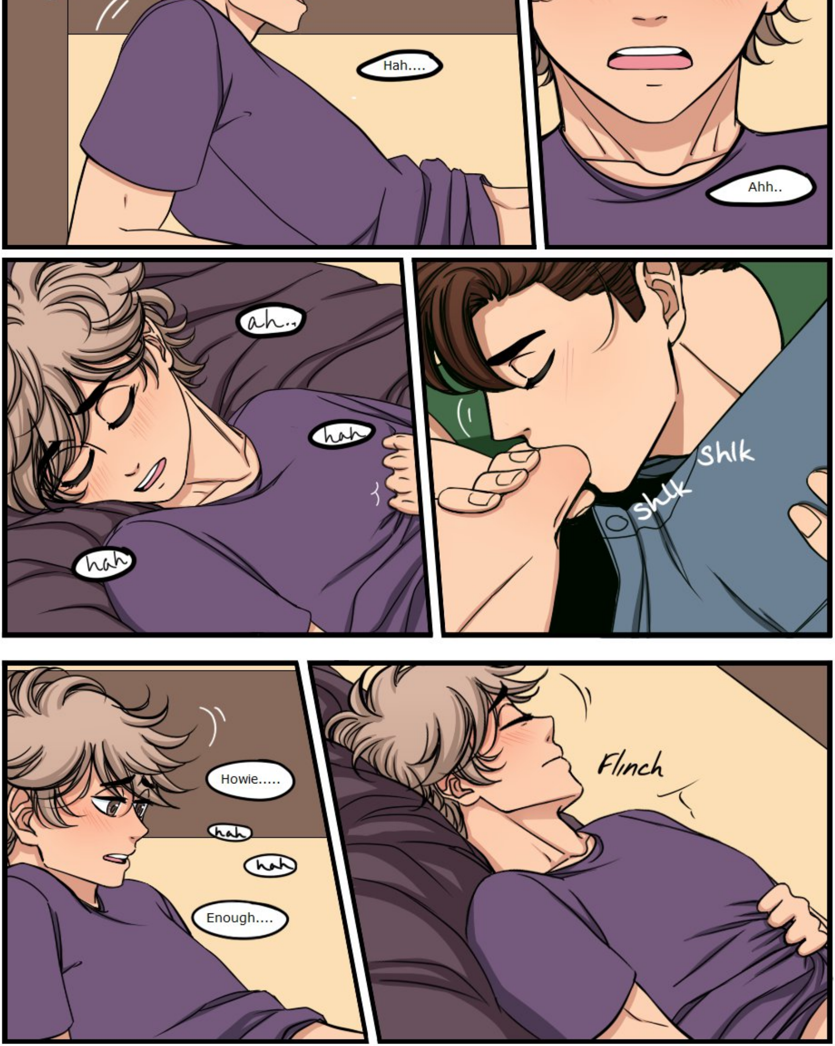


RUB
SLIDE
Ah!
The production of sperm starts here.
RUB
Then it travels here... Through a duct called the vas deferens.
PUSH

