

Greece. The home of History,
Myths, and Magic.

Last time I was here helping
Hercules, I fought a giant
Spider Lady.

Not to be confused with Spider-Woman...

... Or with me. Spider-Man.

This time, Herc needs
help with a Minotaur.
Why do I always get
the animal villains?

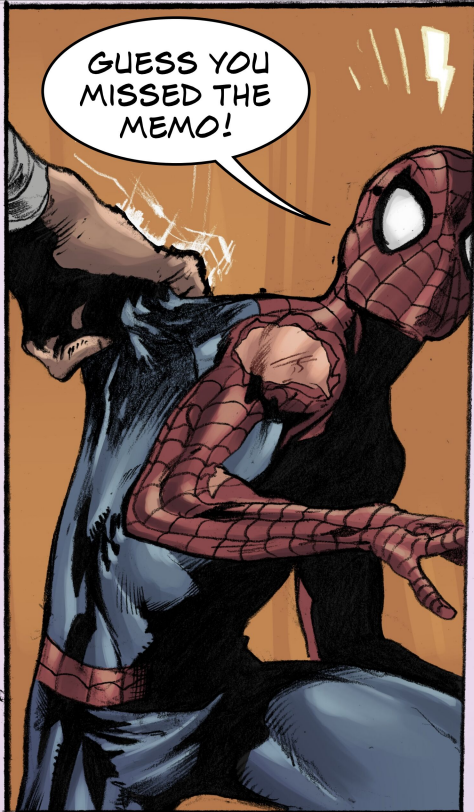

LOOK
BUDDY, I
DON'T WANNA
FIGHT YOU.

Just because I'm the 'Spider'-Man?

Either way, Aphrodite's bull man is giving me a run for my money.

HEY THAT'S MI-

NO FIGHT!

GUESS YOU MISSED THE MEMO!

HUH? YEAH THAT'S WHAT I SAID.

MAKE MATE!

MAKE WHA-MMPH!

A potion!? What is that for? And where was he keeping it!? Ugh I don't want to know!

YOU MADE ME A WOMAN!?

I feel so weak...

...And... Horny?

WHAT THE BOOBS!?

WAIT... OH HELL NO!

WHY?

My mind is
buzzing. Can't
think straight.

MAKE MATE

YOU WANT
ME TO-

HOLY ZEUS
THAT'S-

I can't fight
him. Not with
my powers
sapped.

IT'S HUGE!

Maybe I can
reason with him

EEP! HEY
MAN, BUY A
GIRL A DRINK
FIRST!

Maybe not.

L-LOOK
BUDDY,
THERE'S NO
WAY THAT'S
GONNA F-

Brain turning to mush. Feels so good.

