

Be My Boyfriend

Chapter 2

by Madafakir

Next day...

Hmm...

Damn, I don't understand
much of this exercise...
Why is math so hard?
If I had to take an exam
on picking up girls, I'd be
the best!

There's no way around it,
I have to learn it... Mrs. Akira
won't let us pass this test...

Although... Actually, Mrs. Akira
is still quite young and attractive...
Maybe my personal charm would
work on her...

Oh, good morning
ma'am!

Hello, Nick. I see you're
studying hard. That
makes me very happy.

Of course! Math is very important to me! I love attending your classes. You explain everything so well...

Fantastic. If so, maybe I could sign you up for extra classes on Saturdays?

Oh! Sure, that's a great idea!
I just need to check all my
extracurricular schedules and
let you know if I can fit it in.

Well... Typical mathematician...
She didn't even notice
the compliment...

It'll be hard to get
anything done with her...
Oh... Who do I see...

Misty... Our school's
unavailable chick...
Fuckt, she's so sexy...

Just looking at her makes me
feel like I'm getting hard...
Fuck, I can't just stare,
I have to say something...

Oh, hello there... I thought
I'd... meet you today...

Fuck, why am I so
nervous again?

Hm...?

You know... About yesterday...

WINK!

Huh?

What did she just...
Does she want me
to follow her?

Yeah... Definitely!

SHAKE!

SHAKE!

非常口

It's obvious...
She's into me...
What girl could
resist me?

Outside...

Mmmhmmmm...

Such a lovely
weather...

I see you love spending
time outdoors! It's truly
appreciated!

Hmm? What about you?
Now you're going to stalk
me at school too?

Come on. I told you I'm not a stalker. Maybe it's just... ideals attract each other.

Hehe... Ideals attract,
eh? Aren't you a bit
overconfident?

Forget it. I can tell when
a girl is giving me clear
signals... And you do it...

Hmm... Maybe
I do...

...or maybe
not...

A 3D anime-style scene. A young woman with vibrant red hair in a high ponytail and bangs, blue eyes, and a small blue necklace is sitting on a grey stone wall. She is wearing a white short-sleeved crop top with a small bow at the waist, a dark red pleated skirt, white thigh-high stockings with lace at the top, and black Mary Jane shoes. She is looking towards the left. To her left, the back of a person wearing a blue and white long-sleeved shirt and blue pants with white stripes is visible. The background features a green lawn, a path, and a large tree with pink cherry blossoms. A purple speech bubble points from the girl to the text on the left.

And if so, what are you
going to do about it?

Well... I thought maybe...
we could go out
together tonight?

Hah! Tempting offer,
but I... have a boyfriend,
you know?

So what? As they say... a
boyfriend isn't a wall, you
can move him, hehe!

Gosh, this is
so cringe!

It may be cringe, but...
you like it, right?

Hmmm... Well... You're kind of funny, I have to admit.

But I have no intention of cheating on my boyfriend... Besides, be careful... He can be very jealous...

And now I'm going to sunbathe, so you better... don't disturb me...

Uh... Okaaaay...

SWISH!

SWISH!

Yeah, that's
better...

There's nothing
better than spring
sunshine, right?

Uh, well...
yes, but...

You know you're
sitting in the
shadows, right?

Oh, stop being a
smartass and go
away!

If Jackson sees you
staring at my tits, he'll
beat the shit out of you...

Ehh... A fool...
Brave and funny...
but a fool...

Later that day...

Dude, I'm telling you!
She's gonna be mine!

Oh my, and you're always
talking about this chick...
You have some kind of
obsession with her...

An anime-style illustration of two characters in school uniforms standing on a rooftop. The character on the left has short reddish-brown hair and is wearing a white long-sleeved shirt with blue trim and blue shorts with white stripes. The character on the right has short black hair and is wearing a similar white long-sleeved shirt with blue trim and blue shorts with white stripes. They are standing on a grey tiled rooftop with a black metal fence behind them. In the background, there are green bushes and a city skyline with tall buildings under a clear sky. A speech bubble from the character on the left is orange, and a speech bubble from the character on the right is purple.

What obsession? What are you talking about? She's hot and I want to fuck her, that's all.

I don't know... You don't usually devote that much time and energy to one girl...

Maybe not... But Misty is
a challenge. And that's
what I like about her.

