Sylvia appeared to be relaxing on one of the recliners as we returned to the patio that should not have existed outside of Chris' apartment.

Mmmph!
Yess... right
there...

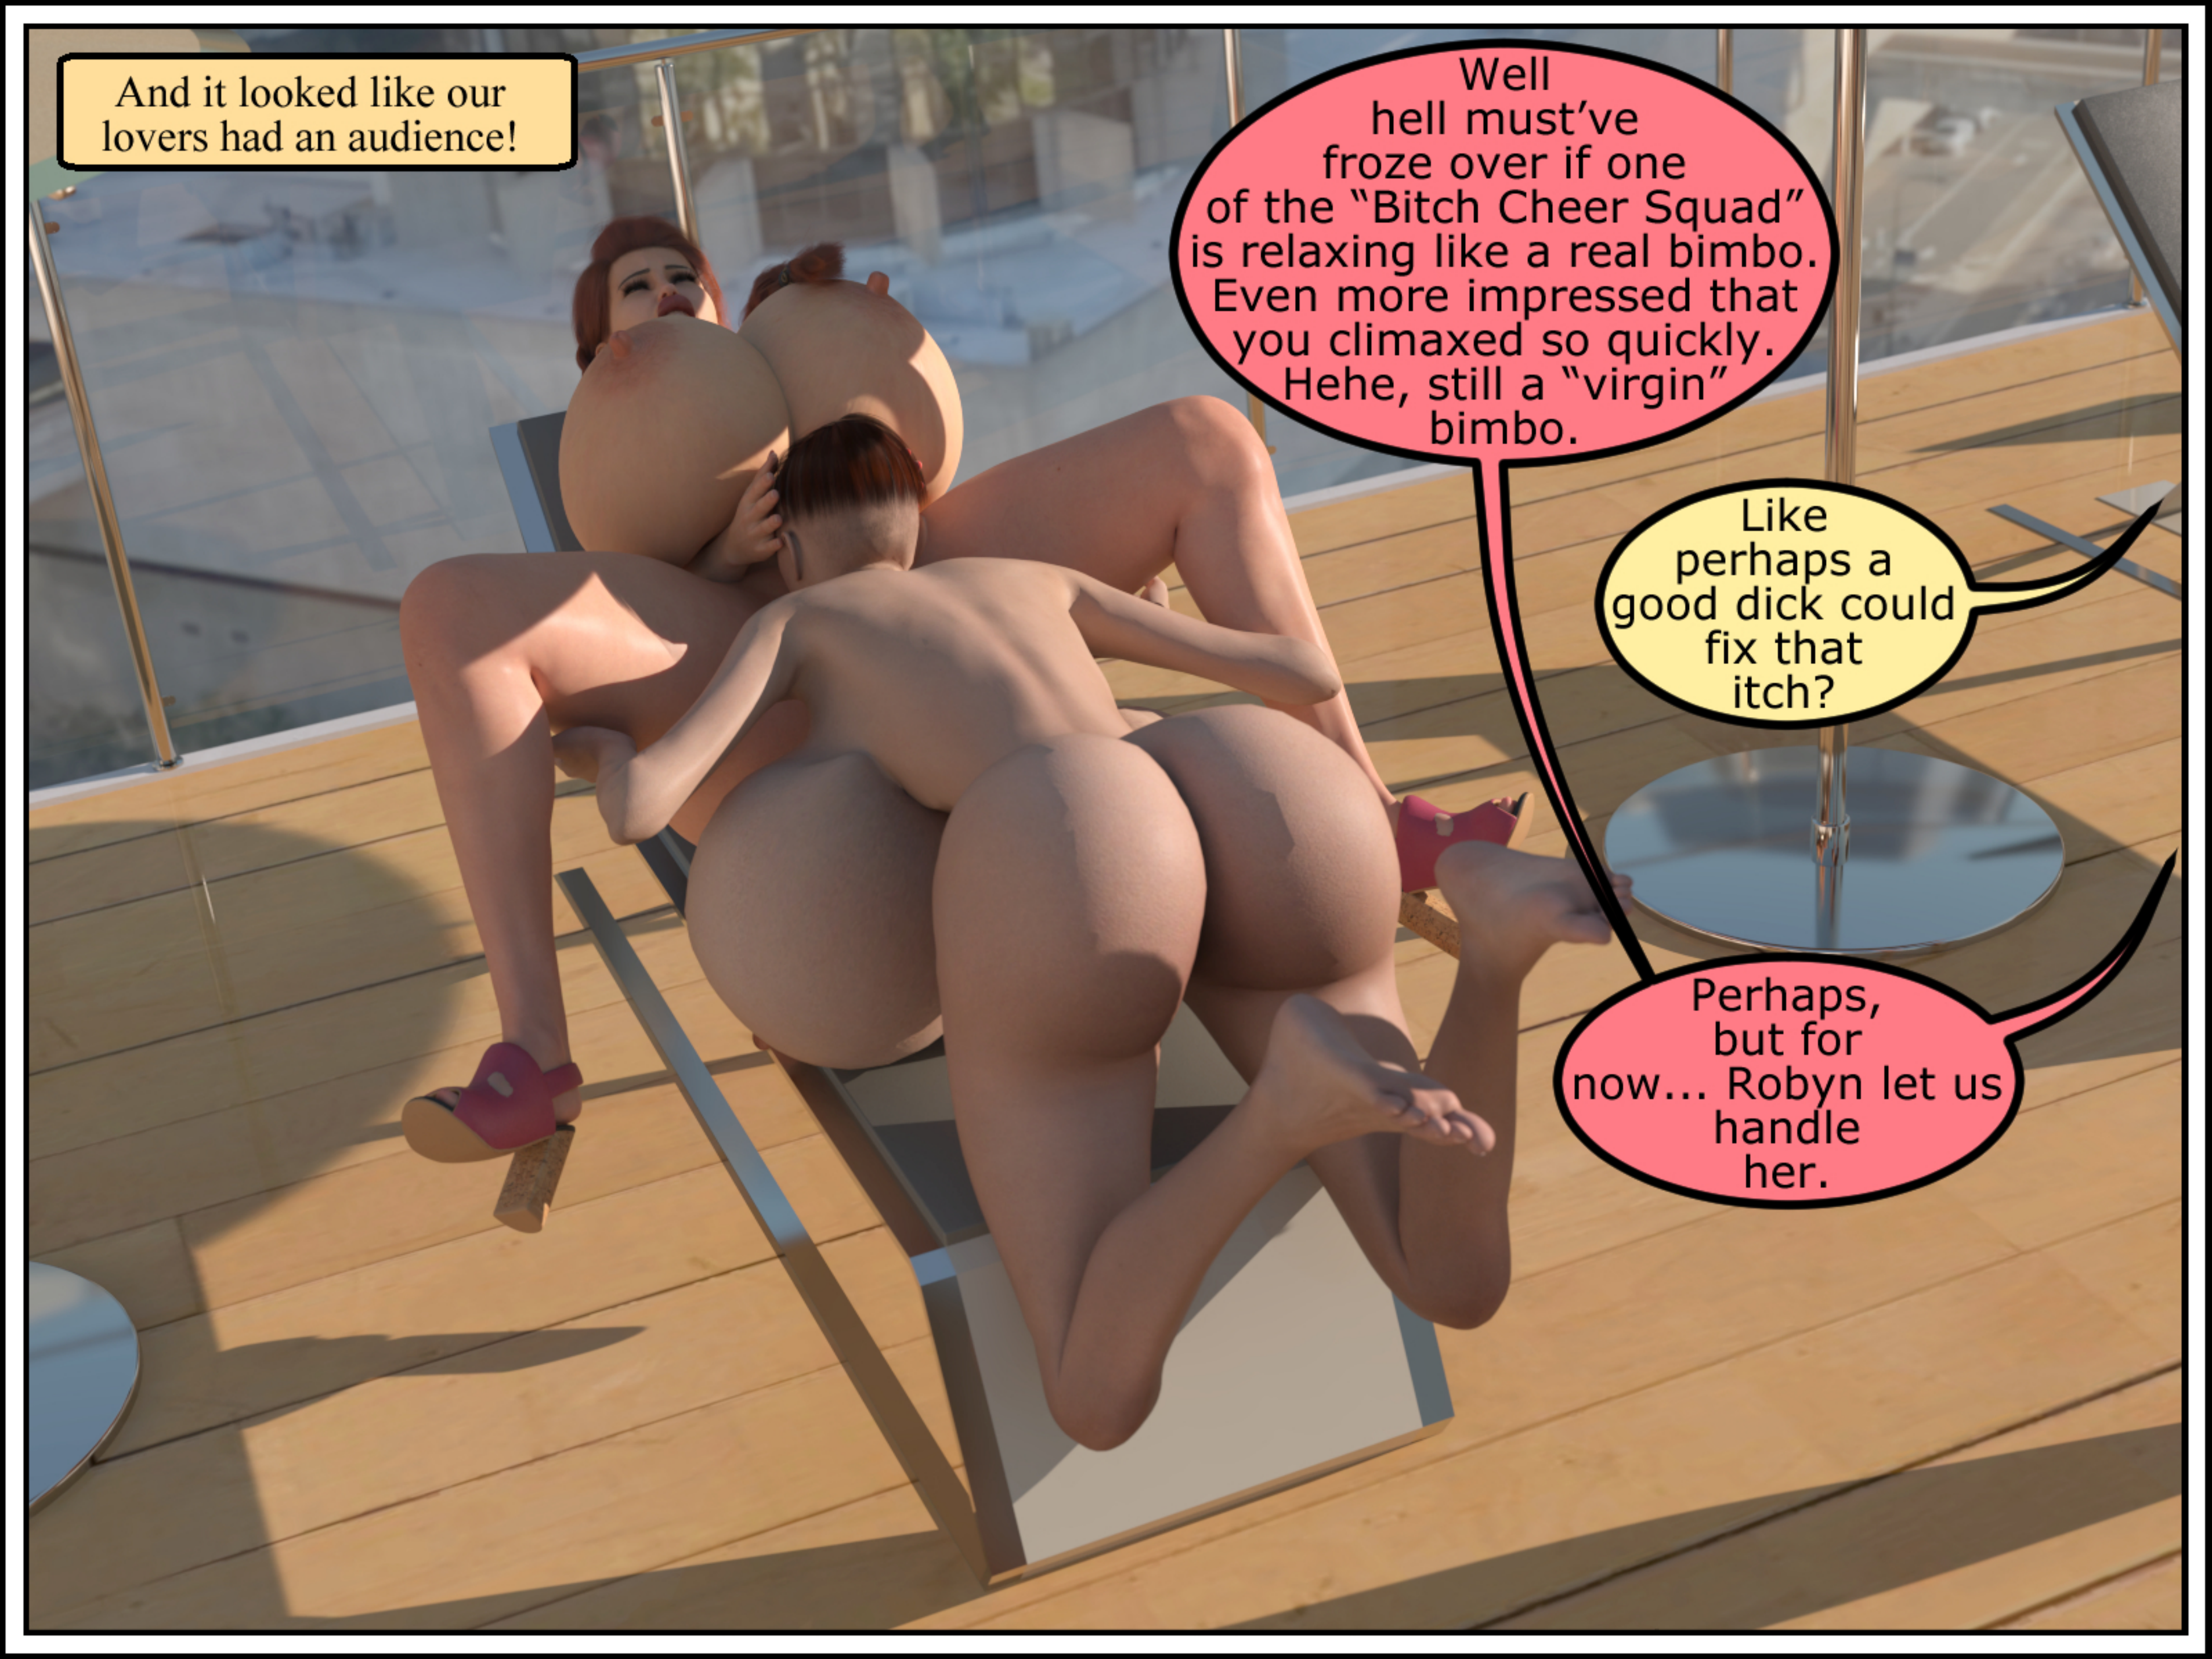

But looks can be deceiving.

**HOLY SHIT!
YESSSS!**

And it looked like our
lovers had an audience!

Well
hell must've
froze over if one
of the "Bitch Cheer Squad"
is relaxing like a real bimbo.
Even more impressed that
you climaxed so quickly.
Hehe, still a "virgin"
bimbo.

Like
perhaps a
good dick could
fix that
itch?

Perhaps,
but for
now... Robyn let us
handle
her.

