BACKSTORY

--This event occurs after Ririka and before the 10th Episode—

It was an overtime in Friday night. Because of your proficient in English, you were tasked to bring some documents to the Overseas members that just arrived yesterday. At 9 PM, you went to the written address, it was a two stories house. Kinda looked like a shared house.

After ringing the bell, some of the girl opened the door and invited you in to the living room. There were three other girls loitering on the couch. Chatting and snacking. This is the start of your miserable night..

INTRO

K : hey.. first of all thanks for bringing those documents.. must be a tiresome for having 10km walk from office to here..

R : yeah.. that's why we agreed to let you rest here..

Y : ummm you don't have to.. but thank you..

M : Ooo you speak good English..

N : yeah.. he do—wait.. don't tell me he's the... let me check the picture..

N : oh shit.. yo check this out..

K : oh my.. you were right.. this is the maso guy that everyone talked about..

R : fufufu—this is perfect, isn't it? While we're waiting for management to set up our streaming equipment. We got a 'bored' reliever for today..

K : HAHA.. that's right weine.. sorry maso, I'm afraid the rest time was over..

 : why don't you start getting naked for us.. (GET NAKED)

 : let us see what's behind those spicy story we've heard..

M : meh.. small dick..

N : don't judge him like that Mumei.. maybe he's a grower not a shower..

M : then show us..!! make it erect!! (START STROKING)

ALL :

M : hey.. has it hard yet? I can't see the difference..

N : Ahh.. my bad.. he's indeed.. Small..

Y : but but.. this.. they told me it's.. average...

M : Average..? are you joking..? Ah.. maybe yes if you compared to the other japanese..

 : but for as westerner, that size is barely nothing..

R : wait I'm not westerner.. but I agree, yours is TEENY.. HAHHA....

K : (smirk) hey I just realized we're all holobird.. that includes you too Nerissa.. you're a honorary member..

R : oh yeah you're right Kiwawa.. A raven, an Owl, Phoenix, and Peafowl..

M : you were forgetting one more..

R : what do you mean?

M : that..!! you forgot about that thing.. literally called a Cock..

R : Awawaw... how could I forgot such a thing..

K : then we are all 5 birds.. fufu—such a faith, wasn't it..?

N : umm girls.. looks like he's going to cum..

M : funny shit.. not only he has itsy-bitsy dick, he is also a prejac..

: Pathetic useless man.. no.. I should call you slut from now on..

: yeah.. that's more fitting.. SLUT..

K : then I want to give him a cute nickname too..

: a MASO... you do him to Weine..!!

R : hmm.. he's going to cum, so let's edge him instead..

: and because he's edging I'll call him GOONER..

N : yeah great idea.. we won't let you cum that fast.. you're our plaything today..

: so get to the edge LOSER..!!

M : you hear that..? edge now..!!

ALL : EDGE..! EDGE..!! EDGE..!!

K : fufufu—what a pitiful edge..

: but for a masochist like you, edging is your favorite thing, right?

: you love being told to edge multiple times..

: being pushed close to the climax over and over..

: and letting us deny your orgasm again and again till your brain turned crazy..

R : Oh.. if those are what he likes then let his orgasm be decided by challenges..

: like we'll each prepare one for him, if he clear our challenges, he'd get point..

: the orgasm then decided by how many total point he has..

: and maybe, if you do it well, I might let you taste my pussy...

N : That's a bit optimistic for him though, but like the idea..

: fufufu—I already know what challenge's suited for him..

M : yeah.. let's do that.. I also have one in mind already.. surely he'd love it..

K : then how's the challenge would go..?

R : simple, the gooner here choose who'd be the first one..

: then they play the challenge inside that empty bedroom..

: after the challenge's done, the gooner choose his next girls..

: we'll do it until he finished 4 of our challenges..

K : ROGER..!! now MASO.. choose who'll be your first one..

: let's see who's the first friend this little 'cock' would choose..

: 3 carnivore birds and 1 herbivore bird..

: a raven, an owl, a phoenix, and a peafowl..

: a death, a killing predator, a second life, and a... hmm.. a beautiful one..?

R : owh.. Kiwawa.. you're also pretty..

K : Weine.. let's fuck later...

M : uhh stop flirting lovebirds.. now before you choose edge one more time SLUT..!!

N : Mumei... if he edged too much in this early.. he'd surely keep failing my challenge..

M : I don't care.. in fact I want him to lose all the challenge..

: I won't let him get a single point...

: oh.. I might make him go negative instead..
 N : Ehh.. going negative..? is it on the rule..
 M : the fact that this is our game, the rules is also ours to alter..
 N : ohh how cheeky are you..
 : fufufu—chill LOSER.. I won't take any point from you
 : do you know why? Because I know you wouldn't be able to take one from me..
 : now just edge...!! we're starting soon...!!
 : don't mind those 2 lovebirds.. when they're making out, they don't like to be disturbed..
 : so I suggest you choose me or Mumei first..
 M : Ah.. you shouldn't tell him that Rissa.. I want him to pick one of them..
 : ohh I already can imagine what will happen..
 : they both get annoyed and instead of going one by one.. they both challenge him as one...
 : that SLUT would be in mess before he even face ours..
 N : oh yeah.. that's true.. you'd better bury that thoughts deep..
 : now edge and choose...!!

-----OPTION CHOOSE-----

N : oh goodluck then..
 M : yo lovebirds.. he chose one of you.. so could you postpone your lovey-dovey..

 Y : then may I cum..?
 R : uh.. annoying.. just edge and hold it..
 : I'll tell you when to cum..
 K : Weine.. you smell different today...
 R : hnn.. am I? I guess it's because we're doing these lewd things..
 : you also felt different.. your body is hotter than usual..
 K : uh.. yeah I'm a phoenix.. of course my body would felt hot..
 : but maybe because someone is watching us.. it increases the excitement..
 R : pervert aren't you..? getting wet while being looked by stranger..
 : I've unlocked your new secret.. exhibitionist Kiwawa..
 Y : umm I'm on the edge now..
 K : oh don't tease me.. If I ask you to show your pussy to that stranger with me, you'd probably join me, wouldn't you?
 R : fufu—you got me.. how can I say no to you.. I'd fuck him too if that what you want..

: I think we were both Maso in our eyes..

K : hnn.. yeah.. your nipple is so stiff..
: I want to scratch it badly..

R : ohh.. same goes for you..
: that bulging tip is begging me to pinch it..

K : aahnn.. gently.. it's so sensitive now..
: your fingertips gave me burning sensations..
: even though it should be me to make you feel that..

R : it doesn't matter.. it's been a long time since we did this last time..
: Maldives.. remember..?
: you sucked me hard down here.. made me let out embarrassing scream..
: then you kept tweaking my sensitive clit.. oh.. I cummed multiple times in a row back then..
: I still can't forget the sensation..
: Even now.. let's do it again..!!

K : Weine.. you're just so cute..
: then it's my pleasure... spread your legs..
: I wanna see your wet and hard cunt..
: fufu—the smells.. sweet and sour..
: I can't wait to gorge it up..