Besides, once I bang her, I'll probably get bored, so relax.

If you say so...

Oh, right. I just remembered something. That girl in the class below me, Claire... Do you want nudes of her?

What!?! You bastard! You
know I like her! Where
did you get those nude
photos of her!?!

Relax, I didn't do anything to her...
You said you were interested in her,
but you didn't have the courage to
talk to her, so I tricked her a bit... It's
not my fault that all the girls at
school are into me...

Dude... You are
such a... pervert...

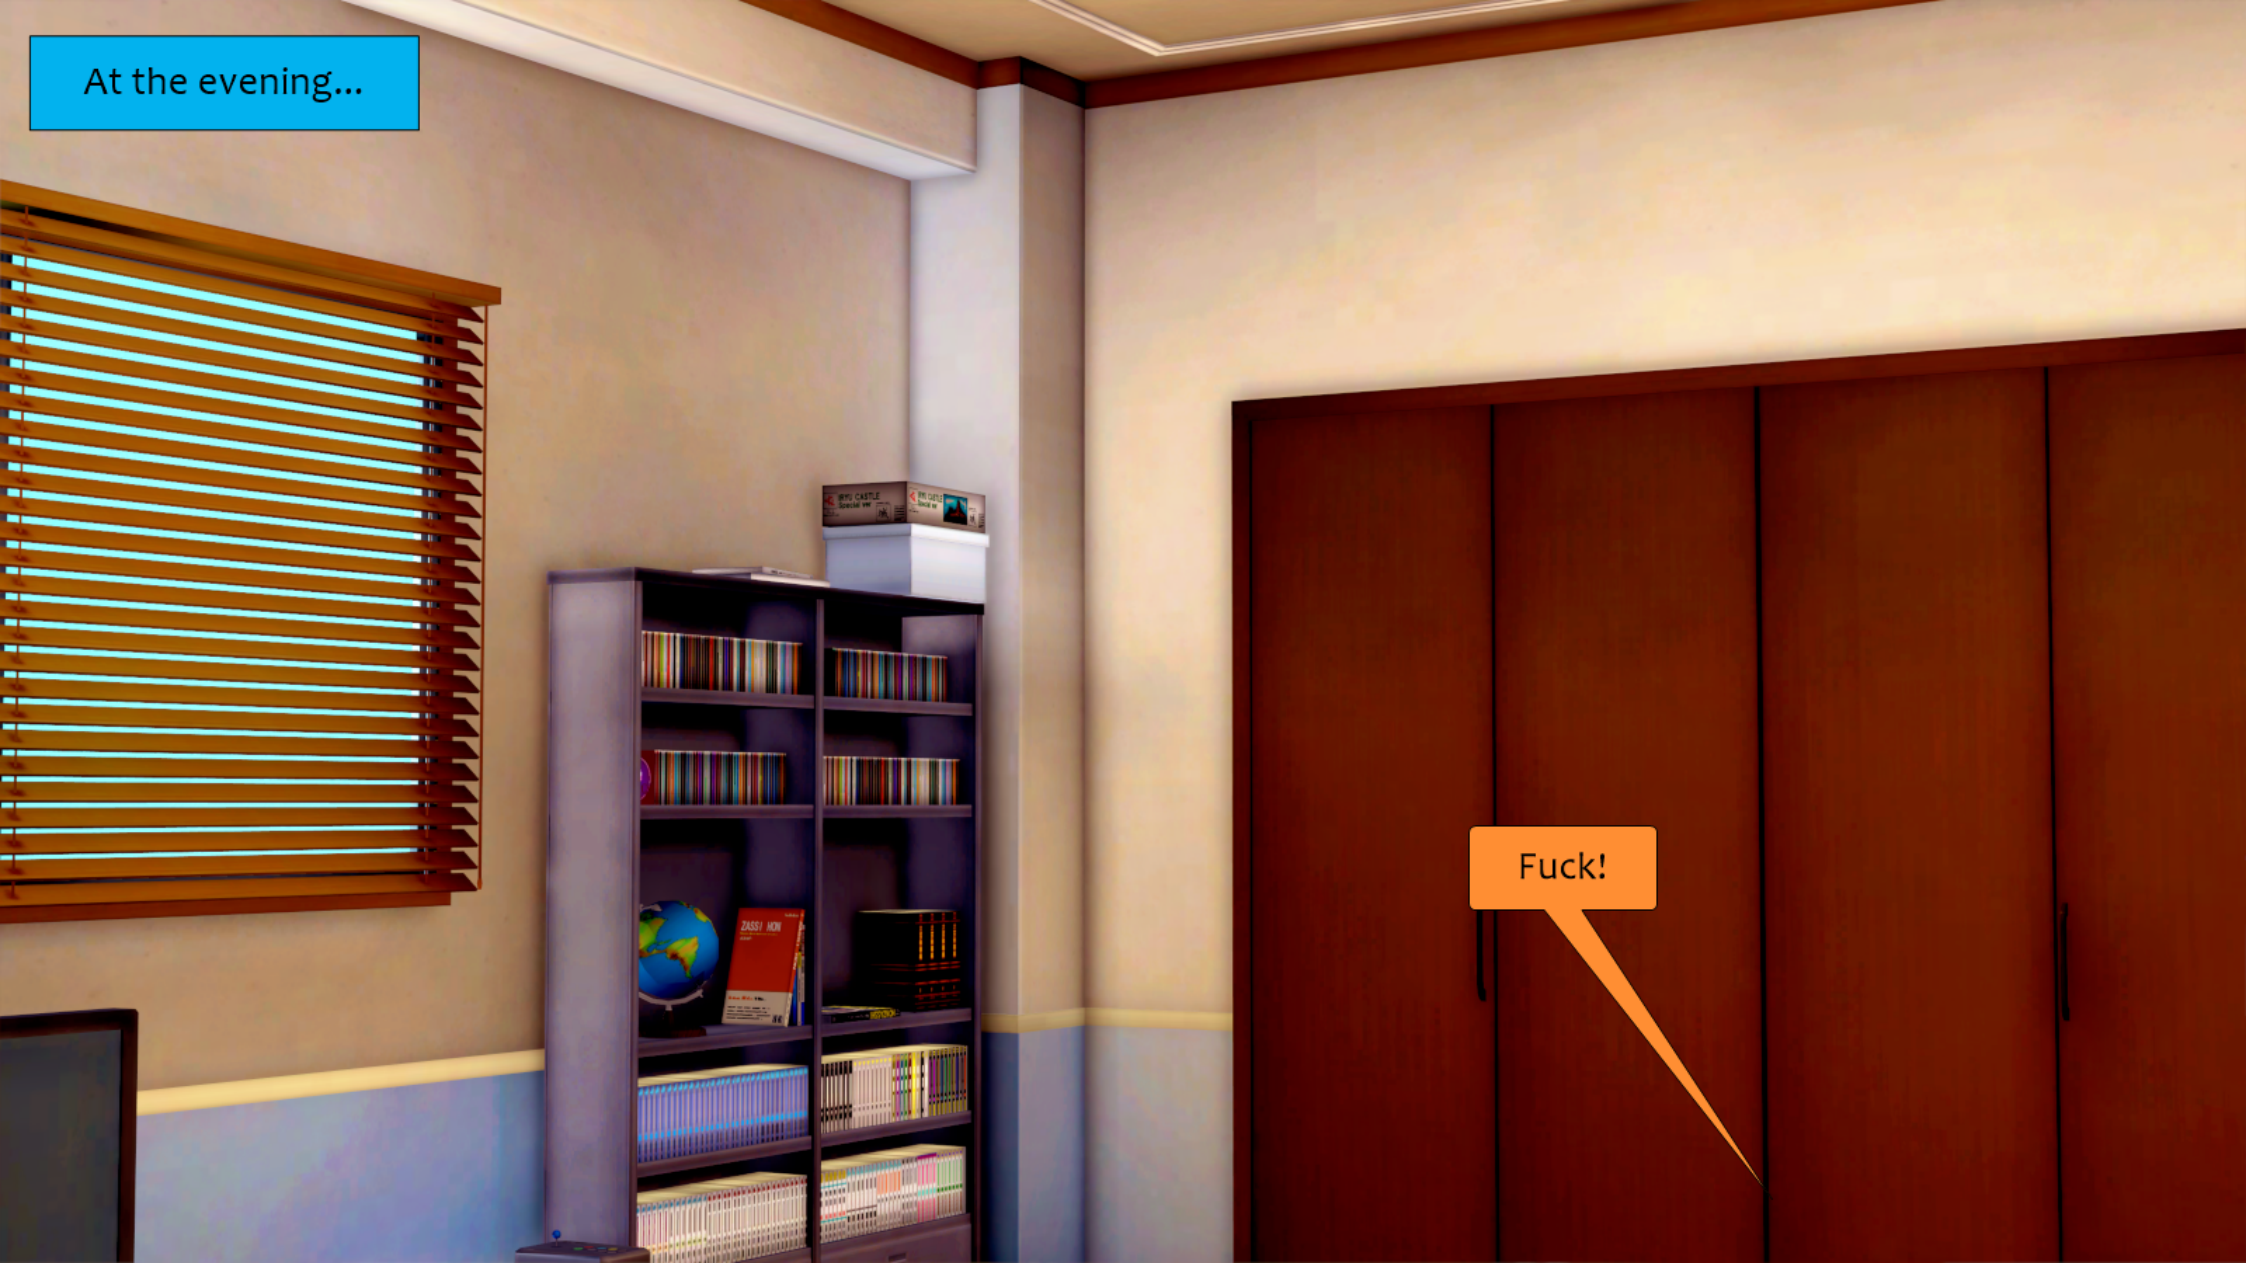

Maybe a little, but does it matter? If you don't want these photos, then...

No! I want them!

At the evening...

Fuck!

Sarah found herself a
boyfriend and is playing
the faithful one!

