

AMETHYST'S AWAKENING

Day 1:

Amethyst sat on the futon, morning light casting a gentle glow on her purple twin tails. She tilted her head up to meet your gaze, her pink pajamas slightly unbuttoned, slipping off her shoulders just enough to tease a hint of her chest. "Did you sleep well?" she asked, a hint of discomfort in her expression. "I had the oddest dream. I was in a vast field, and the flowers around me kept growing taller and taller. And... I felt like I was growing too, trying to reach the sun." She looked away, a hint of blush on her cheeks. "It felt so real."

Day 2:

Amethyst was bathed in the soft morning light once more, seated on the futon in her purple pajamas. A delicate curve of cleavage was now more pronounced, hinting at the changes she seemed oblivious to. Glancing up, her purple eyes shimmered with playful innocence. "I've been sleeping so deeply lately," she remarked, her cheeks flushed. "Do I look well-rested?" Without waiting for a reply, she playfully squeezed her arms together, emphasizing her newly accentuated bust. She gave you a mischievous smile, trying to read your reaction. "You know, under this morning sun, my chest looks especially... radiant today, doesn't it?" She laughed lightly, not realizing the blossoming truth behind her words.

Day 3:

“Mmmm, there’s just something so revitalizing about the warmth of the sun! Don’t you think?”

Caught off guard by your comment, she blushed and hastily covered her pronounced cleavage. “Wha-- I look c-cuter than usual?!” She pouted, her eyes glinting playfully. “...baka.”

Day 4:

"I'm so grateful for this cabin retreat. It's so intimate and cozy," Amethyst cooed, her eyes twinkling mischievously. As she shifted in excitement, a noticeable bounce caught your attention, making you wonder just when she'd developed a 'personality' like that!

Catching your wandering gaze, she playfully swatted you. "Hentai! Eyes up here, mister!" She teased with a sultry smirk.

"I look taller now?" Her cheeks quickly
flashing red. "Y-ya?! W-well you look
smaller! Maybe it's YOU who is
shrinking instead!"

"...baka. I'm supposed to be the pretty
little sunflower... with the huge tits."

"Don't act like you don't love my
growing boobs! I caught you reading
my new J-cup bra last night!"

Day 9:

"I kinda like going braless! My heart races when people stare at me with those lustful eyes... lingering on my humungous boobies and my plunging neckline."

"No, I don't enjoy it too much-- and NO, they're not too big! They're only M-cups, after all! Plenty of women are at that size, right?"

"They're getting REALLY big! J-Just what size are these anyway?! Hey! Would you stop touching them for one minute? I KNOW they're soft!"

"Ugh... OKAY okay!! I'll help you rub one out real quick. Come nuzzle inside momma's shirt!"

Day 11:

"Ok, I can barely button up my favorite pajama outfit now! What gives?? BAKA-- that question was rhetorical!"

"No, I'm not jerking you off for the 8th time today!"

"Taller? N-No... you must be imagining things!"

Day 14:

"H-Hey, jerk! No taking pictures down there! At least get a girl's permission, would'ja?! Oh honey, it's you! Ok, one picture, then we're going to walk into the sunset with YOU riding on top of my building-sized titties! That way I can soak up as much sun as I want!"

"Plus... with all this extra room, I'll have all the space I need to grow **EVEN BIGGER!** Isn't that great?!"