R : hnn.. stop talking when you're down there..
: your breath.. tickling.. ahn..

Y : please..! I can't hold it anymore...

K : Oh.. then should I stop..?

Y : yes plea—

R : yes.. stop talking, just.. suck me!!

K : ok my love... I'll suck you bad and gobble it all..

R : Ahhn.. yeah.. fuck this is too good..
: nhhhnn... put the tongue inside..
: ahh best.. the stimulation.. too much..
: wait wait wait.. slow do—uhtkk...
: cum.. cumming..!!

K : pwah... yummy juice..

R : hnn.. come.. it's your turn now..
: turn around and bend over..
: I'll stir your inside with my delicate tongue..

K : Ooohho... fucking wild Weine..
: shit shit shit.. this is dangerous..
: your finger suddenly.. rubbing my delicate hood..
: if you keep rubbing me that fast..
: I'm gonna... uhnn...
: oohhooookk.. it's coming out.. I'm gonna squirt..
: I.. it's out.. it's..uhkk... cumming..!!

R : pwahh... I drank it all..
: now let's switch aga—

Y : Cannot.. anymore.. please..

R : Ahh.. sorry I didn't notice...

K : OH I forgot you've been holding that edge this whole time..
: ok you can cu— come back later..!!

R : HAHAHA.. yeah.. come back later.. We're gonna fuck more..
: so you just do Mumei or Nerissa challenge first..
: Ahh... your cum? Of course there is none?
: we haven't promised to let you cum, have we?
: Oh.. we had?

K : I don't remember.. hmm or maybe we did back then..
: but.. ah... anyway... just finish our challenge and acquire some point first, then you can talk about cumming..
: though I have to say.. it's impossible for you to gain one point from us after that excruciating edge..

R : I don't think so Kiwawa.. I mean he's a Gooner..
: that edge is only a trivial matter for him..
: just look at his face back then.. even though he was begging us to stop, but behind those word, he undeniably enjoyed it so much...

K : hmm.. you're right.. if that edge was not a handicap..
: I guess we should give him another one..

R : yeah I agree.. he did disturb our lovey dovey time.. even now..
: OK.. now you will start the challenge with -2 point..
: wishing you a goodluck..!!
: now go to the other girl and tell them to use the room upstairs..
: tell them that this room is occupied..

-----OPTION CHOOSE----- M/N

MUMEI OPTION (-5/4 POINT)

M : oh am I your first pick?
: I am not..? then you're in a deep trouble..
: wanna hear what's the bad news are..?
: well.. start stroking first..
: I'm gonna put that cock into a real real bad spot before we even start the challenge..
: alright.. so there are 3 points that you can gain from me..
: we'll be playing 3 rounds of challenge..
: and here is the bad news come..
: I also can take 3 points from you..
: for each round you failed, minus one point..
: and don't you forget.. there still a number below zero..
: yes.. and here comes the second bad news..
: your point can turn to negative..
: fufufu—ohh what we have here..?
: does your cock need some break..?
: has it gotten real real bad already..?

: fufu—then this is the right time to tell you the third bad news..
: the challenge you'll be fighting for is contain of fast non stop stroking..
: umm no.. I don't think this is a bad news for you, SLUT..
: I mean slut tend to choose pleasure over anything..
: so with that fast stroking that supplies infinite amount of pleasure, this one should be called good news instead..
: OK STOP NOW..!! I'll give you 30 seconds to gain your composure back..
: after that we'll start the first round..
:
: oh.. you like how I dressed..?
: fufu this still nothing.. I could make it even better..
: like now.. can you feel something reacting in your body..?
: yeah.. your 'slut' trait is manifesting even more..
: the 'slut' genes on your DNA appearing more and more clearly..
: and that is the perfect time to start the challenge..
: first round.. 1 point.. start..!! stroke it fast!! (2min)
: you are not allowed to stop before I tell you to..
: tsk.. you call that fast?
: don't play around, get serious else I'll fucking make this round longer..
: hmph.. good.. you fucking dimwit..
: fuck around one more time and today won't end well for you..
:
: uh dickhead, can you not letting out that weird noises..
: your moans disgust me.. I can't stand hearing it..
: just shut your fucking mouth, you don't need it..
: the only thing you need is your hand to jerk off..
Y : but.. hitting the lim—
M : couldn't you understand simple words, you fucking piece of trash..?
: I just told you to shut up.. no talk..
: no moaning, no panting, I don't wanna hear a thing out from a fucking slut..
: fufu—now you're trying to tell me with your eyes..?
: oh.. is it hard to hold on..?
: are you gonna cum..?
: then shouldn't you stop..?
: come on.. not gonna do it?
: I don't think that pathetic cock can hold out any longer..
: if you don't stop now, your slutty genes gonna splurt out..
: ...
: fufu—well done well done..
: you did a great job resisting my temptation..
: if you by any chance falling to the temptation, you lost 1 point..
: my temptation you asked? Well I didn't really tell you to stop, did I?
: I only asked if you "should stop".. that's not an order that's a question..
: are you getting dumber because you're on the edge..?
: Ahh.. that surely are for a braindead slut like you..

: anyway you can stop now.. (STOP)
: fufu.. not gonna lie, I have to give you credit for taking one point from me..
: yet.. If I were you, I won't even dare grinning like that..
: because I know the next 2 points still not in the bag yet..
: hell I even might lost it and my point become -1..
: so slut.. I suggest you fasten your seatbelt, uhh no..
: I mean your position.. get comfy as you could, grip that cock well, don't tense up, because the next round will be a lot of turbulence..
: and do it fast because it is coming already..
: oh yeah, this round just stroke following the beats..
: second round.. 1 point on stake.. start..!! (3 min)
: it's time to take off, slut..
: ok.. ok.. steady...
: now we're getting the speed...
: keep accelerating..
: we are nearing the top speed..
: now full throttle..
: ...
: mmmm.. so lewd.. a view.. that..
: very obscene.. the sounds of that hand jerking...
: with your half opened mouth, your hard breathing..
: complimenting each other..
: Ahh do you realize that this speed is different?
: a way much faster than the previous round, isn't it?
: if before you already struggled hard enough..
: are you sure this time you can seize one point from me?
: I'm pretty sure the answer is 'unlikely'..
: Ah.. be careful, turbulence is coming..
: hold it tight.. get ready for the impact..
:
: AHAHA... you anticipated it so hard, huh?
: you flinched and looked so worry.. don't worry the next turbulence is still far away..
: let's continue the full throttling, shall we..?
: ...
: fufu—after the turbulence it is hard to maintain the composure, huh?
: the shocked made your body tensed..
: your legs lose its strength, the buttcheeks clenched..
: and your cock.. trembling.. oozing not a small amount of precum..
: it is fine though.. you can slow down if you couldn't handle it...
: we don't want to have an accident, do we?
: come on.. you can slow it down..
: slowly or completely.. just let go this round..
: you still have one round you can gain tho..
: maybe if you stop now and take a rest.. you have a higher chance to win the next round..
: because I can see there're many dark clouds ahead..

