

A woman with long, wavy, light-colored hair and glowing yellow eyes is the central figure. She is wearing a dark, strappy top. To her right, a man with dark hair and sunglasses is partially visible, holding a drink. The background features a grid of glowing blue squares and a circular light fixture. A speech bubble is positioned to the left of the woman.

A comic book panel depicting two women in a dimly lit bar. On the left, a woman with voluminous, curly blonde hair is shown in profile, her eyes closed and mouth slightly open as if savoring a drink. She is wearing a purple halter-neck top. On the right, a woman with long, straight dark hair and glowing blue eyes is looking towards the blonde woman with a slight smile. She is holding a small, ornate glass filled with a dark liquid. She wears a black choker and a dark top. The background features a grid-like pattern, possibly a window or a wall. Two speech bubbles are present: one from the blonde woman and one from the dark-haired woman.