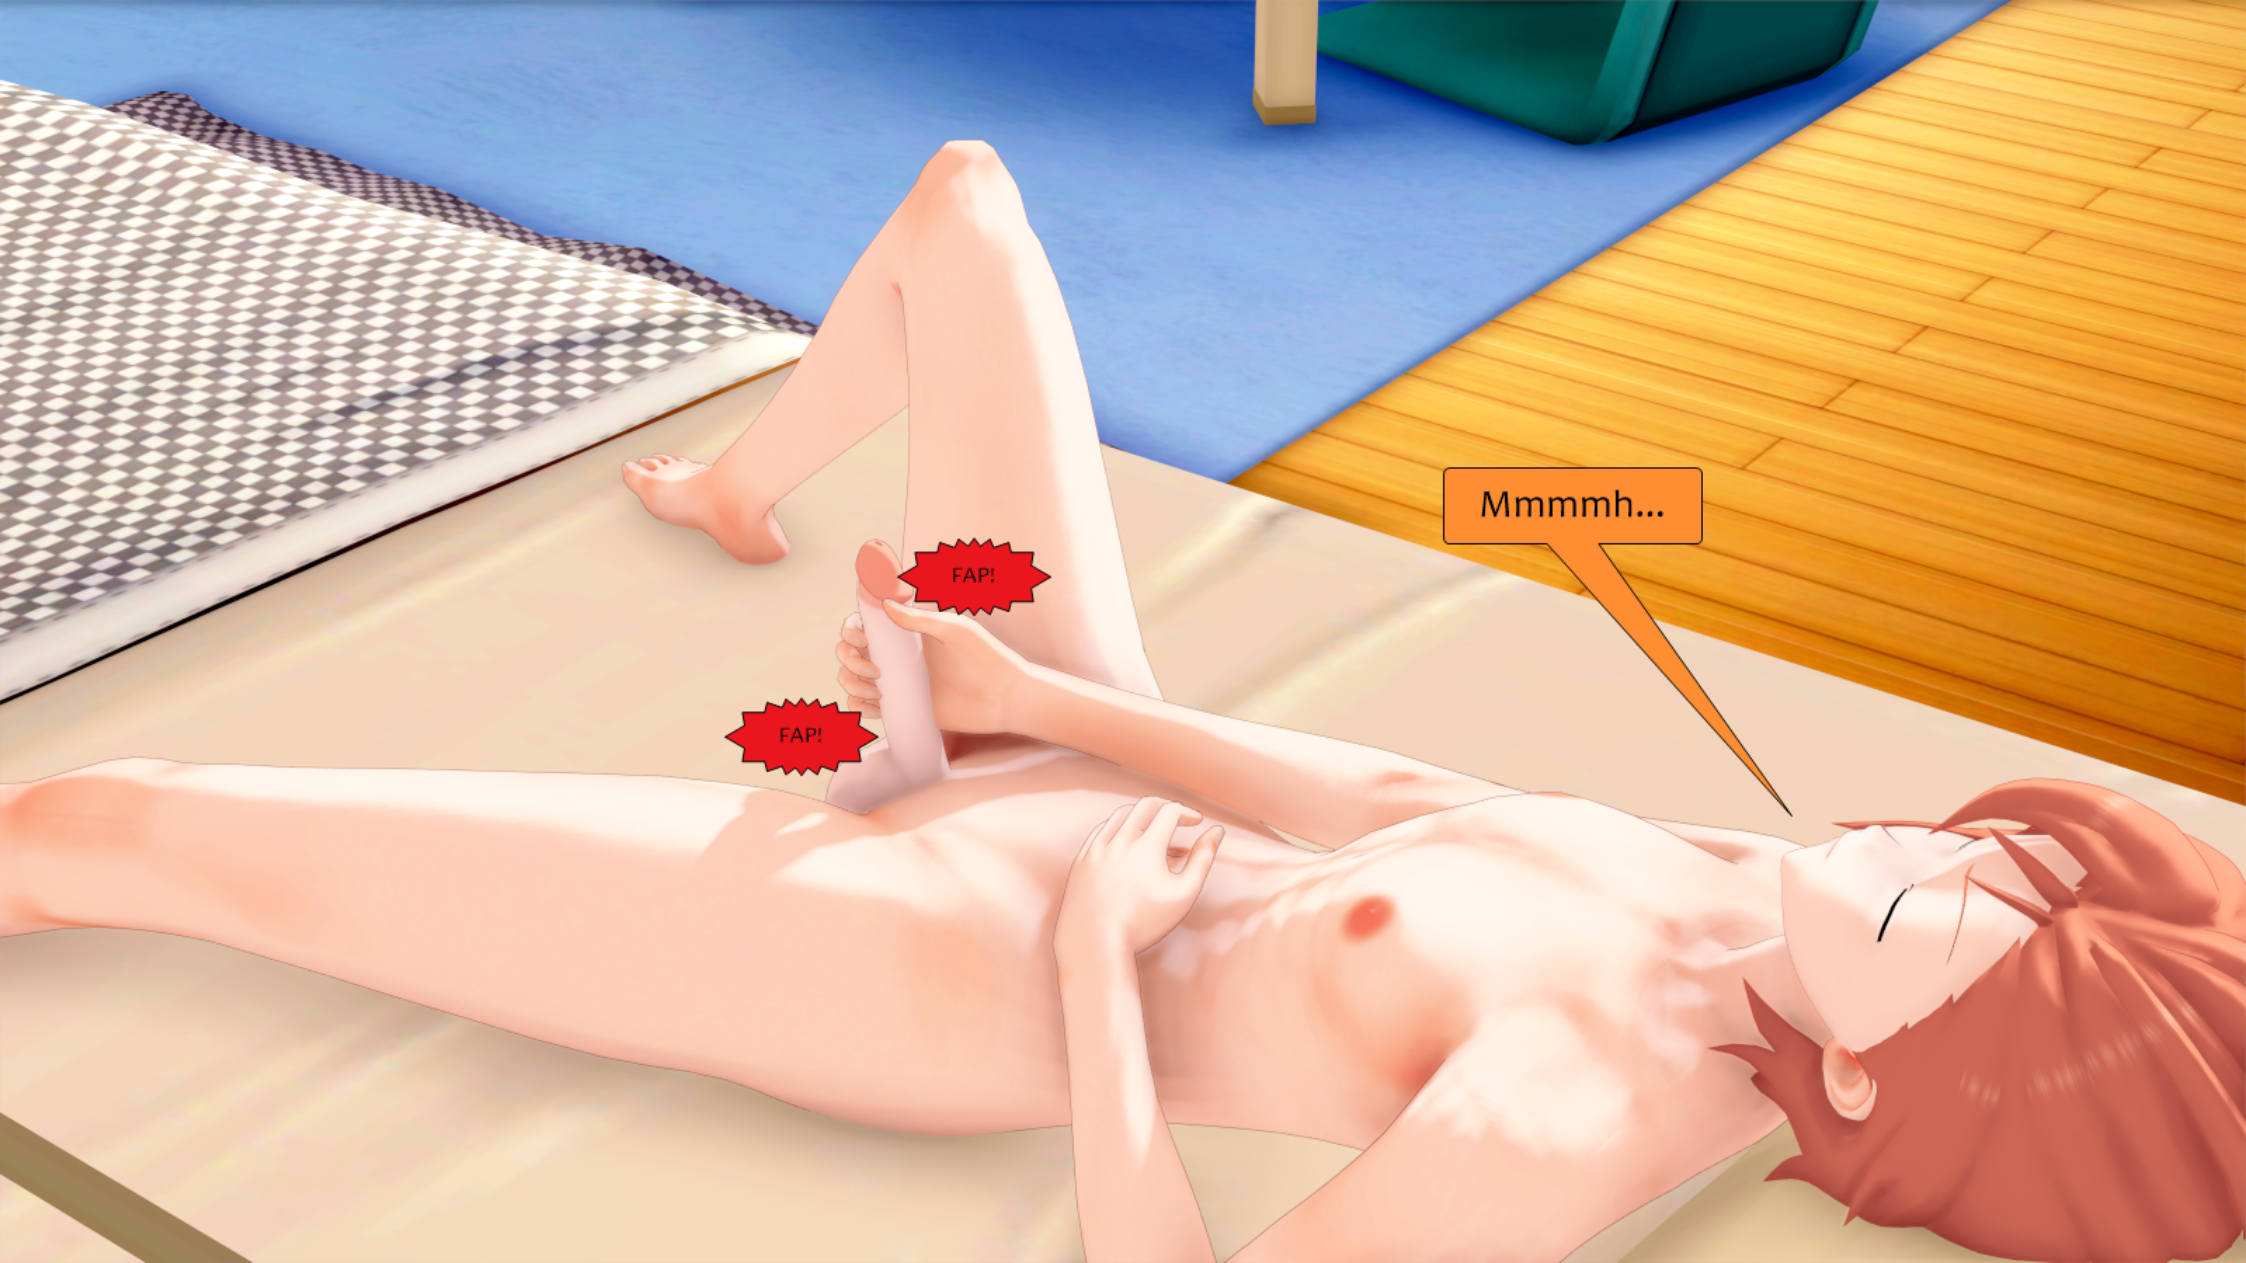

What bad luck... Misty's turned me on so much, I need to let loose. But as long as she keeps playing hard to get, I'll have to settle for someone else...

I haven't been messing around with anyone lately... I could only always count on Sarah, she was always there for me... She gives first-class blowjobs! Damn it...

Well... I have to relieve
myself today anyway...
So there's a surefire way...

FAP!

FAP!

Mmmmh...

Uuuuh, yesss, Misty...
Don't stop...

FAP!

Uuh...

FAP!

Uuuuh...

FAP!

Ooooooh, yessss!

Hoooh, you're so big, Nick! I love your cock so much!

Oh yeah, and I love
your soft thighs!

Oooh, keep
squeezing them!

RUB!

RUB!

Mmm, like that?

Oooh, fuck! Yes,
don't stop!

RUB!

Aaah, it feels
so good!

Mmm, you rub it
against my pussy...

