She is wearing a white jacket over a bright blue dress, white knee-high socks, and a blue pilot's cap with a compass. Her right arm is raised in a fist, and her left arm is extended. The background is a dense urban landscape with various buildings and streets.

A 3D-rendered female character with dark hair, wearing a blue and white uniform with a matching cap and white thigh-high boots. She is floating in the air with her arms crossed, looking down at a city below. The city is rendered in a stylized, slightly blurred manner with various buildings and streets. Two speech bubbles are present: one on the left saying "NOT COOL!" and one on the right saying "IT'S WEIRD BEING A GIRL-".

NOT COOL!

IT'S WEIRD
BEING A GIRL-

A woman with dark hair, wearing a blue flight attendant cap with a clock face, a white turtleneck, a blue vest, and a blue skirt, is flying over a city. She is wearing white knee-high socks and white shoes. The city below is a dense urban area with various buildings and streets. Two speech bubbles are present, one on the left and one on the right.

A woman with dark hair, wearing a white long-sleeved shirt, a blue vest, and a blue pilot's cap with a compass, is flying horizontally over a dense city. She is pointing forward with her right hand. The city below is filled with various buildings, streets, and cars, viewed from a high angle.
