

Pandora's Box 2 Walkthrough

Version 0.2

General Information

The game uses 3 main types of points:

- **Corruption** for the Girlfriend

Keep track of your points and Days passed by clicking "**Toggle Stats**" button at the bottom of the textbox:

Main Story

The game is a direct sequel to the story from the first part.

19 years have passed since **The Boyfriend** went to jail for the heist.

The Girlfriend now lives in a new house with her roommate (**Ellie**) who is the new protagonist in this game (together with the **BF** and **GF**).
