A full-page illustration in a anime style. A character with long, flowing white hair and a blue hooded cloak is the central figure. She has a red face, closed eyes, and a blissful expression. Her chest is exposed, showing large, pink, inflated breasts that are being milked by four green goblins. Thick white milk is spraying from the breasts and dripping down her front. The goblins are green-skinned with yellow eyes and sharp teeth, all smiling and drooling. The background is a sunlit forest with trees and foliage. Several small pink hearts float in the air. A speech bubble from the character contains text.