F-FUUUUUCK. WHY DOES IT FEEL SO GOOD-

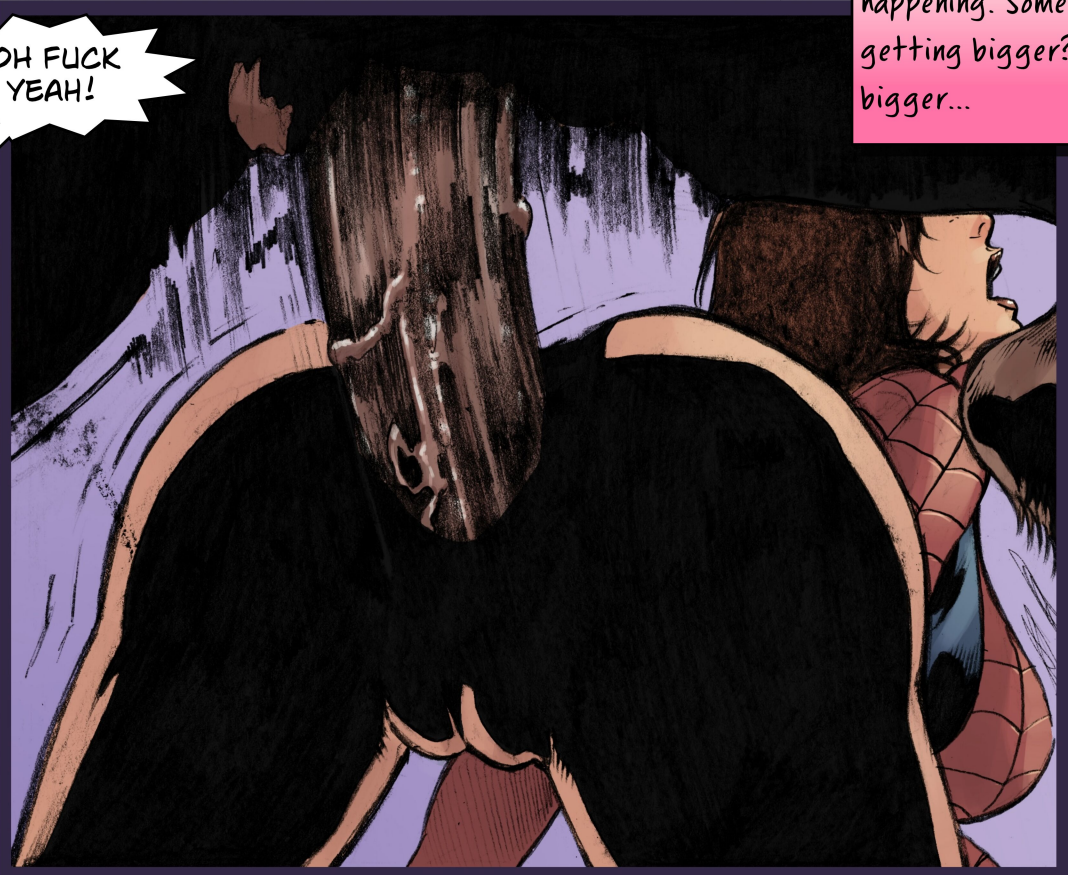

-OOAAHHH!

No thoughts. So big. Sot hot. Push back onto it

OH FUCK YEAH!

NO! Focus. Something's happening. Something's getting bigger? Mmm bigger...

Not him! I'm getting bigger!

NNNG! SO BIG! SO DEEP!

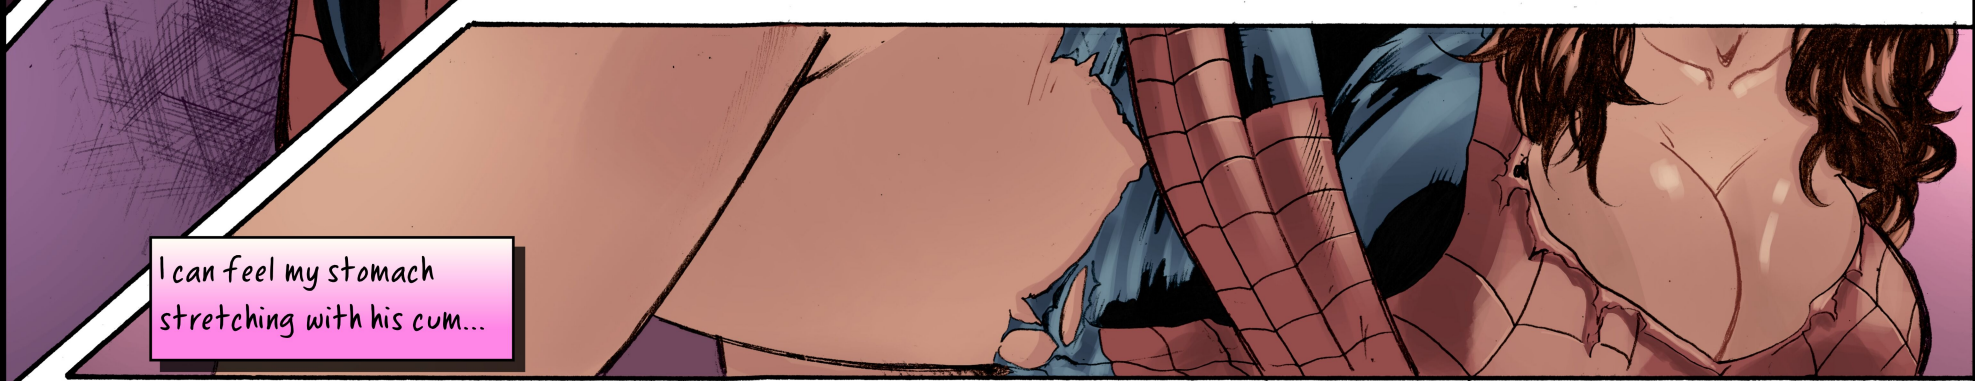

Oh gods, he's cumming inside me!