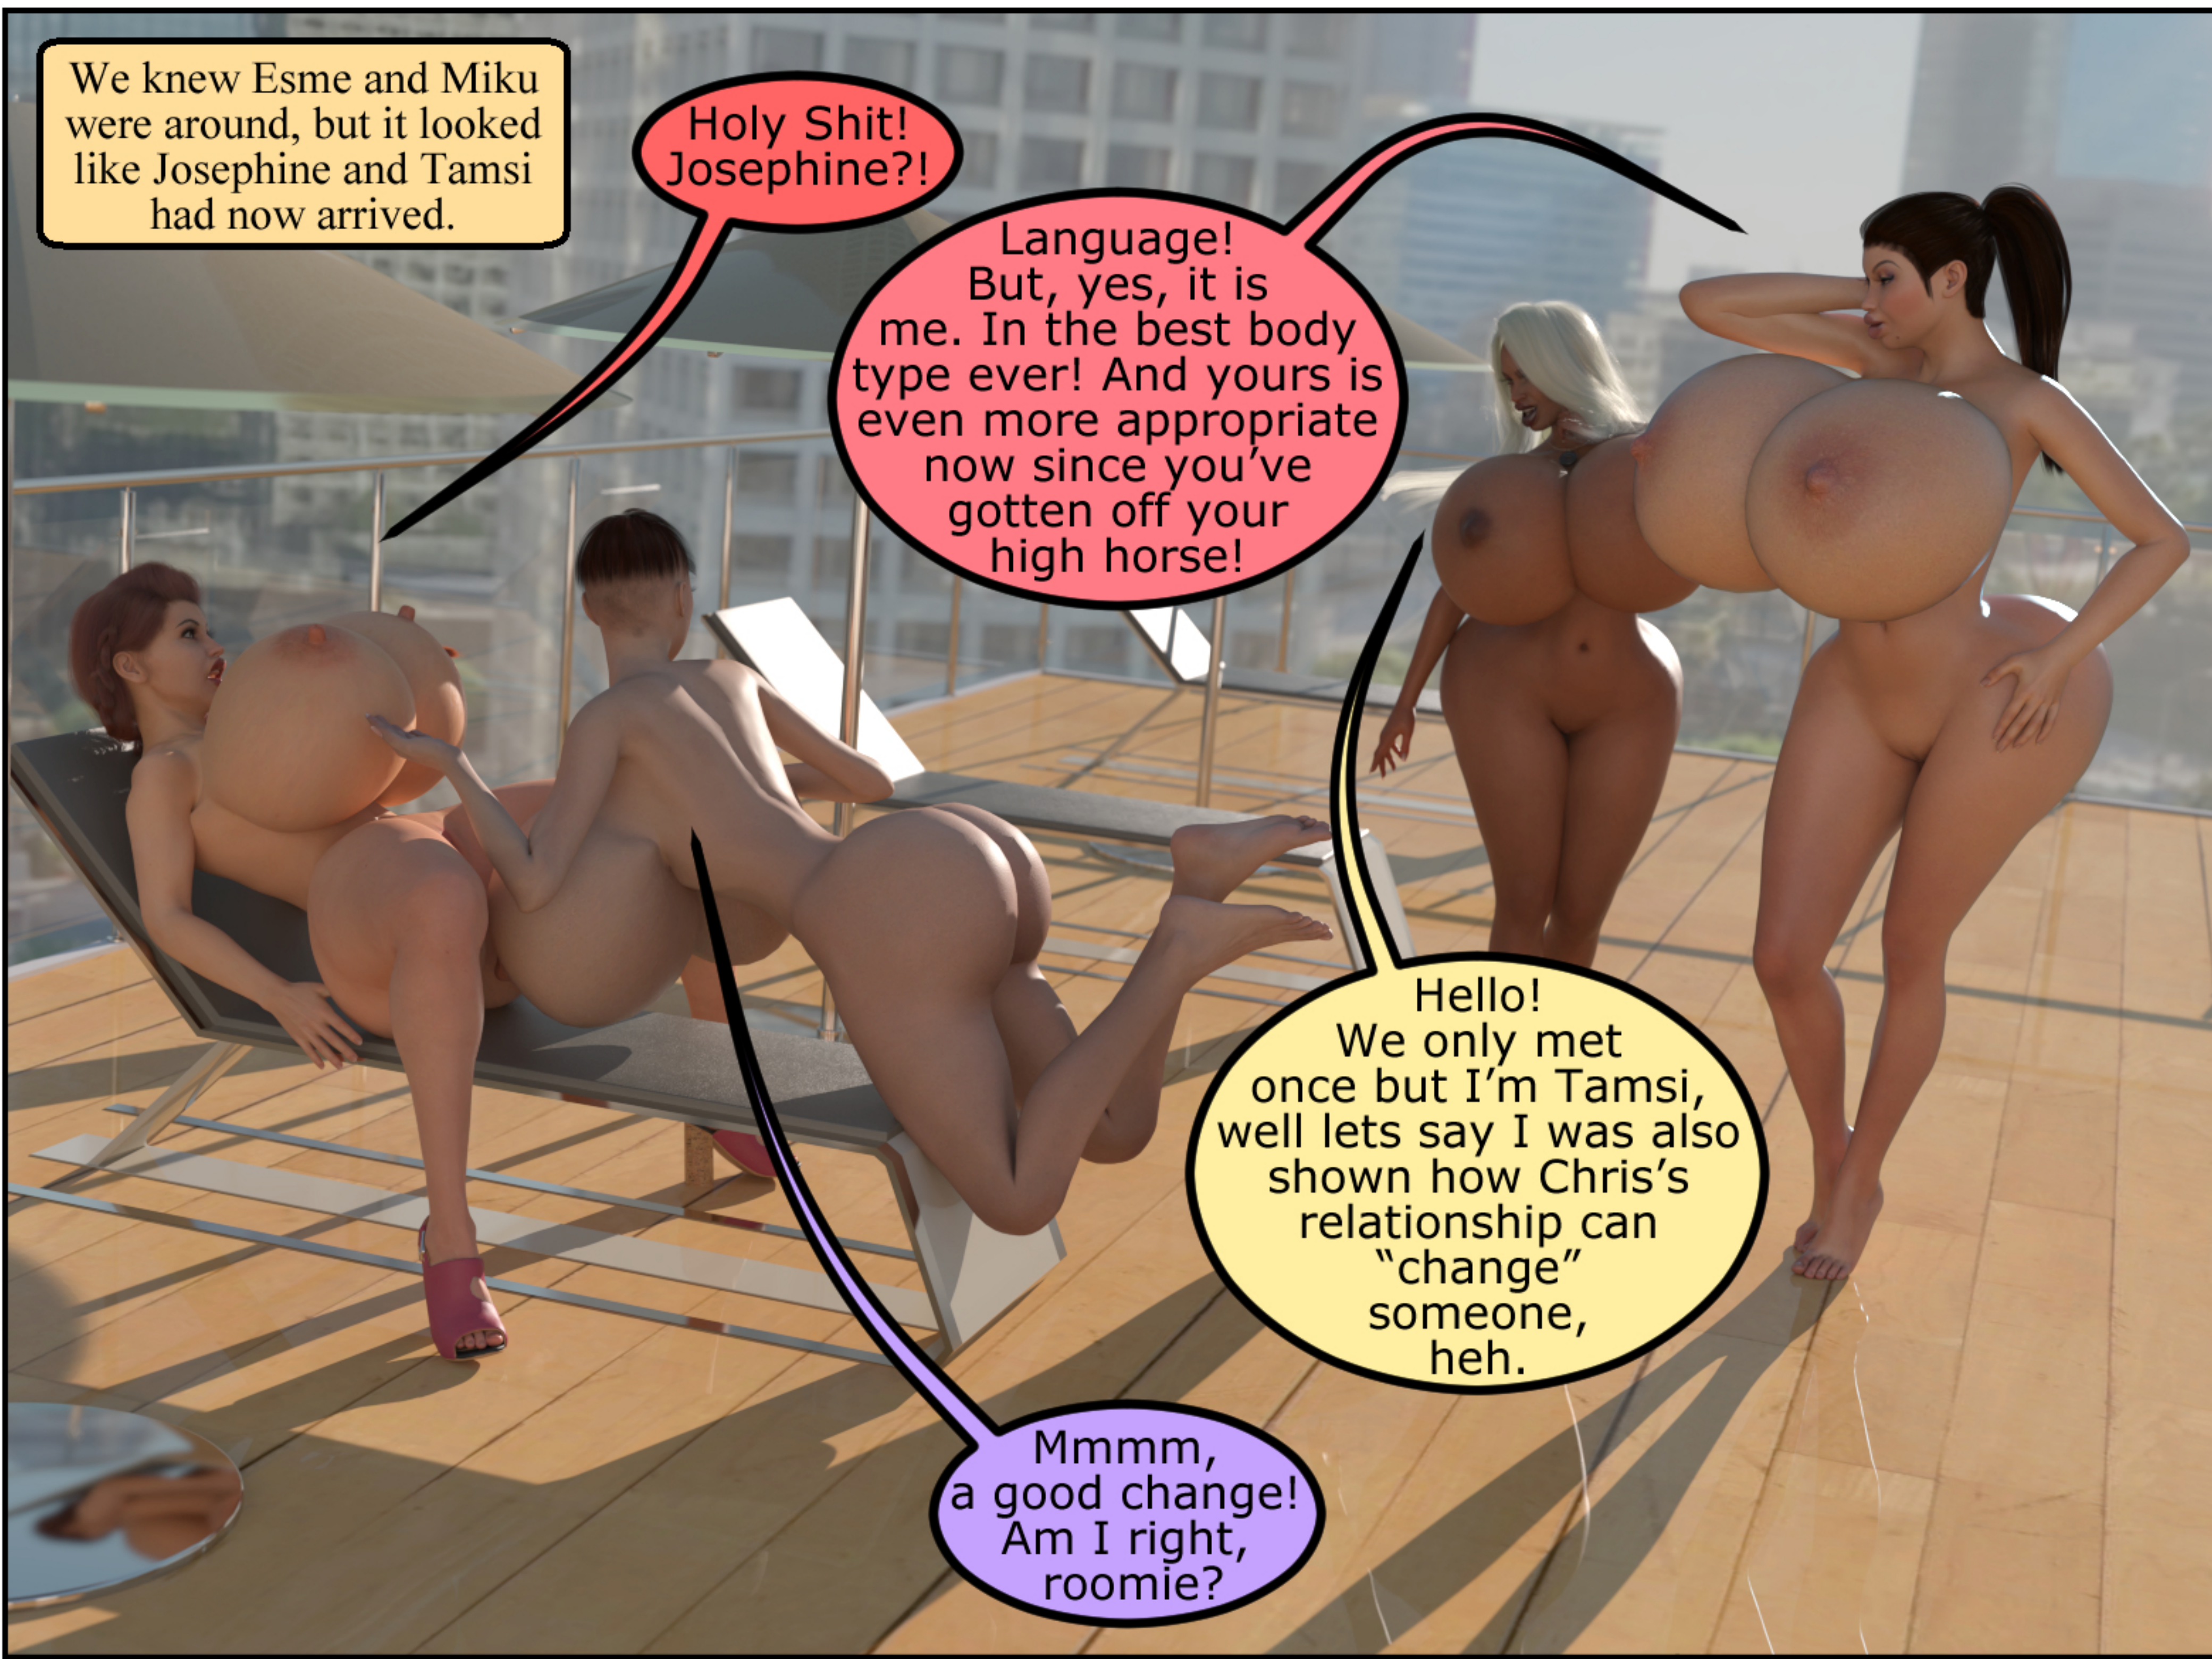

We knew Esme and Miku were around, but it looked like Josephine and Tamsi had now arrived.

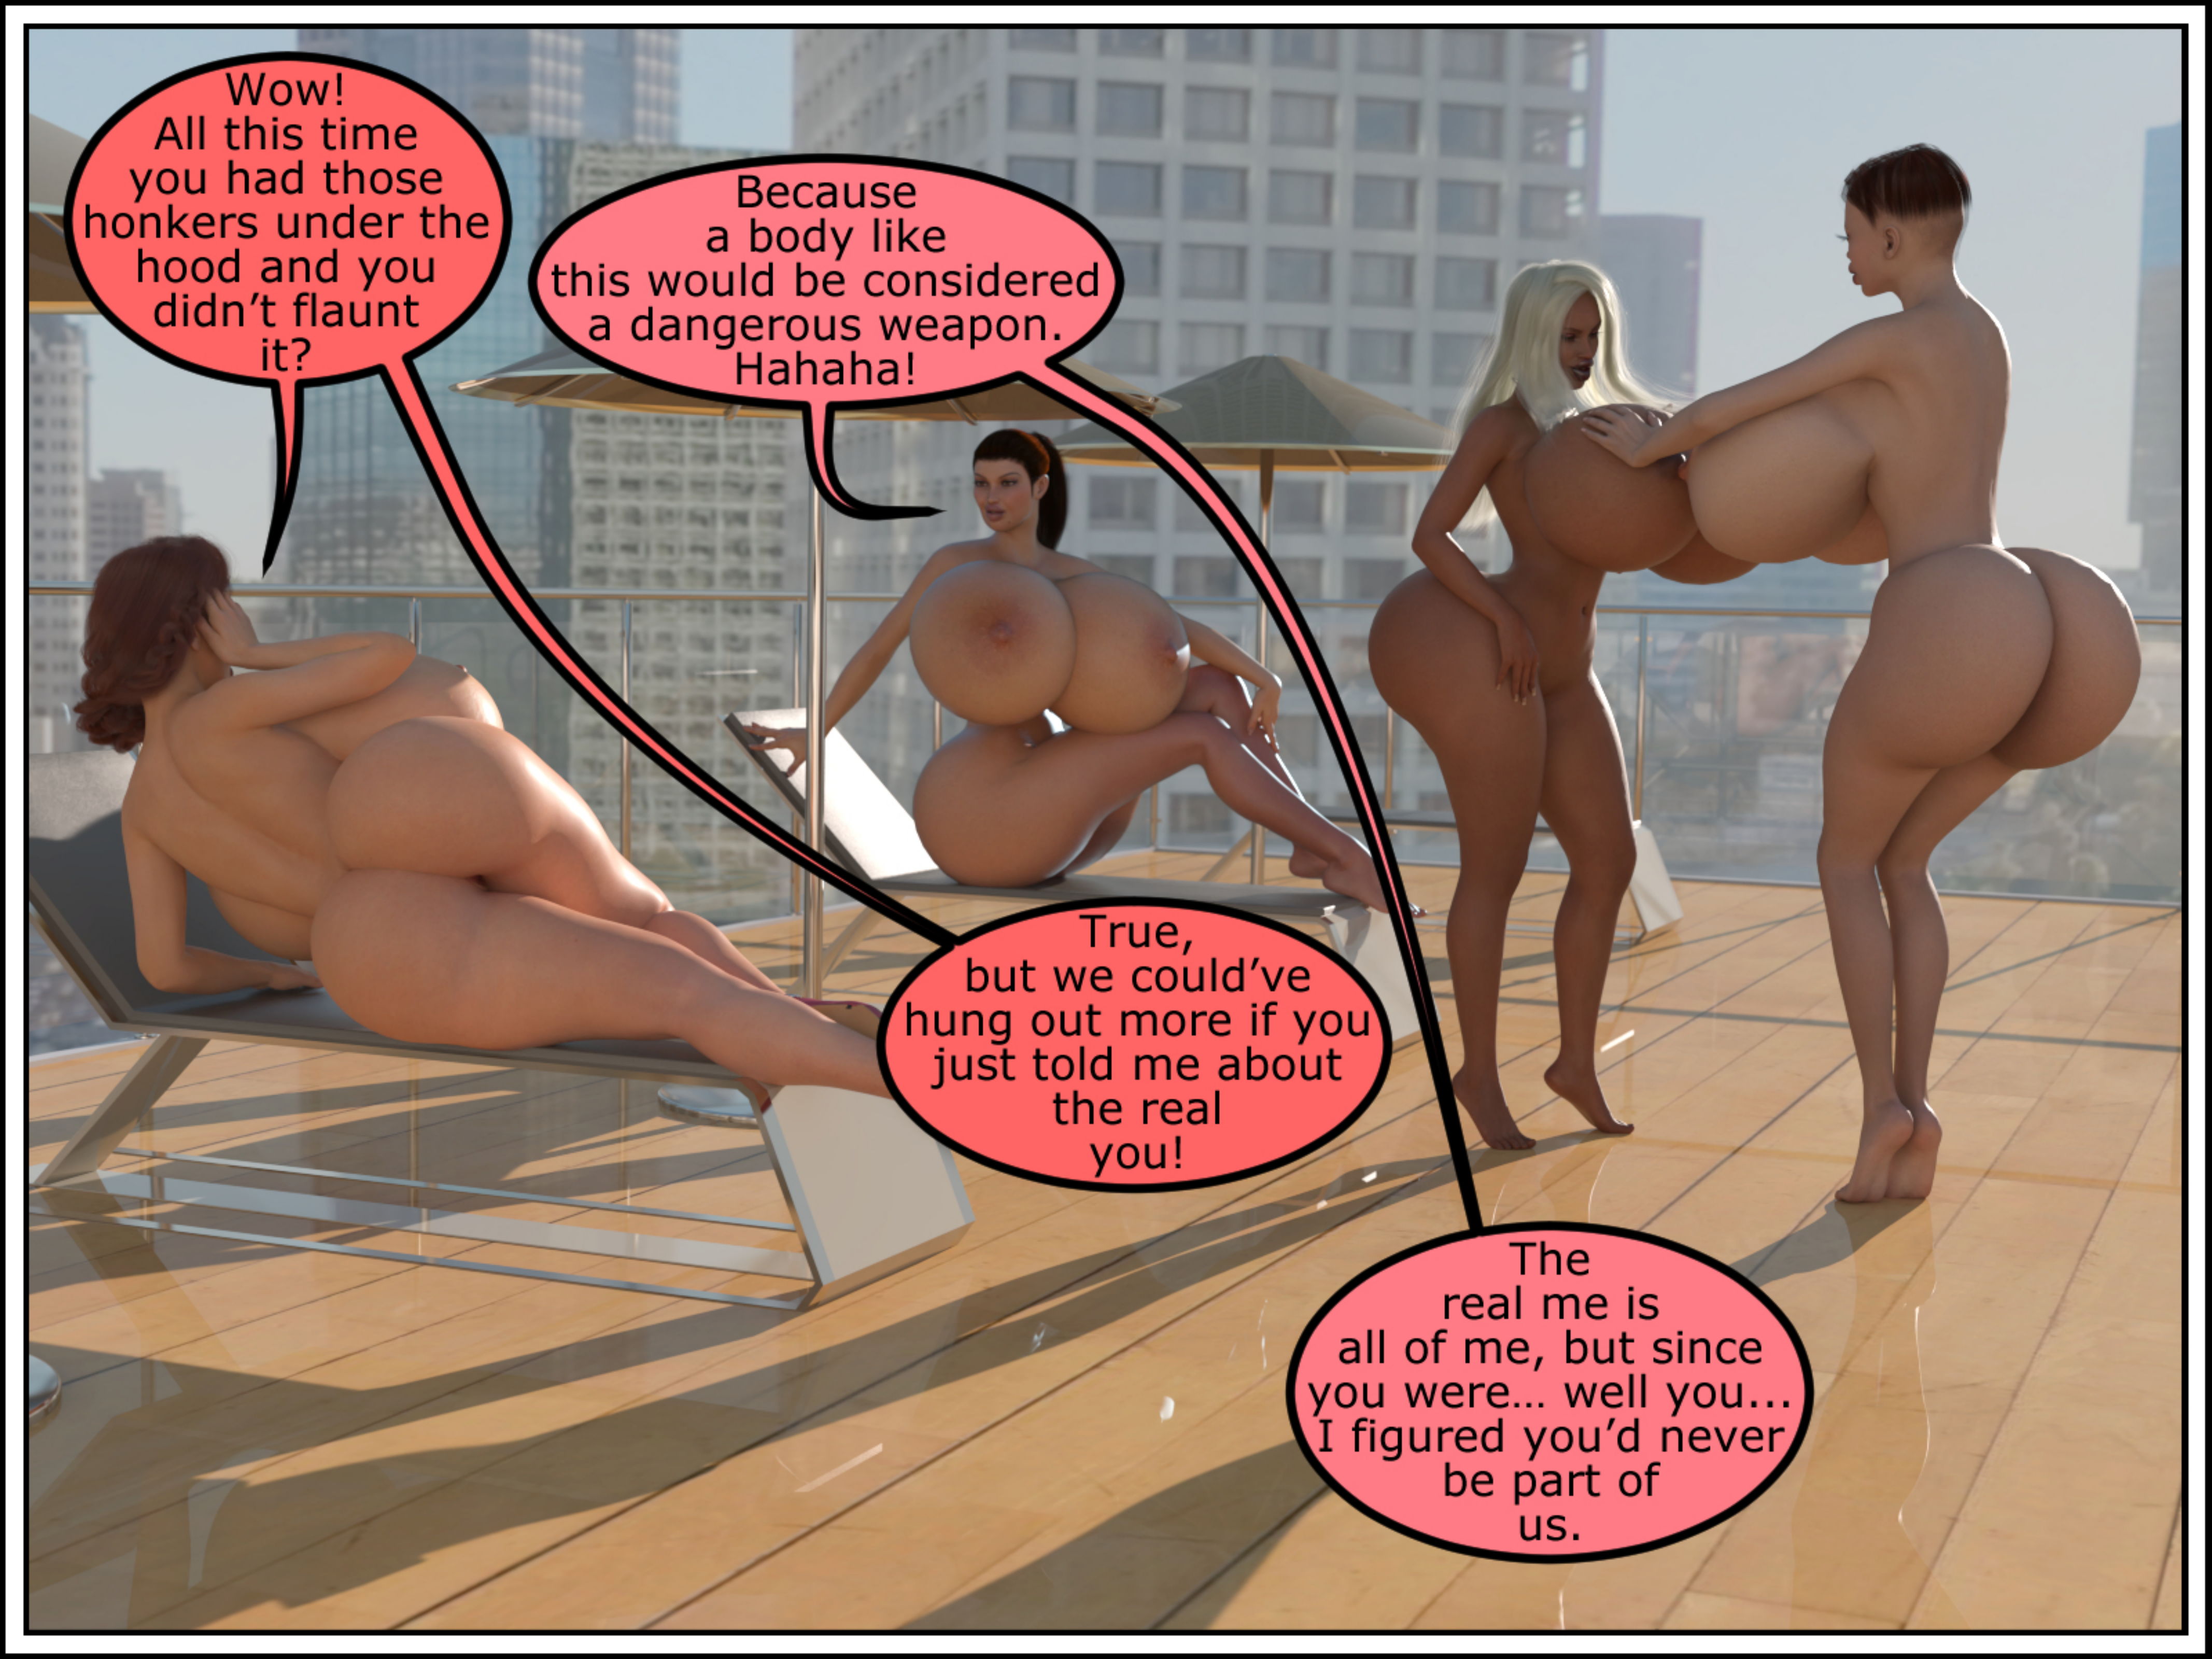

Holy Shit! Josephine?!