: a lot.. I mean a looooooot turbulences are coming straight toward us..
: if you still want to confront it with that state of your... cock..
: I doubt you can land without an accide--
: oh no.. we almost enter the danger zone..
: brace for impact.. hold it tight..
:
: you still there, slut?
: ahh ok.. then go max speed..
: I'll warn you, now the turbulence will come randomly..
: when it comes, just hold your cock tight, ok?
: do it like usual.. if you want to quit, quit now before it's too late..
: ...
: tsk... you still want to play..?
: fuck it..!! enough of this fucking roleplay turbulence shit..
: I thought by doing some roleplay I could tempt to make you surrender..
: but.. ahh.. fuck it..!! fuck you..!!
: now let's see if you can follow this beats..
: no beats mean you fucking squeeze your small cock tightly..
: it's time to make you fail..!!
:
:
:
: hmm.. struggling now?
: this is still nothing..
: the stop will keep coming mercilessly..
: it will mess your brain so much..
: and in the end, the only thing you can think is..
: CUMMING..
: "ah I wanna cum so badly.."
: "spare me.. I shouldn't have taken the risk.."
: "uuuhh.. why didn't I stop when I had the chance.."
: are those thoughts filling your head, question mark?
: fufu.. ahh just had a wicked thoughts..
: don't you think you should give me more of your point if you failed this round?
: I mean, I gave you the chance to back out, yet you deliberately refuse..
: such arrogance behavior need to be punished more, don't you think so?
: mhmm.. what is your answer? Don't.. YOU.. THINK.. SO..?
Y : Y..Y..Yes...
M : yes what..? give me proper answer..!!
: say it loud and clear..!! let the girls downstairs hear your answer..!!
Y : Yes.. I need to be punished..!!
M : then punishment you'll get..
: if you fail this round now, I'm taking 3 point instead of 1..
: ...
: what..? wanna cry?

: feeling hopeless? Where's the usual confidence has gone to?
: suddenly losing 3 points that you worked so hard to gain..
: must be very dishearten..
: well that happened because your getting too cocky...
: ...
: uh but it looks like it still can handle the stopping barrage pretty well..
: ok this will be the last move..
: let's see if you really can keep me from taking 3 points from you...
: ...
: Oh.. also want to make sure that'd be no misunderstanding between us..
: If you pass this round, you'll still only get 1 point, ok..!?
: don't think that you could gain easy 3 point from me..
: remember..!! it's a punishment..!!
:
:
: hmm.. you somewhat did well holding it back..
: alright.. alright.. you can stop.. take some rest..
: I guess you deserved the win this time..
: but that wouldn't happen again next round..
: even while you're resting this time..
: I will tamper it.. with my body.. with my talking..
: come look at me.. look at how seducing my body is..
: this bare skin.. my pink lips..
: the pinkish tint on my skin..
: also the pink tip on top of the these milkers..
: these tips are getting stiff not because it's being teased..
: but because the excitement of teasing you..
: oh do you want to know another pink part that I haven't shown you..
: it is too obvious to guess, isn't it?
: or are you too intoxicated with pleasure that I need to tell you specifically what part it is, slut?
: Ahh I guess you are..
: here open your ears wide.. it was my..
: P..U..S..S..Y..
: wanna look? Just a little spread with my fingers and the pink is yours to enjoy..
: AHAHAH... you slut.. just imagining it already make you drooled everywhere..
: don't worry I'll let you see it when we start the next round..
: for now I only want to seduce you.. tempt you..
: oh yeah, let me tell you something..
: next round or let say the last round..
: you'll only need to stroke it fast for 30seconds..
: that's easy, right..? also I'm feeling generous, so if you pass it, I'll let you have 2 points instead of 1..
: but the catch is.. ah.. nevermind.. let it still be a mystery for now..
: I want it to be a surprise..
: so with that in mind.. don't you think it's time for you to get back jerking that cock..?
: or maybe you're too scared with the 'catch'..

: well that's also fine.. if you want to start the round with a hard cock..
: I'll let you.. but if you want to start while it has being limped..
: I'll still let you be.. all that matters is when I start the timer you've to start jerking it off..
: mhhmm.. still... I guess even with 3 minutes of break already..
: that cock of yours.. still standing hard, isn't it?
: is it because the thought of my pussy?
: or is it because.. you.. really.. want.. to... lose.. so.. so.. so.. badly..?!?
: whichever it was.. I hope you're ready..
: the catch for this round is simple..
: stroke it super fast for 30seconds.. with a.. tight..
: tight.. what..?

Y : g..grip..?

M : that's right slut.. do it with tight grip for 30s non stop and I'll let you have 2 points..
: great deal huh..?
: fufufu— I bet you're thinking that maybe if you start with a limp dick you'll have a higher chance winning..
: or maybe you're regretting because your cock wouldn't listen and get hard by itself..
: AHAHA.. that is why you're called SLUT.. because slut only think with his cock..
: now I don't care what state of your cock right now..
: we'll start the third or last round.. 2 points..
: 30 seconds.. START..!!
: yeah.. that's right.. and to keep my promise..
: here's my pink.. PUSSY..!! enjoy it.. look closely..
: the details of it.. the hole..
: the lips.. the clits.. even the peehole..
: with this.. shouldn't you lose for me?
: Why don't you stop your hand so you can look it better?
: ahh.. Almost time.. I guess adding another 30 seconds doesn't hurt..
: with this additional time, you can engrave the view more in your brain..
: and I can make sure you lose this round..
: so it's a win win for us..
:
:
: alright.. stop...
: ahh.. you did it, huh? Did I make the round too easy?
: uh.. I even add twice the time.. I knew it, I should make it last 2 minutes instead..
: tsk... ok then.. congrats for getting 2 points this time..
: now you've done my challenge.. guess my turn is over..
: it's time for the next challenge, tell me who'll choose?
: I'll leave and let them know.. choose wisely, slut..!?

-----OPTION CHOOSE----- K/R/N/END

KIARA OPTION (3 POINT)

K : Awwh.. is it finally my turn, maso?
: I've been waiting long enough..
: I wanna break you so hard till you're nothing more than a walking dildo..
: first of all start tugging that small cock..!!