And I'm-

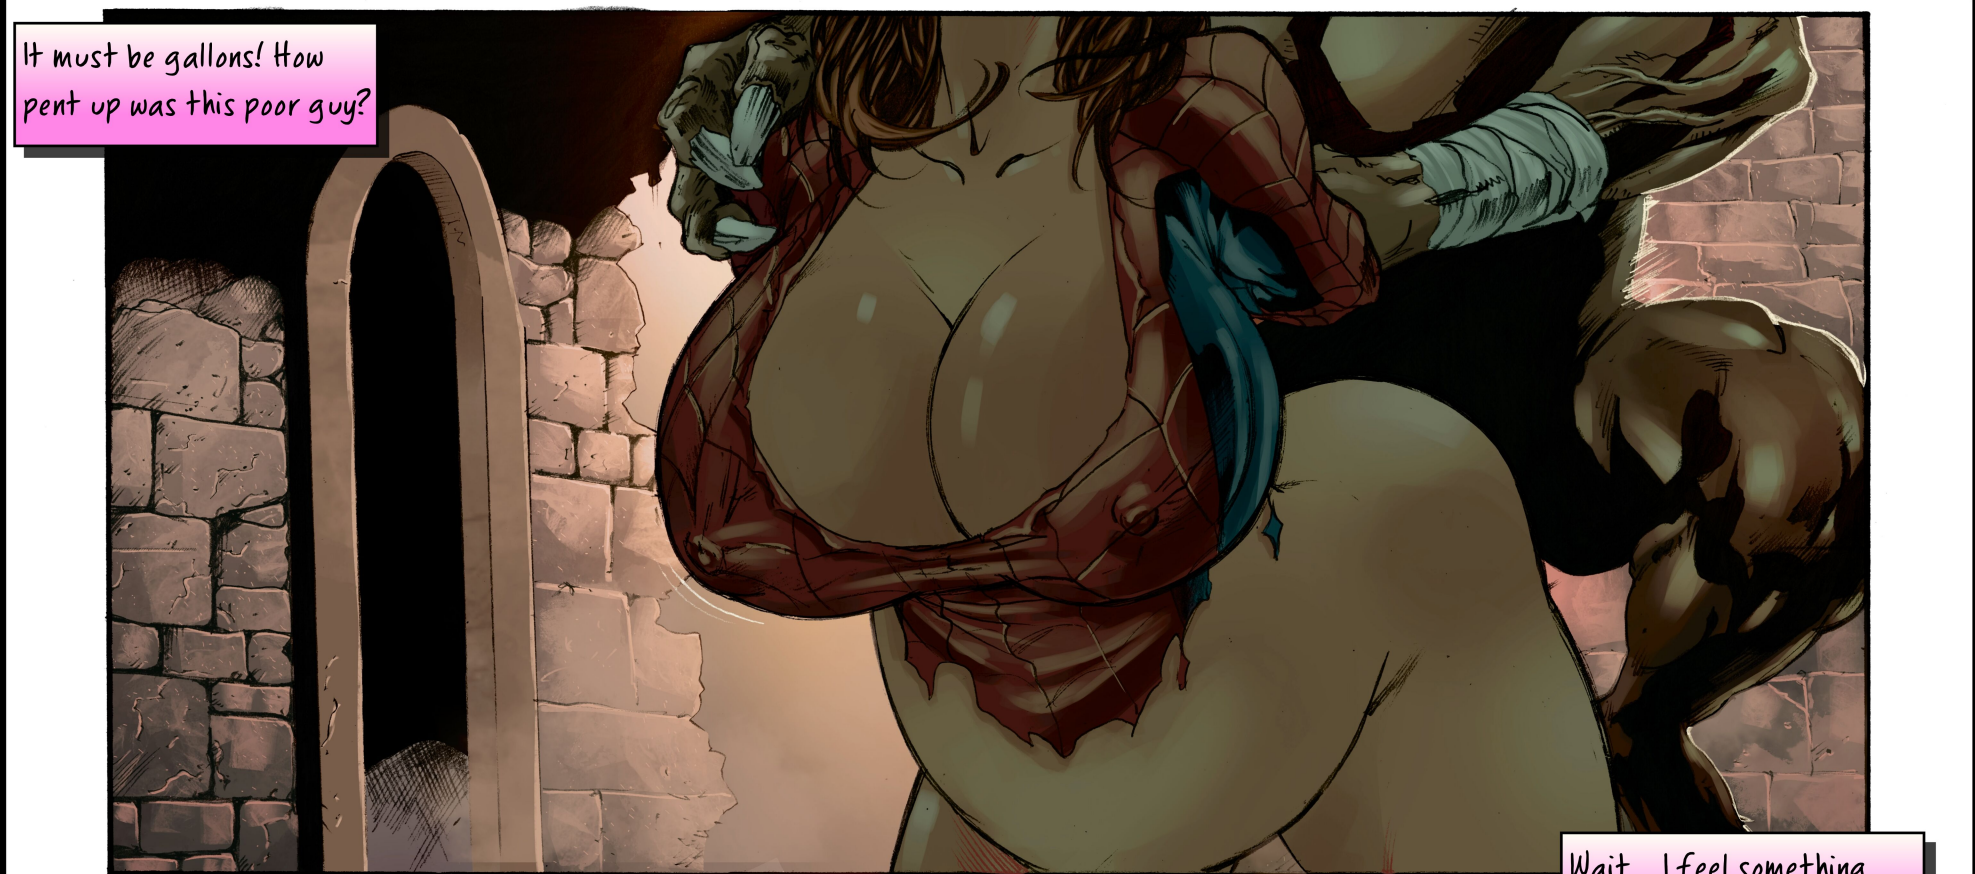

I'M CUMMING TOO!

My body feels like jelly...

And he's still going! My head's starting to clear.

I can feel my stomach stretching with his cum...

