

EN – Patreon Connection Guide

Hey there! Connecting your Patreon account unlocks all your supporter perks in the game. The whole process takes less than a minute – just follow the steps below and you'll be good to go 💎

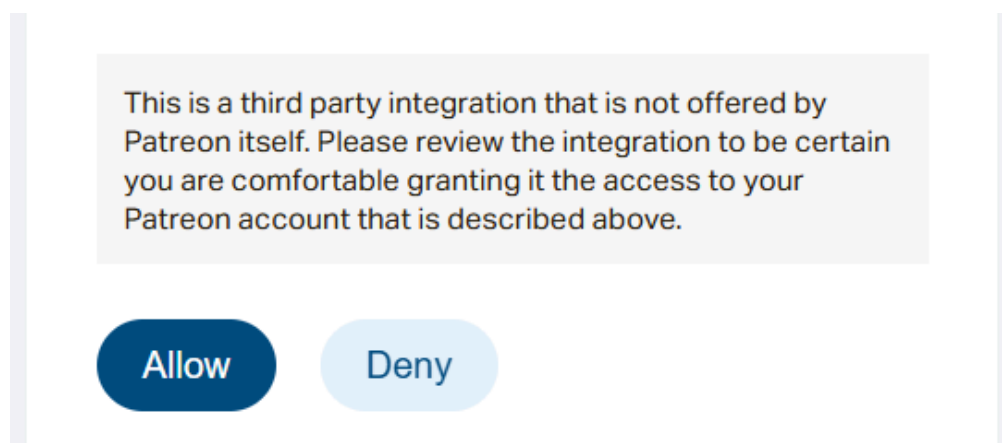

1. Open the game and tap the **diamond button** in the top-right corner of the screen.

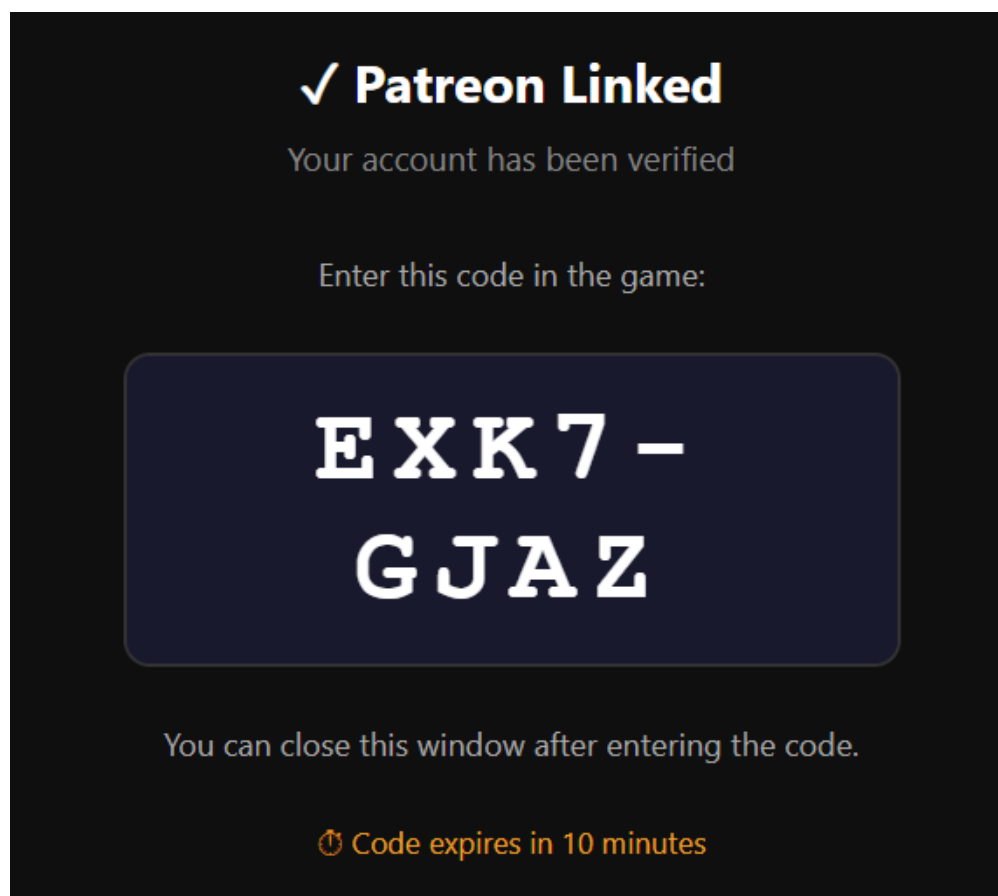

2. Tap the **OPEN PATREON** button.

A screenshot of the 'PATREON ACCOUNT' screen in a game. The title 'PATREON ACCOUNT' is at the top in pink, with a close button (X) to its right. Below the title is a section 'Link Your Patreon' with a chain icon and the text 'Get access to exclusive content'. Underneath are six diamond icons of different colors (blue, teal, yellow, orange, red, purple) and a green button that says 'FREE TIER GETS BONUSES TOO'. Below the diamonds is the text 'See what's inside each tier' and 'Exclusive content • Early access • More customization options', followed by an orange arrow button. The screen is divided into two steps: 'STEP 1 Sign in on Patreon' with a large pink 'OPEN PATREON' button, and 'STEP 2 Paste your code' with a text input field containing 'XXXX-XXXX', a clipboard icon, and a large orange 'SUBMIT CODE' button.