Language! But, yes, it is me. In the best body type ever! And yours is even more appropriate now since you've gotten off your high horse!

Hello! We only met once but I'm Tamsi, well lets say I was also shown how Chris's relationship can "change" someone, heh.

Mmmm, a good change! Am I right, roomie?

A comic panel set on a rooftop with a city skyline in the background. Four women with exaggerated features are present. One woman with large breasts and buttocks is lying on a lounge chair on the left. Another woman with large breasts and buttocks is sitting on a lounge chair in the center. Two other women with large breasts and buttocks are standing on the right, one of whom is holding a large, round object. The scene is brightly lit, suggesting daytime.

Wow!
All this time
you had those
honkers under the
hood and you
didn't flaunt
it?

Because
a body like
this would be considered
a dangerous weapon.
Hahaha!

True,
but we could've
hung out more if you
just told me about
the real
you!

The
real me is
all of me, but since
you were... well you...
I figured you'd never
be part of
us.

Yeah,
I was a
total stuck-up
bitch and thats not
even the worst part. I can
name off a dozen
things I've done to
everyone here
possibly.

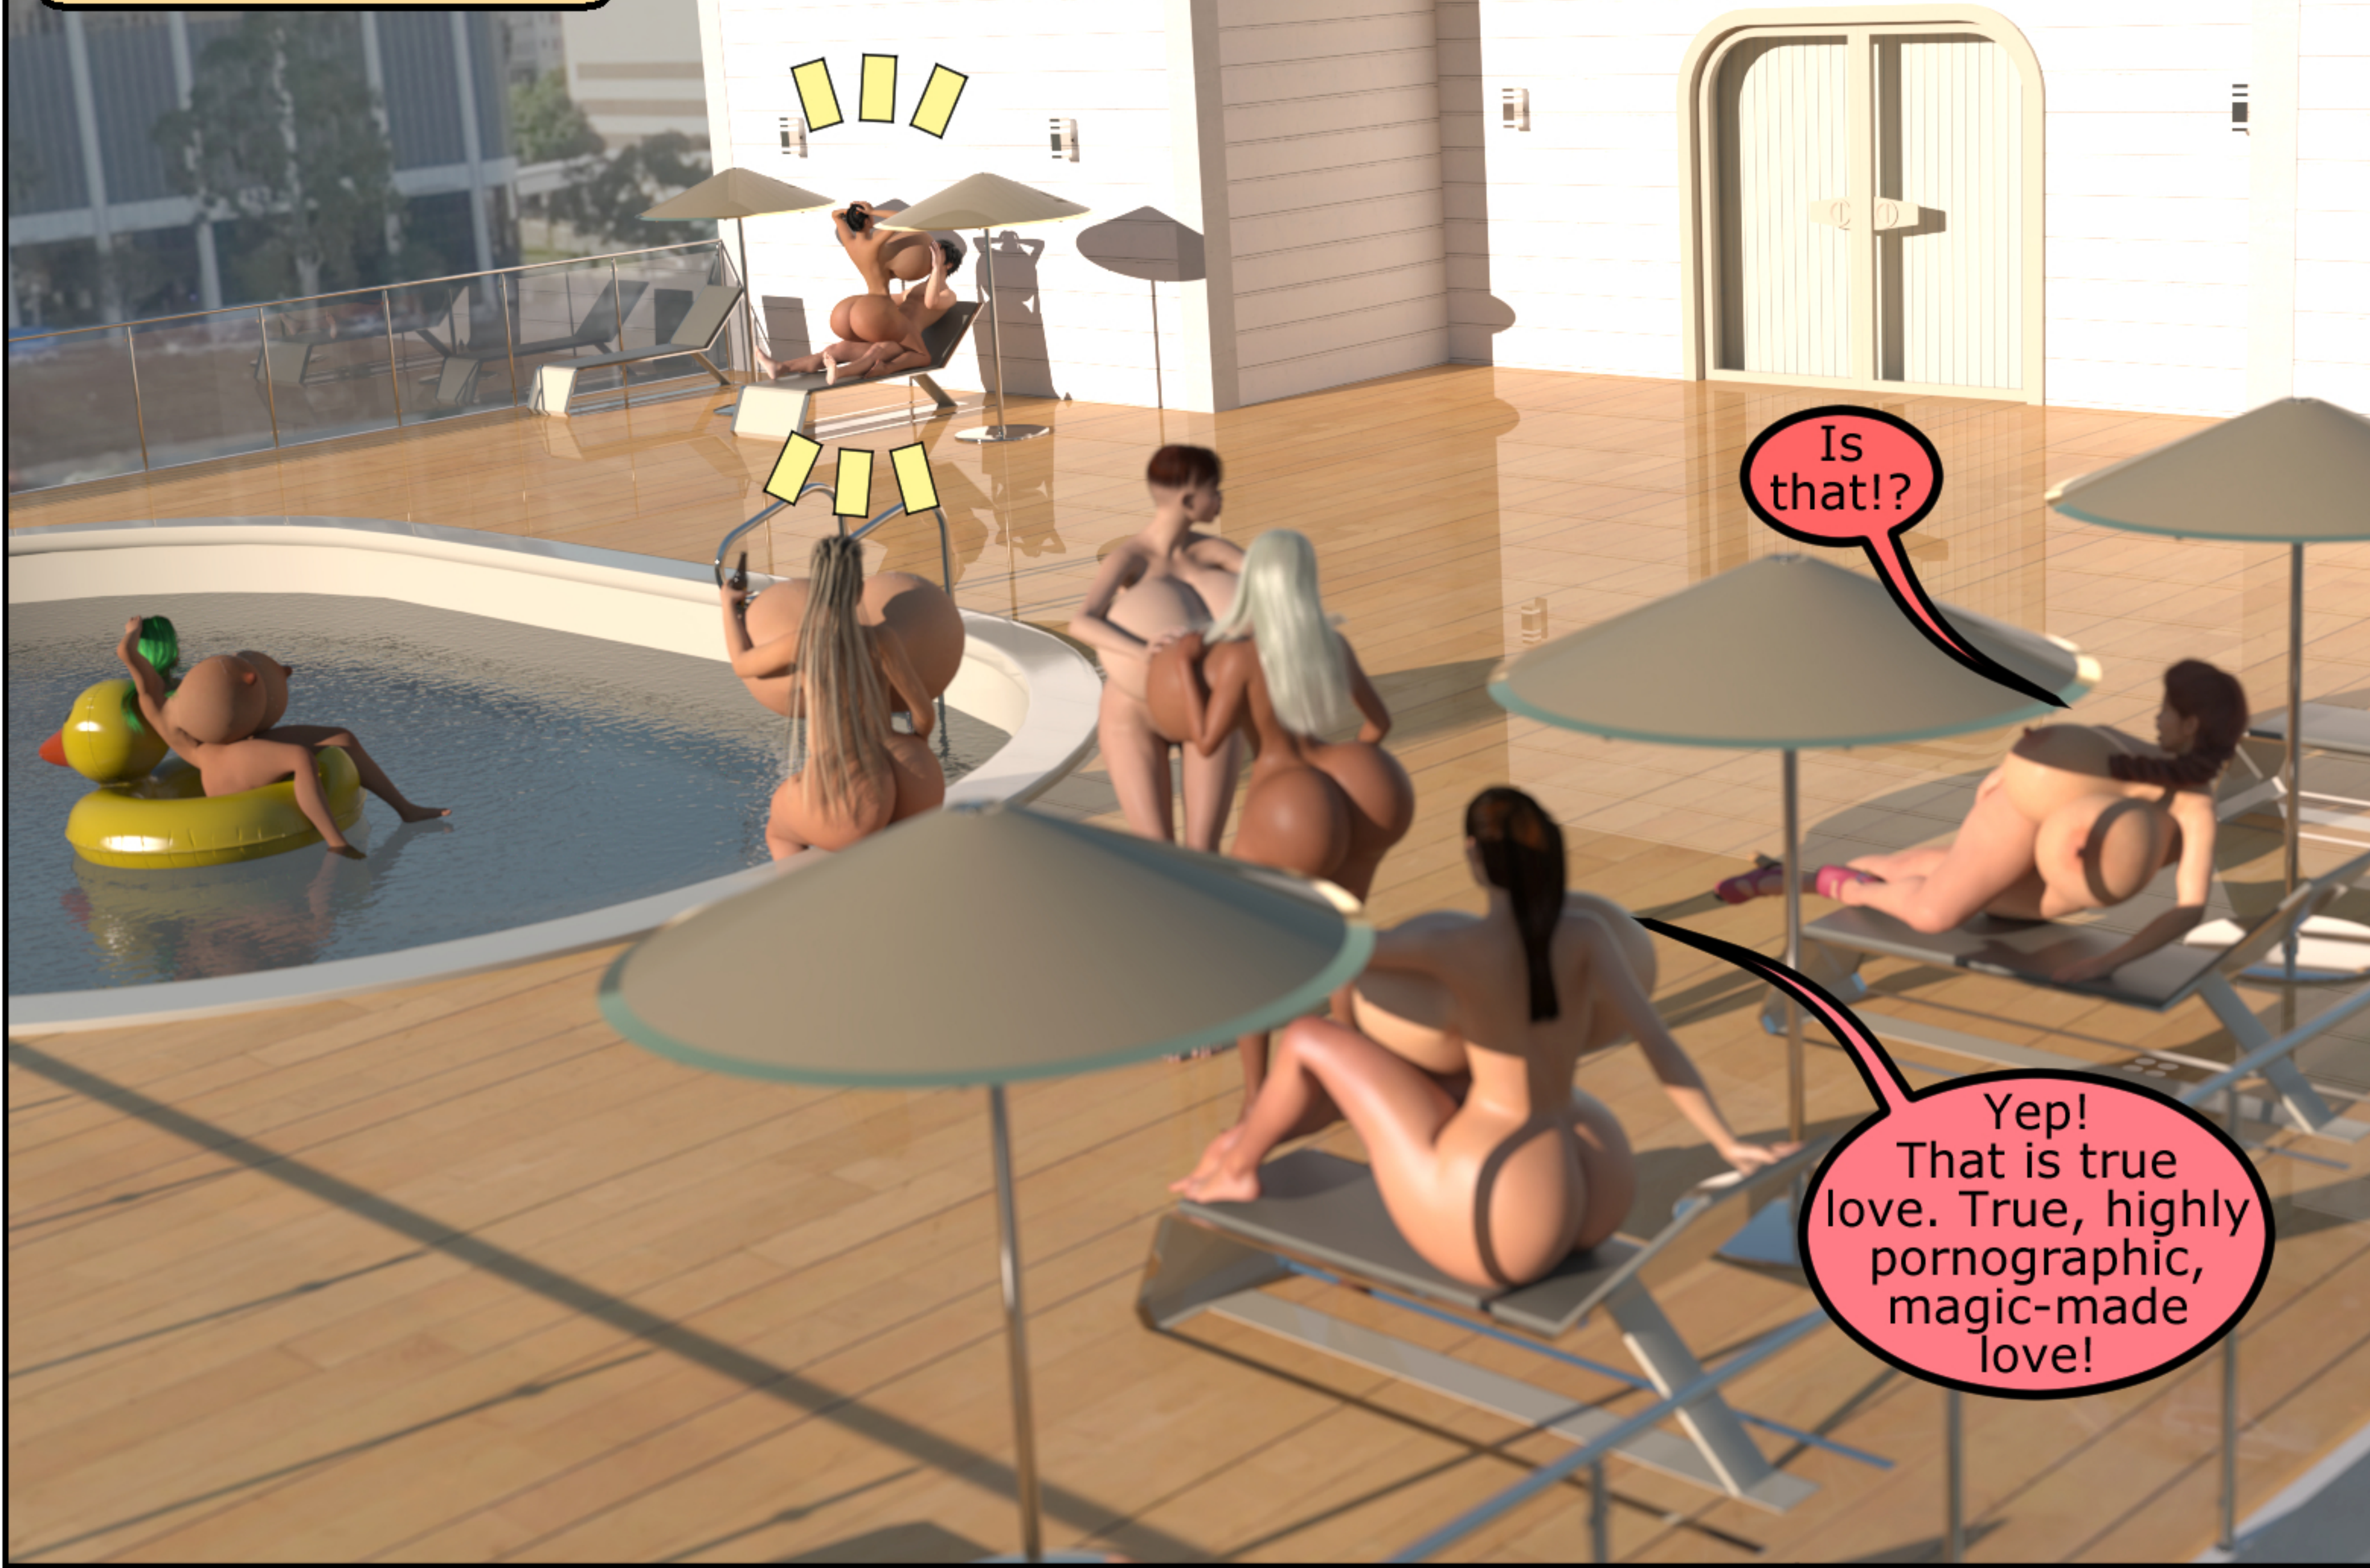

Oh,
I bet, but
one thing you
need to know. Do
you see those
two over
there?

Yeah,
you mean
those two fu--
OH MY
GOSH!

The camera panned back out to reveal what had shocked Sylvia so.

Is that!?

Yep!
That is true love. True, highly pornographic, magic-made love!