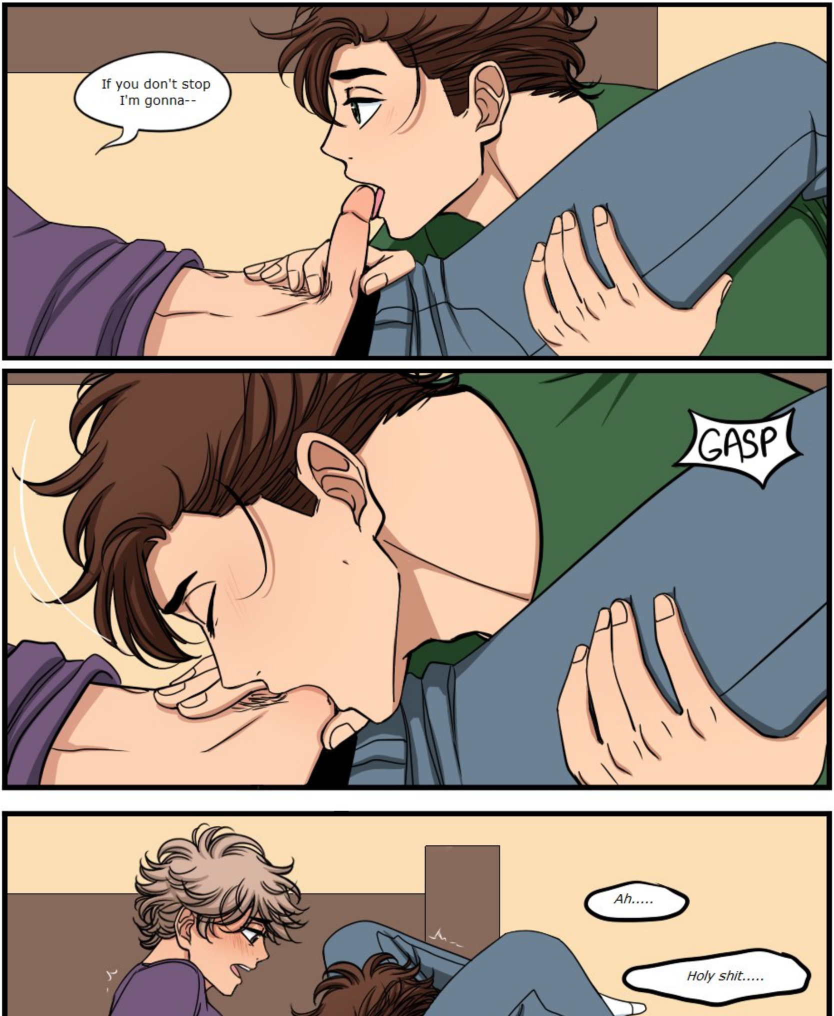


grip
SLIDE
gasp
Until finally...
Shlk
Shlk
Shlk
Shlk
..Nnnh!!
Shlk
Shlk

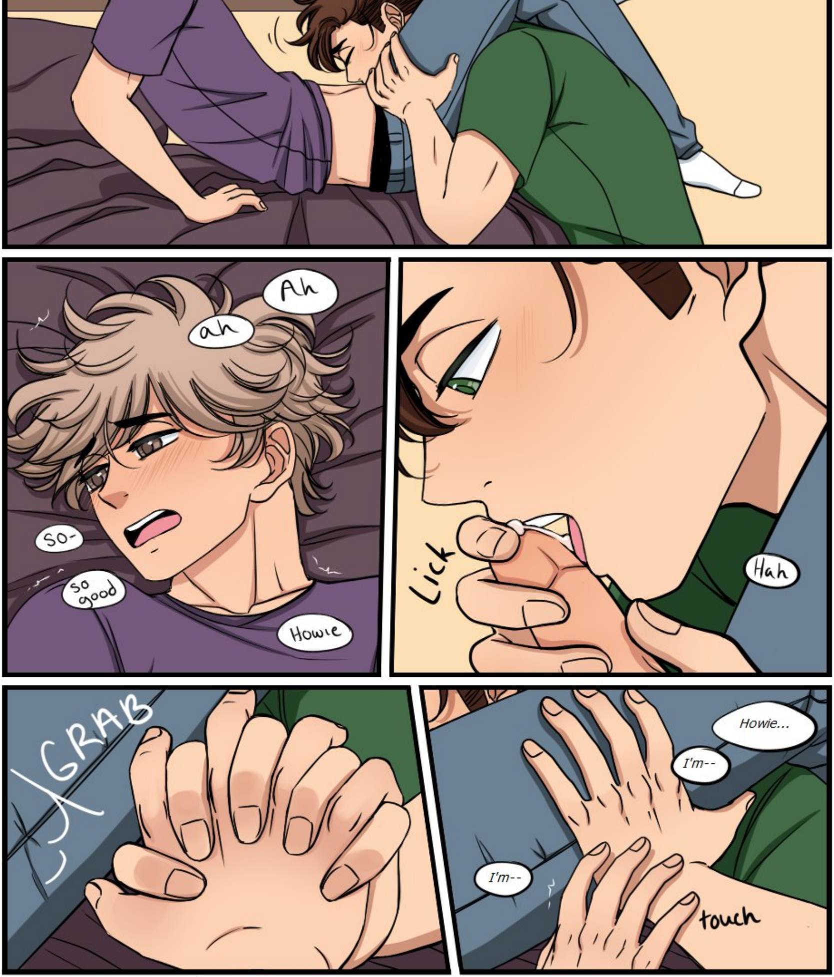