: I'll explain slowly what and how my challenge is..
: thoroughly and passionately, even just listening to it will make your little cock tremble in pleasure..
: now let's see do this word will make your body react..
: "Pain and pleasure"
: "nipple" "balls torture"
: "slap" "punch" "flick" "crush" "pinch" "poke"
: AHAHAHA.. look at you..
: your masochistic nature is revolting..
: each of those words made your body twitch..
: your body likely told me that it wants me to punish it as soon as possible..
: fufu—even if your mind refusing to accept you're a Maso little bitch..
: ..your body is speaking the truth..
: that contradictive trait is not good for you though..
: you have to acknowledge that you're indeed a complete masochist..
: from head to toe.. your body and mind..
: as a singular human.. a True Masochist..
: hence, the challenge I'll give you today will be called..
: "masochist conditioning".. yeah.. by the end of this challenge without a doubt you will tell me with confidence that you're a Maso..
: and it would be such a trivial challenge, all you need to do is just follow all of my instructions..
: and the point you can get is 3..
: also for the generosity, I won't make you do any counting nor will be many rounds..
: only one round.. complete it and 3 point is yours..
: just one mistake or one disobedience, 0 point is all you get..
: That's so kind of me, wasn't it?
: you don't need to think "what if I fail this, what if I don't do that"..
: so you can focus more on.. on the...
: on.. the.. PAIN...
: and pleasure of course.. little cock maso-san..
: AHAHAHA....
: ok you can stop tugging for now..
: it is time to make your body feel burn..
: ah don't worry, surely it was the burning sensation of pleasure..
: what else would it be..?! I mean for maso.. PAIN... is equal pleasure, right?
: you don't believe me? Here let me demonstrate it to you..
: take this nipple clamps.. I already connect both of it with a leash..
: and now.. before I put it on..
: shouldn't we make those nips-nips erect first..?
: mhmh.. relax maso.. with my both hand.. using all of my finger tip..
: touching gently from your thigh..
: moving upper slowly to your waist..
: and meeting up in the belly..
: walking slowly to your chest..
: and move circling both of your nipples..
: circling and circling, closer and closer to the areola..
: still.. leaving the tip of the nipple untouched..

: finally removing one finger each as it getting close to the center..
 : start with the pinky..
 : and the ring finger...
 : the thumbs...
 : finally it touched the edge of the areola..
 : now remove the middle finger...
 : and with your index finger..
 : circling inwards.. smaller and smaller..
 : finally... Poke!!
 : AHAHAHAHA... look how your body tremble..
 : your cock even got hard by itself without being touched..
 : and it oozed a lot of masochistic precum..
 : but leave it like that.. we're not done preparing your nipples..
 : now use the nails of your index finger..
 : and scratch it.. scratch.. scratch..
 : Uuuhh, did it shiver?
 : scratch.. scratch.. scratch.. tweak..
 : scratch.. scratch.. tweak.. and tweak..
 : ...
 : it's stiff as rock now, which means the preparation has done..
 : now take those clamps..
 : you can feel the tightness first.. these things bite pretty hard tho..
 : alright.. now put it in the nipples..
 : Oaahh.. it's twitching.. your pathetic cock spasming wildly..
 : now for the last check, try pulling the leash..
 : make sure the clamps bite properly.. if you pull the leash and it got off then you have to make it bite deeper..
 : uhh.. uhh.. does it hurt?
 : it feels good, right? Then what are you waiting for..
 : start jerking off again and pace yourself..
 : It will help you turn the pain into satisfaction..
 : yes yes.. feel the stroke..
 : each stroke drives you more and more to the climax..
 : with those lingering pain and pleasure on your nips..
 : slowly your body will associate pain is climax..
 : I just need a to give you a little push like this... (show boobs)
 : together with this.. (squeeze balls)
 : and that hand's starting to move faster...
 : fufufu—
 : those masochistic traits of yours, I'll reveal it all..
 : mhmhm? After all of this you still act denial..?
 : for me, it's clearly seen that you're a useless maso.. even without the pain involved..
 : the moment I invited you inside the house.. you think I didn't notice the boner you had behind your pants..?
 : I bet back then you really thought that you hoped to get caught so we can do aaaaaallllll... these stuffs to you, am I right?
 : AM I RIGHT MASO..!!
 : Y.YY..es..

: uuhhnnn.. I don't like your hesitant answer..
: I guess you need to be punished even more..
: choose.. you'd like me to increase the pain or the pleasu—
: ahh no no.. Kiara you dumb.. why did I even ask..
: of course for maso man like you, pain and pleasure is the same..
: anyway, I want you edge and it won't be just an edge..
: I'll count you down normally from 10 to 0..
: for each number I want you to pull the leash further..
: and finally at 0 when you edge, pull it hard until it off from your nipples..
: Ahh.. what I mean by the pull is, you have to keep pulling while the countdown last..
: so it's not like a tiny tug.. but pulled hard enough yet before it ripped off..
: umm maybe it's confusing.. let's practice it first..
: 10.. now just pull the leash a bit and keep it pulled..
: this also mean you should start stroking to the edge..
: 9... now while the leash is being pulled.. I want you to pull it even more..
: don't ever stop pulling.. If by any chance it slips off before 0..
: put it back on and start pulling immediately..
: 8... you get the gist of it? Each number mean pull further..
: 7... more.. you see the leash is more tensioned..?
: that means you're doing it correctly..
: 6... pull it even more..
: 5... we're halfway.. keep it balanced between your stroke and pull..
: don't edge earlier nor rip it off earlier..
: if you failed, we have to practice it again and again until you could do it.. (restart if fail)
: 4... you know what to do..
: get closer to the edge yet pull further..
: 3... uhh we're not even start the real thing and your nipples already swollen red..
: 2... what would it become if I purposely make you fail this practice..
: like.. Ahh.... My evil thought almost leaking..
: 1... alright now you should be one stroke to the edge..
: and the pull also should be in the state that even tiny tug will be able to rip it off..
: when I count the next number, you have to edge and rip it off simultaneously..
: ready..?
: STOP... fufufu—of course that just the practice..
: we'll be doing the real thing... but after you did my evil thoughts..
: AHAHAH... YES.. now put the nipple clamps off for a moment..
: you can put it away normally, but if you prefer to rip it off with pulling, I'll gladly watch that..
: ...
: uhh.. look at that poor nips-nips..
: give it a couple flick to check its condition..
: ouch.. does it burn..? want me to cool it down..?
: I know a perfect way to remove those burning sensation..
: now follow my instructions carefully..
: first make a ring with your thumb and index finger..
: then milked your tiny cock upward..
: you see the precum that leaking out..?
: uhk hnn AHAHA... yes.. that will be your 'burning' ointment..

: now scoop that precum and smear it evenly on both of your nipples..
: do it gently.. not only on the tip, but the areola and the outer part of it..
: how is it..? feeling better, right?
: then shall we start the countdown...?
: AHAHA.. what..? you don't think it will bite properly with your precum on it..?
: I... DON'T.... FUCKING.. CARE..!!
: If it off before I count 0, then we can retry it again..
: even if I'd take 10 minutes, half hour, or even an hour.. I'll make sure you will do it properly..
: don't worry the other girls would understand..
: they'd know by the sound of scream you're making that we're having fun..
: alright enough yapping.. now put it on..
: make sure it bites deep else it would rip off easily...
: ...
: Perfect.. now you can start tugging..
: remember, when I start the countdown, you've to start pulling..
: are you ready..?
: 10.. start the pull and get ready to edge..
: 9... How's the clamp? It's still intact, hmm?
: fufu—but I prefer it doesn't...
: I want to see how many try your nipple could handle..
: 8... oh don't make that face.. it's you who asked me to cool it off..
: so don't complain if it keep slipping off..
: 7... maybe it will stop after a couple retries..
: or with time passed, the precum would dry by itself..
: 6... so better hold on.. 3 point is on the stake..
: if you give up now, all these 'pleasure' will be in vain..
: 5... look we're reaching halfway..
: by now you could feel the urge to edge is coming..
: the same with the pull.. you could also feel the clamps is starting to slip..
: 4... we're getting closer now..
: control your pulling, don't make sudden twitch..
: 3... we don't want to have any accident, do we?
: it would be terrible if you have to retry when we are close to 0 already..
: 2.. not much longer now..
: endure the pai—the pleasure..
: 1.. UUUhhh one more count left..
: get it as close to the edge and pull it the furthest as you can..
: and..
: aaaaanddd...
: EDGE AND RIP...!!
: *SNAPS* ouch... it felt so good, huh, MA..SO..??
: look at that nipples, it's beating so hard..
: let me touch it.. let me touch it..
: WOOAHHH.. burning like it's on fire..
: pinch and poke.. poke and pinch...
: fufufu—this is so fun..
: alright.. good job following my instructions..
: you did well enough, as promised, you can colle—