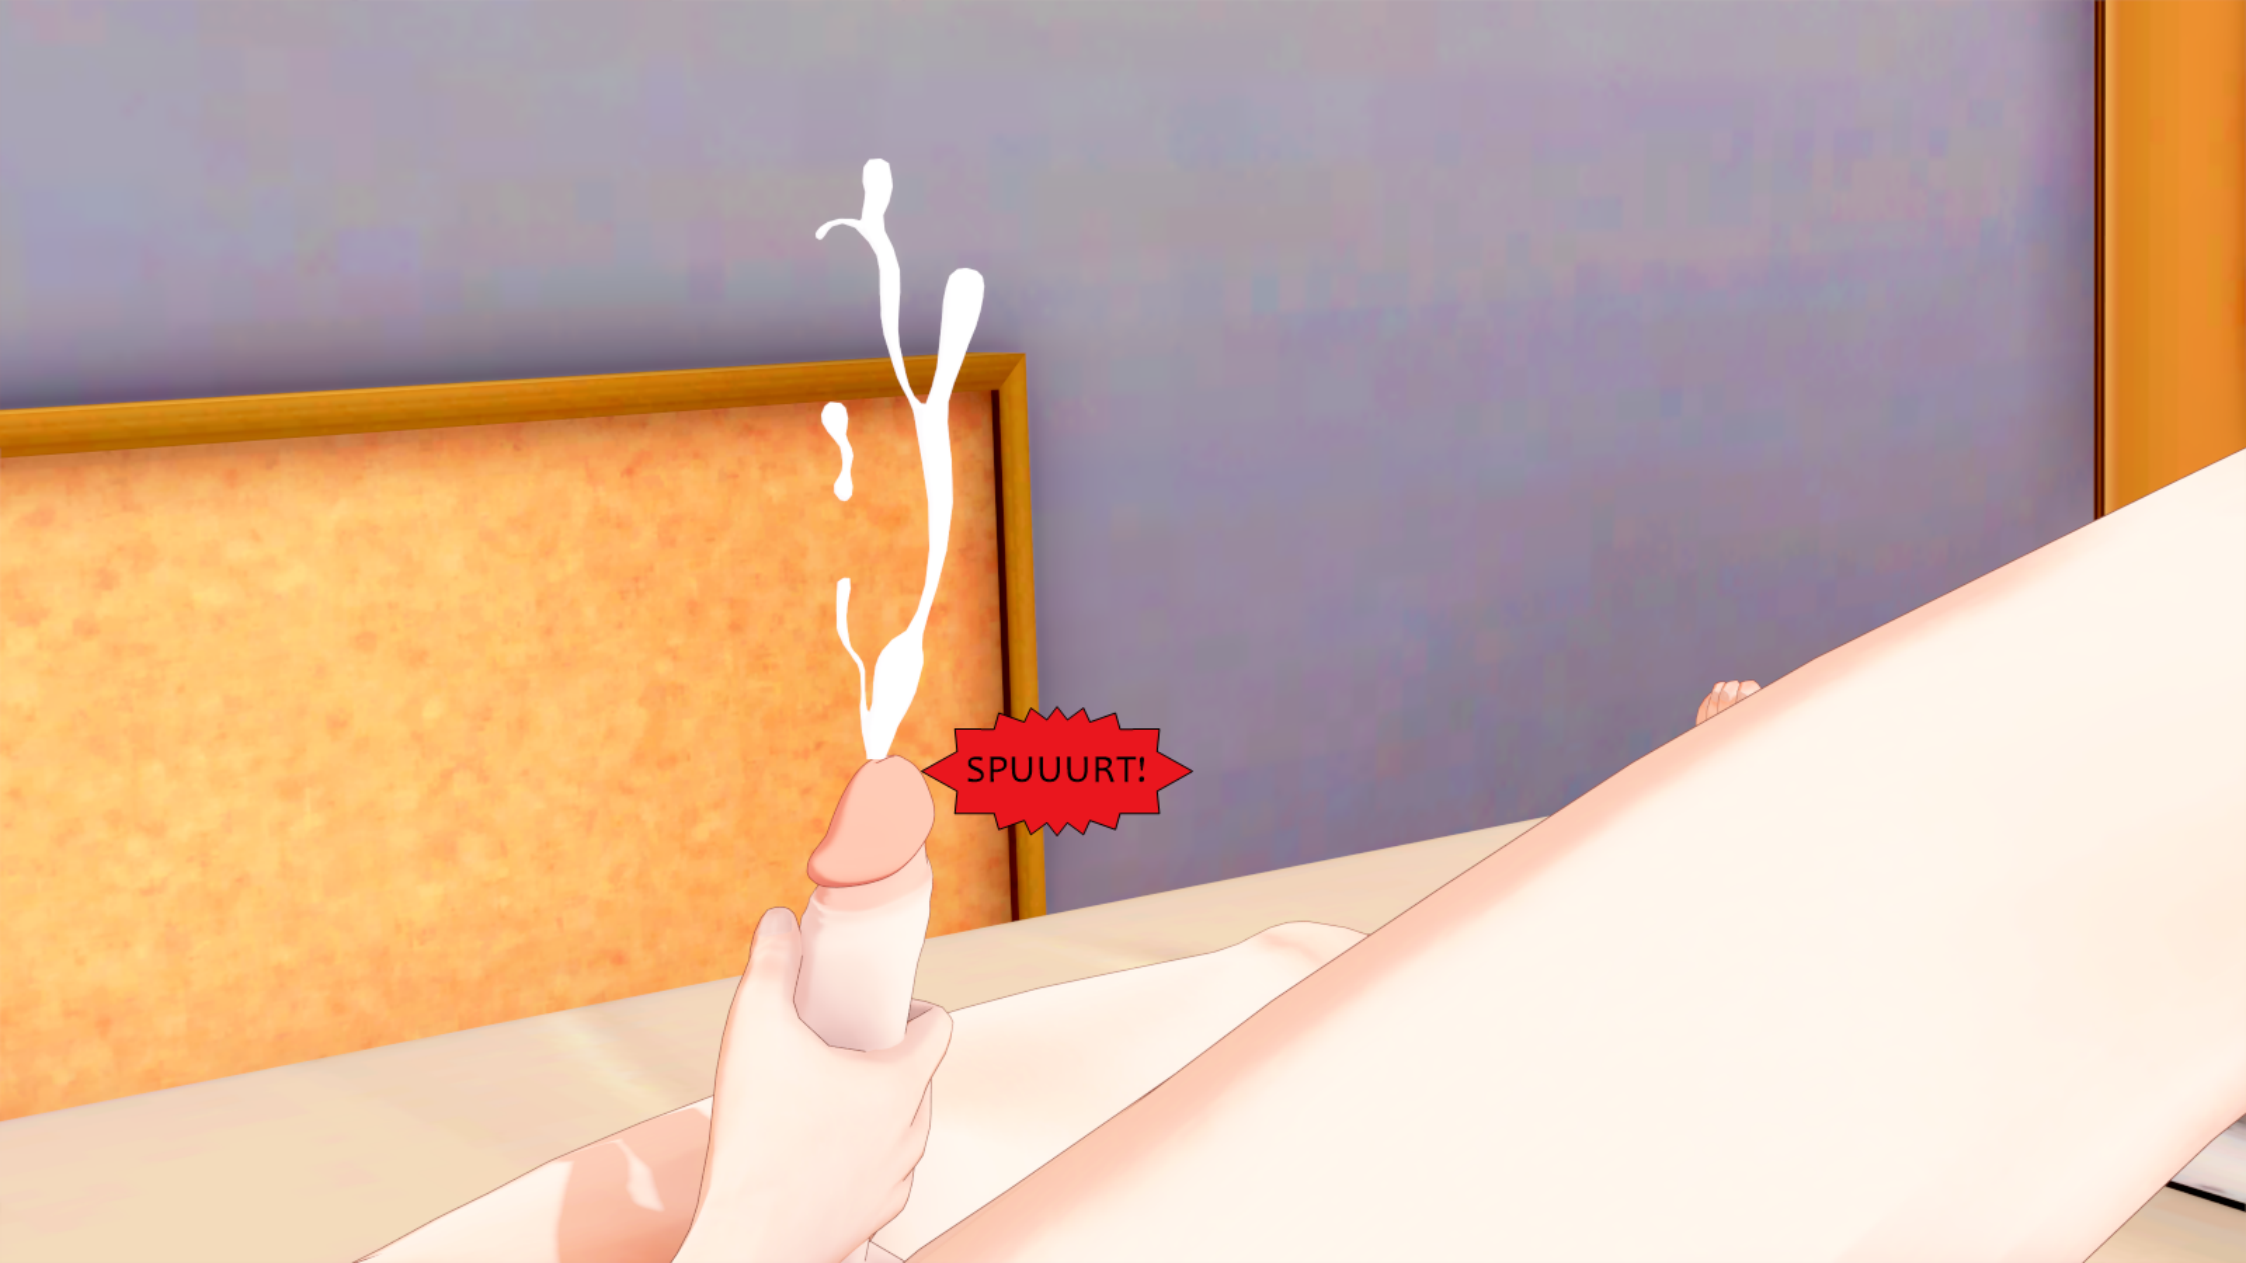

Fuck! I'm gonna cum!
I'm gonna cum soon!

No! No, please!
Longer! I want longer!

Hhnnn! Sorry, baby!
You are... fuck! You
are too good!

SPUUURT!

Uuuh... That was wonderful...
But still... I still want to fuck
her... And I will! I promise I
will! Soon!

CHAPTER END