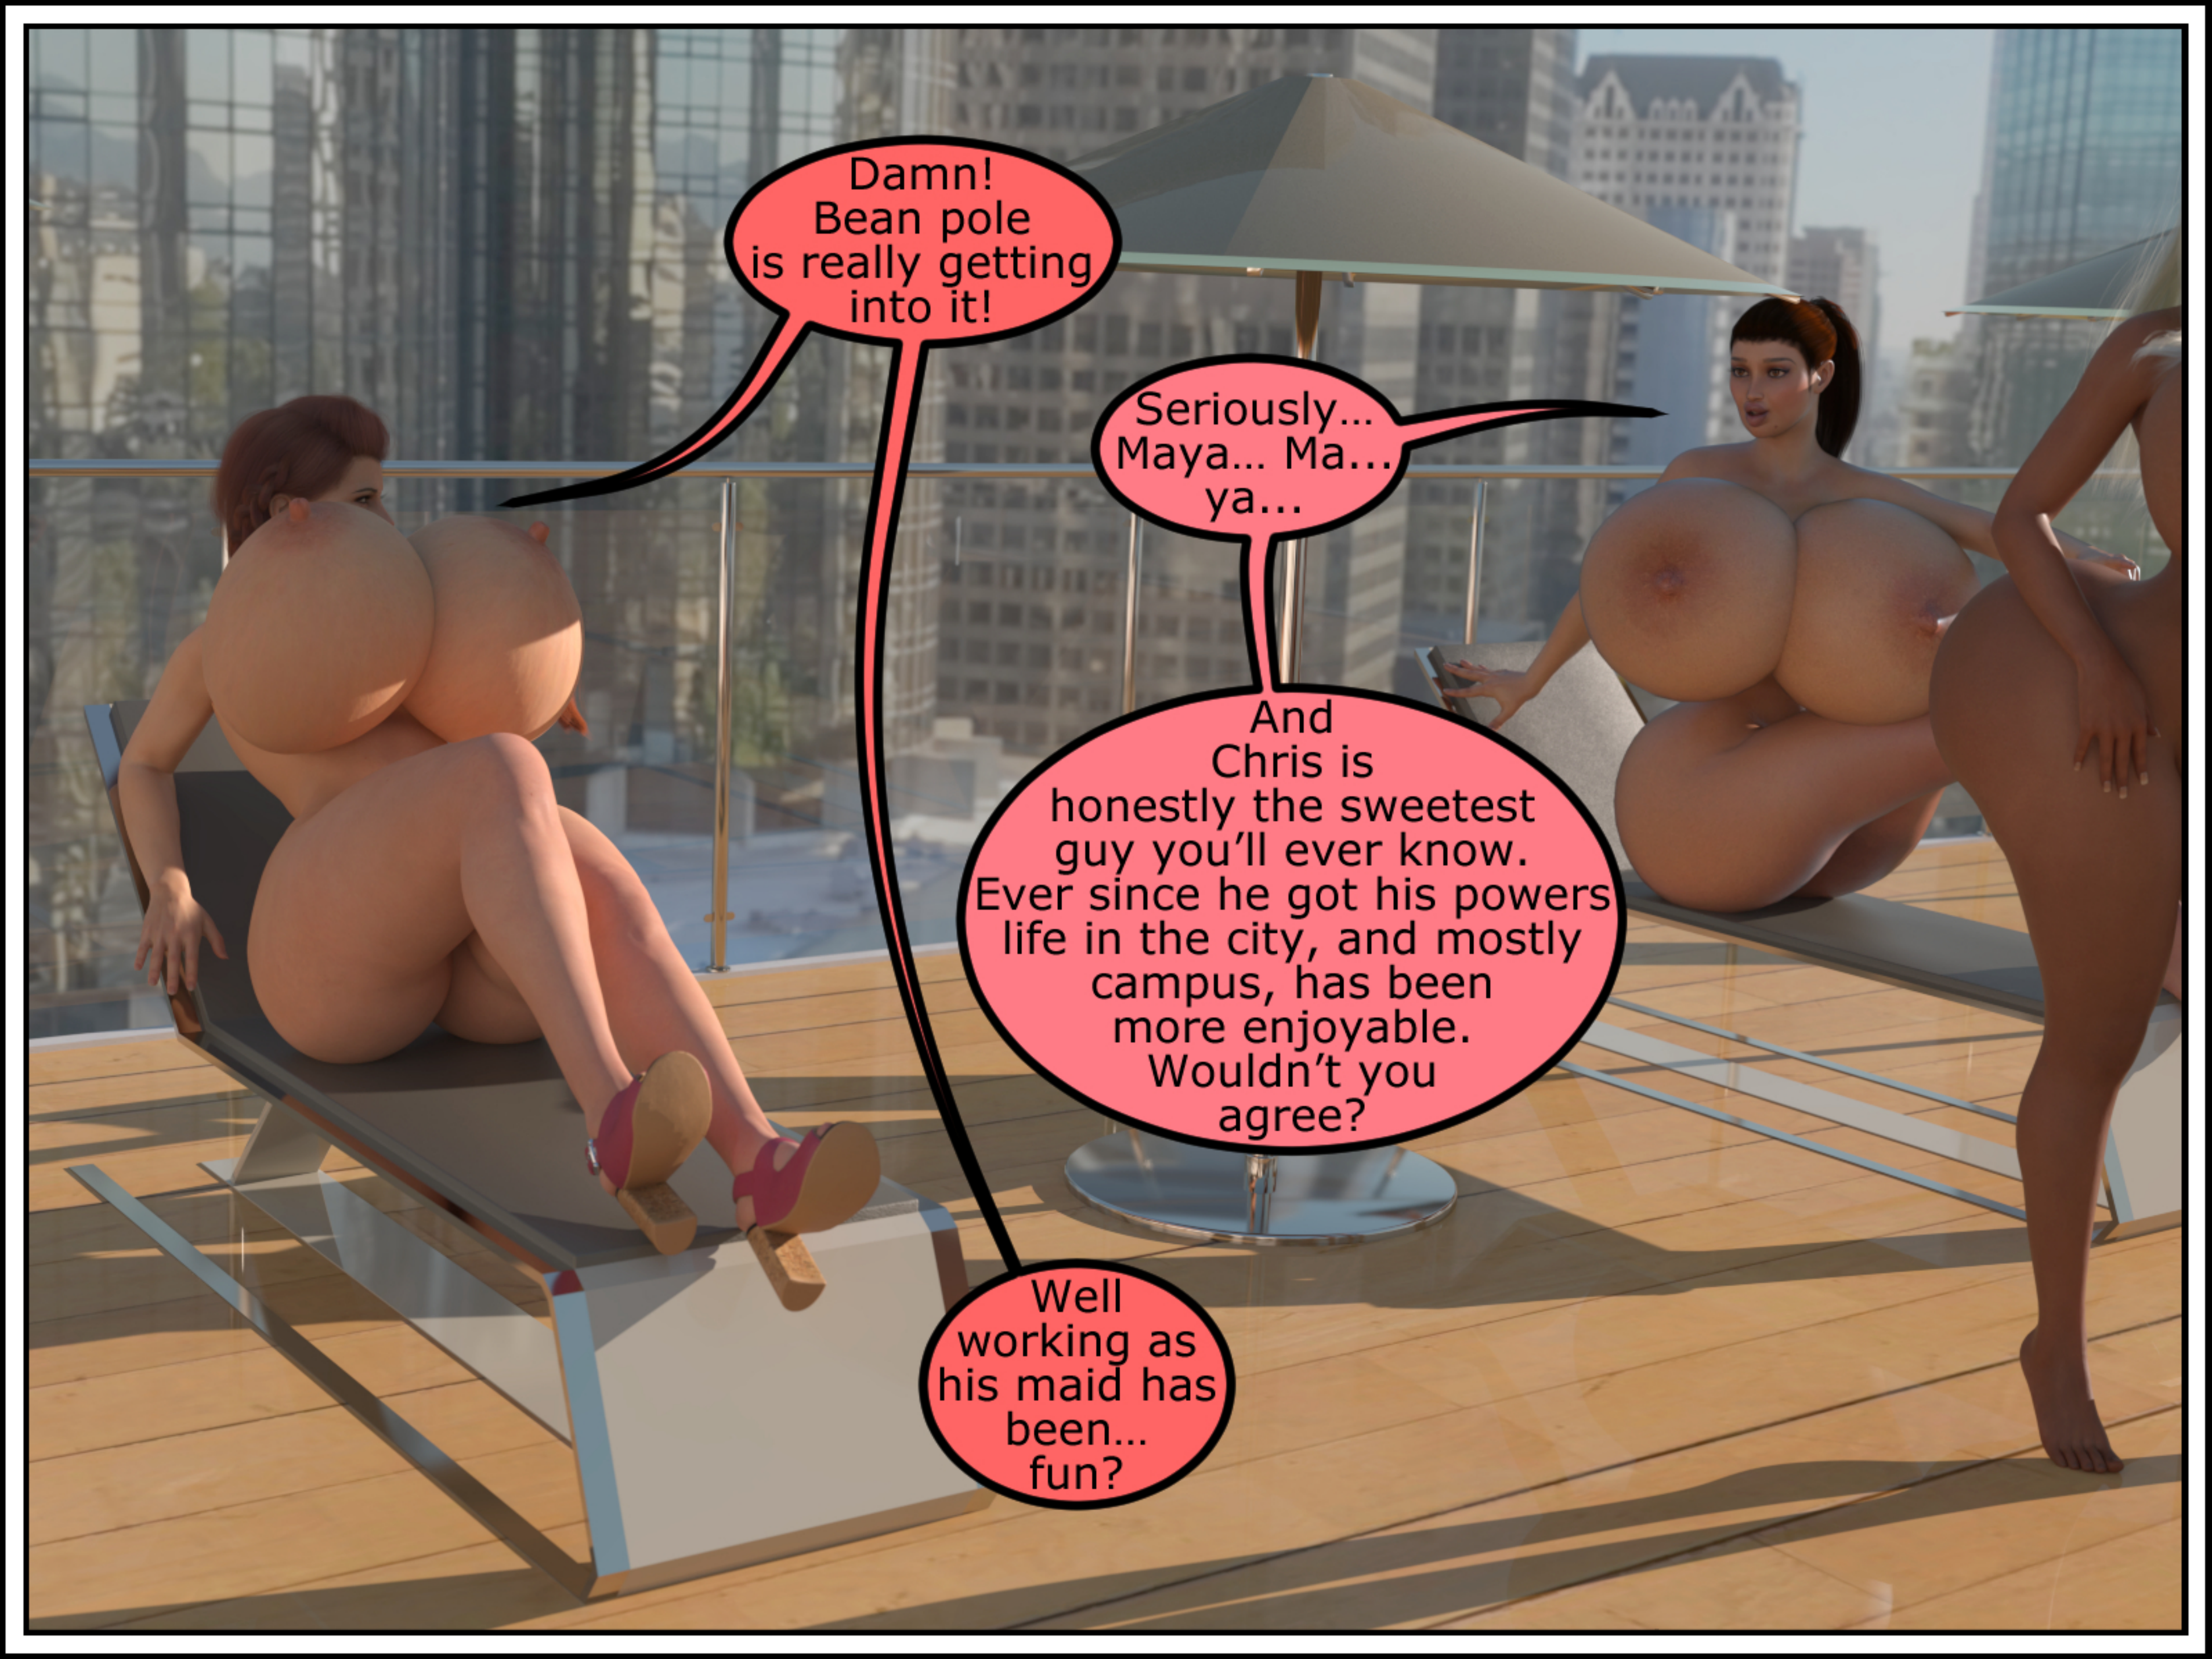

There were two more
"guests" to his patio
pool party!

Mmmph!
Oooh, baby!
I can't
stop!

All
yours! Squeeze
these massive
milkers!

Mmmm!
Sooo big and
beautiful.