: ah wait.. almost skipped the most important one..
 : what are you mister..?
 Y : I am a Masochist man..
 K : YEAH...!! here's your 3 points..
 : and with that my turn now is over, though I still want to continue torturing you..
 : but I don't want to make them wait for too long..
 : I wish you good luck with the other girls..
 : see you lat—
 : Ahh.. before I leave let's have a fistbump..
 : ehh.. not with your hand.. I want to do it with your balls..
 : so spread your legs.. and...
 : FISTBUMP...!! Okay see y..

REINE OPTION (+3 POINT)

R : Hello gooner.. let's not waste any time..
 : start jerking that little cock..
 : ...
 : hmm.. wait.. am I your first turn?
 : if so then I am honored, but...
 : I don't think it could go well for you..
 : I mean my challenge today is revolving around the way I call you..
 : Yes.. EDGING CHALLENGE, gooner..
 : if this is your first challenge then too bad..
 : this will be the only time to get point, because after this challenge..
 : you wouldn't even have any endurance left to jerk off for long..
 : not even 30s.. LOL..
 : anyway, we'll be playing 2 gooning rounds..
 : each round is 1 point..
 : pass both of it and you could have 2 points in your bag..
 : mhmm..? something wrong..?
 : you think because this is the hardest challenge you should get more point?
 : such naivety.. there is no such thing as a fair play in this world..
 : the same with this challenge..
 : oh you think I'm being mean..?
 : you know what.. I even split this challenge into 2 rounds because I feel pity..
 : If I were mean, I would have made it into just 1 round idiot..
 : if you fail you fail.. 0 points.. no retry..
 : so don't ever say that I'm being mean again..
 : here I'll even let you choose what round you want to do first..
 : "RTA/speedrun" or "Pyramid Edge"..
 : I recommend you take the latter first..
 : but if you think that I'm tricking you, then feel free to choose the other one..

----PYRAMID EDGE---

: alright.. I'll explain you about this game..
: you just keep stroking.. even better if you can edge and hold it until I finished explaining..
: yeah.. that suggestion is also meant something..
: maybe the edge holding can be turned into bonus point..
: or maybe it just a mere handicap to make you lose this round faster..
: well, you'll never know if you don't try, right?
: in the end, it's all back to me..
: my game my rules.. did you forget that I did say there is no fair play..
: so if I were you, I rather risk to hold the edge now than regretting it later..
:
: good.. quick-witted, aren't you?
: or were you just following your instinct as a gooner..
: anyway, let's start the explanation..
: you might be familiar with the term of pyramid stroking..
: this took the same concept but with edging instead..
: there will be 3 level, at the bottom you have to do at least 5 edges within a certain period of time..
: on the second level, the amount of edges needed will increased, but not with the time..
: in fact, the time is decreased..
: if you can completed all the level, you secure 1 point..
: that's mainly it.. do you understand the rule?
: I can repeat the explanation if you want, but the time you've to hold the edge is also repeating..
: hmm? Ok.. if you're so eager to play, let's get into it already..
: you can stop holding and take a bit rest..
: after that just stroke with your own pace..
: I'll also start undressing..
: I know you'd love to see what behind this cloth, right?
: although my side-boobs is on the show all this time..
: my almost overflowing boobs..
: that mustn't enough to fulfill your lustful desires..
: ...
: Ahhh.. look at that hands.. with a little tease and you're off to edging already..
: then I guess I should start as well..
: alright, first level is 2 minutes and you'll have to do minimum of 5 edges..
: the more the better.. time starts now!!
:
: fufufu—edging while looking at almost bare boobs is amazing, right?
: look how plump these twin mountains are..
: soft and bouncy..
: can you imagine what if I gave you a little booby session..?
: your tiny pea-cock mated with the boobies of a peafowl..
: your pea-cock would be eaten completely under these boobs..
: buried hidden until none of it showing..
: although it's visibly gone, but the feeling and the sounds still persist..
: the feeling of being squeezed tight..
: every inch of your tiny cock, every nook and cranny rubbed against my soft boobs..
: with sweats and your pathetic precum..

: with the warmth, the feel of my heartbeat, and the pulsating beat of your erect cock..
: those combined together, sets up a suuuuper spicy mood..
: mmhm..? maybe you prefer something else?
: perhaps you want something more.. hardcore..?
: like being suffocated by these..
: AHAHAHA.. someone who choose that over paizuri, you're utterly beyond saved..
: but if you really have that disgusting kink, I think you'd be joyful when you met Ne—
: oops.. I almost blurted out some unnecessary things..
: just pretend you didn't hear that ok..!?
: speaking of which, have you done the minimum edges?
: you don't have much time left, y'know..
: tho I don't believe you'd lose this challenge..
: I mean 5 edges.. *chuckle*..
: come on it's only a child-play for you, isn't it?
:
: ok hands in the air.. if you've done 5 edges then you can move into the next level..
: else you lost the point, yet.. the next level is also mandatory..
: yes.. you also have to do the round till finish..
: keep doing your best yet the result is clear.. 0 point..
: your endurance will be in vain..
: and it will snowballed even more to the next round.. even to the next girl's challenge...
: alright resting time's finished.. start stroking again..
: we'll start the next level.. the edges you'll need to do is..
: at least +1 from your previous edge..
: so if you edge 5 times, this level you must do 6 edges..
: if you did 10 times then 11 edges..
: and the allotted time is...
: hmm.. nope I won't tell you.. but it's surely less than before..
: ...?? jeez.. what happened?
: what do you mean I tricked you with "the more is better"..?
: what's wrong with that sentences?
: for a gooner like you, more edge is better, right?
: are you getting dumb because you edged for too many times?
: if not then stop complaining..
: time starts now!!
: ...
: uuwoahhh.. straight to rapid stroking..
: not wasting any time, are you?
: then I'll have to do the same..
: after my boobs, it is my pussy's turn to please you..
: ...
: there you go.. straight to it..
: can't you see how wet my pussy's became..
: AHAHA... you think I'm wet because of you?
: not even a slight chance.. this wet came from the play I did with Kiwawa..
: silly you if you thought that way..
: I mean what girls would getting turned on when a man jerking and gooning with that miserable face..

