

A careless wish causes men to pop out their own puppies, and things get awkward in the men's locker room. These buxom boys still love boobs. They can't stop checking out each other's knockers. Ironically, they now sexually harass each other. What's more, they find themselves plunged into emotional turmoil. Not only do they get turned on by other men's mammaries, they long for their wives and girlfriends to play with theirs! It's a busted world in the new movie, Buds!
