

door creak *moaning, smile* Hehe seems like someones home early~ I thought you said he was coming home in an hour? ... *slight grunt* Fuck no, I ain't pulling out. Your holes too tight to stop fucking, besides he should know how much you love this cock.

door open Hey, you the lucky guy? ... Huh? What am I doing? Fucking the shit out of your partner, what does it look like? Uh, yeah dumbass. They're cheating on you. Wait, *moan* you thought every time you went out, they weren't getting their holes stretched out?? ... I mean cmon, they told me how shitty of a lay you were.

... *eyeroll* Oh god, here comes the waterworks. ... Look, you should be happy your partner at least has SOMEONE to fuck them to orgasm. I mean look at them now, they're eyes are rolling in the back of their heads despite being caught. Clearly they don't regret it.

squelch pop out look at the state of their fuckhole, swollen, pink, dripping. ... *smirk* Shocked? By what, how ruined their hole is or how huge my dick is? ...

Both? Hehe~ She told me you had a micropeen or something, that true? ... *laughs* sure thing hun. ... Oh yeah? Prove me wrong then. Pull it out. ... yeah right now. Prove it to me, pussy.

zipper Pfft, he's actually doing it. ... Errrr.... Where is it? Your dick? ... Oh shit, is it that little thing? ... Hate to break it to you, but that may qualify as a clit. ... Yuh huh. ... Bigger hard? How big? ... *laughs* Sorry to laugh but uhhh, that is def micro sized. ... Don't believe me? Let's compare. ... Yeah, cmere. Let me put my dick over yours. ... *smack*

See that? See how my dick completely covers yours? ... I mean there's at least like a 10" difference between us. Not to mention girth. I mean look at your partners hole. Its gaped! Like they just got fisted~ ... Someone of your size could never do that. Just admit it. ... *whisper* Good~

Wait, are you getting hard or something? Hehe look, your partners pussy juices on my dick are gettig all over your dick~ Like when I rub it on your dicklet~? I just show up, bend them over, rip their undies off and go to pound town. ... *giggles* Aint that right hun? Your holes all loose and messy thanks to me?

... ah, seems like my big dick turned their brain off. Don't worry, once they cum they'll be able to use their brain again, but right now all they want to be is a pocket pussy for me~

smiles looks like you're making a puddle under your cock~ your little hard cock's getting wet from watching me pound out your partner out? You've never seen them scream and moan this much do you? ... that's what I thought~ ... *moan* Cmon, sit. Why don't you learn some techniques about how to fuck huh? Although no matter what you do might not work since you're just that small, *chuckles*

moan you like watching a femboy pound your lover out huh? *moan, whisper* cmon, say how much you love my cock, tell your boyfriend how much you love getting your insides rearranged by a hung, strong femboy~ Mmm that's it. Say it, say you love watching me satisfy your partners in ways you can't. ...