: ahh but Kiwawa might.. because she has a heart for a kind like you..
: a masochist.. have you played her challenge?
: have you seen her pussy as well?
: how was it? was it also wet?
: let me tell you a secret..
: those juice that coming out from her pussy..
: is actually mine.. umm well technically it's ours..
: fufu-- I won't tell you exactly why mine could be in there..
: you can just use your lewdest imaginations..
: here look at my pussy once more before I take it out..
: yeah.. if you're wondering why..
: it is because the time's almost up..
: so better finish your ed..ges...
: 3... 2... and.. 1...
: hands up!! Banzai pose...!!
: did you make it..?
: it seems you just barely made it..
: fufu—you understand now how difficult this challenge is?
: the start might be easy, but after each edge..
: it's getting more and more excruciating, isn't it?
: alright then, let's hop to the final level..
: nothing change from the rules..
: the edge-quota is +1 from the 2nd level..
: the time will be shor—ah.. no let it be a surprise..
: good luck gooning, gooner..!!
: time starts now..!!
: rush to the edge fast.. this is your last hurdle..
: but just for a mere.. 1.. point..!!
: AHAHAHA— come on.. hurry edge!!
: if you still haven't done 2 edges, you're definitely doomed..
: mmmm? what..? you want to see my naked body one more time..?
: nope.. this time I won't show you anything..
: just look at my pretty face, or my hand and fingers..
: you can imagine if this hand is the one that edging you right now..
: this silky smooth hand, with long and slender fingers..
: wrapped tightly, covering your tiny little pea-cock wholly..
: and then I'll lean closer to your ears..
: whisper.. pleading.. begging..
: "I'll give you the most mind blowing handjob ever, so please stop edging.."
: "just relax and let my hands do the stroking.."
: "yeah.. tight and slow long strokes.."
: "from the root to the crown.. one looooonggg stroke.."
: and.... Done...
: hey hey.. hands off your cock now..
: ...
: so.. did you finish the edge..?
: Ah.. are you perhaps, fell into my temptation..?
: AHAHAHA.. who'd fell into that obvious trap..

: such a ludicrous man you are..!!
: well, then for you who failed.. you got nil point..
: but if somehow you can complete all 3 levels without cheating, I guess you deserve to get 1 point..
: oh by the way, if you did the edge holding I mentioned earlier, I'll give you some leeway..
: you see, the one who able to take the risk, deserve the reward..
: now have a little rest and we'll get to the next round soon...

---RTA/SPEEDRUN---

: okay.. this round is so simple..
: when I tell you to edge you have to edge within 10seconds..
: yes.. only 10 seconds window.. that's why I called it RTA..
: if you failed to edge even just once, then you failed to get the point..
: so you better close to the edge all the time..
: and I won't tell you the exact time.. it'd be a random edge call..
: Ohh I forgot to tell you, the game's already started..
: AHAHA... chill dude..
: I'm not that mean that I'd tell you to edge right at the start..
: I mean, we even haven't practiced it yet..
: I can wait till you're ready or close to edge..
: hmm..? you don't believe me?
: your expression tells me so.. perhaps you've learned from the previous round/girls..
: you wouldn't let yourself fall into our mischievous play anymore..
: if so then EDGE..!!
:
: yeah that's the cue to edge.. a simple word for a gooning expert like you would known well..
: EDGE..!!
: yup straight to another one..
: I'll show you how mischievous I can be..
: if you don't want to fail..
: then better pay more attention to my talk, rather than looking at my body like that..
: though I don't mind if you really want to fail purposely..
: ...
: hmm hmm...
: ...
: mm.. umm.. hmm..
: *giggle* funny looking at you like that..
: anticipating when will the next edge might come..
: when I didn't speak at all.. it was more thrilling, right?
: you can't predict.. can't make assumption..
: you don't know what I'm thinking..
: what's my plan.. what's my trick..
: "is it a trap..?" "Am I missing something?"
: "why she hasn't told me to EDGE..!!"
:
: hnn... let me stretch my body first..

:
: uhhnn.. that's better...
: oh.. did that caught you off guard?
: there's still more to come tho..
: like now.. EDGE..!!
: concentrate!! Focus!!
: EDGE..!!
: again.. another one is on the way...
: don't rest yet.. else you could miss it..
: here I go..
: STOP YOUR HANDS!! DO BANZAI!!
: HANDS IN THE AIR..!!
: now EDGE..!!
: 10.. 9.. 8..7..6.5.4..3..2..1..
: AHAHA... told'ya.. I can be that mischievous..
: when you'd expect it to come, it didn't come...
: then the sudden attack came...
: BAM..
: EDGE..!!
: 10.. 9.. 8..7..6.5.4..3..2..1..
: hooohh.. still fell for the same trick twice..?
: are you an idiot or what...?
: they said twice could be coincidence, but the third time..
: EDGE..!!
: the third time is surely not..
: Idiot gooner little cock!!
: ...
: hmm let's finish this round..
: you kept falling into the same trick over and over again..
: also it's becoming a bit monotone.. so, I'm getting bored already..
: you can stop stroking now..
: rest your hand and your tiny pea-cock..
: you'll need it for the next round/challenge..
: yeah.. make sure to fight for it..
: I mean you must be failed this round..
: so you lost half the point you could get from me already..
: if you don't give your best effort, I don't see a chance you could get a good ending..

--REINE POINT COUNT--

: well done.. that must be draining, huh?
: getting you pea-cock barely at the point of cumming for 20ish times or even more..??
: but without looking at the result, I guess you deserved a praise..
: I thought you'd leak midway.. but you still hold on till the end..
: so here I'll give you one bonus point..
: I hope that one point could save you from what waiting you ahead..
: so, who you'd like to choose next?
: have you done all of the challenges?

: if you've done it, then let's regroup..
: you wait here, I'll call them upstairs..

-----OPTION CHOOSE----- N/M/K /END

NERISSA OPTION (+3 POINT)

N : wassup loser..?
: looks like your cock already got beaten so hard..
: Ahh.. I'm not saying the literal meaning..
: just looking at that flooding precum that comes out from your slit..
: I know it has gotten through a lot of teasing and edging..
: so let me ask you a question..
: do you still want to make it drip more and more precum..?
: or would you rather stop and call this challenge off no—
: aahh.. I haven't finished my question and you've answered it already..
: the way you nodded with your pathetic cock..
: and stroking it before I even told you to..
: I like that confidence..
: then I'll gladly guide you through this challenge..
: I've prepared the most fitting challenge for a loser man like you..
: the most breathtaking challenge..
: the kind that would make you passed out by pleasure..
: it's one and only.. breath-play challenge..
: umm actually I also want to conduct some experiment..
: yeah.. I heard that when a man in the near of death, in this case lack of air..
: the first natural instinct to survive is to reproduce..
: or simply say.. to ejaculate..
: I wonder what'd happen if the man that already on the verge of his ejaculation is driven more into that nearing death state..
: wouldn't he just cum in an instant..?
: oh.. I'm intrigued to know..
: and if think it closely.. isn't this like a fate..?
: I can do the experiment in the same time give you the challenge..
: what a destiny that you're the one who delivered the document to us..
: when the god already gave me this chance..
: I won't waste a second of it.. I'll make this challenge worth of your entire life's jerking off session..
: so let's get into it, right here right now..
: the rule is simple.. just follow all my instructions..
: for how many point you could get and any other little details..
: I'll keep it a mystery..
: that way you wouldn't think a slight chance about disobeying me..
: now take a deep breath..
: then exhale and inhale normally..
: do it a couple of times.. it'd make you adapt easier..
: in the meantime I'll change into a lewder outfits..

