

But I'm good.

Also I don't have any money.

Anyway ...

Please go home, little guy!

Pluff

It's dangerous out here ...

... and I have work to do!

Monster. You remember?

Gotta check all my traps!

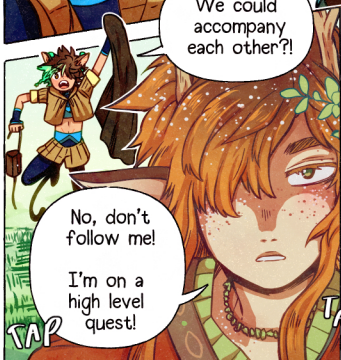

Yo, wait!!!

We're heading into the same direction!

HEY!!!

We could accompany each other?!

No, don't follow me!

I'm on a high level quest!

Maybe I can
assist you
with that?

I
doubt
it ...

You're
weak, will
be of no
big help and
even ate
my bait.

But I'm kinda cute.

I could be your new bait instead?

That's a horrible idea ...

Dude ...

Why are you even here?!

This is a route for hunters and warriors, not for ...
whatever you do.

You sounded quite busy in your little background-story.

So why don't you go back to the city and stay there?

Hahaha ...
Honestly,
business is not
going that great
anymore ...

I already
told you,
I don't
care about
that!

It can't
be worth
dying
for?!!

I have to
find another
witch to
break this
curse I
got ...

So I have
to get through
the forest
and ...

You need
a party
first.