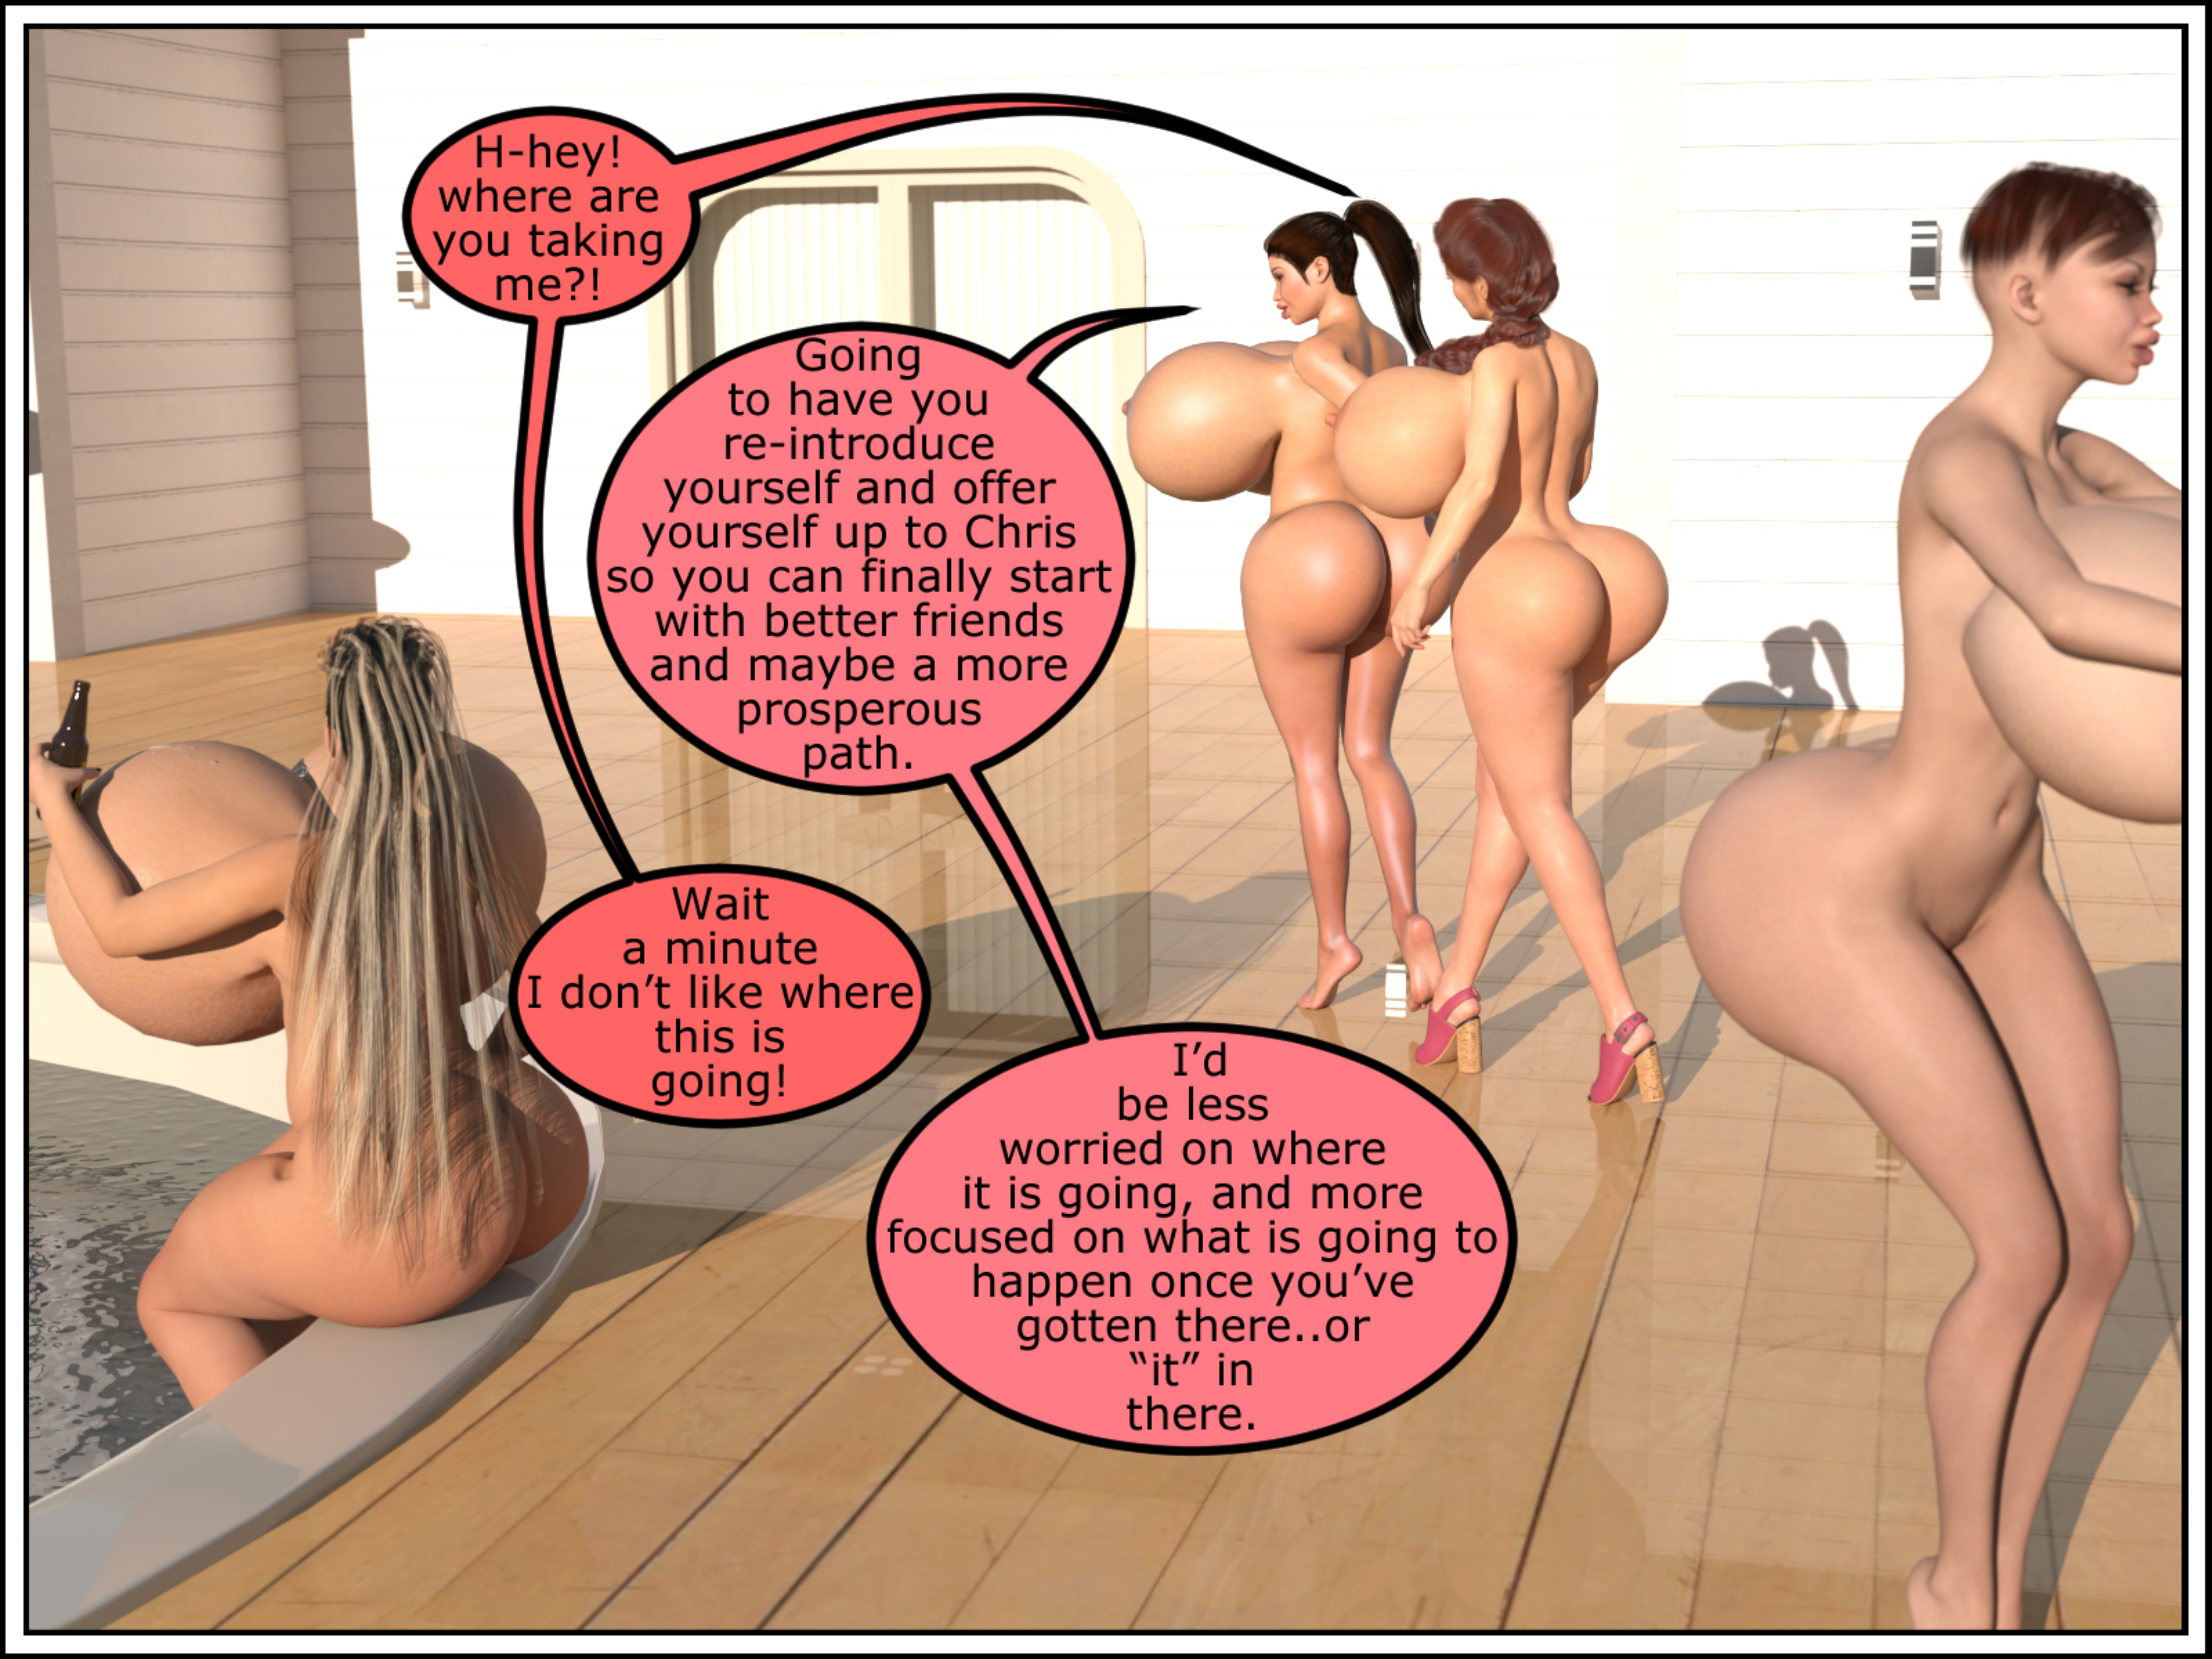

A comic panel set on a rooftop with a city skyline in the background. Two women are present. The woman on the left is sitting on a lounge chair, wearing pink high-heeled sandals, and has extremely large breasts and buttocks. The woman on the right is standing, also with exaggerated features, and is holding a smartphone. A large speech bubble originates from the woman on the left, and two smaller ones are connected to it by lines.

Damn!
Bean pole
is really getting
into it!

Seriously...
Maya... Ma...
ya...

And
Chris is
honestly the sweetest
guy you'll ever know.
Ever since he got his powers
life in the city, and mostly
campus, has been
more enjoyable.
Wouldn't you
agree?

Well
working as
his maid has
been...
fun?

H-hey!
where are
you taking
me?!

Going
to have you
re-introduce
yourself and offer
yourself up to Chris
so you can finally start
with better friends
and maybe a more
prosperous
path.

Wait
a minute
I don't like where
this is
going!

I'd
be less
worried on where
it is going, and more
focused on what is going to
happen once you've
gotten there..or
"it" in
there.

J-josephine?
Mmmph! you're
only making me thrust
into my girl
harder!

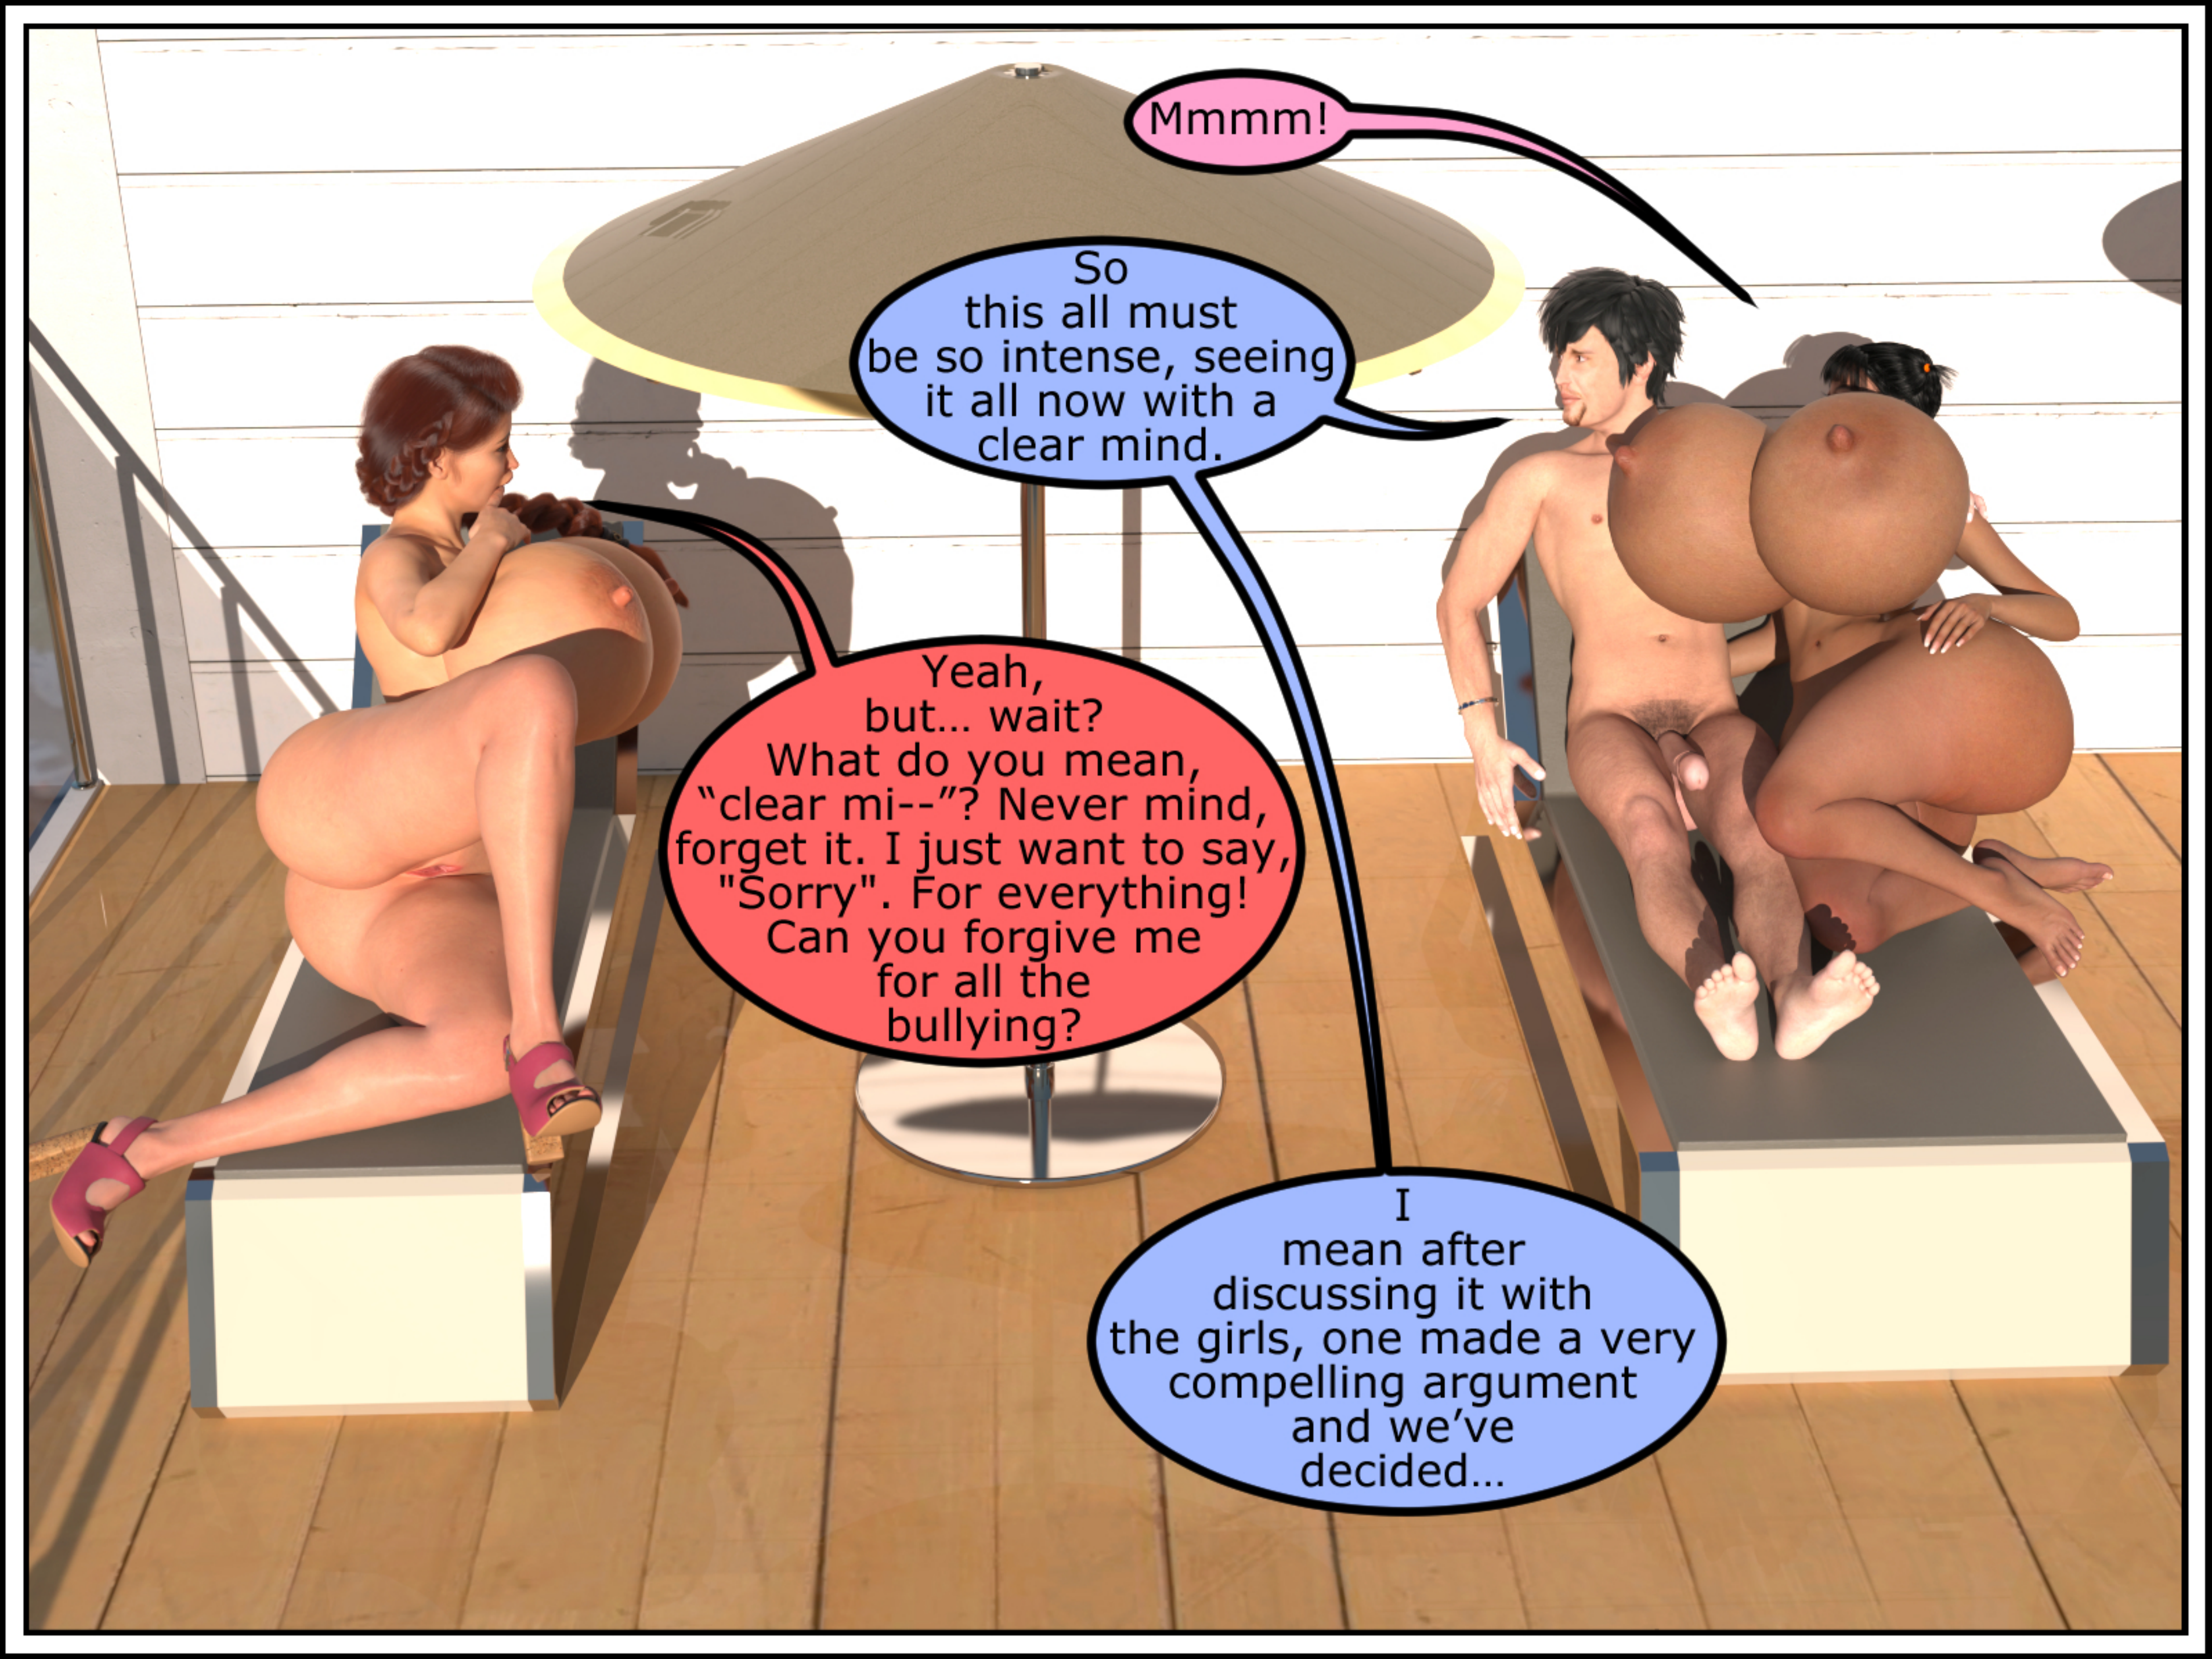

Mmmm,
honey. I'm
getting jealous that
Maya has gone three times
and we've only gone only once.
How about sharing some
cocky with us. We've
been good girls,
daddy!