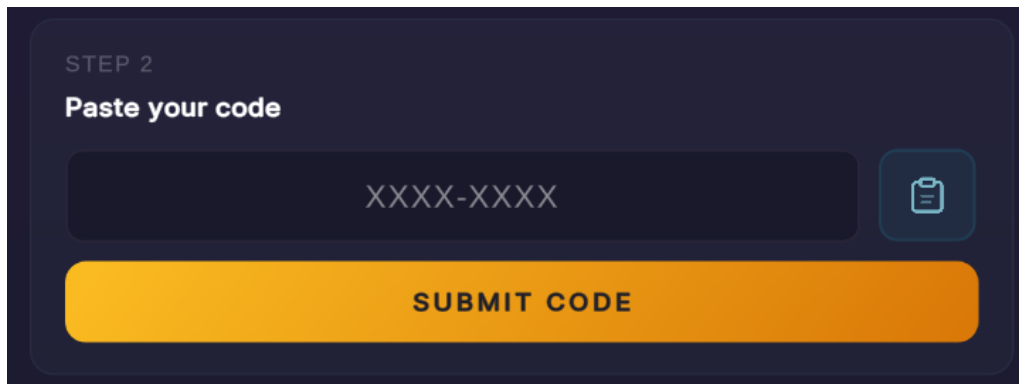

3. In the Patreon login window, tap **Allow** to sign in with your account. Don't worry, it's safe!

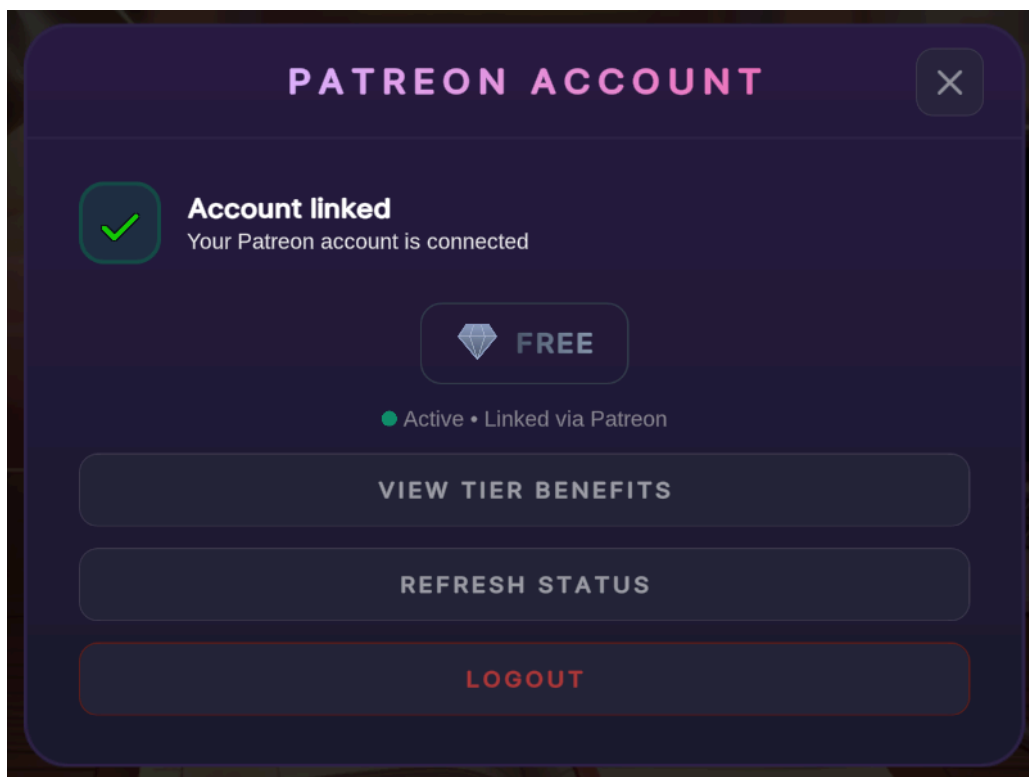

4. After verifying, you'll receive an **8-digit code** – copy it. The codes expire in 10 minutes, so if you run out of time, just head back and grab a fresh one.

- Return to the game, paste your code into the field, and tap **SUBMIT CODE**.

- Success! You're all set! From here, you can **LOG OUT** or **REFRESH YOUR STATUS** anytime you need to.

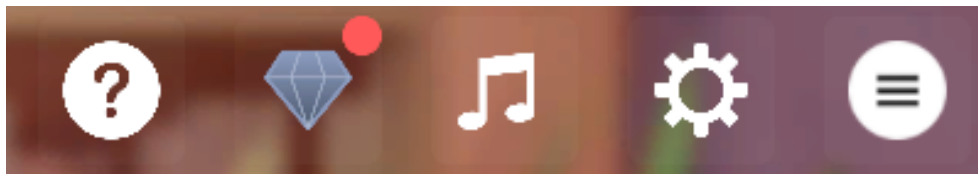

- That's it. Enjoy the game!