: HAHAAHA.. yeah.. I will use my body directly to challenge you..
: I want to make sure you wouldn't cheat by grasping illegal air without my notice..
: here.. there's many parts you can choose..
: my sweet and plump boobies..
: my slender and chubby thighs..
: or if you prefer a stronger smell, I can use my armpits..
: the degenerates one like my feet..
: or maybe my round and soft butt-cheeks..
: even my pussy is available for this special occasion..
: not only you'd hard to breathe, you will also be drowned with my juice..
: fufufu—
: Ah.. there's one more.. but it might be too much..
: if you like hardcore things I can use these hands to choke you directly..
: hmm..? yeah I knew that'd be too extreme..
: then, I guess let's start with my boobs first..
: let's see how long before you tap out..
: take a deep breath..
: huuppp..
: there you go..
: how's my boobs feel..? it's squishy smooth right..?
: Ahh I forgot you're unable to speak..
: then you don't need to answer..
: also to make you focus on breathing, here let me handle the stroking..
: you just relax and savor my boobs..
: ...
: oh my god.. even though your cock isn't big enough for my standard..
: but the way it pulsates and twitches..
: even the hardness.. can be comparable to the one with big sizes..
: so this is the cock of ours (Hololive) 'assets', huh?
: not bad indeed.. it make me want to stroke it faster..
: but I guess I need to be patient..
: this is just the start, I want you to hold on as long as you can..
: so I also can do much much longer experiment..
: ...
: ok.. for the start I think it's enough..
: you can breath normally but I'll keep stroking this cock of yours..
: we need to keep it close to the edge..
: speaking of close.. why you keep leaning closer?
: I am literally standing beside you, is here not close enough for you to look..
: you seemed wanting more of me..
: and it looks like... you are..
: aiming... at one.. particular part... of my body, huh..?
: HAHAAHA these armpits..
: intrigued your attention, huh?
: do you really want to smell it so much..?
: subconsciously, the smell invites..
: and subconsciously you accepted the invitation..
: your brain must be broken already, for that to happen..

: Pathetic loser..!! scumbag trash human..!!
: if you want to smell it so badly then take this..
: Eat it.. smell it until you full..
: the 'All-you-can-eat pits' is yours..
: get intoxicated with the smell.. get drunk with pleasure..
: I'll make you eat it until you can't take it anymore..
: even if you beg me cryingly, I won't stop feeding you..
: it's the same with this thing in my hand..
: I'll make it stay on the edge..
: I'll make it cry.. cry a lot of precum..
: I wonder will the tears turn from transparent to white..
: from dripping slowly into bursting lavishly..
: what if I hold it tighter.. will that come into reality..?
: and what if I only stroke the glans..
: will that become reality sooner..?
: so much variable.. this experiment is getting out of control..
: Ahh.. I'm trembling in excitement..
: time to infuse you with my other armpit..
: and huuppp..
: switching done.. freshly produced smells..
: fufufu— looks like your cock is getting more lively as well..
: not only it kept tearing up precum, but it's also quivering hard..
: you're so helpless, aren't you..?
: even when you almost passing out..
: not once you show any sign to stop me..
: I thought you'd beg me.. but really, there's none..
: you even start licking my pits..
: do you think I wouldn't notice..?
: suddenly getting cocky like that..
: huft.. I guess you're indeed beyond help..
: ...
: alright.. I'll let you have a break,,
: ...
: uwaahh.. look at what you've done to my armpits..
: it became wet and slimy from your saliva..
: yuck gross.. what should I do with this mess..
: uurgghh.. fuck..
: I guess when it already got like this, better use it as my new tools to torture you..
: now stand on your feet..
: I'll spread my pits and you'll rub your glans against it..
: hold your cock with one hand and move it in circling motion..
: I'll make you writhe in pleasure..
: yeah.. perfect doesn't it?
: we don't need to waste lube, my sweats with your own saliva and precum are suffice..
:
: fufufu—you're so cute..
: somehow I do have a knack for creating such indigenous idea, don't I..?
: but.. I can't stray away from my main purpose here...

: the experiment..
: so please hold your breath now...
: you can only breathe if you're holding the edge..
: the price of the air is your edge..
: so if you still want to continue the challenges, please hold the edge..
: I know it's hard to edge when the stimulation is only at your glans..
: but if I don't make it 'challenging', you wouldn't satisfy as well, would you?
: yeah.. I know well how a loser like you think..
: being bullied by a girl is your lifelong dream, isn't it?
: even if you're given the chance to be an alpha..
: to dominate your partne—I mean your master..
: you wouldn't dare to make a move..
: am I right, loser?
: where's your answer..?
: perhaps you still holding the breath, is getting to the edge is too difficult,?
: then nod if you can't answer with word..
: NOD.. YOU USELESS LO..SER...!!
: good.. you're done with this pit-job..
: you can breathe again..
: Ahh.. but not with the challenge, yeah...!? just to make clear..
: I mean there's one more part of my body that still untouched..
: umm no.. two.. two of my body part..
: the front bottom side and the back bottom side...
: my butt and my pussy..
: and to be able to make use of it, now I need you to lie on your back..
: I guess I'll use my butt first..
: time to suffocate you again.. take a deep breath..
: and hoop..
: AHHAHA your nose is tickling me..
: don't worry.. I can endure it..
: but can you endure mine..?
: not only my butt, but my stroking as well..
: after that glans rubbing, I bet this pathetic cock's getting even more sensitive..
: it's swollen red and with closer look..
: the vein looks like in the verge of popping..
: the same with the balls..
: it's contracting up and down uncontrollably..
: they way it retracts inward when it close to edging..
: make me know when to exactly stop..
: fufufu—this way I can keep prolong the experiment without you accidentally cum..
: such a handy feature man has..
: ...
: hnnn.. I want to move my hips a bit..
: ahnn that's better..
: ohohoh.. yeah it's my pussy turn to drown you..
: if I pressed.. hnn it harder..
: It would feel good for me as well..
: Ahhh.. the juice can't stop flowing..