Oh!
Mmmph! One
second. Going...
tooooo...

Ummm...
H-hey, Chris.
I was ... you know...
wondering...

Cumming!

Mmmm!

So
this all must
be so intense, seeing
it all now with a
clear mind.

Yeah,
but... wait?
What do you mean,
"clear mi--"? Never mind,
forget it. I just want to say,
"Sorry". For everything!
Can you forgive me
for all the
bullying?

I
mean after
discussing it with
the girls, one made a very
compelling argument
and we've
decided...

I
forgive you
for all those months
of harassment about me,
my friends, my
boyfriend, and my
titties!

Ummm,
babe?

I
stand
by what I
said.

T-thank
you!

S-shut
up, you silly
slut! Come
here!!

Heh.
See? I knew
there was a
good bimbo in there
wanting to be
free and
fucked.

Eeek!
Hahahaha!

H-hey!
Heh, you both
are so cute togeth--
Uh oh! I feel
a sneeze
coming.

Sylvia dove on top of Maya to thank her, nearly crushing Chris, and her ponytail flipped in an inconvenient direction.

TICKLE!

AHCHOOOOOOO!

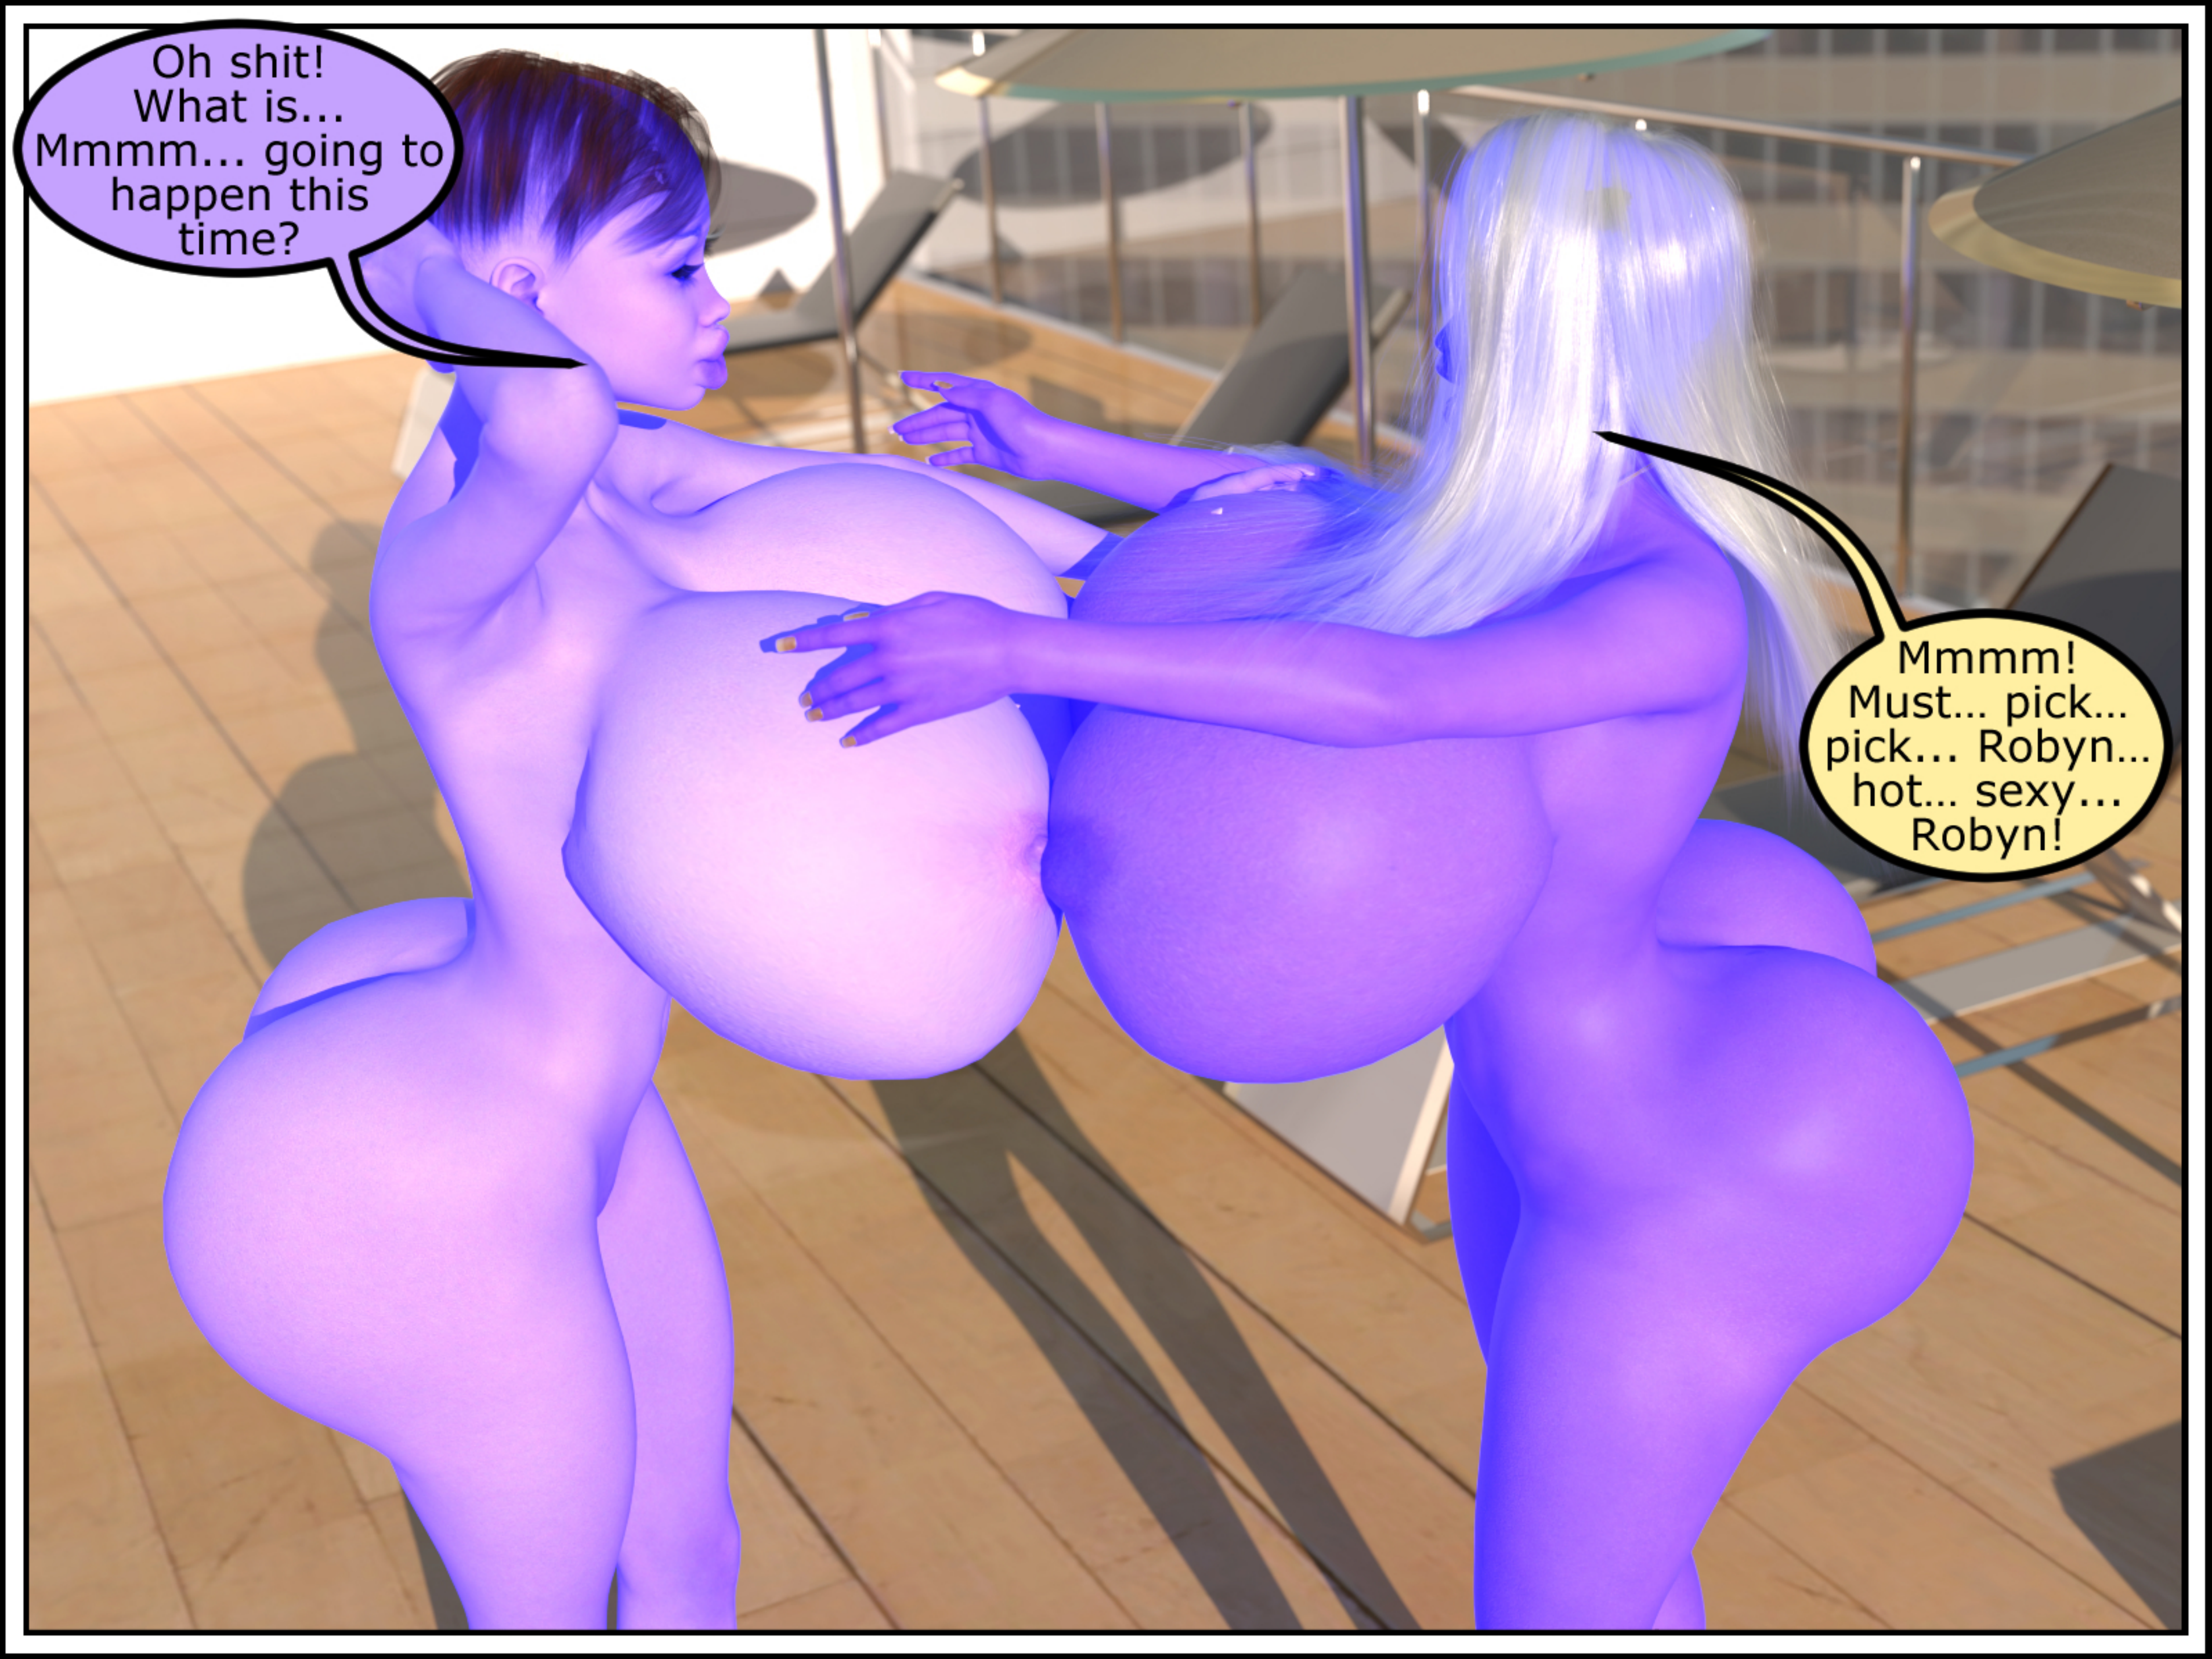

The loud sneeze echoed
across the patio.