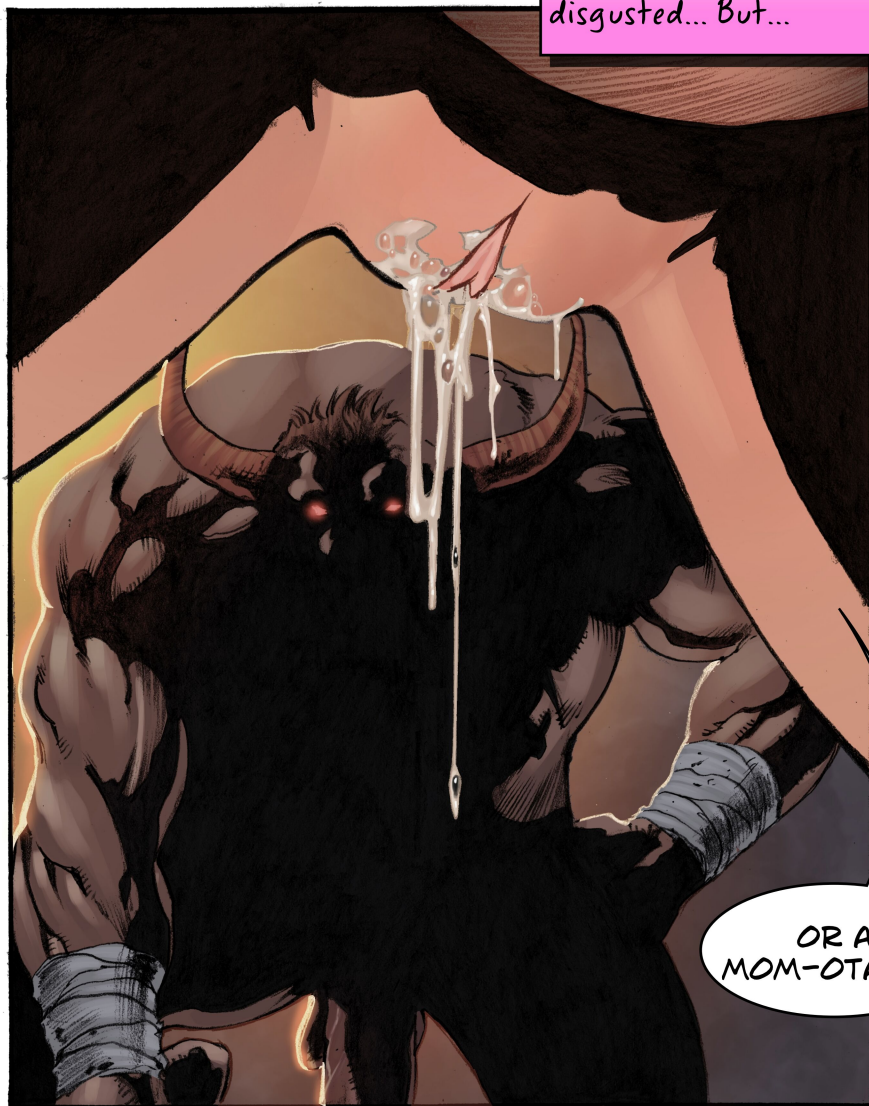

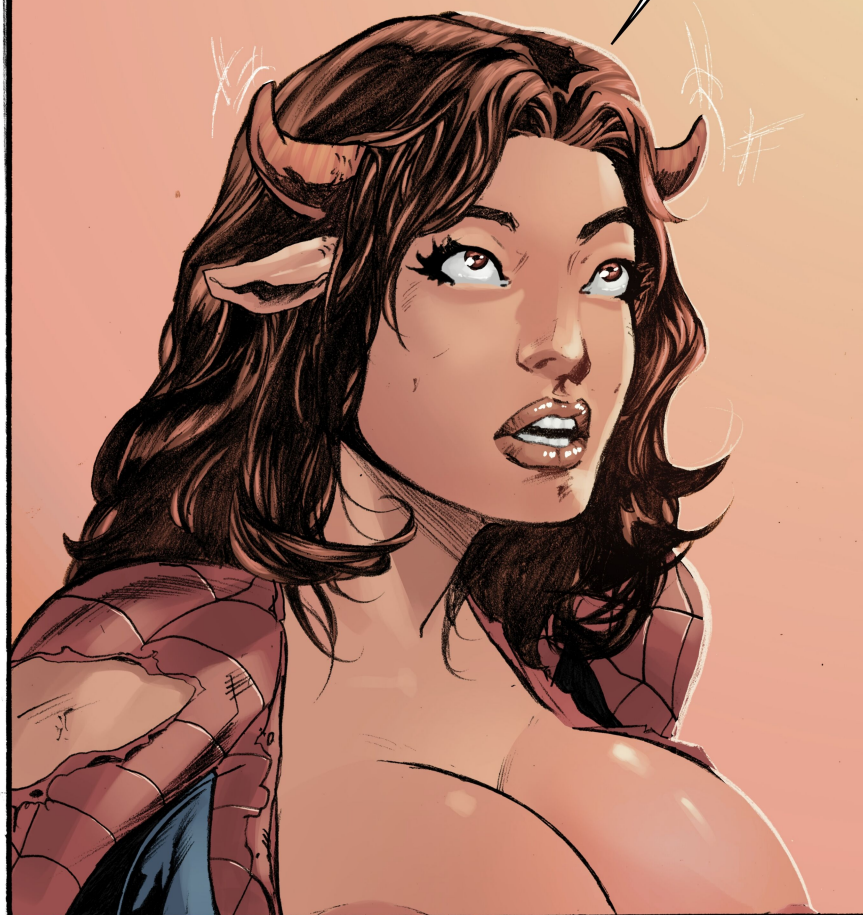

It must be gallons! How pent up was this poor guy?

Wait... I feel something else. More changes!?

The potion is still going! Was this how Aphro got him to help? Promised him a wife?

HORNS?
YOU'RE MAKING
ME A MINOTAUR?

No. Not just his wife... A mother
to his children... I should be
disgusted... But...

OR A
MOM-OTAUR?

I want it! I
want to bear
his kids!

SHOULDA
SEEN THAT
COMING.

OW! OKAY WERE THE
HOOVES REALLY
NECESSARY?

I'm still spouting off
quips like I'm a hero...
But all I want is to
get filled up by my
bull again and again...

I know I should want to go home. But I'm not going anywhere until these baby Minos come out. And after that.... Well... When in Greece...

OHhh... AFTER THESE LITTLE ONES, YOU BETTER FILL ME UP AGAIN ASTERIUS.