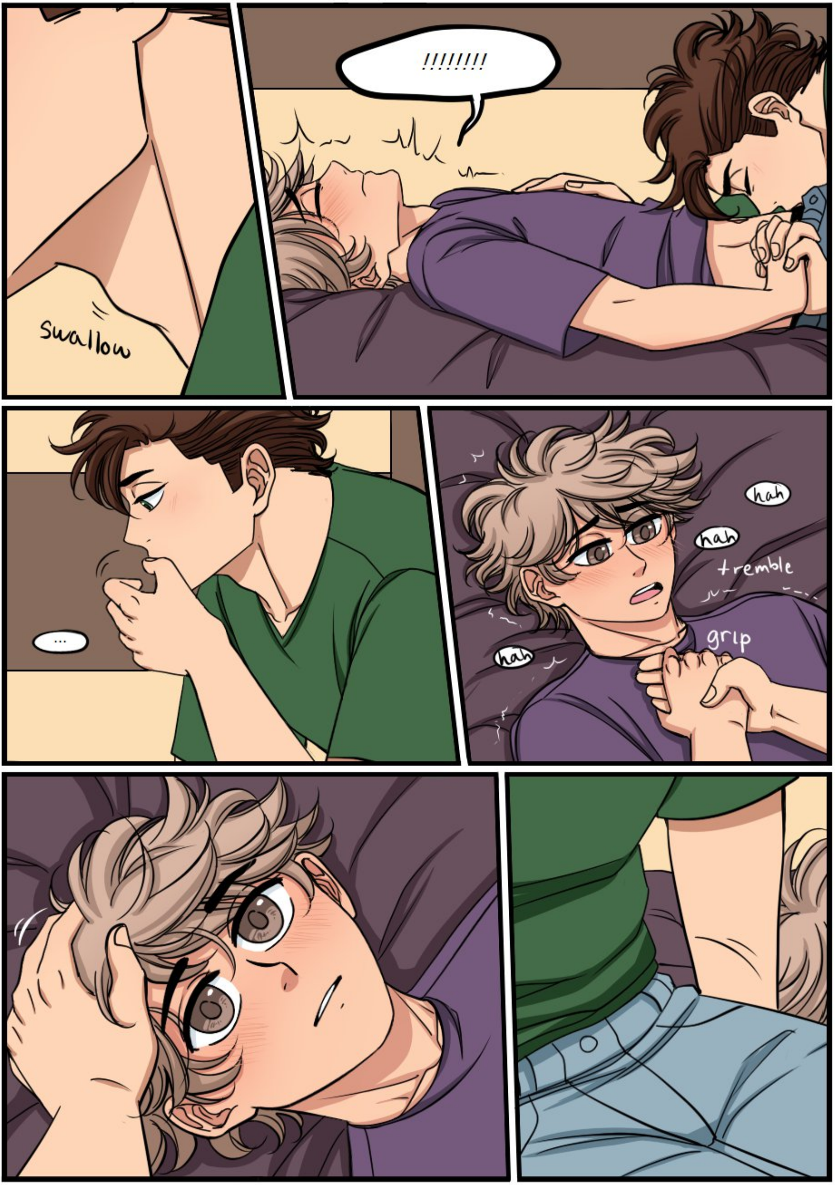
Hah....
Ahh..
ah..
hah
hah
Shlk
shlk
Howie.....
hah
hah
Enough....
Flinch