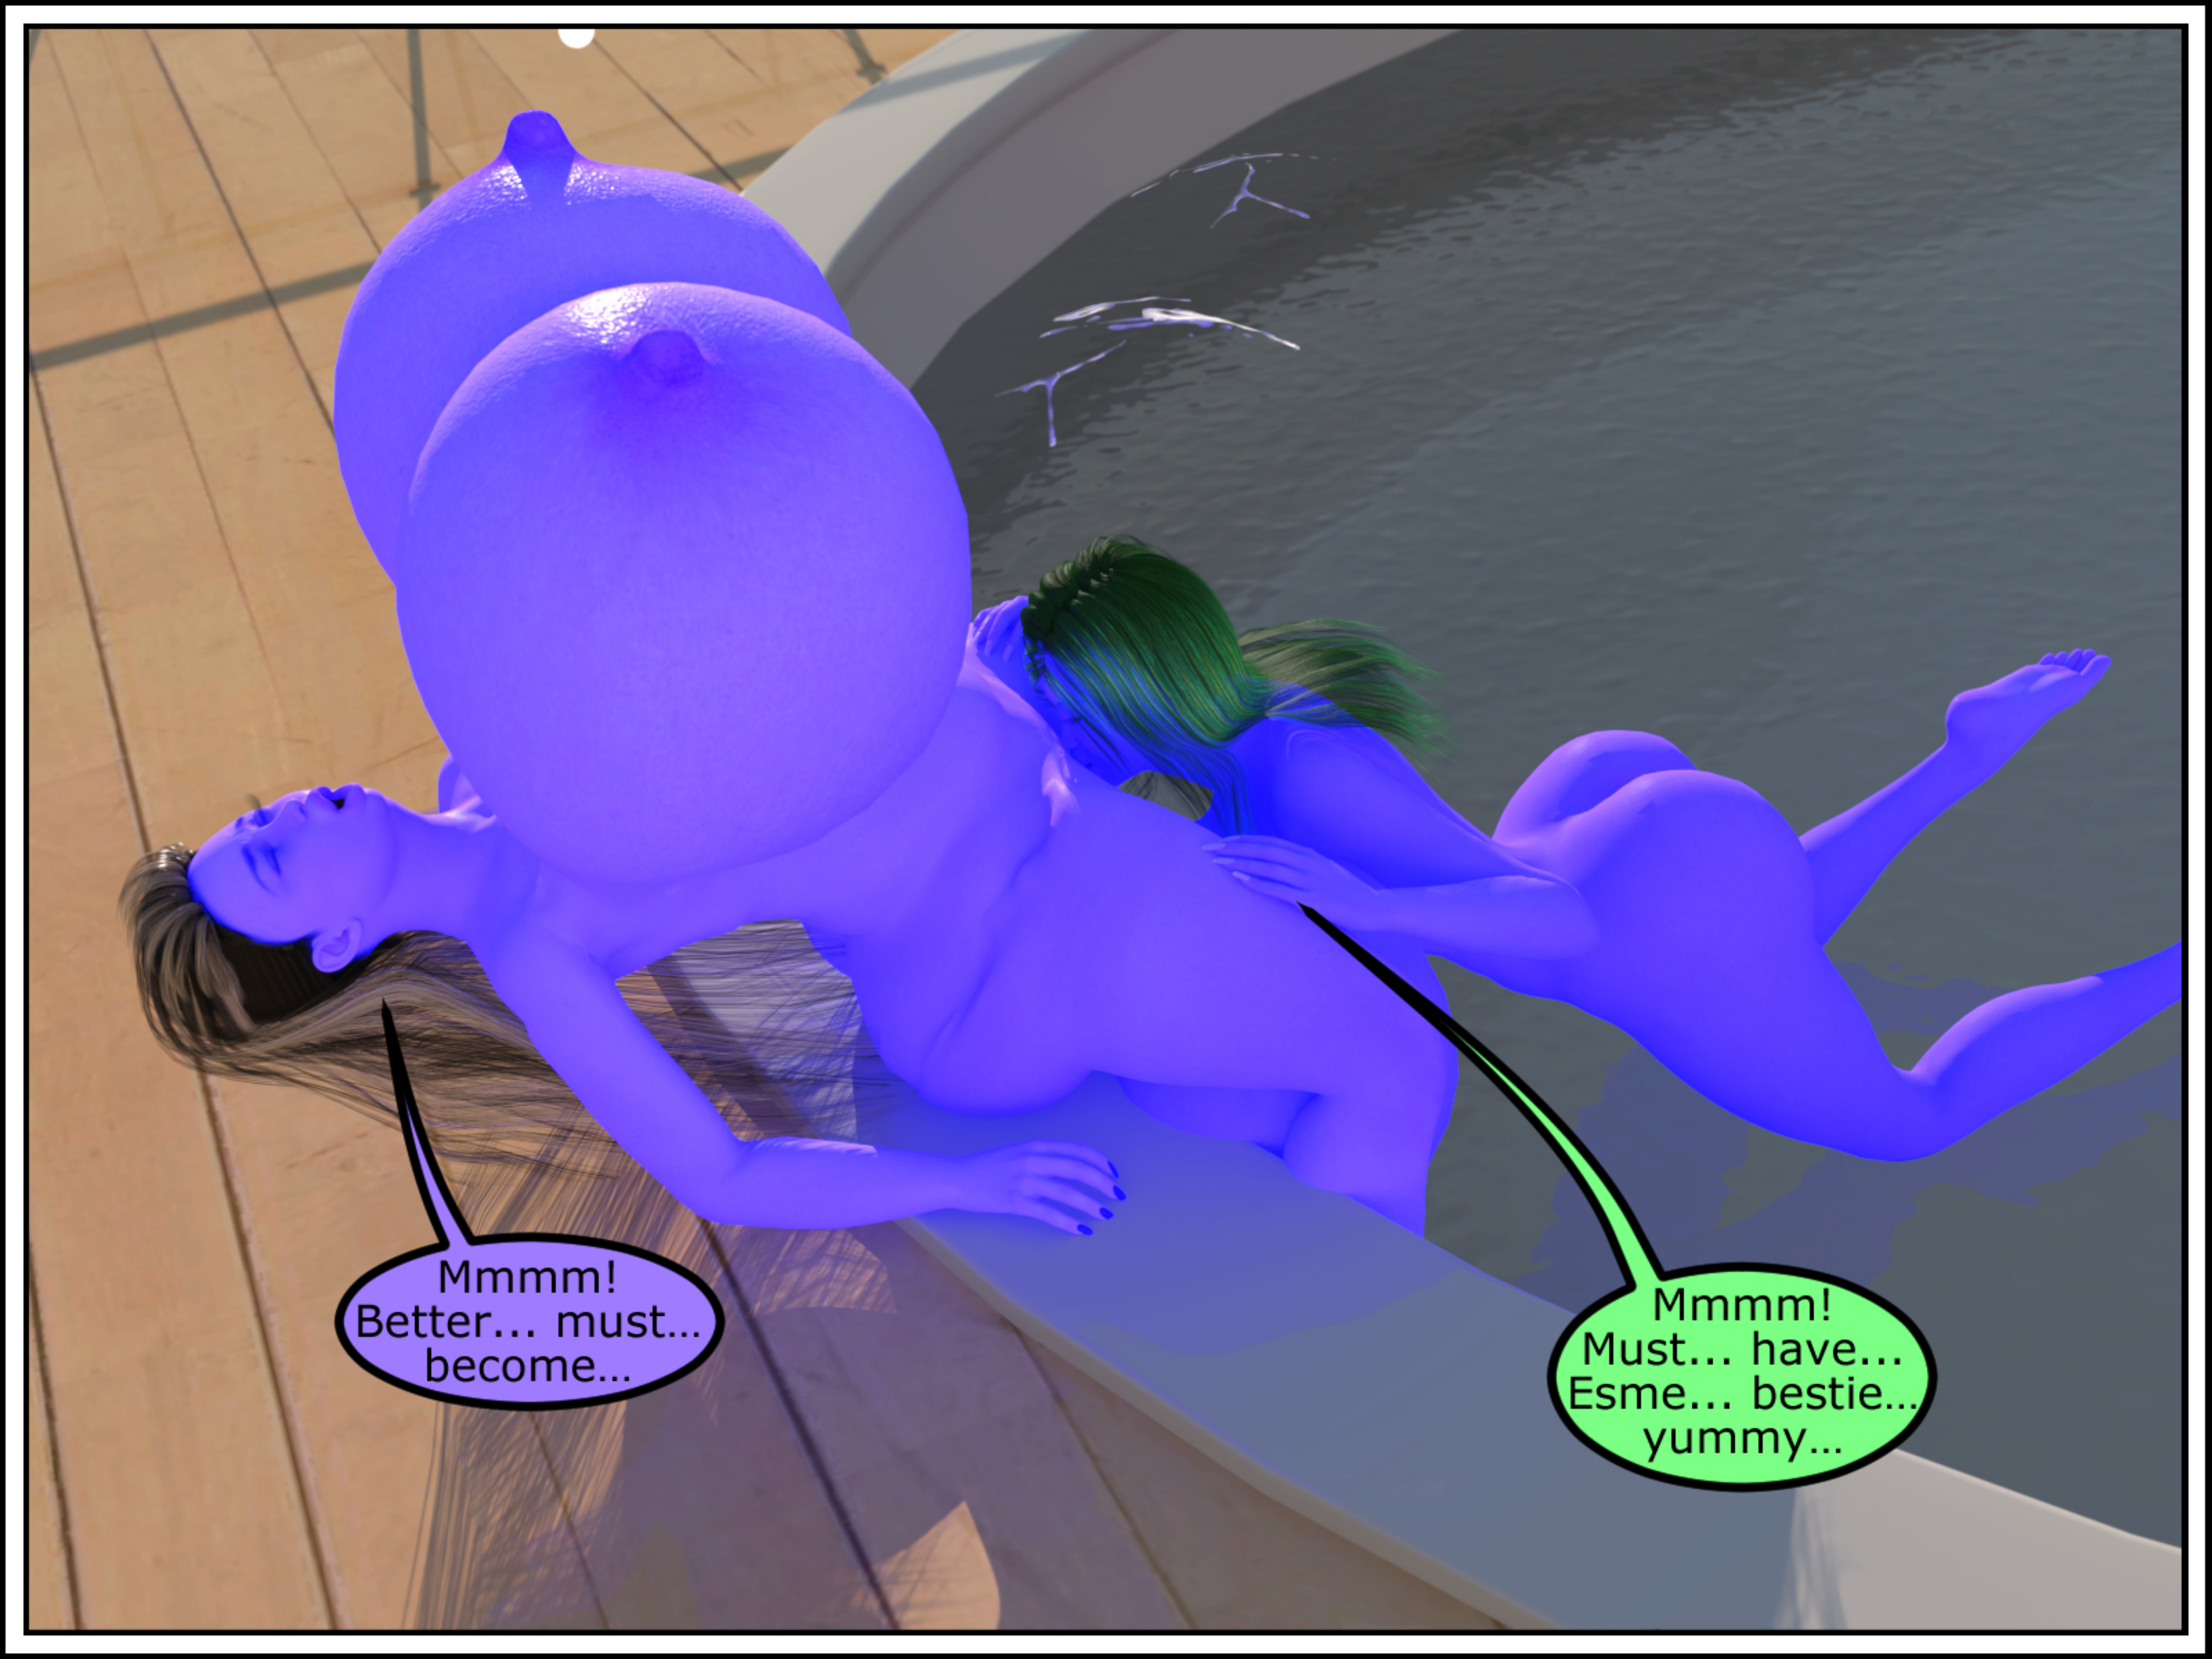

All the girls started to glow, while Chris flicked the hair out of his nose.

Oh shit!
What is...
Mmmm... going to
happen this
time?

Mmmm!
Must... pick...
pick... Robyn...
hot... sexy...
Robyn!

Mmmm!
Better... must...
become...

Mmmm!
Must... have...
Esme... bestie...
yummy...

The insanity quickly escalated, and Chris and Sylvia found themselves diving out of Josephine's way.

Come here, you slut!

Oh boy! Mmmm! Looks like the orgy idea might be starting earlier than e-expected!

Mmmm! Ooooh! Is this that magic you all talked about? Pretty blue color.

