Hmm, it looks like
someone has quite the collection
of cosplayers.

I suspect they're timestopped.

Heh heh, nice.

Okay, we're in. No traps on the ceiling.

Good. Now, be careful, Nene, the floor could be-

-trapped.

Nene? Nene!

...

Woah, she's turning to stone!

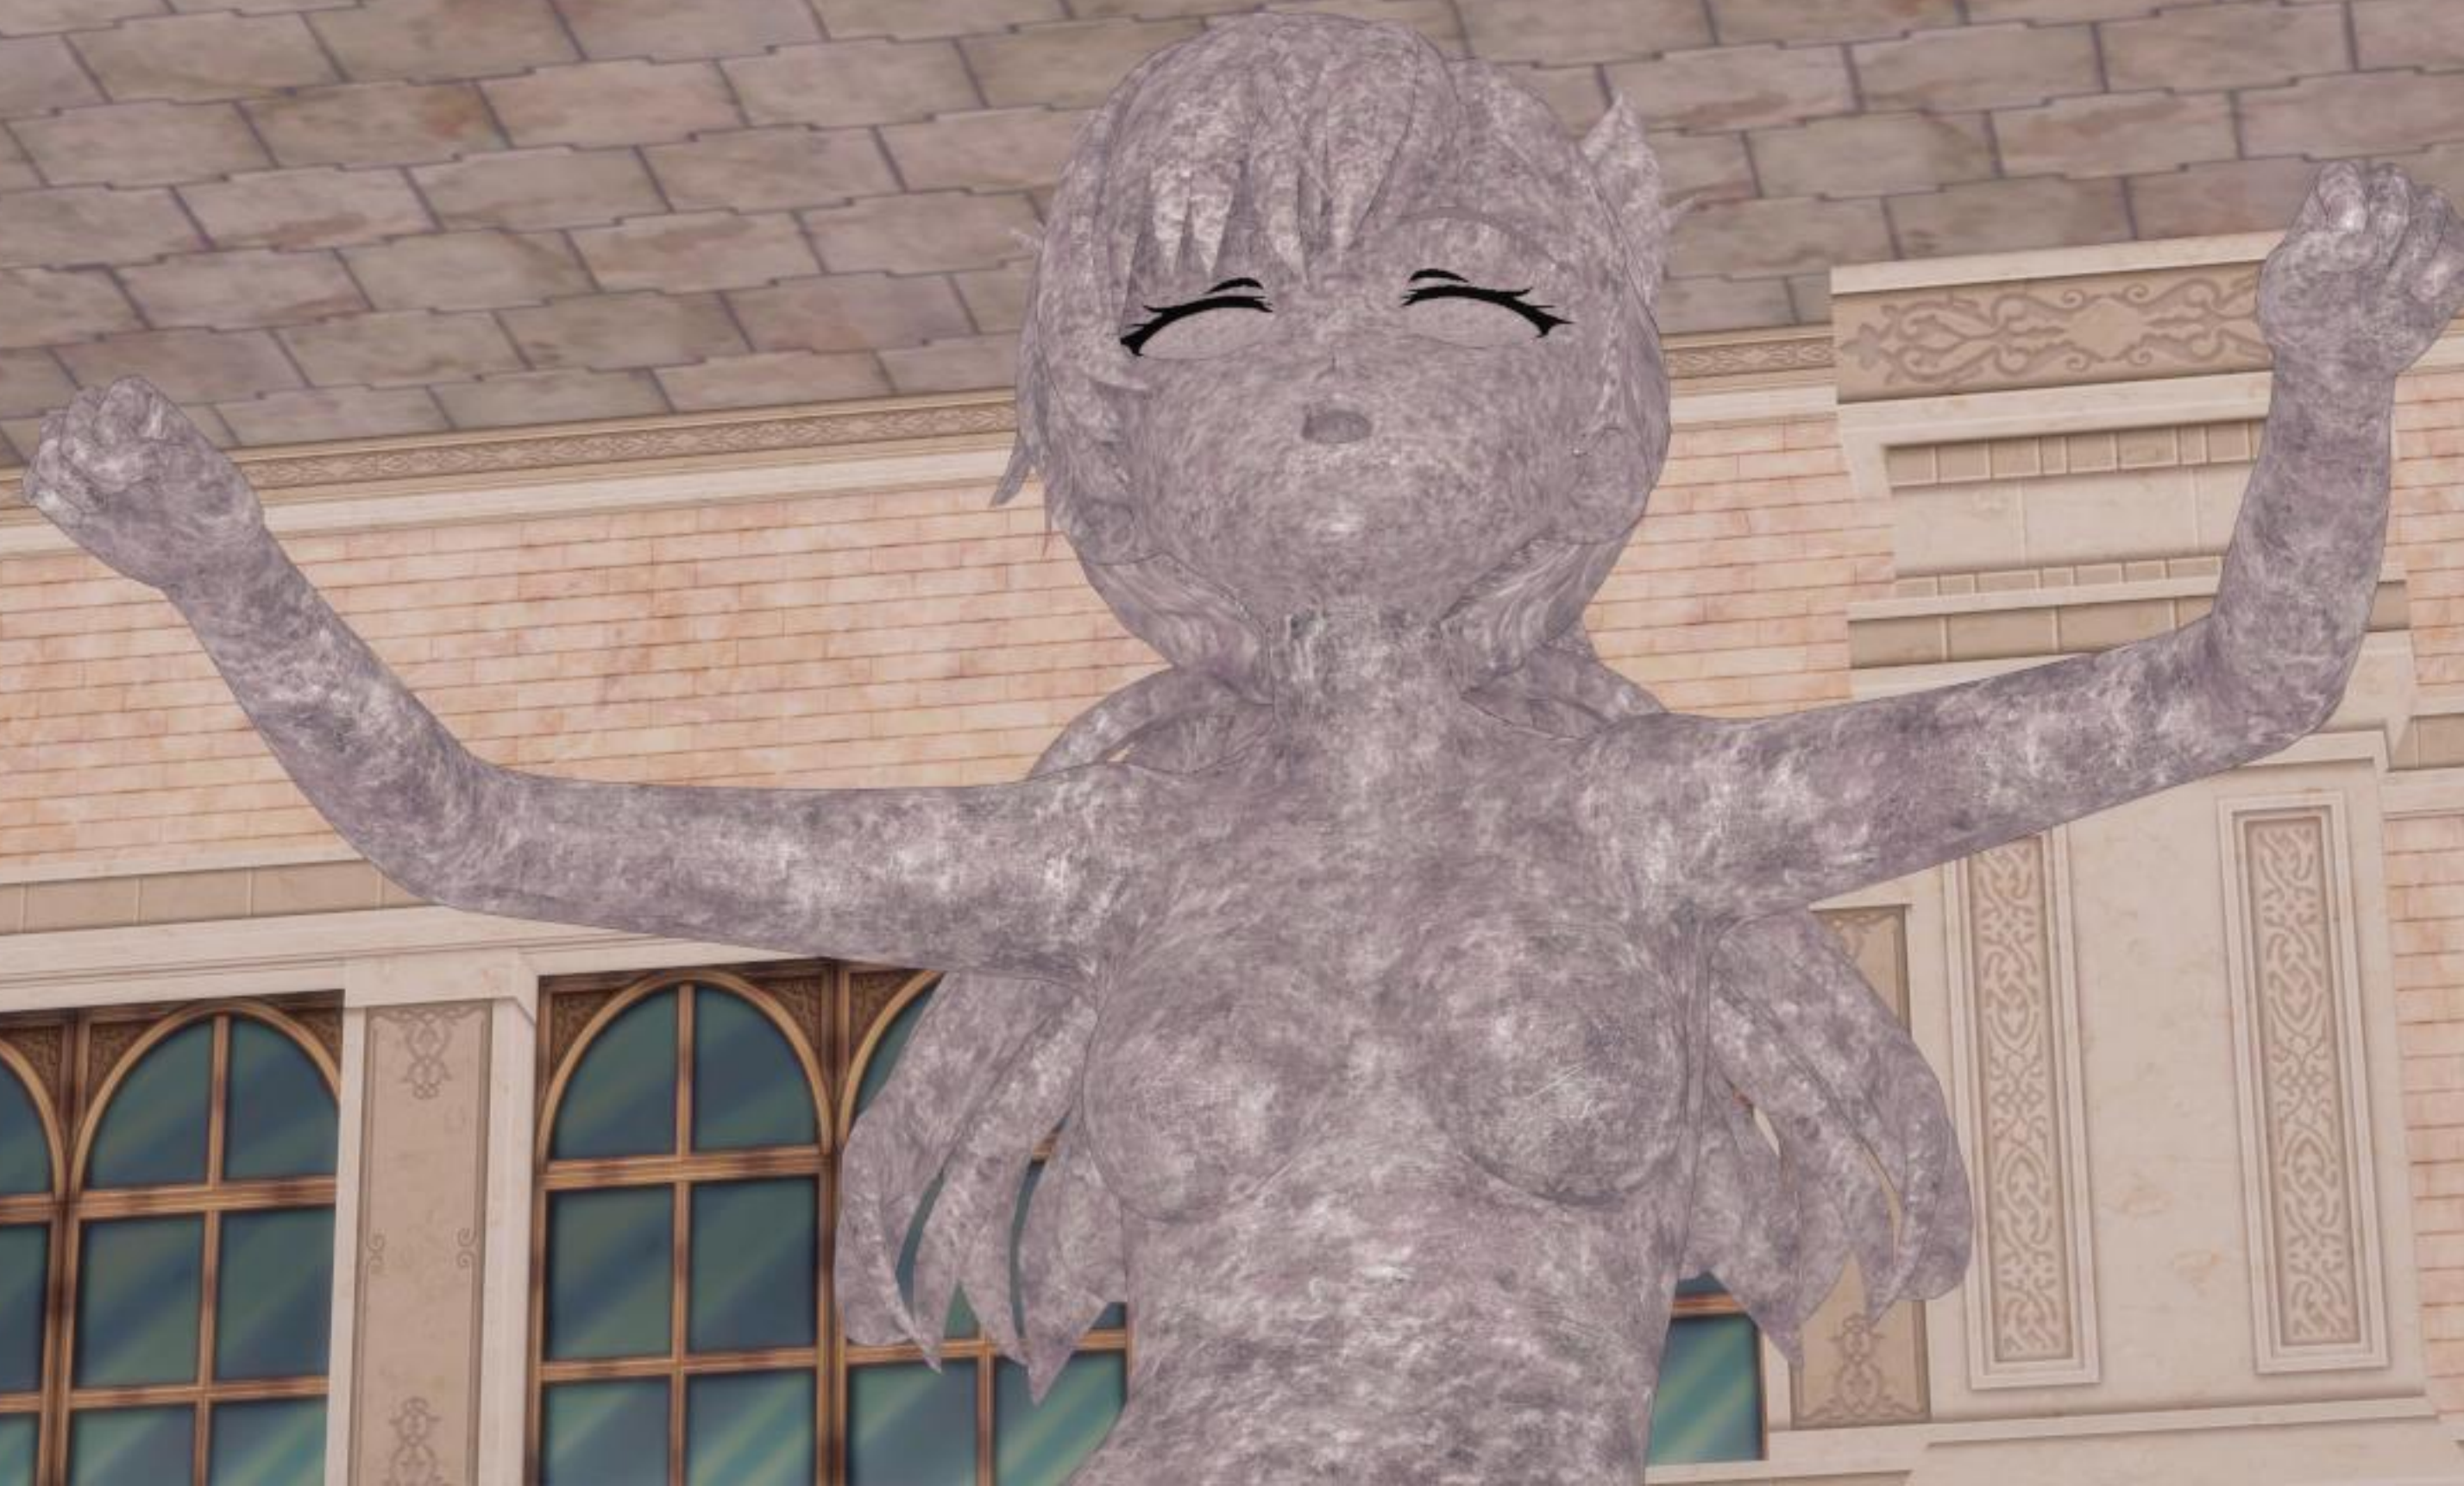

**A petrifying trap? How
did we miss that?**

**How did she even
end up on the floor?!**

We're off to a rough start. Mei?

The petrifying trap is now disabled.

**Sweet. Bummer about
Foxxster though, heh heh...**

Okay, we're not
turning to stone.

That's a good start.

Now we need to
find whoever is behind this
cosplay museum.

I'll scout ahead.

Go that way, Nonomi.
The other way isn't safe.

Understoo-

-dddddd?!

What the- How did
you get over there!

I don't-

Nonomi!

**Heh, I guess when
it comes to scouting, she's as
good as gold.**