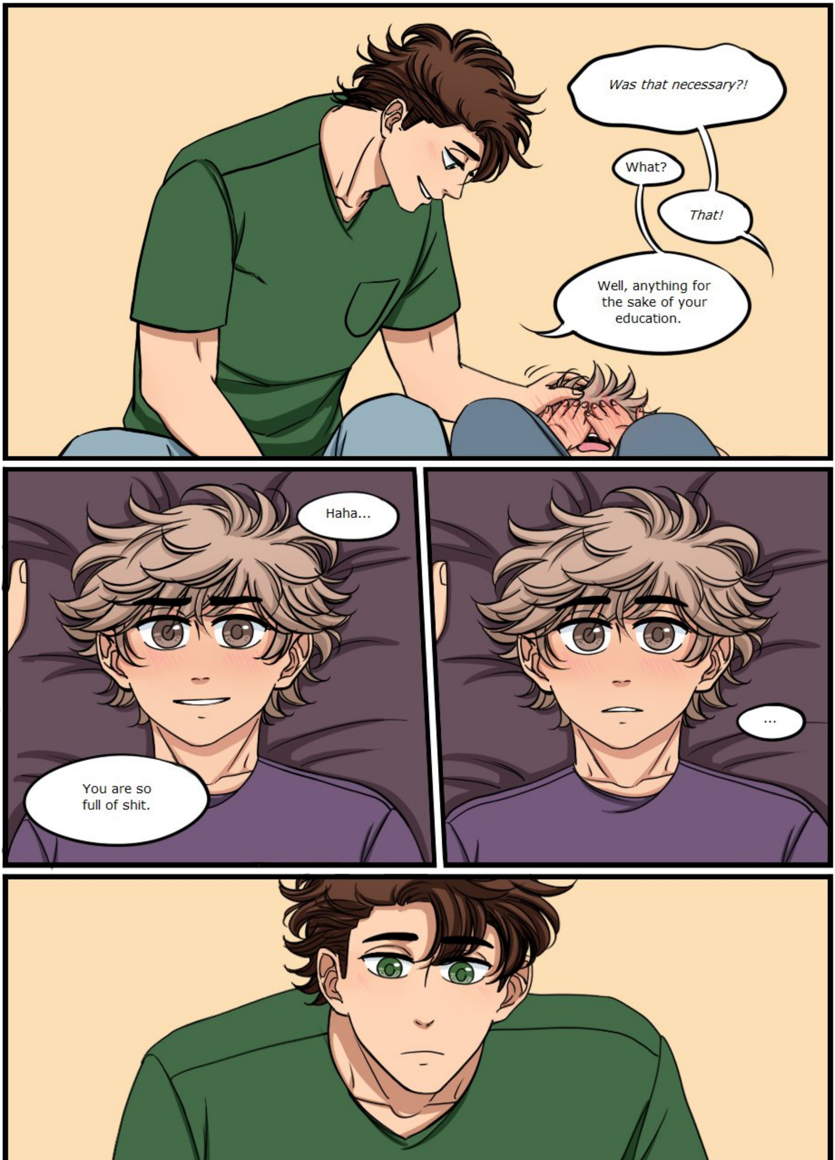
If you don't stop I'm gonna--
GASP
Ah.....
Holy shit.....



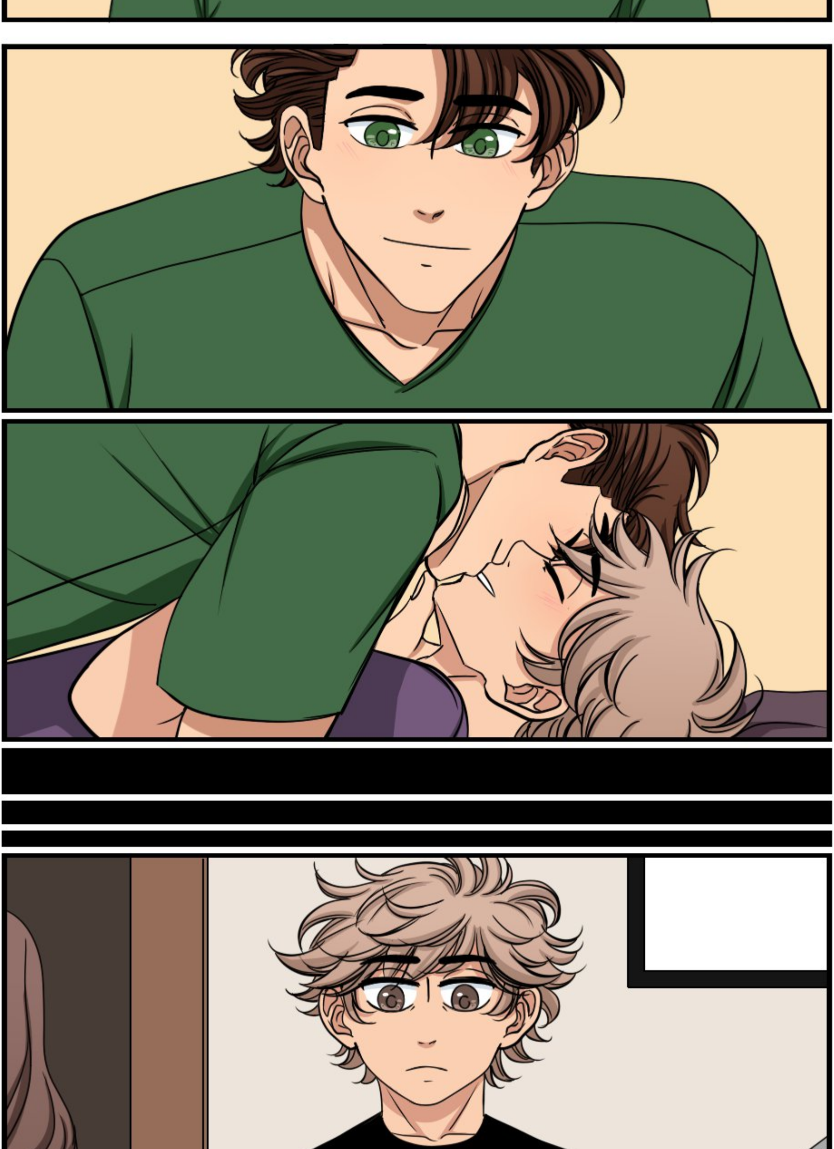
Ah
ah
So-
so good
Howie
Lick
Hah
GRAB
Howie...
I'm--
I'm--
touch