Ummm, but did you guys notice it is making them act like a pa--

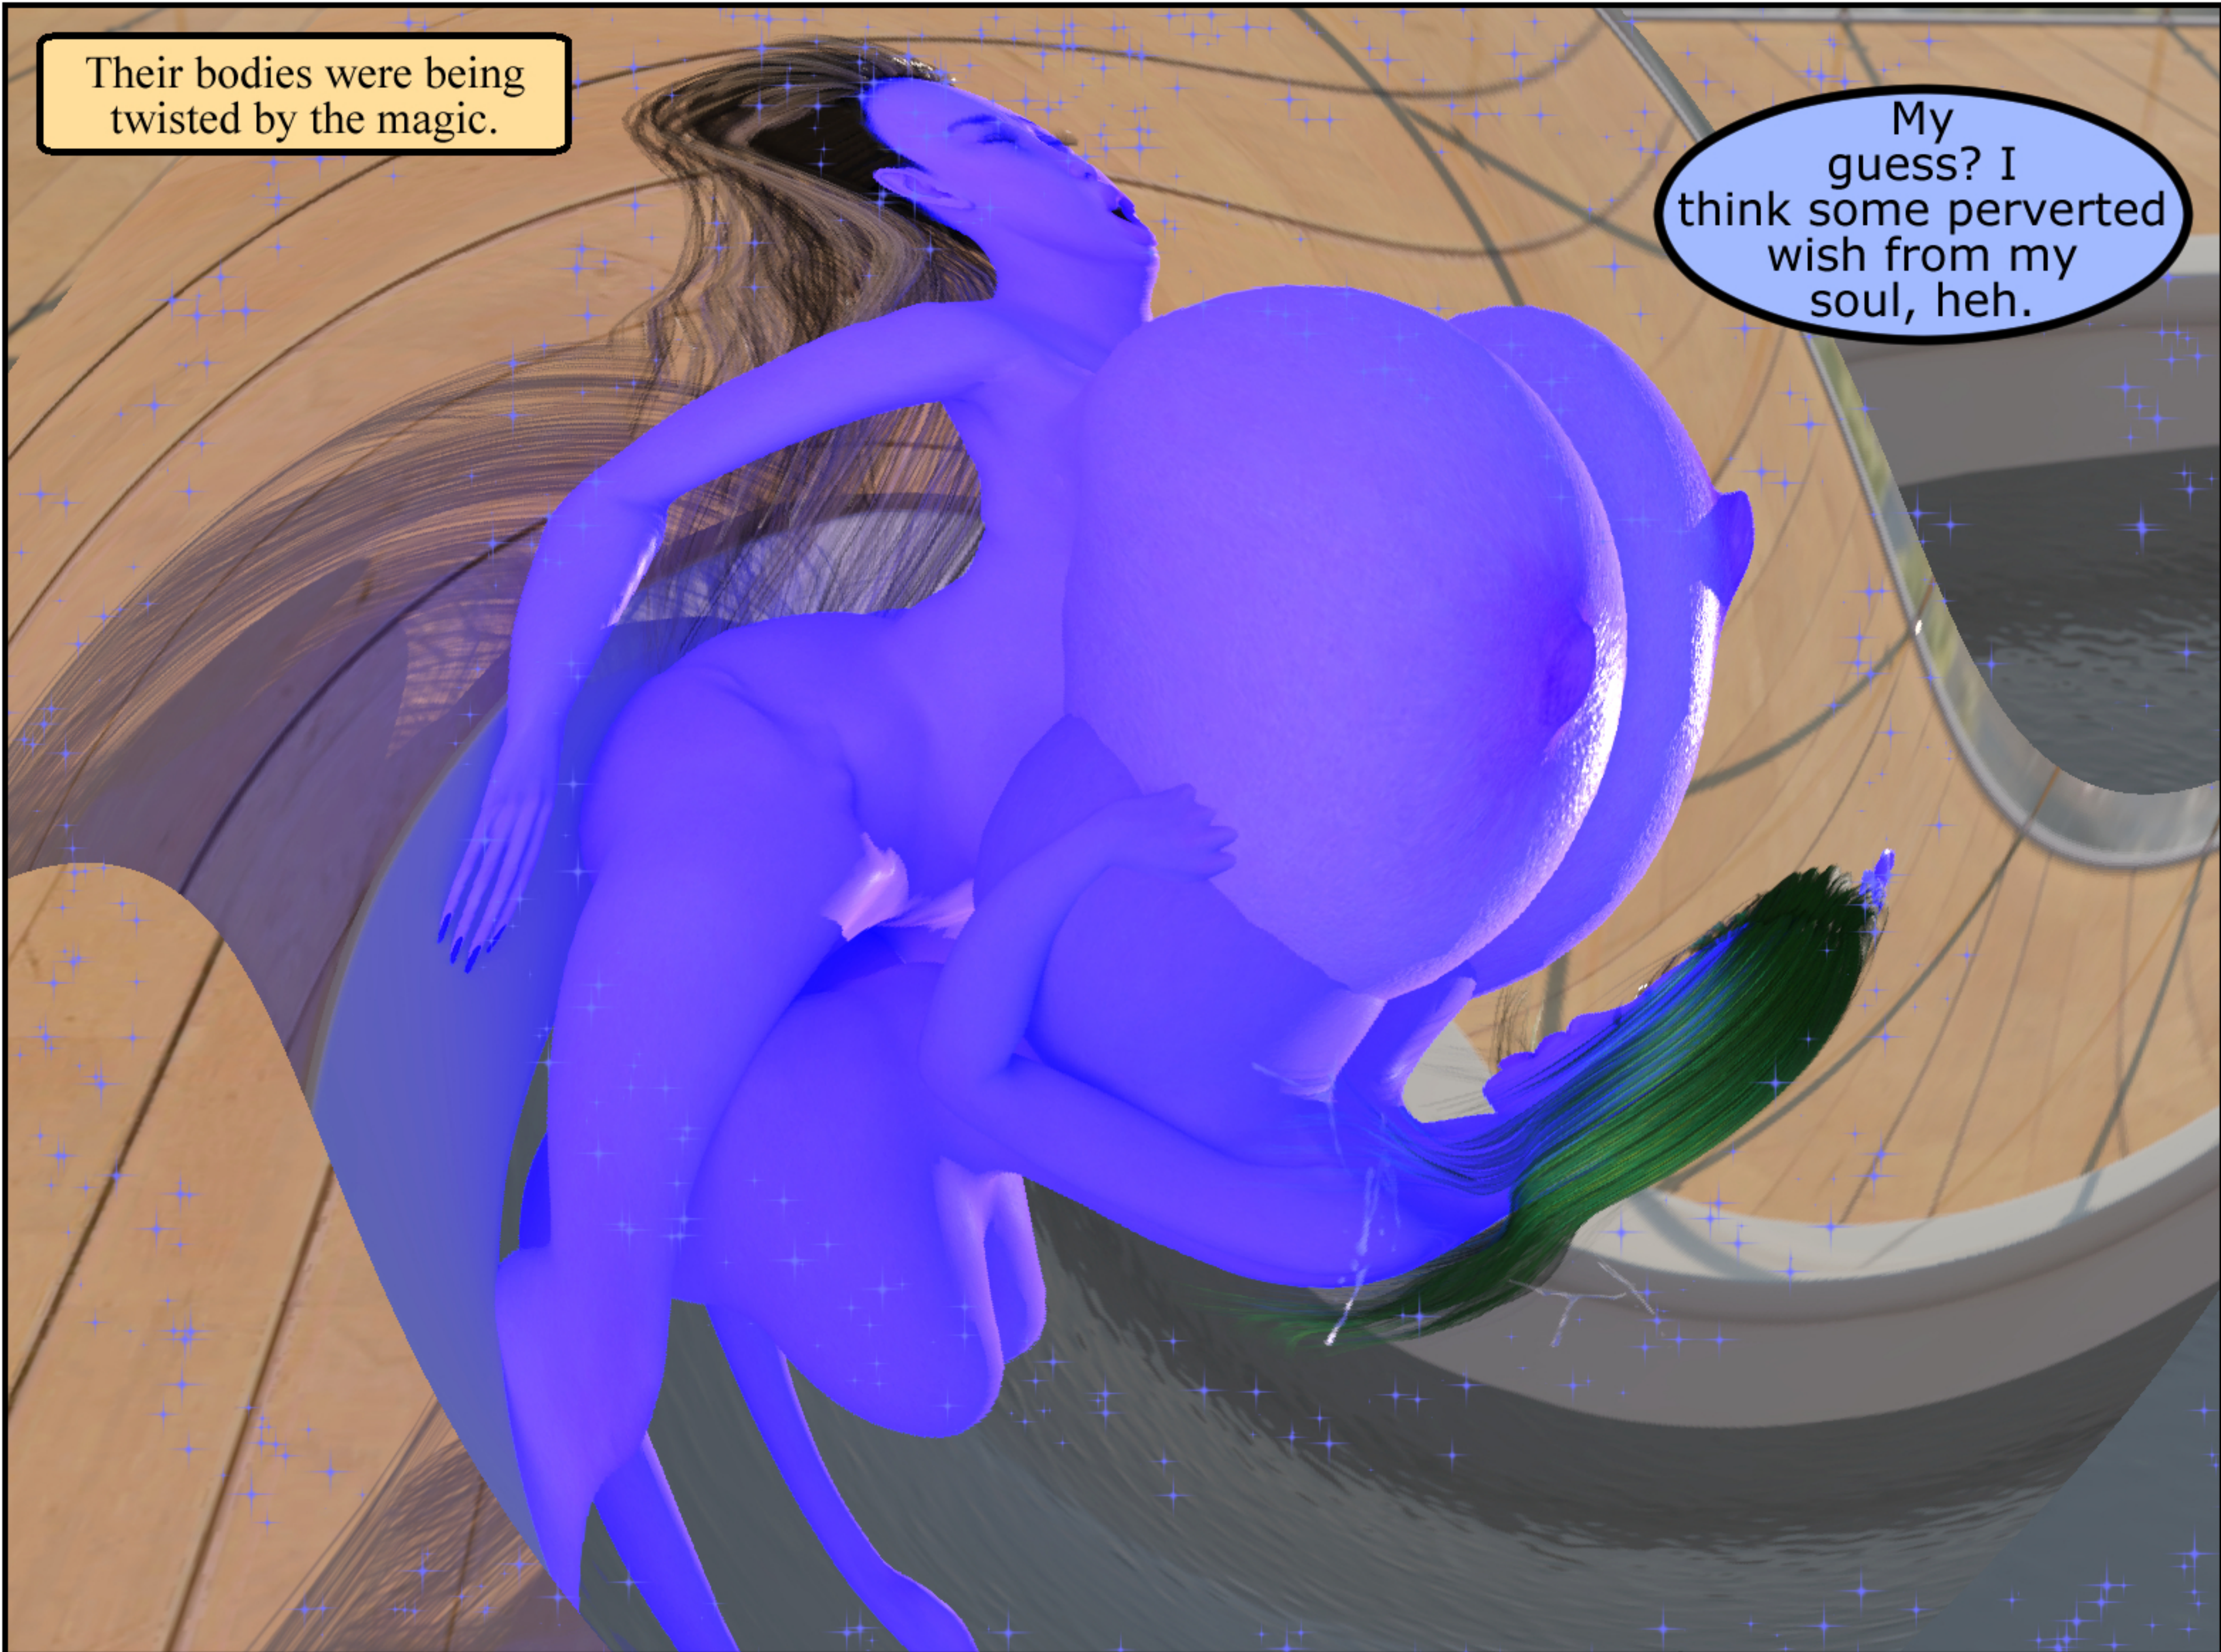

Josephine practically mauled Maya, as the other girls began to merge.

What is happening to them?

Their bodies were being
twisted by the magic.

My
guess? I
think some perverted
wish from my
soul, heh.

Selecting the best of each
woman's physical and
mental attributes.

Will
they be
OK?

The only two that remained untouched, despite the previous panel, were Chris and Sylvia.

I'd be more worried about you it seems. If they were paired up, what will become of you?

Correction: just Chris.

What
do you--
Ohhh!

Mmmm!
I feel the
tingles coming
back...

Mmmm?

Mmmmfff!!

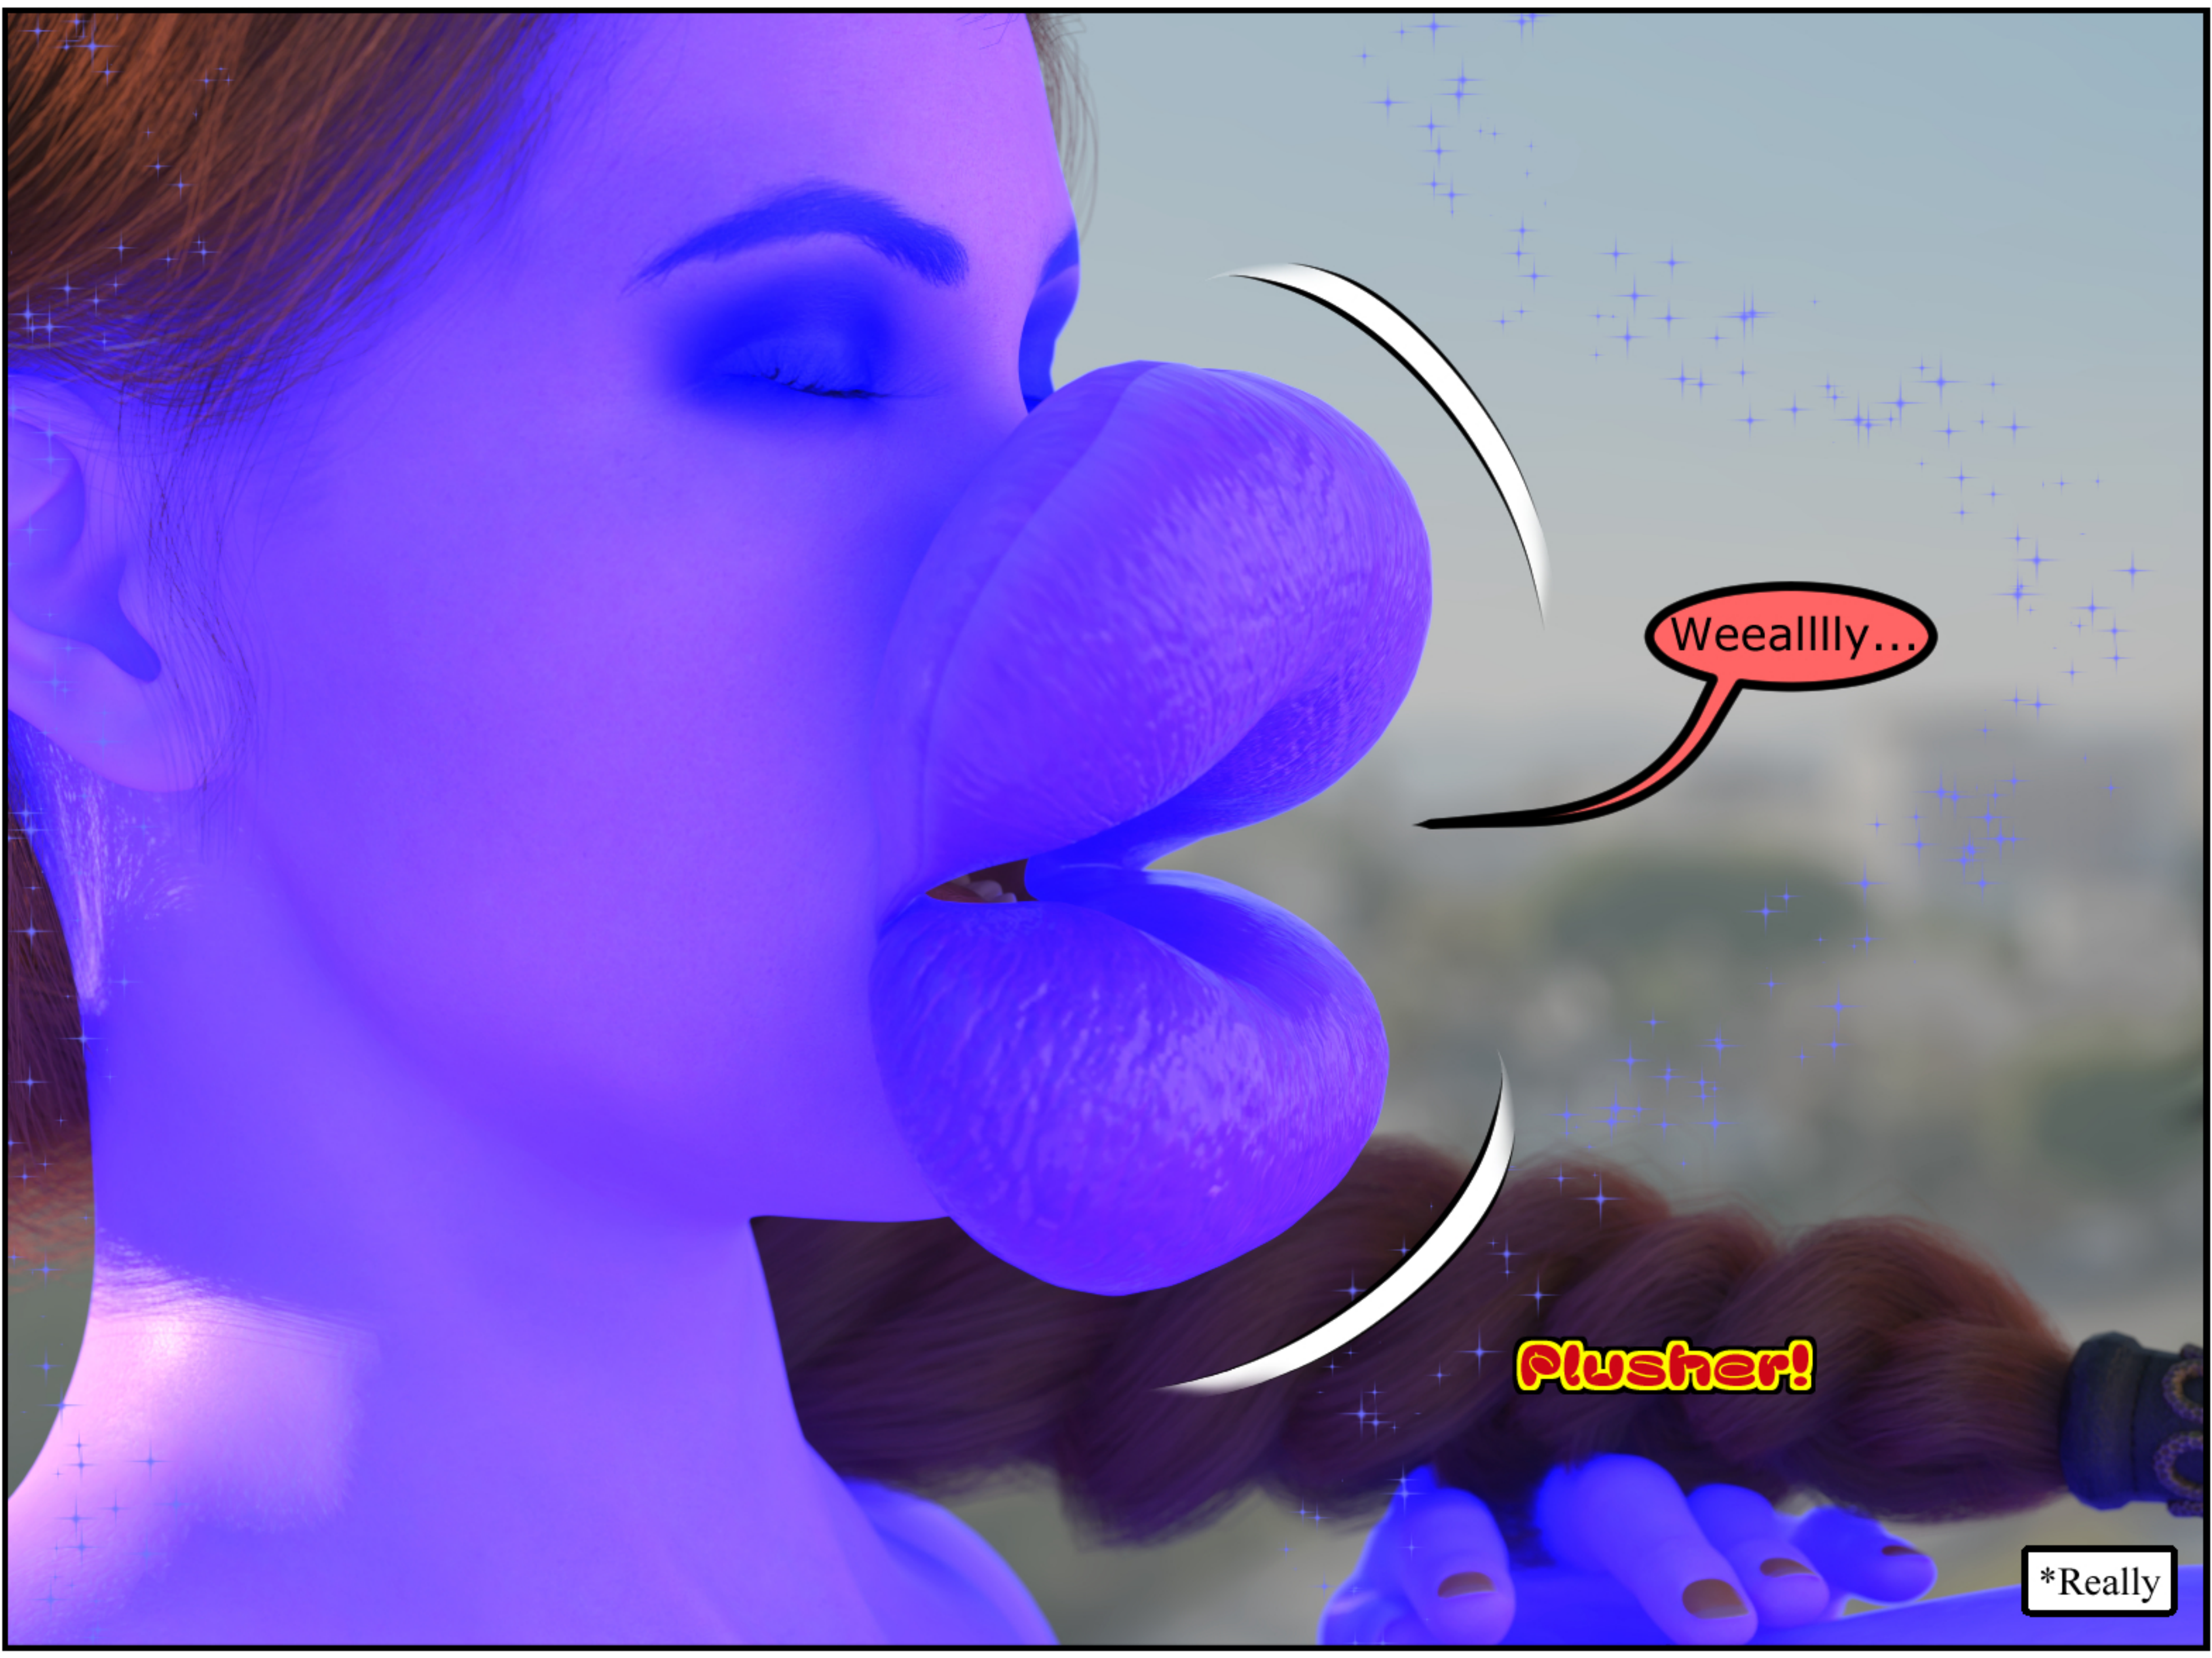

Fuller!

Weel...

Plumper!

*Feel

Weealllly...

Plusher!

*Really

...wood!

Mega DSLs!

*Good

Wow!
Talk about
cartoony bimbo
modifications! Ahahaha!
But, man, I want to feel
those big lips! Want
to have some
fun?

Wuwvy
wowk!

*Yummy cock!

While Sylvia's alteration was much different from the rest, it still led to the expected destination.

Mmmm!
Oooh yeah!
Work that mouth,
you bimbo!

SLURP!

With Sylvia choking down
Chris' hog for all she
was worth.

MMMMPH!

MMMURFFF!

SHLUUURRRPPP!

Until a new voice
interjected itself into the
"conversation".

Mmmm!
I... **We...** smell
sex!

Our story will
continue in
the next part.