Careful! Something weird is going on.

First Foxxster ended up on the floor, then Nonomi went the wrong way.

I think someone's-

Mei?! She's gone!

**Damn, I didn't know
she was such a good ninja!**

**NaoNao! Focus!
We need to find her!**

**This is the way
Nonomi was supposed to
go. Come on!**

**Hey, when did the display
ladies end up naked?**

**Not that I'm
complaining, heh heh.**

Oooooh... I didn't expect to see some handsome men here.

Yeah, and I thought the ladies were distracting.

Hey, is that Mei?

Mei! Frozen?!

The ice ninja really chilled out, huh?

Sorry, I just see the humor in this.

It's okay, I'm used to iiiit...

When did you remove
your clothes?

I... I feel so... aroused...!

Huh? Where diiiiii...

Hey, I'm like,
super horny. We need to fuck
these fine lads.

Y-yeah...

This one's hot.

Oooh, so is this one...

Oooh...!

Aaah...!

Me too~!

I... I need more!

Oooh...!

Aaah...!

Okay, I think that's
enough teasing.

The only reason I let you
get this far was so you could mess with
my sister's collection.

Dudes aren't my thing,
so I figured I would let you play with
her toys instead.

I've been stopping time
since you arrived.

You thought you were
being so careful...

...but you never had a chance.

Now, my beautiful Nene...

...I think we need to go
somewhere more private.

Aaah~!

That's a good ninja.

Silent, even during sex.

Now, NaoNao... heh...

I'm going to add
you to my collection a bit
more permanently.

As much as I've enjoyed you,
I like you better as a statue.

You'll look great in
the bathroom, I think.

The only one I want to
spend time with on the bed from now
on is you, my dear Nene.

Oh... And one more thing...

Happy birthday~!
