

INT. DAY

Will is stood in a shirt looking in the mirror.

WILL

I don't care what people say, blue
is definitely your colour. And *Zoom in*
that's a nice shade, I really like
this shade...

He notices something.

WILL (CONT'D)

What the hell?

He now has a moustache.

WILL (CONT'D)

When did that.... WHAT!?

Camera pulls out to reveal he has the word TWAT written on
his forehead in pen.

WILL (CONT'D)

Who even... what is...

He notices one of his teeth is considerably larger and
jutting out further than the others.

WILL (CONT'D)

My tooth....? What is....?

He freezes. His reflection's arm is slowly raising up and
moving towards his shirt pocket.

He pulls out a sandwich and slowly moves it to his mouth.

WILL (CONT'D)

(angry)

WHAT THE HELL!?

The reflection drops the sandwich in surprise and answers him
back.

REFLECTION WILL

ARGH! WHAT!? I'm hungry! Have you
any idea how long you've been stood
staring at yourself in the mirror?

The reflection pulls off the moustache and removes tooth
whilst talking.

- Rubs off 'TWAT'

WILL

Well I...

REFLECTION WILL

You're so vain!

- Angry

*have jazz
beat in background*

WILL

So you thought you'd messed with me!?

REFLECTION WILL

Well, I thought it was funny.

[Anything I do to me, is reflected onto you.

cut

WILL

Yeah I got that, Does it work the other way around?

REFLECTION WILL

I guess- Aww... Real mature!

Camera pulls back and reveals they are topless wearing a bikini.

WILL

ITS ON!

The bikini is gone and there are now nipple tassels.

REFLECTION WILL

Erm... Ok...

Now there is spray cream over each nipple.

REFLECTION WILL (CONT'D)

What is it with you and nipples!?

WILL

I err... FINE! How about THIS!?

Grabs a handful ^{ful} of the cream with both hands, then points towards the mirror aggressively.

The now both have a centre parting. — *Reflection Will looks unamused*

REFLECTION WILL

A centre parting..? Really? That your best shot?

WILL

No! AHA!

There are black tape crosses over both nipples.

REFLECTION WILL

Dude! Nipples again!

WILL

I just... got, you know, stuck on a theme...

Reflection Will looks sceptically back at him.

WILL (CONT'D)

Fine!

They are now painted green all over.

REFLECTION WILL

I'm bored of this now.

WILL

Only because you're losing...

He looks over his shoulder. There is a huge patch of unpainted skin on his back.

WILL (CONT'D)

I couldn't reach the back...

Reflection Will tears the nipple tape off and flinches.

REFLECTION WILL

Ow.

WILL

OW!

Will looks angrily at his reflection.

He slaps himself in the face.

REFLECTION WILL

OW!

Reflection Will draws his hand up to slap.

WILL

Wait! This is silly... We look ridiculous.

REFLECTION WILL

True. It's okay. Let me get all this paint off. With some thick bleach.

ominous
music builds

WILL

Bleach?

Reflection Will is pouring bleach on a sponge.

REFLECTION WILL

Yup!

He starts rubbing the bleach on his chest which starts hissing and smoking.

Will winces.

WILL
(in pain)
That's fine.

REFLECTION WILL
There. All better.

He has cleaned a patch off of his chest which is now red raw and covered in boils.

They glare at each other for a beat, with tears in their eyes.

Culr WILL
You've taken this too far!

REFLECTION WILL
Too far!? YOU WANT TO SEE TOO FAR!?

Reflection Will pulls a gun on himself. *click*

WILL
You don't have the guts... BUT I DO!

Will pulls a gun on himself. *click*

They both stare at each other.

WILL (CONT'D)
Wait this is silly... let just calm down...

REFLECTION WILL
sigh No you're right, this thing isn't even loaded anywa-

BANG!

Shoots himself in the head.

Will looks shocked.

He shakes his head and scoffs.

WILL
Idiot... NO WAIT!

Blood bursts of his head.

He falls over. Dead.