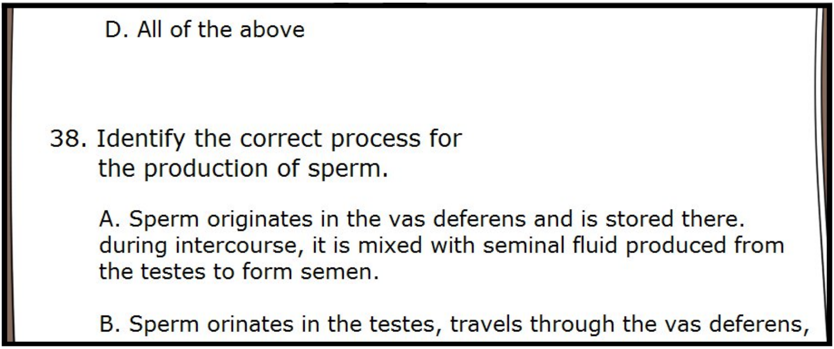


swallow
!!!!!!!!
...
hah
hah
tremble
grip
hah



Was that necessary?!
What?
That!
Well, anything for the sake of your education.
Haha...
You are so full of shit.
...



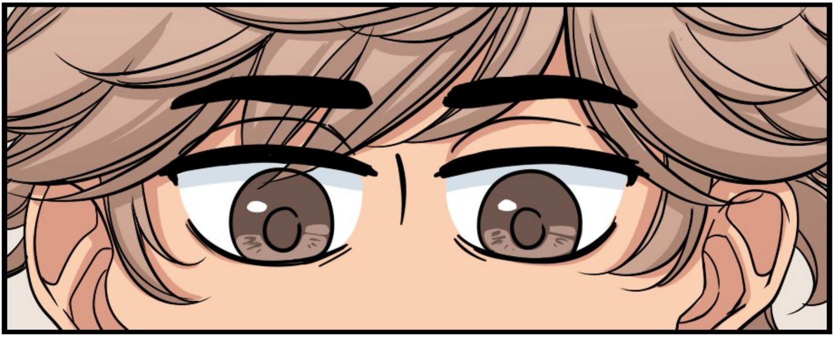


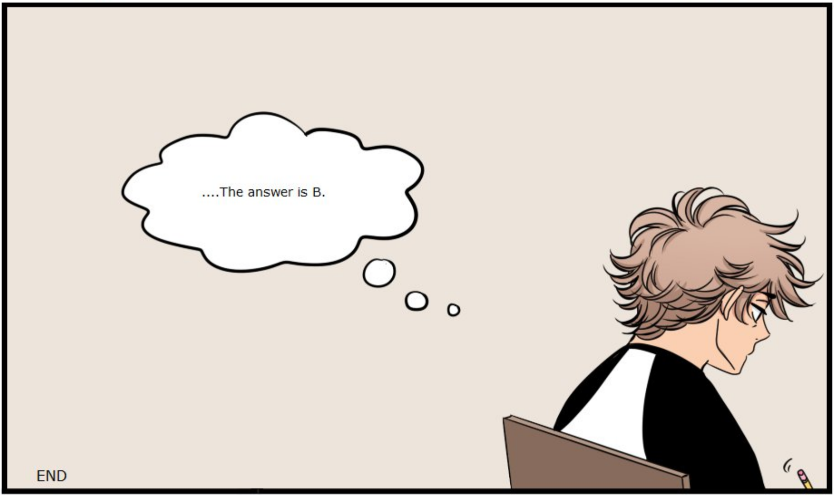
D. All of the above

38. Identify the correct process for the production of sperm.

A. Sperm originates in the vas deferens and is stored there. during intercourse, it is mixed with seminal fluid produced from the testes to form semen.

B. Sperm orinates in the testes, travels through the vas deferens,





....The answer is B.
