The image depicts two nude female characters in a stone-walled room. On the left, a character with long black hair and a red flower in it is shown from the side, with her hands raised in a defensive or surprised pose. On the right, a character with short reddish-brown hair is shown from the front, looking towards the left with a concerned expression. She has a blue tattoo on her left shoulder and is wearing a yellow bracelet and a blue watch. The room has stone walls, a wooden staircase in the background, and some wooden crates and a pot on the floor. Two speech bubbles are present: a blue one in the center and an orange one in the top right.
