A close-up photograph of a woman's bare torso. Her right hand is placed on her upper chest area. Three white speech bubbles with black outlines are connected by lines to the left side of the image. The background is a wooden wall with a red poster featuring a target symbol on the left. The woman is wearing a dark top with a white graphic design at the bottom.

A woman with long dark hair, wearing a red, form-fitting, off-the-shoulder dress, stands on a rooftop at night. She is looking towards the right with a slight smile. The background shows a brick building with windows. Four comic-style speech bubbles are present, connected by lines to a character who is not fully visible. The first bubble is at the top, the second is to the right, the third is below the second, and the fourth is at the bottom. A yellow 'COUGH' sound effect is placed between the second and third bubbles.

**KHA... KHEY,