: my panties is dampened already..
 : did it slip through..? hnn were you drinking it?
 : uhh, the breath-torture becoming waterboarding-torture..
 : I heard it's the cruelest torture that still happened in these modern days..
 : but.. you're not even flinching..
 : how much loser can you be..?
 : still.. these rubbing.. is really felt amazing..
 : the bumpiness.. from the nose.. to the lips..
 : touching my most sensitive part...
 : I could get addicted if this go on any longer..
 : yet.. I my body won't stop..
 : It wouldn't listen.. am I infected with your pervertness..?
 : this is bad.. hnn... anything longer than this..
 : I will cum.. shit shit.. shit..
 : I need to stop.. I need.. uhk stop..
 : hnn.. ahh....
 :
 : huft huft huft... barely safe...
 : let me calm down first..
 : you too.. finally you can take a long break..
 : well done for finishing this challenge though I still haven't got the definitive answer for my experiment.. so let's postpone it..
 : but you really deserve the praise..
 : alright, we've finished the challenge now I can leave this roo—
 : wait the points.. I almost forgot..
 : okay, here is how it goes..
 : well, even though you finished the challenge doesn't mean you'll get the points..
 : for each time you took an illegal breath you lost 1 point from the max 3 point..
 : mmhmm..? that face you're showing now..
 : don't tell me you got.. ZERO..?
 : uhhh don't be that sad..
 : okay okay.. because I'm feeling good now, I'll give you some discount..
 : instead of each time, it will be each 2 times..
 : that means if you want to secure atleast 1 point, the illegal breath couldn't be more than 5..
 : okay.. good luck for the next girls..
 : I'll call her here.. see you later..

-----OPTION CHOOSE----- N/M/R /END

ACCIDENT (ENDING)

M : well well well, what we have here..
 N : we have a loser that couldn't hold his cum..
 K : oh no, that is bad, maso..!!
 R : yeah.. bad boy need to be punish..
 MNK : punishment!! punishment!! punishment!! punishment!! punishment!!
 R : and I know what's the best punishment for a useless gooner like you...
 MNK : punishment!! punishment!! punishment!! punishment!! punishment!!

R : girls.. bring me the handcuffs and ropes..

M : I'm on it..

K : AWAAWA... is this what I'm thinking..?

R : precisely.. we're gonna kidnap you and make you our toy..
: we won't release you until you clear the challenge..

N : fufufu—don't think about running away loser..!!
: we're 4 here, even if you struggle hard, with the state of how's your body is right now..
: I don't think you have the strength to overcome us four..

K : yeah.. I mean you did ejaculate.. the strength must be drained along with those semen..

M : I'm here.. let's put this on..
: I also brought the gag, so he wouldn't bother our neighbors..

R : perfect.. now let's get this done..
: we'll challenge you again in the.. hmm.. tomorrow..? next week..?

M : I have a better plan.. let's just subtract his point to get the exact days..
: with the base of 15 days.. if he has 3 point, then we'll challenge him again after 12 days..

N : AHAHA I know where this goes..
: he's getting denied for 12 days, isn't he?

M : Yes..!! 100 point for Nerissa!!

K : then we can add more torture for this Maso, right..?

K : just denying him wouldn't be fun.. so everyday we'll edge him as well..

R : oohh edging.. then this is my expertise..
: to make it crueler let's edge him at minimum 5 edges + the number of point he has now..
: that mean everyday is 8 edges..

K : now this is I call.. Exquisite..!!
: edging and denying him for 12 days..
: without a doubt when we challenge him again, he'd fail instantly..

M : AHAHAH.. then we'll got our permanent toy, won't we?
: this is just.. spectacular..

N : fufu-- your crying wouldn't help.. your only help is when we finally back to our country..
: but that still one month later..

K : so be a good toy, okay? Yoroshikune..!!

ALL : Maso!! Loser!! Gooner!! Slut!!

END (COUNTING)

<4 END (MULTIPLE RUIN)

N : at last.. finally we're back as five..
: so how's the challenge..?
: who did you like the most..?

R : must be mine, right..?

K : nah.. surely mine is his pick, I mean look at his nipple..
: I've marked him with that clamps mark..

M : hey hey.. enough.. this is not a competition..
: the most important thing is how many points he has..

K : uuhh.. you're right..

N : so loser, how many..?
: wait wait wait.. don't answer yet..
: I want you to answer by bouncing your cock as many times as the point you got..
R : AHAHA... then let's count it together..
: (BOUNCE)
M : umm.. come on why pausing..?
K : LOL he's not pausing, he's done twitching..
M : WTF..!! really? That's not even reaching half..
N : fufu—you're indeed a fucking loser..
: if the point is this low, should we revoke his orgasm's chance..?
R : yup.. I agreed.. let's deny him instead..
K : welp.. you hear that maso.. let's wrap this up, shall we?
M : AHAHA look look.. he's crying..!! he's fucking crying..
R : uuhh.. poor you.. that's why I told you to give your best effort..
N : Ah.. he's begging non stop.. what should we do..?
M : hnnn.. then beg seriously.. if you do good enough I'll let you have different punishment..
K : oohh that could do as well.. come on do your best masochistic pose and beg!!
: say this.. "Please let this slutty masochistic loser goon more"
M : AHAHA.. come on.. squat and spread your legs wide..
: make a fist, put your hands around your chest and bend your wrist a little like a dog..
: now pull your tongue out and start begging..
K : come on chant the word..!! "Please let this slutty masochistic loser goon more"
: keep begging until we satisfied..
:
N : wait a puppy always wag its tail when begging, right?
: then why are you not wagging? (BOUNCE)
R : oh my oh my, what a cute puppy we have here..
K : uhhwuuh.. he so cute.. look he's wagging his tail excitedly..
: I guess he got a little too much excitement..
N : yeah.. he even barked something.. it's unclear..

M : huft.. huft.. okay.. you can stop..
: we're satisfied so stop doing that slutty pose..
: right.. you did good job begging, so I'll let you cum this time..
: but I will make it the least pleasurable..
N : Oohh don't tell me.. Ruin orgasm..?
M : yup.. I'll ruin your orgasm..
: uh uh uh.. no more bargain.. the fact that I'm willing to let you release that pent up spunk,
is already beyond grateful..

: so you should thank me instead of bargaining..

K : Oh my, IMO this ruining is worse than being denied..

: because the urge to cum still linger and it will keep increasing..

: but I know how to salvage that..

: when the least pleasurable orgasm repeated for multiple times..

: it will become more pleasurable, right..?

R : hmm, does it mean we'll ruin his orgasm multiple times?

K : exactly.. we'll take turn ruining him..

M : then, we shouldn't waste more time..

: I'll do it first.. this time I'll wring that useless sperm with my own hand..

: remember our play earlier..

: super fast stroke..

: come on stroke stroke stroke..

: cum cum cum..!!

N : hey I've a little advice.. when you see his balls retract inward than means he's almost cumming..

M : oh thanks Nerissa.. I will make sure to stop at the exact time..

: hey slut.. come on cum faster..

: perhaps you want me to do countdown..?

: just focus all your mind on the pleasure..
: stop thinking and doing about useless thing, even your breathing..
: flow your focus on your cock..
: think about the useless sperm that will be wasted..
: think about how it's crippling slowly from the balls to the shaft..

 : and your palm should be on the glans..
 : you know what to do right?
 : yes.. polish it.. make it scream..!!
 : you won't stop until you edge or ruin again..
 : If you need stimulation just imagine me giving you a BJ or HJ, that should be enough..
